The investigation was undertaken in response to the imposition of the “skull and cross bones” moniker by OTC Markets. In announcing the completion of the investigation, to Jeremy Booth, the Company’s President and Treasurer stated that, “As a company, we take our responsibilities as corporate citizens seriously. And we have completed a thorough investigation into this matter. As a result, I am, able to confirm that we did not find any evidence that these unauthorized and unwanted actions had any connection to the Company, its management or employees. We have not yet established the source or identity of the perpetrators of the activity but we are continuing our efforts. In the event that we discover the source and identity of the persons responsible for the email activity, we intend to undertake vigorous legal action against all persons involved.”
