We have made this proxy statement available to you on or about April 19, 2013 as a holder of common stock of Altisource Asset Management Corporation (“AAMC” or the “Company”) because our Board of Directors is soliciting your proxy to be used at our Annual Meeting of Stockholders and at any adjournment of this meeting. The Annual Meeting of Stockholders will be held at our offices located at 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531 on Thursday, May 30, 2013, at 9:00 a.m., Atlantic Standard Time for the purposes listed in the Notice of Annual Meeting of Stockholders. This is our first Annual Meeting of Stockholders since we separated from Altisource Portfolio Solutions, S.A., which we refer to as “Altisource,” and became a publicly traded company on December 21, 2012.

Notice and Access to Proxy Materials

We expect our proxy materials, including this proxy statement and our 2012 annual report, to be made available to stockholders on or about April 19, 2013 through the Shareholders link on our website at www.altisourceamc.com or through www.proxyvote.com. In accordance with the rules of the SEC, most stockholders will not receive printed copies of these proxy materials unless they request them. Instead, most stockholders will receive by mail a “Notice of Internet Availability of Proxy Materials” that contains instructions as to how they can view our materials online, request copies be sent to them by mail or electronically by email and as to how they can vote online.

Voting Procedures

You can vote your shares by proxy without attending the meeting. You may vote your shares by proxy over the Internet by following the instructions provided in the “Notice of Internet Availability of Proxy Materials,” or if you receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card. If you are voting over the Internet or by telephone, you will need to provide the control number that is printed on the Notice or proxy card that you receive.

How a Proxy Works

All valid proxies received prior to the meeting will be voted in accordance with your instructions. If no contrary instructions are given, other than as discussed below with respect to broker “non-votes,” each proxy received will be voted “FOR” each of the nominees for Director and “FOR” approval of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2013 and with regard to any other business that properly comes before the meeting in accordance with the best judgment of the persons appointed as proxies.

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting of Stockholders and any adjournment of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

filing written notice with our Corporate Secretary at the following address:

Stephen H. Gray, Corporate Secretary
Altisource Asset Management Corporation

Frederiksted, United States Virgin Islands 00840-3531

1

submitting a properly executed proxy bearing a later date; or

appearing at the Annual Meeting of Stockholders and giving the Corporate Secretary notice of your intention to vote in person.

Who May Vote

You are entitled to vote at the Annual Meeting of Stockholders or any adjournment of the Annual Meeting of Stockholders if you are a holder of record of our common stock at the close of business on April 11, 2013. At the close of business on April 11, 2013, there were 2,343,213 shares of common stock issued, outstanding and able to be voted and no other class of equity securities outstanding. Each share of our common stock is entitled to one (1) vote at the Annual Meeting of Stockholders on all matters properly presented. Abstentions and broker “non-votes” will be treated as present for purposes of a quorum.

Quorum and Voting Information

The presence at the Annual Meeting of Stockholders of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting of Stockholders.

Assuming a quorum, the six (6) nominees for Director will be elected as Directors of AAMC by a majority of the votes cast in person or by proxy at the meeting. You may vote in favor of, against or withhold authority to vote for one (1) or more nominees for Director. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

The proposal to ratify the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2013 requires the affirmative vote of a majority of the shares entitled to vote that are represented at the meeting. Any other matter properly submitted for your consideration at the Annual Meeting of Stockholders (other than the election of Directors) requires the affirmative vote of a majority of the shares entitled to vote that are represented at the meeting.

Abstentions will not be counted in determining the votes cast in connection with the foregoing matters.

If any broker “non-votes” occur at the meeting with respect to your shares, the broker “non-votes” will count for purposes of determining whether a quorum is present but will not have an effect on any proposals presented for your vote. A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received instructions from the owner. Other than with respect to the ratification of our independent registered accounting firm, in the event of a broker non-vote, brokers may not vote on behalf of their clients on the above proposals.

If the shares you own are held in “street name” by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your bank or brokerage firm provides you. You will receive a Notice of Internet Availability of Proxy Materials that will tell you how to access our proxy materials and vote your shares via the Internet. It also will tell you how to request a paper or e-mail copy of our proxy material. Please contact your bank or brokerage firm for further information.

If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting of Stockholders, the person or persons appointed as proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. **OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the Stockholders. Directors are expected to attend all meetings of the Board of Directors, the meetings of committees on which they serve and the Annual Meeting of Stockholders. Directors are also consulted for advice and counsel between formal meetings.

Neither our current Board of Directors nor any of our committees held any meetings in 2012. Since their appointment to our Board of Directors, each incumbent Director attended all meetings of our Board of Directors as well as the meetings held by all committees of our Board of Directors on which they served. Although we do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders, our Directors are expected to attend.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the applicable exchange requirements. Because the OTCQX Market, on which our common stock is quoted, does not have independence standards, we follow the listing standards of the NYSE in determining independence.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Erbey, Bossidy and Schweitzer, Ms. Gertz and Ms. Kurland are independent Directors.

Board Leadership Structure

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board of Directors retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and our stockholders at any given time. The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the best structure to fit our needs. As our Chief Executive Officer, Mr. Pandey is responsible for our day-to-day operations and for formulating and executing our long-term strategies in collaboration with the Board of Directors. As Chairman of the Board of Directors, Mr. Erbey leads the Board and oversees meetings of the Board of Directors and the delivery of information necessary for the Board's informed decision-making.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our

system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

6

The members of the Audit Committee since our separation from Altisource have been Mr. Bossidy, Ms. Gertz and Mr. Schweitzer. Each member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that all members of our Audit Committee are financially literate and possess accounting or related financial management expertise. Our Board of Directors has also determined that each of Mr. Bossidy and Mr. Schweitzer qualify as audit committee financial experts as that term is defined in SEC rules. The Audit Committee did not hold any meetings in 2012.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Audit Committee in January 2013.

Compensation Committee. The Compensation Committee of our Board of Directors will oversee our Board and employee compensation and employee benefit plans and practices. The Compensation Committee also will evaluate and make recommendations to our Board of Directors for human resource and compensation matters relating to our named executive officers. The Compensation Committee will review with the Chief Executive Officer and subsequently approve all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to stockholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has authority for the administration of awards under AAMC's 2012 Equity Incentive Plan (the "2012 Equity Plan"). The Compensation Committee has the authority to retain independent counsel or other advisers as it deems necessary in connection with its responsibilities at our expense. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee since our separation from Altisource have been Ms. Gertz, Ms. Kurland and Mr. Schweitzer. Each member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience. We feel that their collective achievements and knowledge provide us with extensive diversity in experience, culture and viewpoints. The Corporate Secretary develops the meeting calendar for the year based on committee member availability and other relevant events within our Company calendar. Compensation Committee meeting agendas are generally developed by our Corporate Secretary and our Compensation Committee Chairperson. Generally, at the end of end of each scheduled meeting, all participants other than the Compensation Committee members withdraw from the meeting and the Compensation Committee meets in executive session. The Compensation Committee did not hold any meetings in 2012.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Compensation Committee in January 2013.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for

our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and presents our Board of Directors with a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

7

The members of the Nomination/Governance Committee since our separation from Altisource on December 21, 2012 have been Mr. Erbey, Mr. Bossidy, Ms. Gertz and Ms. Kurland. Each member of our Nomination/Governance Committee is independent as defined in the NYSE listing standards. The Nomination/Governance Committee did not hold any meetings in 2012.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Nomination/Governance Committee in January 2013.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and applicable exchange listing standards. In addition, our Nomination/Governance Committee will take into account AAMC's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of our business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve our governance and strategic needs. The Nomination/Governance Committee periodically will review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In evaluating a particular candidate, the Nomination/Governance Committee will consider factors other than the candidate's qualifications including the current composition of the Board of Directors, the balance of management and independent Directors, the need for Audit Committee expertise and the evaluation of other prospective nominees.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the recommendation and report of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our Directors, officers and employees. We have also adopted a Code of Ethics for Senior Financial Officers that applies to our Chief Executive Officer and our Chief Financial Officer. Any waivers from the Code of Business Conduct and Ethics for Directors or named executive officers or the Code of Ethics for Senior Financial Officers must be approved by our Board of Directors or the Audit Committee and will be subsequently disclosed when required by SEC or applicable exchange rules. Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved in overseeing risk associated with the Company. The Board of Directors and the Audit Committee expects to monitor AAMC's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee expects to discuss the scope and plan for

the internal audit and expects to include management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs. In its periodic meetings with the external auditors, the Audit Committee expects to discuss the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. The Board of Directors and the Nomination/Governance Committee expects to

9

monitor our governance and succession risks by regular reviews with management. The Board of Directors and the Compensation Committee monitor our compensation policies and related risks by regular reviews with management. The Board of Directors' role in risk oversight is consistent with our leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing our risk exposure, and the Chairman, the Board of Directors and its committees providing oversight in connection with these efforts.

BOARD OF DIRECTORS COMPENSATION

As noted in the following table, the members of our Board of Directors received no compensation for their services on our Board for the period ending December 31, 2012. Our non-management Board members will receive compensation for their services commencing with the Board's first organizational meeting on January 24, 2013 following our separation from Altisource. As our sole management Director, Ashish Pandey will not receive an annual retainer or any other compensation for his service on the Board of Directors and is therefore not included in the following table. As provided in the following table, prior to AAMC's separation from Altisource, Mr. Erbey received 52,589 restricted shares of our common stock with an aggregate grant date value of \$310,012 on December 11, 2012 pursuant to our 2012 Equity Incentive Plan. The 2012 Equity Incentive Plan is described more fully below in "Compensation Discussion and Analysis – Equity Incentive Plan."

The amount provided in this column represents the grant date fair value of restricted stock granted to Mr. Erbey on December 11, 2012, which grants are subject to the vesting conditions described below in "Compensation Discussion and Analysis – Equity Incentive Plan. We determined the grant date fair value of these stock awards using a Monte Carlo simulation valuation methodology.

Cash Compensation

As set forth above, we will provide the following cash compensation to our non-management Directors in quarterly installments, paid in arrears for their services for the prior quarter:

- an annual retainer of \$50,000;
- an additional \$50,000 to the Chairman of the Board of Directors;

Equity Compensation

As part of Director compensation, our non-management Directors also annually will receive shares of common stock of AAMC with a fair market value of \$45,000. "Fair Market Value" is defined as the average of the high and low prices of the common stock as reported on the applicable securities exchange on which AAMC is listed or quoted on the first day of the service year. Equity compensation is paid for the prior year of service after the annual organizational meeting of the Board of Directors which immediately follows the Annual Meeting of Stockholders (which for 2013 will be prorated for the period from the date of the first organizational meeting of our Board of Directors on January 24, 2013 to May 30, 2013). Shares will be awarded if the Director attends an aggregate of at least 75% of all meetings of the Board of Directors and committees thereof of which the Director is a member during the service year.

Other Compensation

Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees.

11

Any Director compensation may be prorated for a Director serving less than a full one (1) year term as in the case of a Director joining the Board of Directors after an Annual Meeting of Stockholders but during the service year, as is the case with our current non-management Directors, who will all receive pro-rated compensation in 2013 for their service on our Board from January 24, 2013 to May 30, 2013.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction, Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with stockholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to increase stockholder value. We will seek to promote individual service longevity and to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance. The Compensation Committee will evaluate both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

- compensation programs for our Chief Executive Officer, Executive Vice President, Chief Financial Officer and General Counsel and Secretary;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide; and
- the reasons for the compensation decisions we have made regarding these individuals.

Our named executive officers since our separation from Altisource on December 21, 2012 are:

Name ⁽¹⁾	Position
Ashish Pandey	Chief Executive Officer
Rachel M. Ridley ⁽²⁾	Former Chief Financial Officer

⁽¹⁾ Messrs. Saabneh, Najour and Gray are not "named executive officers" of the Company for 2012 under the Exchange Act. Messrs. Saabneh, Najour and Gray are expected to be named executive officers of the Company commencing in 2013.

⁽²⁾ Ms. Ridley resigned as Chief Financial Officer effective March 4, 2013

Role of Executive Officers in Compensation Decisions

The Chief Executive Officer is involved in the design and implementation of our executive compensation and is typically present at Compensation Committee meetings. The Chief Executive Officer annually will review the performance of each executive officer (other than himself, whose performance is reviewed by the Compensation Committee) and present his conclusions and recommendations regarding incentive award amounts to the Compensation Committee for its consideration and approval. The Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer (other than with respect to himself) for development and execution.

Compensation Consultant

To further the objectives of our compensation program, our Compensation Committee may conduct an analysis of the compensation levels of certain of our named executive officers in conjunction with an independent compensation consultant. The Compensation Committee has not yet identified or retained a compensation consultant.

As part of its analysis, the compensation consultant will be expected to provide research and present information to the Compensation Committee related to compensation trends and “best practices” in executive compensation among peer group companies in a similar line of business and of similar size to AAMC. Executive compensation data and

17

other resources provided by the compensation consultant will be expected to set the foundation for the Compensation Committee's review and analysis of executive compensation levels.

Employment Agreements

We currently do not have employment agreements with any of our named executive officers. However, our employment arrangements provide for a base salary and target incentive compensation for 2013 based on the satisfaction of relevant performance criteria. In addition, the executives may receive benefits such as health care or a contributory retirement plan. AAMC reimburses each executive for reasonable costs properly incurred by such executive in the course of his or her employment with us including, without limitation, reimbursement of relocation expenses, if relocation is required, and the provision of certain allowances as described in the Executive Compensation section below.

In addition, in the event that the executive's employment is terminated by us without "cause" the executive may receive severance benefits of up to six months' base salary. "Cause" generally is defined as either (i) any willful or grossly negligent conduct (including but not limited to fraud or embezzlement) committed by the executive in connection with his/her employment which conduct in the reasonable determination of the Board of Directors has had or will have a material detrimental effect on our business or (ii) the executive's conviction of, or entering into a plea of nolo contendere to, a felony involving fraud or embezzlement or such other crime which may bring disrepute upon us, whether or not committed in the course of his or her employment. In these instances, we would also pay standard relocation costs to relocate the executive to their previous domicile prior to being relocated to the U.S. Virgin Islands.

Each of our executives has executed a Data Privacy Agreement that provides for a covenant to maintain our confidential information and has entered into an intellectual property agreement providing that all developments by such executive shall be the property of us.

Elements of Compensation

The current compensation package for our named executive officers consists of base salary and annual incentive compensation. This compensation structure was developed in order to provide each named executive officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. We believe that the following elements of compensation are appropriate in light of our strategic initiatives, industry, current challenges and environment.

Base Salary. Base salaries for our named executive officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at similarly situated companies for similar positions.

Base salaries of the named executive officers are expected to be reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer's compensation in relation to other officers, the individual performance of the executive officer and our corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. Salary adjustment recommendations will be based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel. The Compensation Committee will set the base salary for the Chief Executive Officer and approve the base salaries for all other named executive officers.

Annual Incentive Compensation. Pursuant to our annual incentive philosophy, our executives can earn cash and restricted stock awards as determined by the Compensation Committee. Our philosophy provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below.

Each named executive officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. In 2013, 40-60% of total annual cash target compensation will be payable

18

only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage varies based upon the nature and scope of each named executive officer's responsibilities. AAMC did not pay any bonus compensation to its named executive officers in, or with respect to, 2012.

Setting Targets and Strategic Initiatives for 2013. Generally, at the first Board of Directors meeting of the fiscal year, the Compensation Committee is expected to approve the corporate scorecard and annual incentive components for the Chief Executive Officer and other named executive officers for the upcoming year. Our 2013 key performance indicators have been developed and were approved by the Compensation Committee and the Board of Directors at a meeting held on February 5, 2013.

Executive scorecards for 2013 focus on successful completion of strategic initiatives established to enhance long-term corporate and stockholder value including achieving targeted growth of Residential's non-performing loan portfolio; development of our client sourcing strategy; meeting our and Residential's corporate governance and accounting calendar; maintaining REIT compliance; business continuity and succession planning and personal evaluations.

Setting Compensation Levels

We believe our executive compensation programs are effectively designed and will work well in alignment with the interests of our stockholders and will be instrumental to achieving our business strategy.

From time to time, we expect to conduct benchmarking on Chief Executive Officer and other named executive officer compensation among peer companies of comparable size, industry, location and similar attributes that may compete with AAMC for qualified management talent.

The incentive opportunity for our Chief Executive Officer is structured so that compensation opportunities are related to (i) our performance versus the objectives established in the corporate scorecard (80%), and (ii) a performance appraisal (20%). The incentive awards of our other named executive officers are structured so that compensation opportunities are related to (i) performance within the corporate, business unit or support unit scorecard as expressly assigned in each executive's scorecard (80%) and (ii) a performance appraisal (20%).

The components in each scorecard will be weighted individually based on relevance to the ultimate financial and other performance of the Company and the importance of the achievement to the success of our corporate strategy.

Within each component of the scorecard, there are three (3) established levels of achievement: threshold, target and outstanding. Each level of achievement is tied to a relative point on a percentage scale which indicates the executive officer's level of goal achievement within each component of the scorecard. Achieving the threshold level of achievement will earn the executive officer 50% of the target incentive compensation tied to such goal; the target level of achievement will earn the executive officer 100% of the target incentive compensation tied to such goal and the outstanding level of achievement will earn the executive officer 150% of the target incentive compensation tied to such goal. Any achievement below the threshold level will not entitle the executive to compensation for the associated goal.

The goals and initiatives will further be cascaded down through the organization to all of our incentive-eligible employees in their personal scorecards such that they are directly linked to the achievement of our corporate strategic initiatives. The scorecards are communicated to all incentive-eligible employees by the human resources department through our support services agreement with Altisource or the employee's immediate supervisor and are available to employees in our performance management tracking system. Performance against such scorecards may also be reviewed periodically throughout the year with senior management through business reviews in addition to the reviews after the end of each year. This incentive compensation structure is intended to align the goals of our incentive-eligible employees with our overall success, while establishing clear performance standards within their

respective business or support units.

Equity Incentive Plan

Prior to our separation from Altisource, our prior Board of Directors and Altisource, as AAMC's sole stockholder, approved and implemented the 2012 Equity Incentive Plan. The purpose of the 2012 Equity Incentive Plan is to provide additional incentives to key employees, Directors and other key individuals to make extraordinary contributions to the Company, to assist with the retention of key employees, Directors and other key individuals and to align their interests with the interests of our stockholders. Following our separation from Altisource, the 2012 Equity Incentive Plan is administered by the Compensation Committee, who will authorize the award of restricted stock, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2012 Equity Incentive Plan, if any, may be either "incentive stock options" as defined in Section 422 of the United States Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified stock options, as determined by the Compensation Committee. Currently, other than restricted stock awards with vesting terms, the Compensation Committee does not expect to grant any options, stock appreciation rights, stock purchase rights or other equity based awards under the 2012 Equity Incentive Plan.

Each restricted stock award granted under the 2012 Equity Incentive Plan is, and will be, evidenced by a written award agreement between the participant and us, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future award.

In line with the objectives of our compensation philosophy, on December 11, 2012, the following grants were made pursuant to the 2012 Equity Incentive Plan. Mr. Erbey, as Chairman of our Board of Directors, was granted 52,589 restricted shares of common stock with an aggregate fair value of \$310,012, Mr. Pandey was granted 46,745 restricted shares of common stock with an aggregate fair value of \$275,562, Ms. Ridley was granted 8,765 restricted shares of common stock with an aggregate fair value of \$51,670 and Mr. Gray was granted 8,765 restricted shares of common stock with an aggregate fair value of \$51,670.

We also awarded restricted shares of common stock under the 2012 Equity Incentive Plan to Mr. Saabneh and Mr. Najour upon their joining AAMC on February 19, 2013 and March 5, 2013, respectively. Mr. Saabneh was awarded 23,432 restricted shares of common stock with an aggregate fair value of \$138,132 on February 19, 2013, and Mr. Najour was awarded 8,765 restricted shares with an aggregate fair value of \$51,670 on March 5, 2013.

All of the restricted shares of common stock granted to date will vest in three tranches, subject to the achievement of the following performance hurdles:

Twenty-five percent (25%) will vest in accordance with the vesting schedule set forth below if the market value of AAMC stock meets all three of the following conditions: (i) the market value is at least equal to \$250 million; (ii) the market value has realized a compounded annual gain of at least twenty percent (20%) over the market value on the date of the grant; and (iii) the market value is at least double the market value on the date of the grant.

Fifty percent (50%) will vest in accordance with the vesting schedule set forth below if the market value of AAMC stock meets all three of the following conditions: (i) the market value is at least equal to \$500 million; (ii) the market value has realized a compounded annual gain of at least twenty-two and a half percent (22.5%) over the market value on the date of the grant; and (iii) the market value is at least triple the market value on the date of the grant.

Twenty-five percent (25%) will vest in accordance with the vesting schedule set forth below if the market value of AAMC stock meets all three of the following conditions: (i) the market value is at least equal to \$750 million; (ii) the market value has realized a compounded annual gain of at least twenty-five percent (25%) over the market value on the date of the grant; and (iii) the market value is at least quadruple the market value on the date of the grant.

The restricted stock will vest according to the following vesting schedule:

Twenty-five percent (25%) of each tranche will vest on the first anniversary of the date when the three conditions for that tranche are met.

The remaining seventy-five percent (75%) will vest in substantially equal installments on each of the first three anniversaries of the initial vesting of the applicable tranche.

If an award recipient's service with AAMC or any of its affiliates is terminated prior to full vesting of the restricted stock, then the award recipient will forfeit all unvested restricted stock to AAMC, except that if (i) an award recipient's service is terminated either by us (or an affiliate) without cause or due to death or disability and (ii) a performance hurdle has already been achieved or is achieved within ninety days of termination, unvested stock for the corresponding tranche will continue to vest according to the above vesting schedule; provided that the recipient was employed by AAMC or its affiliates for at least two years prior to termination.

Any future awards of restricted stock by us may be subject to vesting requirements determined from time to time by the Compensation Committee, which may be different from or similar to the vesting requirements set forth above.

Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and to align their interests with the interests of our stockholders. The Compensation Committee believes that our various equity incentive plans are adequate to achieve this philosophy. We also maintain an insider trading policy detailing our trading window period for Directors, executive officers and other employees.

Other Compensation

21

The Compensation Committee's policy with respect to other employee benefit plans is to provide benefits to our employees, including our executive officers, that are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change in Control

Below is a description of the amounts payable to each executive officer, assuming the executive's employment had terminated under various scenarios as of December 31, 2012. Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

Under our employment arrangements with each of Messrs. Pandey, Saabneh, Najour and Gray, in the event that his employment is terminated by us without "cause," he may receive severance benefits of up to six months' base salary. In these instances, we would also pay standard relocation costs to relocate the executive to his previous domicile prior to being relocated to the U.S. Virgin Islands. If any of our executives' employment is terminated for cause, his employment may be terminated without notice and with no liability to make any further payment to him, other than amounts accrued and unpaid as of the date of his termination.

In order to obtain the benefits provided under each executive's termination provisions, the executive would first be required to execute a release of claims with us that will include a waiver and release of any and all claims he may have against us. As of December 31, 2012, the separation payment each executive would have received upon termination, other than for cause, based on a six-month separation payment, would have been \$162,500 for Mr. Pandey, \$175,000 for Mr. Saabneh, \$103,075 for Mr. Najour and \$124,000 for Mr. Gray, as well as six months of medical insurance benefits based on COBRA premiums that would be paid for continued medical insurance benefits with a value of approximately \$2,825 for Mr. Pandey and approximately \$8,815 for each of Messrs. Saabneh, Najour and Gray. As of December 31, 2012, the relocation benefits that we had paid to date for each of the executives were \$0 for each of Messrs. Pandey, Saabneh and Najour and \$5,053 for Mr. Gray.

The Compensation Committee may in its discretion revise, amend or add to the benefits of each executive officer.

Under our employment arrangement with Ms. Ridley, upon her resignation from AAMC on March 4, 2013, she received a one-time payment equal to \$70,000, less applicable withholding taxes. Furthermore, we will pay certain standard costs to relocate Ms. Ridley back to the continental United States, not to exceed \$25,000. Pursuant to the separation agreement signed by Ms. Ridley, she released all current or future claims, known or unknown, against us, Altisource Residential Corporation and our respective affiliates, officers, Directors, employees, agents, counsel and representatives of any sort, both present and former.

None of our executive officers currently has an arrangement in which they would be entitled to a payment on a change of control, other than payments for termination described above to the extent the surviving party in a change of control transaction assumes the employment arrangements described above.

Tax Considerations

The timing of our compensation decisions is and will be driven by a variety of tax considerations. In order to avoid being considered deferred compensation under Section 409A of the Code and to be deductible for the prior tax year, commencing with the year ending December 31, 2013, our annual incentive awards with respect to the prior year are expected to be paid out by March 18 of each year.

Deloitte & Touche LLP Fees

The following table shows the aggregate fees billed to AAMC for professional services by Deloitte & Touche LLP with respect to our fiscal period ended December 31, 2012:

Category	2012
Audit Fees	\$40,656
Audit-Related Fees	—
Tax Fees	—
All Other Fees	—
Total	\$40,656

Audit Fees. This category includes the aggregate fees and expenses billed for professional services rendered for the audits of AAMC’s consolidated financial statements for the fiscal period ended December 31, 2012 and for services that are normally provided by the independent registered public accounting firm and affiliates in connection with statutory and regulatory filings or engagements for the relevant fiscal year. AAMC did not file any quarterly reports on Form 10-Q during the year ended December 31, 2012, as it was not a public reporting company until December 2012.

Audit-Related Fees. This category will include the aggregate fees billed for audit-related services by the independent registered public accounting firm that are reasonably related to the performance of the audits or reviews of the financial statements and are not reported above under “Audit Fees” and generally will consist of fees for other attest engagements under professional auditing standards, internal control-related matters, audits of employee benefit plans and due diligence. We incurred no audit-related fees for the year ended December 31, 2012.

Tax Fees. This category will include the aggregate fees billed for professional services rendered by the independent registered certified public accounting firm for tax compliance, tax planning and tax advice. We incurred no tax fees for the year ended December 31, 2012.

All Other Fees. This category will include the aggregate fees billed for products and services provided by the independent registered certified public accounting firm that are not reported above under “Audit Fees,” “Audit-Related Fees” or “Tax Fees.” We incurred no such other fees for the year ended December 31, 2012.

The Audit Committee considered the fees paid to Deloitte & Touche LLP for the fiscal period ended December 31, 2012 and determined that the services and fees are compatible with the independence of Deloitte & Touche LLP.

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm’s independence. Unless a type of service to be provided by the independent registered certified public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. For the fiscal period ended December 31, 2012, all fees associated with the independent registered public accounting firm’s services were pre-approved by the Audit Committee.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

Our Board of Directors has adopted a policy and procedure for review, approval and monitoring of transactions involving us and related persons (directors and named executive officers or their immediate family members or stockholders owning 5% or greater of our outstanding stock) within our written Code of Business Conduct and Ethics which is available at www.altisourceresi.com. This policy and procedure is not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules, as it broadly covers any situation in which a conflict of interest may arise.

Any situation that potentially qualifies as a conflict of interest is to be immediately disclosed to the General Counsel to assess the nature and extent of any concern as well as the appropriate next steps. The General Counsel will notify the Chairman of the Board of Directors if any such situation requires approval of the Board of Directors and related persons are required to obtain the prior written approval of the Audit Committee of the Board of Directors before participating in any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including (i) whether the transaction is in the best interests of Residential; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to Residential. The Audit Committee will periodically monitor any approved transactions to ensure that there are no changed circumstances that would render it advisable for Residential to amend or terminate the transaction.

Asset Management Agreement with Residential

Upon completion of our separation and Residential's separation from Altisource on December 21, 2012, we entered into a 15-year asset management agreement with Residential. Pursuant to the asset management agreement, we will design and implement Residential's business strategy, administer their business activities and day-to-day operations and provide corporate governance services, subject to oversight by Residential's Board of Directors. We are responsible for, among other duties: (1) performing and administering all of Residential's day-to-day operations, (2) determining investment criteria through Residential's Investment Policy in cooperation with its Board of Directors, (3) sourcing, analyzing and executing asset acquisitions, including Residential's acquisition of sub-performing and non-performing residential mortgage loan portfolios and related financing activities, (4) analyzing and performing sales of properties, (5) overseeing Altisource's renovation, leasing and property management of Residential's single-family rentals, (6) overseeing Ocwen's servicing of Residential's residential mortgage loan portfolios, (7) performing asset management duties and (8) performing corporate governance and other management functions, including financial, accounting and tax management services. We will provide Residential with a management team and appropriate support personnel who have substantial sub-performing and non-performing loan portfolio experience. We have agreed not to provide the same or substantially similar services to any other party so long as Residential and its operating partnership have on hand an average of \$50,000,000 in capital available for investment over the previous two fiscal quarters. Notwithstanding the foregoing, we may engage in any other business or render similar or different services to others including, without limitation, the direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, however structured, having investment objectives similar to those of Residential and its operating partnership, so long as our services to Residential and its operating partnership are not impaired thereby.

Incentive Management Fees

Under the asset management agreement, Residential will pay us an incentive management fee as follows:

27

- (i) 2% of all cash available for distribution by Residential to its stockholders and to us as incentive management fee, which we refer to as “available cash,” until the aggregate amount per share of available cash for the quarter (based on the average number of shares of Residential’s common stock outstanding during the quarter), which we refer to as the “quarterly per share distribution amount,” exceeds \$0.161, then
- (ii) 15% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.193, then
- (iii) 25% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.257, and thereafter
- (iv) 50% of all additional available cash for the quarter.

In each case set forth in clauses (i) through (iv), as such amounts may be appropriately adjusted from time to time to take into account the effect of any stock split, reverse stock split or stock dividend.

In the event of the payment of any dividend of cash from capital transactions by Residential, each of the thresholds described above shall be reduced by an amount equal to the applicable threshold multiplied by a fraction (i) the numerator of which shall be the amount of distributions of available cash that are deemed to be cash from capital transactions that a hypothetical holder of one share of common stock acquired on the separation date has received with respect to such share of common stock, during the period since the separation date through the date of such payment, and (ii) denominator of which shall be \$12.74 (as such amount may be appropriately adjusted from time to time to take into account the effect of any stock split, reverse stock split or stock dividend); provided that in no event shall such fraction be greater than 1.

Notwithstanding the foregoing, in the case of cash dividends from capital transactions, no incentive management fee will be paid to us in respect of such dividends unless and until a hypothetical holder of one share of common stock acquired on the separation date has received with respect to such share of common stock, during the period since the separation date through the date of payment, cash dividends from capital transactions in an aggregate amount equal to \$12.74 (as such amount may be appropriately adjusted from time to time to take into account the effect of any stock split, reverse stock split or stock dividend).

The asset management agreement defines “capital transactions” to include various financing transactions and sales and other dispositions of assets, but not sales and other dispositions in the ordinary course of business. A sale or disposition is treated for this purpose as being in the ordinary course of business unless it involves, in a single transaction or series of related transactions, assets that have an aggregate value in excess of 50% of the aggregate value of all assets held by us and our subsidiaries on a consolidated basis immediately prior to the consummation of such transaction or, in the case of a series of related transactions, the first such transaction.

We received no incentive management fees from Residential from our inception through December 31, 2012.

Expense reimbursement

Residential is required to reimburse us on a monthly basis for the (i) direct and indirect expenses we incur or payments we make on Residential’s behalf, including, but not limited to, the allocable compensation and routine overhead expenses of all of our employees and staff and (ii) all other reasonable operating and overhead expenses we incur related to the asset management services we provides to Residential. We will not receive any reimbursement for any compensation paid to Mr. Erbey in connection with his role as our Chairman.

We received reimbursements from Residential for expenses under the asset management agreement of an aggregate of \$134,429 from our inception through December 31, 2012.

Termination

Residential may not terminate the asset management agreement without cause during the first 24 months of its term. Following such 24-month period, Residential may terminate the asset management agreement without cause upon the determination of at least two-thirds of its independent directors that (i) there has been unsatisfactory performance by us that is materially detrimental to Residential, or (ii) the compensation payable to us under the asset management agreement is unreasonable, unless we agree to compensation that at least two-thirds of Residential's independent directors determine is reasonable.

We may terminate the asset management agreement without cause by providing written notice to Residential no later than 180 days prior to December 21 of any year during the initial term or a renewal term, and the asset management agreement will terminate effective on the December 21 next following the delivery of such notice.

Residential will be required to pay us a termination fee in the event that the asset management agreement is terminated as a result of (i) a termination by Residential without cause, (ii) a termination by us as a result of Residential becoming regulated as an "investment company" under the Investment Company Act, or (iii) a termination by us if Residential defaults in the performance of any material term of the asset management agreement (subject to a notice and cure period).

The termination fee will be equal to three times the average annual incentive management fee earned by us during the prior 24-month period immediately preceding the date of termination, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination.

Agreements with Altisource

Support Services Agreement

Upon our separation from Altisource, we entered a support services agreement with Altisource under which Altisource may provide services to us in such areas as human resources, vendor management operations, corporate services, risk management, quality assurance, consumer psychology, treasury, finance and accounting, legal, tax, compliance and other support services where we may need assistance and support. The support services agreement provides generally that Altisource will undertake to provide the support services in a manner generally consistent with the manner and level of care with which such service, if any, was performed or provided prior to our separation from Altisource. The support services agreement will extend for two years after the separation but may be terminated earlier under certain circumstances including a default. The fees for all support services provided pursuant to the support services agreement will be based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. "Fully-allocated cost" means, with respect to the provision of a "service," the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Altisource will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent upon our business activity and the level of services required in connection therewith. While market conditions will drive our business activity, we do not anticipate incurring fees under this agreement in excess of \$50,000 in the first year of our operations. We incurred no

expenses under the support services agreement in 2012.

In the event our asset management agreement with Residential expires or is terminated, the support services agreement will terminate within 30 days.

29

Tax Matters Agreement

Upon our separation from Altisource, we entered a tax matters agreement with Altisource which sets out each party's rights and obligations with respect to deficiencies and refunds, if any, of Luxembourg, U.S. federal, state, local or other foreign taxes for periods before and after our separation from Altisource and related matters such as the filing of tax returns and the conduct of IRS and other audits. In general, under this agreement, we will be responsible for taxes attributable to our business incurred after the separation, and Altisource will be responsible for taxes attributable to our business incurred prior to the separation. We incurred no expenses under the tax matters agreement in 2012.

Trademark License Agreement

Upon our separation from Altisource, we entered a trademark license agreement with Altisource under which Altisource granted us a non-exclusive, non-transferable, non-sublicensable, royalty free license to use the name "Altisource." The agreement has no specified term and may be terminated by either party upon 30 days written notice, with or without cause. In the event that this agreement is terminated, all rights and licenses granted thereunder, including, but not limited to, the right to use "Altisource" in our name will terminate. We incurred no expenses under the trademark license agreement in 2012.

In the event our asset management agreement with Residential expires or is terminated, the trademark license agreement will terminate within 30 days.

Technology Services Agreement

Upon our separation from Altisource, we entered a technology products and services agreement with Altisource under which Altisource will provide us with the use of certain technology systems and services. The technology products and services agreement generally provides that Altisource will undertake to provide the technology systems and services in a manner generally consistent with the manner and level of care with which such technology systems and services, if any, were performed or provided prior to the separation. The technology products and services agreement will extend for 15 years but may be terminated earlier under certain circumstances including a default. We expect that all services provided pursuant to the technology products and services agreement will be based on the fully-allocated cost of providing the service.

The total fees incurred by us under this agreement will be dependent upon our business activity and the level of services required in connection therewith. While market conditions will drive our business activity, we do not anticipate incurring fees under this agreement in excess of \$50,000 in the first year of our operations. We incurred no expenses under the technology service agreement in 2012.

Subscription Agreement with NewSource

On December 21, 2012, we entered into a subscription agreement to invest \$2.0 million in common stock and voting rights of NewSource Reinsurance Company Ltd., a title insurance and reinsurance company in Bermuda. Residential simultaneously entered into a subscription agreement to invest \$18.0 million to acquire 100% of the non-voting preferred stock NewSource. NewSource is seeking approval by the Bermuda Monetary Authority for its registration as a licensed reinsurer. We believe our investment commitment complements our business strategy and the business strategy of Residential because the acquisition of residential mortgage loans requires a detailed analysis of the chain of title and typically involves the purchase of title insurance to ensure clear and marketable title to each property.

Share Ownership of our Chairman

William C. Erbey, who is our Chairman, is the Chairman of the Board of Altisource, Ocwen and Residential. As a result, he will have obligations to us as well as to Altisource, Ocwen and Residential and may have conflicts of interest with respect to matters potentially or actually involving or affecting us and Altisource, Ocwen and

30

Residential. As of December 31, 2012, Mr. Erbey was the beneficial owner of the following securities of Altisource, Ocwen, AAMC and Residential:

Entity	Common shares		% of common shares outstanding		Vested stock options	Unvested stock options
Altisource	5,935,343	(1)	27.9	%	844,728	50,000
Ocwen	17,770,021		13.2	%	2,084,177	2,300,000
AAMC	646,122	(2)	30.1	%	84,472	5,000
Residential	1,978,447		27.9	%	281,576	16,666

(1) Includes 343 shares of unvested restricted stock.

(2) Includes 52,758 shares of unvested restricted stock.

None of our other directors or officers (other than our officers that are also officers of Residential) has any role with or relationship to Altisource, Ocwen, or Residential.

Equity Plans

Options Granted in Separation from Altisource

In connection with our separation from Altisource, we adopted the 2012 Equity Plan and the 2012 Special Equity Incentive Plan. In order to effect the exchange ratio in connection with the separation, we issued options to purchase 242,771 shares of our common stock with a weighted average exercise price of \$1.52 per share at December 31, 2012 under the 2012 Equity Plan to Altisource employees holding Altisource stock options immediately prior to the separation and receiving shares of common stock in the separation, including options to purchase 3,003 shares to Mr. Pandey and options to purchase 89,972 shares to Mr. Erbey. These options expire on December 21, 2022. We also issued options to purchase 63,053 shares of our common stock with a weighted average exercise price of \$0.75 per share at December 31, 2012 under the Special Option Plan to non-employee holders of Altisource stock options receiving shares in the separation. These options expire on December 21, 2022. Because the options were granted as part of the separation to holders of Altisource stock options, no share-based compensation related to these options is included in our consolidated financial statements appearing in our Annual Report on Form 10-K. No additional shares of common stock are issuable under the 2012 Equity Plan other than shares of restricted stock issuable to our Directors and employees. No additional shares of common stock are issuable under the 2012 Special Equity Incentive Plan.

STOCKHOLDER PROPOSALS

Any proposal which a stockholder desires to have included in our proxy materials relating to our next Annual Meeting of Stockholders, which is expected to be held on or about May 29, 2014, must be received at our executive offices no later than December 20, 2013. All stockholder proposals for the 2014 Annual Meeting of Stockholders should be directed to our Corporate Secretary at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, U.S. Virgin Islands 00840-3531. We recommend that you send any stockholder proposal by certified mail, return-receipt requested.

For any proposal, or nomination of a person for election as Director, that is not submitted for inclusion in the 2014 proxy statement, but is instead sought to be presented directly at the 2014 Annual Meeting of Stockholders, SEC rules permit management to vote proxies in its discretion if we:

- (1) receive notice of the proposal before the close of business on March 5, 2014 and advise stockholders in the 2014 proxy statement about the nature of the matter and how management intends to vote on such matter, or
- (2) do not receive notice of the proposal prior to the close of business on March 6, 2014.

Notice of intent to present a proposal at the 2014 Annual Meeting of Stockholders should be directed to our Corporate Secretary at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, U.S. Virgin Islands 00840-3531.

We did not receive notice of any stockholder proposals relating to the 2013 Annual Meeting of Stockholders. At the 2013 Annual Meeting of Stockholders, our management may exercise discretionary authority when voting on any properly presented stockholder proposal that is not included as an agenda item in this proxy statement.

ANNUAL REPORTS

A copy of our annual report to stockholders on Form 10-K for the year ended December 31, 2012 was made available to stockholders on February 7, 2013. The annual report can be found on our website www.altisourceamc.com under "Shareholders – Financial Information."

We will furnish without charge to each person whose proxy is solicited and to any beneficial owner entitled to vote as of the record date for the meeting, on written request, a copy of our annual report on Form 10-K for the year ended December 31, 2012, required to be filed by us with the SEC under the Exchange Act. Such requests should be directed to Investor Relations, c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, U.S. Virgin Islands 00840-3531.

OTHER MATTERS

Proxies may be solicited on behalf of the Board of Directors by mail or electronic means. If a solicitor is retained, we will pay the solicitation costs. Copies of the annual report for 2012 and this proxy statement will be made available to brokers, dealers, banks and voting trustees, or their nominees, for the purpose of soliciting proxies from beneficial owners. In addition to solicitations by mail or electronic means, our Directors, officers and employees may solicit proxies personally or by telephone without additional compensation.

The shares represented by all valid proxies received by phone, by Internet or by mail will be voted in the manner specified. Where specific choices are not indicated, the shares represented by all valid proxies received will be voted:

(1) "FOR" the nominees for Director named earlier in this proxy statement and (2) "FOR" the approval of the selection of the independent registered public accounting firm. Should any matter not described above be properly presented at the meeting, the persons named in the proxy form will vote in accordance with their judgment.

If you are the beneficial owner, but not the record holder of shares of our common stock and have requested a copy of this proxy statement, your broker, bank or other nominee may only deliver one (1) copy of this proxy statement and our 2012 annual report to multiple stockholders who share an address unless that nominee has received contrary instructions from one (1) or more of the stockholders. Stockholders at an address to which a single copy of this proxy statement and our 2012 annual report was sent may request a separate copy by contacting Investor Relations, c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, U.S. Virgin Islands 00840-3531, or by calling our Secretary at 770-644-7450. Beneficial owners sharing an address who are receiving multiple copies and who wish to receive a single copy of the materials in the future will need to contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all stockholders at the shared address.
