Item 1.01. Entry into a Material Definitive Agreement.

On June 28, 2018, The Michaels Companies, Inc. (the “Company”) entered into an accelerated share repurchase agreement with JPMorgan Chase Bank, National Association, London Branch (the “Dealer”) to repurchase \$250 million of the Company’s common stock (the “ASR Agreement”). The Company will acquire the shares under the ASR Agreement as part of its previously announced \$500 million share repurchase program.

Pursuant to the terms of the ASR Agreement, on July 2, 2018, the Company will make payments of \$250 million to the Dealer and will receive an initial delivery of approximately 10.5 million shares of the Company’s common stock in the aggregate from the Dealer, which is approximately 80 percent of the total number of shares of the Company’s common stock expected to be repurchased under the ASR Agreement. At settlement, the Dealer may be required to deliver additional shares of common stock to the Company, or, under certain circumstances, the Company may be required to deliver shares of its common stock or may elect to make a cash payment to the Dealer, based generally on the average of the volume-weighted average share price of the Company’s common stock during the term of the ASR Agreement. The ASR Agreement contains provisions customary for agreements of this type, including provisions for adjustments to the transaction terms, the circumstances generally under which the ASR Agreement may be accelerated, extended or terminated early by the Dealer and various acknowledgments, representations and warranties made by the parties to one another. Final settlement of the ASR Agreement is expected to be completed in the third quarter of 2018, although the settlement may be accelerated at the Dealer’s option.

The foregoing description of the ASR Agreement is qualified in its entirety by reference to the ASR Agreement, which is filed herewith as Exhibit 10.1, and is incorporated herein by reference.
