The registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 could not be filed by the prescribed due date of March 31, 2014 because registrant had not yet finalized its treatment and disclosure of certain material events that occurred during fiscal year 2013. For the year ended December 31, 2012, the registrant had revenues of \$316,000 and a net loss of \$888,000. For the year ended December 31, 2013, the registrant currently estimates that it had revenues of approximately \$556,000 and a net loss of approximately \$635,000. Results for the 2013 fiscal year remain subject to further adjustment.

The increase in revenues during the 2013 period as compared to the 2012 period is attributable to initial shipments of the registrant's new consumer wellness product to mass-market retailers. The decrease in net loss for the 2013 period compared to the 2012 period is primarily attributable to a reduction in the registrant's selling and marketing expenses.

This Notification of Late Filing on Form 12b-25 contains forward-looking statements, including forward-looking statements relating to the Registrant's financial results for the year ended December 31, 2013.
