Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 5(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) On October 1, 2012, Midstates Petroleum Company, Inc. (the "Issuer") issued 260,000 shares of Series A Preferred Stock ("Series A Stock") to Eagle Energy Operating Company, LLC in connection with the purchase of certain assets by a wholly-owned subsidiary of the Issuer from Eagle Energy Production, LLC ("Eagle"), and deposited 65,000 shares of Series A Stock (the "Escrowed Shares") into an escrow account to secure certain of Eagle's indemnity obligations under the related Asset Purchase Agreement. The shares of Series A Stock have an initial liquidation value of \$1,000 per share, and are convertible, in whole but not in part, at the option of the holders of a majority of the outstanding Series A Stock into shares of Common Stock on or after October 1, 2013.

(2) The Series A Stock may be converted, in whole but not in part, at the option of the holders of a majority of the outstanding shares of Series A Stock, into a number of shares of Common Stock calculated by dividing the then-current liquidation preference by the conversion price of \$13.50 per share. The number of shares of Common Stock of the Issuer reported as beneficially owned herein reflect the following factual assumptions regarding October 1, 2013, the first date on which the Reporting Persons may convert the shares of Series A Stock held by them into shares of Common Stock: (i) all of the Escrowed Shares are released to Eagle; (ii) all shares of Series A Stock have a liquidation preference of \$1,040 at the time of conversion, and are converted at a price of \$13.50; and (iii) there are 93,413,545 shares of Common Stock outstanding following such conversion.

(3) If not previously converted, the Series A Stock will be subject to mandatory conversion into shares of Common Stock on September 30, 2015 at a conversion price based upon the volume weighted average price of Common Stock during the 15 trading days immediately prior to the mandatory conversion date, but in no instance will the price be greater than \$13.50 per share or less than \$11.00 per share.

(4) The Escrowed Shares were deposited into an escrow account as described above, and all or a portion of those shares will be distributed to Eagle on October 1, 2013. Eagle may be deemed to own the Escrowed Shares (and the underlying Common Stock). The number of shares of Common Stock of the Issuer reported as beneficially owned by Eagle assumes that all of the Escrowed Shares are released to Eagle.

(5) R/C Energy GP IV, LLC ("Ultimate R/C GP") is the general partner of Riverstone/Carlyle Energy Partners IV, L.P. ("R/C GP"), which is the general partner of R/C IV Eagle Holdings, L.P. ("Eagle Holdings"), which is the controlling member of Eagle Energy Company of Oklahoma, LLC ("Eagle Oklahoma"), which is the sole managing member of Eagle Energy Operating GP, LLC ("Eagle Operating GP"), which is the general partner of Eagle Energy Operating Company, LLC ("Eagle Operating"), which is the record holder of the 260,000 shares of Series A Stock. In addition, Eagle Operating is the sole managing member of Eagle. Each of Ultimate R/C GP, R/C GP, Eagle Holdings, Eagle Oklahoma and Eagle Operating GP may be deemed to indirectly own Series A Stock (and the underlying Common Stock) directly owned by Eagle Operating and all of the Escrowed Shares, assuming that all of the Escrowed Shares are released to Eagle.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
