**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On October 24, 2016 Servotronics, Inc. (the "Company") received a notice from NYSE MKT LLC (the "Exchange") indicating that the Company no longer satisfies the continued listing standards of the Exchange set forth in Section 801(h) of the Exchange's Company Guide (the "Company Guide"). This rule requires the Company to maintain a board of directors comprised of at least 50% independent directors. The Company received the notice after the Company notified the Exchange that its Board of Directors (the "Board") determined that Rigel D. Pirrone no longer qualifies as an "independent director" under Section 803(A)(2) of the NYSE MKT Company Guide due to the increased management responsibilities expected to be undertaken by Mr. Pirrone's brother, Deneb Pirrone, who is employed by the Company as Senior Director of Corporate Development. As a result, less than fifty percent of the directors on the Board are currently independent.

Pursuant to Section 802(b) of the Company Guide, the Company will have until the earlier of its next Annual Meeting of Shareholders or October 19, 2017 (such earlier date, the "Compliance Date") to regain compliance. However, if the Company were to hold its next Annual Meeting of Shareholders before April 8, 2017, then the Compliance Date would instead be April 8, 2017.

The Exchange's notice has no immediate effect on the listing of the Company's common stock on the Exchange. The Company expects to regain compliance with the continued listing standards no later than the Compliance Date.
