Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) At the 2015 Annual Meeting of Stockholders of Coeur Mining, Inc. (the “Company” or “Coeur”) held on May 12, 2015, the Company’s stockholders approved the Coeur Mining, Inc. 2015 Long-Term Incentive Plan (the “Plan”), which is an amendment and restatement of the Company’s 2003 Long-Term Incentive Plan.

The Plan will be administered by the Compensation Committee of the Board of Directors (the “Committee”). Employees of the Company, its affiliates and its subsidiaries, as well as non-employee directors of the Company, are eligible to participate in the Plan. Up to 8,431,419 shares of the Company’s common stock will be authorized for issuance through the Plan pursuant to awards granted on or after December 31, 2014, increasing the number of shares available for new awards by 7,000,000. The Plan provides the Committee with the authority to award options, stock appreciation rights (“SARs”), restricted stock, restricted stock units (“RSUs”), performance units, performance shares and incentive opportunities.

The Plan provides that the aggregate number of shares that may be subject to share-based awards granted during any calendar year to any one employee is 1,250,000, regardless of the type of award. The maximum cash amount payable pursuant to an incentive opportunity granted in any calendar year to any one employee under Plan is \$10,000,000. These individual award limits apply to both awards granted after the effective date of the Plan and to awards outstanding as of the effective date of the Plan. Under the Plan, the aggregate number of shares that may be subject to awards granted during any calendar year to any one non-employee director cannot exceed that number of shares having a fair market value on the date of grant equal to \$300,000; provided, however, that this limit will be increased to \$600,000 for any non-employee director that is designated as Chairman of the Board or Lead Director.

Options and SARs issued under the Plan will not be repriced, replaced, or regranted through cancellation in exchange for cash, other awards, or a new option or SAR at a reduced exercise or base price, or by lowering the exercise price of a previously granted option or SAR, except (i) with the prior approval of the Company’s stockholders or (ii) equitably in connection with changes in outstanding common stock by reason of a merger, stock split, or certain other events. The term of stock options and SARs granted pursuant to the Plan may not exceed ten years, unless granted to participants outside the United States.

Shares issued pursuant to stock options and SARs will count against the number of shares available for issuance under the Plan on a one-for-one basis, whereas each share issued pursuant to all other awards will count against the number of shares available for issuance under the Plan as 1.5 shares.

The Plan was effective as of May 12, 2015. The Plan will terminate with respect to the grant of new awards on May 12, 2025.

The foregoing description of the terms of the Plan is qualified in its entirety by reference to the actual terms of the Plan, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
