## PART II

### INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

#### Item 3. Incorporation of Documents by Reference.

The Registrant is subject to the informational and reporting requirements of Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and, in accordance therewith, files reports, proxy statements and other information with the SEC. The following documents, which are on file with the SEC, are incorporated by reference into this registration statement:

The Registrant’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017, filed with the SEC on (a) February 21, 2018 (including the Registrant’s Definitive Proxy Statement on Schedule 14A filed with the SEC on March 28, 2018, solely to the extent incorporated into the Registrant’s Annual Report on Form 10-K);

The Registrant’s Quarterly Reports on Form 10-Q for the quarter ended March 30, 2018, filed with the SEC on (b) April 19, 2018; the quarter ended June 29, 2018, filed with the SEC on July 19, 2018; and the quarter ended September 28, 2018, filed with the SEC on October 18, 2018;

(c) The Registrant’s Current Reports on Form 8-K filed with the SEC on January 30, 2018; February 20, 2018; March 26, 2018; and May 10, 2018; and

In addition, all documents and reports filed by the Registrant subsequent to the date hereof pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this registration statement which indicates that all securities offered have been sold or which deregisters all securities remaining unsold (other than those furnished pursuant to Item 2.02 or Item 7.01 of Form 8-K or other information “furnished” to the SEC), shall be deemed to be incorporated by reference in this registration statement and to be part hereof from the date of filing of such documents or reports.

Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

#### Item 4. Description of Securities.

The securities being registered pursuant to the Plan represent obligations (“Obligations”) of the Registrant to pay deferred compensation in the future in accordance with the terms of the Plan, which is filed as Exhibit 4.1 to this registration statement.

The Obligations are general unsecured obligations of the Registrant subject to the claims of its general creditors. The Plan is considered unfunded for tax purposes.

Eligible employees of the Registrant (“Participants”) are entitled to elect to defer the receipt of certain salary and bonus compensation into the Plan. A Participant’s deferral election provides how much compensation shall be deferred and designates the time and form of payment of such deferrals in the future. Generally, based on the Participant’s election, deferred compensation is paid either as of a fixed date in the future or after a separation from service with the Registrant, and the deferred compensation is payable as a lump sum payment or in installment payments in cash (except as provided below). The deferrals are credited to the Participant’s account under the Plan and are credited with

deemed investment returns.

---

The deemed investment returns for a Participant's account are based on the returns of certain investment funds elected by the Participant. A Participant may change their deemed investment elections from time to time. Further, a Participant can elect to have deferrals deemed to be invested in shares of the Registrant's common stock. Any dividends that would have been received had such amounts actually been invested in shares of the Registrant's common stock will also be credited to the Participant's account under the Plan and deemed invested in shares of the Registrant's common stock. Once deferrals are deemed to be invested in the Registrant's common stock, no further investment elections are available for such amounts, including deemed dividends, which will be distributed as shares of the Registrant's common stock in accordance with Plan terms.

A Participant may designate one or more beneficiaries to receive any portion of the Obligations payable in the event of the Participant's death.

Participants or beneficiaries generally may not anticipate, alienate, sell, transfer, assign, or otherwise dispose of any right or interest in the Plan.

The Registrant reserves the right to amend or terminate the Plan.

Item 5. Interests of Named Experts and Counsel.

The validity of the securities has been passed upon by James O'Reilly, our Vice President, Associate General Counsel and Secretary. Mr. O'Reilly beneficially owns shares of our Common Stock, restricted stock units and options to purchase shares of our Common Stock.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware ("DGCL") provides, generally, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (except actions by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A corporation may similarly indemnify such person for expenses actually and reasonably incurred by such person in connection with the defense or settlement of any action or suit by or in the right of the corporation, provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in the case of claims, issues and matters as to which such person shall have been adjudged liable to the corporation, provided that a court shall have determined, upon application, that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Section 102(b)(7) of the DGCL provides, generally, that the certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, provided that such provision may not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision may eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision became effective.

Article Nine of Danaher's Restated Certificate of Incorporation provides that Danaher will indemnify its directors and officers to the full extent authorized or permitted by law and that no director shall be personally liable for monetary damages to Danaher or its stockholders for any breach of fiduciary duty by such director as a director, except to the extent provided by applicable law (i) for any breach of the director's duty of loyalty to Danaher or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL, or (iv) for any transaction from which such director derived an improper personal benefit. Article Eight of Danaher's Amended and Restated By-Laws provides that Danaher will indemnify directors and officers of Danaher in non-derivative claims if such person acted in good faith and in a manner such

person reasonably believed to be in or not opposed to the best interests of Danaher, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. For non-derivative claims, termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, in itself, create a presumption that the person did not act in good faith and in a manner which such person believed to be in or not opposed to the best interests of Danaher, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful. For derivative claims, Article Eight of Danaher's By-Laws provides that Danaher will indemnify directors and officers of Danaher if such person acted in

---

good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of Danaher; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to Danaher unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

In addition to the above, Danaher has entered into indemnification agreements with each of its directors and executive officers. The indemnification agreements provide for substantially similar indemnification rights and provide that Danaher will agree to pay expenses in advance of the final disposition of any proceeding for which indemnification is claimed. Danaher also provides indemnity insurance pursuant to which officers and directors are indemnified or insured against liability or loss under certain circumstances, which may include liability or related loss under the Securities Act and the Exchange Act.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment (2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
