RAYMOND JAMES FINANCIAL BOARD

DECLARES QUARTERLY DIVIDEND

ST. PETERSBURG, Fla. – The Raymond James Financial Board of Directors Thursday authorized a quarterly cash dividend of \$0.07 per share, payable July 14 to shareholders of record June 28. This is the 18th consecutive year in which Raymond James Financial has paid its shareholders a dividend.

The board also revised the outstanding authorization to repurchase a fixed number of shares and authorized up to \$75 million for the purchase of the company's stock from time to time. At the current market price, this more than doubles the number of shares that management may repurchase at its discretion.

Raymond James Financial (NYSE-RJF) provides financial services to individuals, corporations and municipalities through its three wholly owned investment firms, Raymond James & Associates, Raymond James Financial Services and Raymond James Ltd., which have more than 5,000 financial advisors serving 1.3 million accounts in 2,200 locations throughout the United States and internationally. In addition, total client assets are currently over \$100 billion, of which more than \$21 billion are managed by the firm's asset management subsidiaries.
