Item 7.01. Regulation FD Disclosure.

In accordance with General Instruction B.2. of Form 8-K, the following information shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended. Olin disclaims any intention or obligation to update or revise this information.

Attached as Exhibit 99.1 and incorporated herein by reference is a copy of the Company’s press release dated February 21, 2008, announcing that it has declared a force majeure for caustic soda system-wide, until further notice. The force majeure was declared as a result of (1) significant, unexpected operational interruptions in the Company’s caustic soda production capabilities, including plant shutdowns due to weather related, technical and equipment issues at several of the Company’s production facilities and (2) the lack of chlorine demand which restricts the Company’s ability to produce caustic soda. Olin currently expects to supply its customers with approximately 70% of their typical contract volumes, subject to adjustment as circumstances dictate. The Company will strive to supply its customers with 100% of their requirements as soon as possible.
