PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held August 21, 2003

Date, Time, Place of Meeting

The board of directors of Rentrak Corporation ("Rentrak") is furnishing this proxy statement and the accompanying 2003 Annual Report to Shareholders, notice of annual meeting, and the enclosed proxy card in connection with the board's solicitation of proxies for use at Rentrak's 2003 Annual Meeting of Shareholders (the "Annual Meeting"). The Annual Meeting will be held Thursday, August 21, 2003, at 10:00 a.m. Pacific Daylight Time, at Rentrak's executive offices, located on the fourth floor at One Airport Center, 7700 N.E. Ambassador Place, Portland, Oregon 97220.

Solicitation and Revocation of Proxies

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted FOR each of the director nominees selected by the board of directors. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying Rentrak 2003 Annual Report to Shareholders are being mailed on or about July 8, 2003 to shareholders of record on June 23, 2003.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

- o To elect a board of directors consisting of six members, each

Edgar Filing: RENTRAK CORP - Form DEF 14A

- to serve until the next annual meeting of shareholders and until his successor is duly elected and qualified;
- o To hear reports from various officers of Rentrak; and
- o To transact such other business as may properly come before the meeting or any adjournments thereof.

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended, sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting in accordance with the 1995 Restated Bylaws, the persons named in the proxy card will vote your proxy in accordance with their judgment on such matters in the exercise of their sole discretion.

1

Record Date and Shares Outstanding

Only shareholders of record at the close of business on June 23, 2003 (the "Record Date"), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 9,505,956 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see "Security Ownership of Certain Beneficial Owners and Management."

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and they did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors.

2004 Shareholder Proposals

The deadline for shareholders to submit proposals to be considered for inclusion in the proxy statement for the 2004 Annual Meeting of Shareholders is March 10, 2004. To be considered at the 2004 Annual Meeting of Shareholders,

Edgar Filing: RENTRAK CORP - Form DEF 14A

Section 2.3.1 of Rentrak's 1995 Bylaws, as amended, requires shareholders to deliver notice of all proposals, nominations for director and other business to Rentrak's principal executive office no later than 60 calendar days (or by June 22, 2004) and no earlier than 90 calendar days prior to the first anniversary of the date of the 2003 Annual Meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

The board of directors has nominated the individuals named below to fill the six positions. Proxies cannot be voted for more than six nominees. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

Stock Option Exercises

The following table sets forth certain information concerning stock option exercises by each of the Named Executive Officers during the fiscal year ended March 31, 2003, and the value of in-the-money options (e.g., options as to which the market value of Rentrak common stock exceeds the exercise price of the options) held by such individuals on March 31, 2003. The value of in-the-money options is based on the difference between the exercise price of such options and the closing price of Rentrak common stock on March 31, 2003, which was \$5.14 per share. As 3PF's common stock is not publicly traded, outstanding options are not deemed to be in-the-money as the current value of the stock is not presently ascertainable. Unless otherwise indicated, the options listed below are for Rentrak common stock.

Edgar Filing: RENTRAK CORP - Form DEF 14A

(2) Equity compensation plans or arrangements approved by Rentrak's board of directors but not submitted for shareholder approval include (a) the 1997 Non-Officer Employee Stock Option Plan and (b) warrants to purchase 30,000 shares of Common Stock with a purchase price of \$7.50 per share and an expiration date of May 16, 2009, issued to an investment banking firm as partial consideration for financial advisory services in connection with strategic opportunities or financing transactions of potential interest to Rentrak.

The 1997 Non-Officer Employee Stock Option Plan, as amended, provides for the issuance of up to 800,000 shares of Common Stock pursuant to nonstatutory options granted to employees or consultants of Rentrak who are not officers or directors of Rentrak. The Compensation Committee determines the terms of each option grant, including the number of shares covered, the exercise price, the expiration date, and provisions regarding vesting and exercisability following termination of employment.

Compensation of Directors

Rentrak compensates its non-employee directors for their services by payment of \$500 for each board meeting they attend in person or by telephone conference call. Each director who serves on a board committee receives payment of \$500 for attending each in-person or telephone conference committee meeting. In addition, three non-employee directors are each paid a retainer of \$22,500 per year (including \$2,500 for service on the Audit Committee) and two non-employee directors are each paid a retainer of \$20,000 per year. Rentrak also reimburses directors for their travel expenses for each meeting attended in person.

12

Each non-employee director receives an automatic grant, at the beginning of each fiscal year, of a ten-year option to purchase 10,000 shares of Rentrak common stock, with a grant of an option for an additional 2,500 shares to each chairman of a board committee. Accordingly, on April 1, 2003, Messrs. Andrus and Petcoff and Dr. Moon each received an option for 12,500 shares; and Messrs. Kuper and Stoddard each received an option for 10,000 shares; each at an exercise price of \$5.20 per share and exercisable in full one year after the date of grant. All grants to non-employee directors are made under Rentrak's 1997 Equity Participation Plan.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

PAUL ROSENBAUM. Rentrak entered into an employment agreement effective October 1, 2001, with Mr. Rosenbaum relating to his employment as Chairman and Chief Executive Officer. The agreement has been extended pursuant to annual renewal provisions to September 30, 2004. In the event of a change in control of Rentrak, the term of the agreement will be automatically extended to December 31 of the third calendar year following the year in which the change in control occurs. A change in control includes (1) the acquisition by a person or group of beneficial ownership of 25% or more of the combined voting power of Rentrak's then outstanding capital stock, (2) the election of directors a majority of whom are not individuals nominated by Rentrak's then incumbent directors, and (3) the approval by Rentrak's shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak's assets, or a merger or similar transaction other than a transaction in which Rentrak's shareholders continue to hold at least 75% of the combined voting power of the voting securities of the surviving entity immediately following the transaction, in each case unless the event otherwise constituting a change in control has been approved by two-thirds of Rentrak's

Edgar Filing: RENTRAK CORP - Form DEF 14A

directors then in office. The agreement with Mr. Rosenbaum provides for an annual base salary of \$450,000, subject to annual review by the board of directors in its sole discretion as to whether to increase (but not decrease) his base salary level. The agreement also provides for the lease of an automobile for use by Mr. Rosenbaum and for employee benefits available to officers and other management employees generally. Upon termination of Mr. Rosenbaum's employment by reason of death, his estate will be entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of Mr. Rosenbaum's dependents. Upon termination of Mr. Rosenbaum's employment by Rentrak without cause or by Mr. Rosenbaum with good reason before a change in control of Rentrak occurs, Mr. Rosenbaum will be entitled to an additional 12 months' salary and benefits as long as Mr. Rosenbaum does not compete with Rentrak during that 12-month period. Cause is defined as a material breach of the agreement by Mr. Rosenbaum, his failure to comply with Rentrak's general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by Mr. Rosenbaum constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak. Good reason is defined as Rentrak's failure to comply with the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in Mr. Rosenbaum's position or responsibilities or a reduction in his base salary. Upon termination without cause or for good reason following a change in control and during the term of the agreement, Mr. Rosenbaum will be entitled to a lump sum payment equal to three times his annual base salary plus continuation of benefits for three years, subject to reduction to the extent that Mr. Rosenbaum's after-tax benefit would be larger after taking into account any excise tax payable on such severance as an excess parachute payment.

F. KIM COX. Effective April 1, 1998, Rentrak entered into a four-year employment agreement with Mr. Cox. Under the agreement, Mr. Cox received an annual salary of \$ 257,361, for the fiscal year ended March 31, 2003. If Mr. Cox is terminated for certain reasons other than for "cause" (as defined in the agreement), he is entitled to receive one year's base salary, subject to reduction should Mr. Cox find alternative employment of "comparable status" (as defined in the agreement), or if he does not exercise his best efforts to find such employment. If Mr. Cox is terminated for cause, he will receive only the amount of compensation accrued through the date of termination. If Mr. Cox's employment is terminated due to his death or disability, he (or his legal representative) is entitled to receive all compensation accrued as of the date of termination plus a lump sum severance payment equal to 180 days' base salary. The agreement has been extended through March 31, 2004.

13

MARTY GRAHAM. Rentrak entered into an employment agreement with Mr. Graham in June 1995 which was amended and restated in May 1997 and, as further amended in September 2000, will expire on April 15, 2004. Under the agreement, Mr. Graham's salary is increased automatically on each anniversary date by \$10,000 from its base of \$130,000 on April 15, 1997. Mr. Graham is also entitled to participate in any bonus plan established by Rentrak for its officers, as well as a performance bonus ranging from \$7,500 to \$15,000 for achieving specified sales objectives. The agreement also provides for annual option grants to purchase 5,000 shares of Rentrak common stock vesting over five years. Under the terms of the agreement, a loan to Mr. Graham extended in 1997 in the amount of \$35,000 was forgiven in full on April 15, 2002. Although Mr. Graham's employment may be terminated by Rentrak or voluntarily by Mr. Graham at any time upon 30 days' written notice, upon specified circumstances, he will be entitled to severance as outlined in the agreement. First, if Mr. Graham's employment is terminated by Rentrak without cause before, or more than two years after, a

Edgar Filing: RENTRAK CORP - Form DEF 14A

change in control occurs, Mr. Graham will be entitled to receive six months' base salary at the current rate as severance, reduced by the compensation received from other employment during the six-month severance period, and to continuation of specified insurance benefits. Termination of Mr. Graham's employment by Mr. Graham for good reason or by Rentrak following a change in control other than for cause would entitle Mr. Graham to receive, in a lump sum, one year's base salary at the current rate or the salary payable through the expiration date of the agreement, whichever is less, and to continuation of specified insurance benefits. If Mr. Graham voluntarily terminated his employment without good reason within two months following a change in control, he would be entitled to receive severance equal to one week of base salary for each full year that he has been employed by Rentrak. In the event of Mr. Graham's death during the term of the agreement, his estate will be entitled to receive a payment equal to 90 days' base salary and to exercise all unexpired options granted to Mr. Graham, whether or not vested at the time of his death. Mr. Graham will not be entitled to any additional compensation upon termination of employment under any other circumstances.

MARK THOENES. Effective January 1, 2001, Rentrak entered into an employment agreement expiring December 31, 2005, with Mr. Thoenes providing for his employment as Rentrak's Chief Financial Officer. The agreement provides for an annual base salary of \$168,000, subject to a minimum annual increase of 5% and other employee benefits provided from time to time to Rentrak's executives. The agreement also provided for an initial option grant with respect to 20,000 shares of Rentrak common stock and for option grants as to an additional 7,500 shares each year. Upon termination of Mr. Thoenes's employment by reason of death or disability, he or his estate will be entitled to a lump sum severance payment equal to six months' salary. If Mr. Thoenes's employment is terminated by Rentrak other than for cause within two years after a change in control of Rentrak, or by Mr. Thoenes for good reason, he will be entitled to receive a lump sum severance payment equal to one year's base salary or all base salary payable during the remaining term of the agreement, whichever is less. If his employment is terminated by Rentrak prior to a change in control or more than two years after a change of control for reasons other than death, disability or cause, he will be entitled to a lump sum severance payment equal to one year's base salary. Upon termination for any reason other than cause, Mr. Thoenes's options will vest in full to the extent not otherwise vested.

AMIR YAZDANI. Rentrak entered into a five-year employment agreement with Mr. Yazdani effective July 1, 2001, relating to his employment as Rentrak's Chief Information Officer. The term of the agreement will be extended automatically for an additional 12 months unless either party gives notice that the agreement will not be extended by December 31, 2004. The agreement provides for an annual base salary of \$206,634, subject to annual review for increase on or before April 1 each year. Under the agreement, Mr. Yazdani also received an option grant in 2001 relating to 120,000 shares of Rentrak common stock. Upon termination of Mr. Yazdani's employment by Rentrak without cause or by Mr. Yazdani for good reason, prior to or more than two years following a change in control of Rentrak, Mr. Yazdani will be entitled to receive severance payments equal to a continuation of his base salary through the later of one year following the date of termination and June 30, 2004. If Mr. Yazdani's employment is terminated during the term of the agreement without cause or for good reason within two years following a change in control, the severance payments to which he would otherwise be entitled as described in the preceding sentence will be reduced if his after-tax benefit would thereby be larger after taking into account all income and excise taxes.

REPORT OF THE AUDIT COMMITTEE

The "Report of the Audit Committee" shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the board of directors reports to the board and is responsible for overseeing Rentrak's financial reporting process, the systems of internal accounting and financial controls established by management, and the annual independent audit of Rentrak's financial statements. The Audit Committee is comprised of three directors, each of whom meets the independence requirements under current National Association of Securities Dealers corporate governance standards. The Audit Committee's activities are governed by a written charter adopted by the board on May 19, 2000.

In discharging its responsibilities, the Audit Committee and its individual members have met with management and Rentrak's independent auditors, KPMG LLP, the accounting firm selected by the board of directors at the Audit Committee's recommendation (see "Independent Accountants" below) to review Rentrak's accounting functions and the audit process. The Audit Committee discussed and reviewed with its independent auditors all matters that the independent auditors were required to communicate and discuss with the Audit Committee under applicable auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, regarding communications with audit committees. Audit Committee members also discussed and reviewed the results of the independent auditors' examination of the financial statements, the quality and adequacy of the Company's internal controls, and issues relating to auditor independence. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence.

Based on its review and discussions with management and the independent auditors, the Audit Committee recommended to the board of directors that the audited financial statements for the fiscal year ended March 31, 2003, be included in Rentrak's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The "Report of the Compensation Committee on Executive Compensation" shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee of Rentrak is charged with determining the

Edgar Filing: RENTRAK CORP - Form DEF 14A

compensation of all executive officers of Rentrak. These decisions are based on Rentrak's executive compensation philosophy. This compensation philosophy has four primary principles: (i) linking executive compensation to the creation of sustainable increases in shareholder value; (ii) providing executive compensation rewards contingent upon organizational performance; (iii) differentiating compensation based on individual contribution; and (iv) encouraging the retention of a sound management team.

To implement this philosophy, executive compensation has been comprised of three primary components - annual salary, performance bonuses and a long-term incentive program consisting of stock option grants. Ownership of shares of Rentrak's common stock by executives is encouraged and forms a significant component of the total executive compensation package. In addition, competitive factors are considered in determining executive compensation.

Annual Salary

Rentrak has entered into employment agreements with its executive officers, including all of the officers named in the Summary Compensation Table above, which typically establish a base annual salary rate and may provide for annual increases in salary during the term of the agreement. Base salary rates reflect the level of duties and responsibilities of each executive officer, the executive officer's experience and prior performance, and competitive factors in Rentrak's industry.

Performance Bonuses

Rentrak has a discretionary bonus program pursuant to which performance bonuses are considered following the end of each fiscal year. No performance bonuses have been awarded to executive officers under this program for services during fiscal 2003. A bonus separately awarded to Rentrak's chief executive officer during fiscal 2003 is discussed below.

Long-Term Incentive Program

Stock option grants are used to motivate employees to focus on Rentrak's long-term performance, and Rentrak has long maintained stock option plans for key employees, including all executive officers. In some instances, option grants are specified in an officer's employment agreement. The size of each option grant is based upon such factors as the employee's duties, responsibilities, performance, experience and anticipated contribution to Rentrak.

Stock options are typically awarded to executive officers on an annual basis. Additional grants may be made in the event of an executive officer's promotion. In fiscal 2003, Rentrak granted options to purchase a total of 410,000 shares of common stock to its executive officers (excluding officers who subsequently left Rentrak), including a 100,000 share grant to Mr. Rosenbaum as discussed below.

16

Compensation of Paul A. Rosenbaum, Chairman and Chief Executive Officer

Effective October 2001, Rentrak entered into an employment agreement with Paul Rosenbaum, Chairman and Chief Executive Officer, which, as extended annually, has a current expiration of September 30, 2004. The agreement with Mr.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Rosenbaum provides for an initial annual base salary of \$450,000, which remained unchanged for fiscal 2003. The salary level was established based on Mr. Rosenbaum's prior work experience and expectations and compensation levels at companies of similar size and scope.

In August 2002, at the request of the chair of the Compensation Committee, the full board of directors considered the award of a bonus and option grant to Mr. Rosenbaum. Mr. Rosenbaum abstained from participation in the deliberations regarding his compensation. The board of directors determined to award Mr. Rosenbaum a cash bonus payable promptly thereafter in the amount of \$50,000. The board also authorized two additional performance bonuses in the amount of \$75,000 for each of the third and fourth quarters of fiscal 2003, contingent upon the attainment of specified net income targets which were not met. Finally, the board approved the grant to Mr. Rosenbaum of a stock option for 100,000 shares with a five-year term, vesting in full one year after the date of grant, and an exercise price of \$5.00 per share through August 21, 2004, with \$0.25 per share increases annually thereafter. The fair market value of Rentrak's common stock on the date of grant was \$3.90. The board of directors approved the option grant to Mr. Rosenbaum in furtherance of its objective of aligning the economic interests of Rentrak's executive officers with the interests of shareholders.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

In June 2000, the then directors of Rentrak approved a program to make loans available to those officers of Rentrak who were parties to an employment agreement with Rentrak for the purpose of allowing them to exercise their vested, unexercised "out of the money" employee stock options. The loans bore interest at the federal funds rate in effect on the date of each loan (6.5 percent per annum) payable annually. The principal amount of each loan was due on the earliest to occur of: (1) one year prior to the expiration of the term of the borrower's current employment agreement with Rentrak, (2) one year following termination of employment unless such departure followed a "change of control" (which occurred as a result of the replacement of Rentrak's board of directors on September 19, 2000), (3) five years from the date of the loan, or (4) one year from the date of the borrower's death. The loans were secured by the stock purchased upon the exercise of the options. The loans were without recourse (except as to the stock securing the loans) as to principal and were with full recourse against the borrower as to interest. The Rentrak board of directors discontinued the program as to new loans in November 2000.

During fiscal 2001, several Rentrak officers obtained loans from Rentrak under the option loan program. Prior to March 31, 2002, all but two of the loans were cancelled in exchange for cancellation of the pledged shares to Rentrak and, in some cases, reinstatement of the related options on their original terms. During fiscal 2003, the remaining loans to two former officers were satisfied. Michael Lightbourne exercised his right to tender his shares subject to the loan back to Rentrak and received cash proceeds (before withholding and payroll taxes) of approximately \$264,000 in August 2002, representing the fair market value of the 94,000 shares in excess of the loan principal amount of \$355,375 and accrued interest of approximately \$38,700. The other former officer's loans totaling \$22,190 and accrued interest were cancelled in August 2002 upon tender of the pledged 5,000 shares, which had a fair market value less than the loan amount on the date of cancellation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Rentrak's directors and officers and persons who beneficially own more than 10 percent of the outstanding shares of Rentrak's common stock ("10 percent shareholders") to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of shares of common stock and other equity securities of Rentrak. To Rentrak's knowledge, based solely upon a review of the copies of Forms 3, 4, and 5 (and amendments thereto) furnished to Rentrak or otherwise in its files, all of Rentrak's officers, directors and 10 percent shareholders complied in a timely manner with all applicable Section 16(a) filing requirements during fiscal 2003, except that Stanford Stoddard, a director of

Edgar Filing: RENTRAK CORP - Form DEF 14A

Rentrak, did not timely report a sale transaction in February 2003 relating to 20,000 shares.

INDEPENDENT ACCOUNTANTS

Until May 9, 2002, Rentrak's independent public accountants for several years were Arthur Andersen LLP. On May 9, 2002, based upon a recommendation of the Audit Committee, the board of directors approved the dismissal of Arthur Andersen LLP as its independent public accountants. Arthur Andersen LLP's reports on the consolidated financial statements of Rentrak and subsidiaries for the fiscal years ended March 31, 2000, and March 31, 2001, did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles or practices, financial statement disclosure or auditing scope or procedure, or any reportable events as defined under Item 304(a)(1)(v) of Regulation S-K promulgated by the Securities and Exchange Commission. A copy of a letter addressed to the Securities and Exchange Commission from Arthur Andersen LLP stating that it agrees with the above statements was attached as Exhibit 16 to Form 8-K filed by Rentrak with the Securities and Exchange Commission on May 10, 2002.

Also on May 9, 2002, based upon a recommendation of the Audit Committee and approval of the board of directors, the firm of KPMG LLP was engaged to be Rentrak's independent accountants. From March 31, 1999 until May 9, 2002, Rentrak had not consulted KPMG LLP with respect to the application of accounting principles to

19

a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Rentrak's financial statements, or concerning any disagreement or reportable event with Arthur Andersen LLP.

Rentrak's independent public accountants for the fiscal year ended March 31, 2003, were KPMG LLP. The board of directors intends to continue to retain KPMG LLP during the current fiscal year. No election, approval or ratification of the choice of independent public accountants by the shareholders is required. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so. Such representative is also expected to be available to respond to appropriate questions.

Audit Fees

The aggregate fees billed by KPMG LLP for professional services rendered for the audit of Rentrak's financial statements for the fiscal year ended March 31, 2003, and their review of the interim financial statements included in Rentrak's quarterly reports on Form 10-Q for that fiscal year, were \$130,145.

Financial Information Systems Design and Implementation Fees

During fiscal 2003, KPMG LLP did not provide any professional services to Rentrak with regard to financial information systems design and implementation.

All Other Fees

Fees billed for services provided to Rentrak by KPMG LLP during fiscal 2003, other than the services described above under "Audit Fees," were \$146,511. Such fees were for services rendered in connection with income tax consulting,
