Item 2.02 Results of Operations and Financial Condition

Item 2. On September 29, 2014, Cesca Therapeutics Inc. issued a press release announcing its results of operations and financial condition for the quarter and full fiscal year ended June 30, 2014. The full text of the press release is set forth in Exhibit 99.1 attached to this report.

This press release includes adjusted EBITDA, which is a financial measure that is not determined in accordance with United States generally accepted accounting principles "U.S. GAAP". Adjusted EBITDA represents income (loss) from operations excluding amounts for depreciation and amortization, stock-based compensation expense, impairment of intangible assets and gain on sale of product lines. Adjusted EBITDA should not be considered in isolation or as a substitute for net income (loss) as a measure of performance. A reconciliation to the comparable GAAP measure is provided in the accompanying financial summaries.
