The Good Times Restaurants Inc. Board of Directors is using this proxy statement to solicit proxies for use at the meeting. This Proxy Statement and the enclosed Proxy Card are being mailed to you on or about September 3, 2010.

The terms "we," "us" and "our" in this proxy statement refer to Good Times Restaurants Inc.

Who can vote: Only stockholders of record at the close of business on the record date of August 5, 2010 are entitled to receive notice of the annual meeting and to vote the shares of our common stock. As of August 5, 2010, there were 3,898,559 shares of our common stock outstanding. Holders of our common stock are entitled to one vote per share. The Company's by-laws do not allow holders to accumulate votes in the election of directors.

The shares represented by all proxies that are properly executed and submitted will be voted at the meeting in accordance with the instructions indicated thereon. Unless otherwise directed, votes will be cast "For" all of the nominees for election as directors and approval of each of the other proposals set forth in this proxy statement.

Revoking a proxy: You may revoke a proxy before the vote is taken at the meeting by:

- Submitting a new proxy with a later date,
- By voting at the meeting, or
- By filing a written revocation with our corporate secretary.

Your attendance at the meeting will not automatically revoke your proxy.

Quorum and voting requirements: Our bylaws provide that a majority of the outstanding shares entitled to vote, represented in person or by proxy, is necessary to constitute a quorum at the annual meeting. Our bylaws also provide that all stockholder actions are to be determined by a majority of votes cast by the stockholders entitled to vote. If a quorum is not present the meeting may be adjourned until a quorum is obtained. The proxies may be voted at any reconvened meeting after any adjournment or postponement of the annual meeting.

General: This proxy statement contains information about the annual meeting of stockholders of Good Times Restaurants Inc.

Abstentions and broker "non-votes" will be treated as shares that are present for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker is not permitted to vote on a matter without instruction from the beneficial owner of the shares and no instruction is given. Abstentions and broker non-votes will result in the respective proposals receiving fewer votes.

Payment of proxy solicitation costs: All of the expenses involved in preparing and mailing this proxy statement and the enclosed materials and all costs of soliciting proxies will be paid by us. In addition to solicitation by mail, proxies may be solicited by our officers and regular employees by telephone or personal interview. These individuals will not receive any compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians and fiduciaries to forward solicitation materials to the beneficial owners of the shares held on the record date, and we may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing.

ITEM 1 FOR VOTING - ELECTION OF DIRECTORS

All directors of Good Times Restaurants are elected annually. At this meeting seven directors are to be elected to serve for the next year or until their successors are elected and qualified. The nominees for directors are identified under the "Nominees" caption below. Each nominee has consented to be named in the proxy statement and to serve as a director if elected. However, if any nominee is unable to serve or for good cause will not serve as a director, each of the persons named in the proxy intend to vote in his or her discretion for a substitute who will be designated by the Board of Directors.

Nominee selection process: Our Board of Directors as a whole acts as the nominating committee for the selection of nominees for election as directors. We do not have a separate standing nominating committee since we require that our director nominees be approved as nominees by a majority of our independent directors. The Board will consider suggestions by stockholders for possible future nominees for election as directors at the next annual meeting when the suggestion is delivered in writing to the corporate secretary of3

Quorum and voting requirements: Our bylaws provide that a majority of the outstanding shares entitled to vote, repre

No request for a recommended nominee was made by the 2009 deadline by any stockholder or group of stockholders with beneficial ownership of more than 5% of the Company's common stock as indicated in a Schedule 13D or 13G.

The Board selects each nominee, subject to contractual nominee designation and election rights held by certain stockholders, as discussed below, based on the nominee's skills, achievements and experience, with the objective that the Board as a whole should have broad and relevant experience in high policymaking levels in business and a commitment to representing the long-term interests of the stockholders. The Board believes that each nominee should have experience in positions of responsibility and leadership, an understanding of our business environment and a reputation for integrity.

The Board evaluates each potential nominee individually and in the context of the Board as a whole. The objective is to recommend a group that will effectively contribute to our long-term success and represent stockholder interests. In determining whether to recommend a director for re-election, the Board also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

When seeking candidates for director, the Board solicits suggestions from incumbent directors, management, stockholders or others. The Board does not have a charter for the nominating process.

Board Committees

Audit Committee: The Audit Committee currently consists of Messrs. Grissen, Teran and Stark, each of whom are independent directors under the applicable NASDAQ listing standards. The Board has determined that Richard Stark is an audit committee financial expert, as that term is defined by the Securities and Exchange Commission ("SEC") rules. The function of this Committee relates to oversight of the auditors, the auditing, accounting and financial reporting processes and the review of the Company's financial reports and information. In addition, the functions of this Committee have included, among other things, recommending to the Board the engagement or discharge of independent auditors, discussing with the auditors their review of the Company's

quarterly results and the results of their audit and reviewing the Company's internal accounting controls. The Audit Committee operates pursuant to a written Charter adopted by the Board of Directors. A current copy of the Audit Committee Charter is available on our website at www.goodtimesburgers.com. The Audit Committee held four meetings during fiscal 2009.

Compensation Committee: The Compensation Committee currently consists of Messrs. Goodson, Stark and Teran, each of whom are independent directors under the applicable NASDAQ listing standards. The function of this Committee is to consider and determine all matters relating to the compensation of the President and CEO and other executive officers, including matters relating to the employment agreements. The Compensation Committee held one meeting during fiscal 2009.

The Compensation Committee does not have a Charter. The responsibility of the Compensation Committee is to review and approve the compensation and other terms of employment of our Chief Executive Officer and our other executive officers, including all of the executive officers named in the Summary Compensation Table in this proxy statement (the "Named Executive Officers"). Among its other duties, the Compensation Committee oversees all significant aspects of the Company's compensation plans and benefit programs. The Compensation Committee annually reviews and approves corporate goals and objectives for the Chief Executive Officer's compensation and evaluates the Chief Executive Officer's performance in light of those goals and objectives. The Compensation Committee also recommends to the Board of Directors the compensation and benefits for members of the Board of Directors. The Compensation Committee has also been appointed by the Board of Directors to administer our 2008 Omnibus Equity Incentive Compensation Plan (the "2008 Plan"), which is the successor equity compensation plan to the Company's 2001 Stock Option Plan (the "2001 Plan"). The Compensation Committee does not delegate any of its authority to other persons.

In carrying out its duties, the Compensation Committee participates in the design and implementation and ultimately reviews and approves specific compensation programs. The Compensation Committee reviews and determines the base salaries for the Named Executive Officers, and also approves awards to the Named Executive Officers under the Company's equity compensation plans.

In determining the amount and form of compensation for Named Executive Officers other than the Chief Executive Officer, the Compensation Committee obtains input from the Chief Executive Officer regarding the duties, responsibilities and performance of the other executive officers and the results of performance reviews. The Chief Executive Officer also recommends to the Compensation Committee the base salary levels for all Named Executive Officers and the award levels for all Named Executive Officers under the Company's equity compensation programs. No Named Executive Officer attends any executive session of the Compensation Committee or is present during final deliberations or determinations of such Named Executive Officer's compensation. The Chief Executive Officer also provides input with respect to the amount and form of compensation for the members of the Board of Directors.

The Compensation Committee has the authority to directly engage, at the Company's expense, any compensation consultants or other advisers as it deems necessary to carry out its responsibilities in determining the amount and form of executive and director compensation. For fiscal 2009, the Compensation Committee did not use the services of a compensation consultant or other adviser. However, the Compensation Committee has reviewed surveys, reports and other market data against which it has measured the competitiveness of the Company's compensation programs. In determining the amount and form of executive and director compensation, the Compensation Committee has reviewed and discussed historical salary information as well as salaries for similar positions at comparable companies.

Special Committee: On August 14, 2009 as reported on form 8-K we announced that our Board of Directors has formed a Special Committee comprised of directors Richard Stark, Alan Teran and Geoff Bailey to explore and evaluate strategic alternatives that may be available to enhance shareholder value and explore possible alternatives to

reduce the cost burdens of being a publicly held entity. At that time, the Company hired Mastodon Ventures, Inc. to provide strategic advisory services and explore other strategic alternatives that possibly will further the long-term business prospects of the Company and provide incremental value to its shareholders. The foregoing activities are continuing without yet any specific recommended alternatives.

Directors' meetings and attendance: There were six meetings of the Board of Directors held during the last full fiscal year. No member of the Board of Directors attended fewer than 75% of the Board meetings and applicable committee meetings.

Each director attended the 2009 annual meeting of stockholders.

Directors' compensation: Each non-employee director receives \$500 for each Board of Directors meeting attended. Members of the Compensation and Audit Committees generally each receive \$100 per meeting attended. However, where both Compensation and Audit Committee meetings are held at the same gathering only \$100 is paid to directors attending both committee meetings. Additionally, for the fiscal year ended September 30, 2009, each non-employee director received a non-statutory stock option to acquire 2,000 shares of common stock at an exercise price of \$1.47.

Audit Committee Report: Good Times Restaurant's management is responsible for the internal controls and financial reporting process for Good Times Restaurants. The independent accountants for Good Times Restaurants are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards and to issue a report on those financial statements. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee met with management and the independent accountants to review and discuss the Good Times Restaurants financial statements for the fiscal year ended September 30, 2009. Management represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent accountants.

The Audit Committee has discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee has also received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence and the Audit Committee discussed with the independent accountants that firm's independence.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Good Times Restaurants Annual Report on Form 10-K for the fiscal year ended September 30, 2009 for filing with the SEC.

¹ The value of stock option awards shown in this column includes all amounts expensed in the Company's financial statements in 2009 for equity awards in accordance with the guidance of FASB ASC 718-10-30, Compensation - Stock Compensation, excluding any estimate for forfeitures. The Company's accounting treatment for, and assumptions made in the valuation of equity awards are set forth in Note 1 of the notes to the Company's 2009 consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2009. There were no option awards re-priced in 2009.

³ The amount indicated for Mr. Reinhard included an expense allowance for a part of the fiscal year in his role as Chairman.

⁴ Mr. Hoback is an employee director and does not receive additional fees for service as a member of the Board.

A description of the standard compensation arrangements (such as fees for committee service, service as chairman of the board or a committee, and meeting attendance) is set forth in the section entitled "Directors' Compensation" in this proxy statement.

Employment Agreement: Mr. Hoback entered into an employment agreement with us in October 2001 and the terms of the agreement were revised effective October 2007 for compliance with Section 409A of the Internal Revenue Code. The revised agreement provides for his employment as president and chief executive officer for two years from the date of the agreement at a minimum salary of \$190,000 per year, terminable by us only for cause. The agreement provides for payment of one year's salary and benefits in the event that change of ownership control results in a termination of his employment or termination other than for cause. This agreement renews automatically unless specifically not renewed by the Board of Directors. Mr. Hoback's compensation, including salary, expense allowance, bonus and any equity award, is reviewed and set annually by the Compensation Committee. Mr. Hoback's bonus is based on the Company's achieving certain Earnings Before Interest, Taxes, Depreciation and Amortization ("EBITDA") targets for the year.

Other Employment Arrangements: Mr. LeFever is employed as an "employee at will" and does not have a written employment agreement. His compensation, including salary, expense allowance, bonus and any equity awards, is reviewed and approved by the Compensation Committee annually. He participates in a bonus program that is based on both the company's level of EBITDA for the year and achieving certain operating metrics and sales targets.

Certain relationships and related transactions: In February 2005, we issued 1,240,000 shares of our Series B Convertible Preferred Stock, including 180,000 shares to The Erie County Investment Co., a substantial holder of our common stock and member of The Bailey Group. In June 2006, we exercised our mandatory conversion rights under the terms of the Series B preferred stock to convert all of those

shares into a total of 1,240,000 shares of our common stock. Under the agreements for the Series B preferred stock financing, The Bailey Group currently has the right to elect three directors, provided that two directors meet the NASDAQ independence standards. Furthermore, the other investors in the Series B preferred stock financing currently have the right to elect three directors. The number of director positions subject to these provisions will decrease proportionally to the extent that the original investors sell or otherwise transfer the common stock into which the Series B shares have been converted. An additional provision of the Series B preferred stock financing restricts, for as long as the original investors hold at least two-thirds of the common stock into which the Series B shares have been converted, our ability to increase the size of the Board of Directors above seven directors unless we first receive approval from the holders of at least three-fourths of all outstanding shares of common stock. Geoffrey R. Bailey, Richard J. Stark and Alan A. Teran are the current directors designated by The Bailey Group, and Ron Goodson, David Grissen and Eric W. Reinhard are the current directors designated by the other investors. Geoffrey R. Bailey is a director of The Erie County Investment Co., which owns 99% of The Bailey Company. The Bailey Company and The Erie County Investment Co. are principal stockholders of us. Geoffrey R. Bailey's father, Paul T. Bailey, is the principal owner of The Erie County Investment Co.

Our corporate headquarters are located in a building owned by The Bailey Company and in which The Bailey Company also has its corporate headquarters. We currently lease our executive office space of approximately 3,693 square feet from The Bailey Company for approximately \$55,000 per year. The lease expired September 30, 2009 and we continue to lease the space on a month to month basis.

The Bailey Company is also the owner of one franchised Good Times Drive Thru restaurant which is located in Loveland, Colorado and was the owner of one franchised restaurant in Thornton, Colorado which was closed in October 2009. The Bailey Company has entered into two franchise and management agreements with us. Franchise royalties and management fees paid under those agreements totaled approximately \$78,000 and \$94,000 for the fiscal years ending September 30, 2009 and 2008, respectively.

In April 2009 the Company and its wholly owned subsidiary Good Times Drive Thru Inc. ("GTDT") entered into a loan agreement with Golden Bridge, LLC ("Golden Bridge"), pursuant to which Golden Bridge made a loan of \$185,000 to GTDT to be used for restaurant marketing and other working capital needs. The Golden Bridge loan is evidenced by a promissory note dated April 20, 2009 made by the Company and GTDT, as co-makers, which bears interest at a rate of 10% per annum on the unpaid principal balance and provides for monthly interest payments with all unpaid principal due on July 20, 2010. The note has been extended to December 31, 2010. In connection with the loan, the Company issued to Golden Bridge a three-year warrant dated April 20, 2009 (the "Golden Bridge Warrant") which provides that Golden Bridge may at any time from April 20, 2009 until April 20, 2012 purchase up to 92,500 shares of the Company's common stock at an exercise price of \$1.15 per share.

Eric Reinhard, Ron Goodson, David Grissen, Richard Stark, and Alan Teran, who are all members of the Company's Board of Directors and stockholders of the Company, are the sole members of Golden Bridge. Eric Reinhard is the sole manager of Golden Bridge. The Company's obtaining of the loan from Golden Bridge and related transactions were duly approved in advance by the Company's Board of Directors by the affirmative vote of members thereof who did not have an interest in the transaction. Total interest and commitment fees paid under this agreement were approximately \$12,000 for fiscal 2009. The amount due to related parties under this agreement that is included in notes payable was \$185,000 at September 30, 2009. The fair value of the Warrant issued was determined to be \$42,000 with the following assumptions: 1) risk free interest rate of 1.27%, 2) an expected life of 3 years, and 3) an expected dividend yield of zero. The fair value of \$42,000 was charged to the note discount and credited to Additional Paid in Capital. The note discount is being amortized over fourteen months and charged to interest expense.

On February 2, 2010, the Company and GTDT entered into a loan agreement with Golden Bridge, W Capital, Inc. and John T. McDonald, pursuant to which the lenders made loans totaling \$400,000, to be used for restaurant marketing and other working capital uses of GTDT. On April 1, 2010, the Company, GTDT and the lenders amended the loan

agreement to replace Golden Bridge as a lender with an additional loan from W Capital and McDonald on the same terms and conditions that applied to Golden Bridge. The Company repaid the principal amount which was owed to Golden Bridge, but the Company remains liable for accrued interest to Golden Bridge through April 1, 2010.

Section 16(a) beneficial ownership reporting compliance: Under Section 16(a) of the Securities Exchange Act of 1934, directors, executive officers and persons who own more than ten percent of Good Times Restaurants common stock must disclose their initial beneficial ownership of the common stock and any changes in that ownership in reports which must be filed with the SEC and Good Times Restaurants. Based solely on a review of the reports filed with Good Times Restaurants and written representations received from reporting persons Good Times Restaurants believes that during the fiscal year ended September 30, 2009 all Section 16(a) filing requirements for its officers, directors, and more than ten percent shareholders were complied with on a timely basis.

All Other Fees: The aggregate fees billed to Good Times Restaurants for all other services rendered by HEIN & ASSOCIATES LLP for fiscal year ended September 30, 2009 were \$12,562 compared to \$10,806 in fees for the fiscal year ended September 30, 2008. These fees are related to a 401(k) plan audit.

Audit Committee Policy on Pre-Approval Policies of Auditor Services: Under the provisions of the Audit Committee Charter, all audit services and all permitted non-audit services (unless subject to a de minimis exception allowed by law) provided by our independent auditors, as well as fees and other compensation to be paid to them, must be approved in advance by our Audit Committee. All audit and other services provided by HEIN & ASSOCIATES LLP during the fiscal year ended September 30, 2009, and the related fees as discussed above, were approved in advance in accordance with SEC rules and the provisions of the Audit Committee Charter. There were no other services or products provided by HEIN & ASSOCIATES LLP to us or related fees during the fiscal year ended September 30, 2009 except as discussed above.

Auditor Independence: The Audit Committee of the Board of Directors has considered the effect that the provision of the services described above under the caption "All Other Fees" may have on the independence of HEIN & ASSOCIATES LLP. The Audit Committee has determined that provision of those services is compatible with maintaining the independence of HEIN & ASSOCIATES LLP as the Company's principal accountants.

FUTURE STOCKHOLDER PROPOSALS: Any Good Times Restaurants stockholder proposal for the annual meeting of stockholders in 2011 must be received by Good Times Restaurants by December 1, 2010 for the proposal to be included in the Good Times Restaurants' proxy statement and form of proxy for that meeting. If notice of a proposal for which a stockholder will conduct his or her own proxy solicitation is not received by Good Times Restaurants by November 11, 2010, such proposal will be considered untimely pursuant to Rules 14a-4 and 14a-5(e) of the Securities Exchange Act of 1934, and the person named in proxies solicited by the Good Times Restaurants Board of Directors may use his discretionary authority when the matter is raised at the meeting, without including any discussion of the matter in the proxy statement.

OTHER MATTERS: The Board of Directors does not know of any other matters to be brought before the annual meeting. If any other matter not discussed in this proxy statement is properly brought before the annual meeting, the persons named in the enclosed proxy intend to vote such proxy in accordance with his or her best judgment on that matter.
