Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The reported transaction involves the amendment on December 21, 2010 of a restricted stock unit ("RSU") award granted on December 15, 2009, resulting in the deemed cancellation of such award and a grant of a replacement performance-based RSU award, which amended award was not reportable on Form 4. The performance terms of the replacement award provide that (i) 50% of the shares will

(1) vest on a graded basis upon achievement of certain levels of cumulative stock price performance against the performance of a defined peer group of other offshore drilling contractors and (ii) 50% of the shares will vest upon achievement of safety performance as measured by cumulative total recorded incident rate measured against the comparable metric reported by the International Association of Drilling Contractors.

(2) Represents the vesting with respect to the safety performance criteria of the replacement award described above.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
