[Forward Looking Statement](#)

This news release contains forward-looking statements that are based on current expectations and which involve risks and uncertainties, including those referred to in Taseko's Annual Information Form ("AIF") filed with Canadian securities regulatory authorities, or Taseko's annual Form on 20F ("20F") filed with United States securities regulatory authorities, that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in the forward-looking statements. Such forward-looking statements include statements regarding financial results and expectations for 2006 and include, among other things, statements regarding targets, estimates and/or assumptions in respect of copper production and/or copper prices, cash operating costs, expenditures on property, plant and equipment, increases and decreases in production, reserves and/or resources and anticipated grades and recovery rates and are or may be based on assumptions and/or estimates related to future economic, market and other conditions. Factors that could cause actual results, developments or events to differ materially from those anticipated include, among others, the factors described or referred to elsewhere herein and/or in the AIF and 20F, and include unanticipated and/or unusual events. Many of such factors are beyond Taseko's ability to control or predict. Actual results may differ materially from those anticipated. Readers are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein. Taseko disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.
