TASEKO RAISES BID FOR bcMETALS TO \$1.15, DROPS KEY CONDITIONS

January 9, 2007, Vancouver, BC - Taseko Mines Limited ("Taseko" or the "Company") (TSX:TKO; AMEX:TGB) announced today that it is raising its bid for the shares of bcMetals Corporation ("bcMetals") to \$1.15 from \$1.10 and that Taseko has dropped the litigation opinion condition, as well as the condition regarding the proposed joint venture between bcMetals and Global International Jiangxi Copper Company Limited ("Jiangxi"), from its bid. The newly varied Taseko bid now exceeds the bid from Imperial Metals Corporation ("Imperial"), closes sooner and contains completion conditions which match or are superior to Imperial's bid. A Notice of Variation and Extension (No. 2) is being mailed today and has a January 19th, 2007 expiry date.

Taseko CEO Russ Hallbauer commented "Taseko's bid is now clearly superior to Imperial's bid in price, conditions and timing. Unlike Imperial's bid, Taseko's bid is not conditional on matters arising out of the bcMetals/Imperial Support Agreement, the rejection of the Jiangxi joint venture transaction nor other conditions which Imperial has included."

Taseko also announced today that it purchased 43,800 bcMetals shares through the TSX Venture Exchange at a price of \$1.12 per share bringing its total holdings in bcMetals to 1,918,600 shares (4.99%)

at an average price of \$1.01.

[Forward Looking Statements](#)

This news release contains forward-looking statements that are based on current expectations and which involve risks and uncertainties, including those referred to in Taseko's Annual Information Form filed with Canadian securities regulatory authorities, or Taseko's annual Form on 20F filed with United States securities regulatory authorities, that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in the forward-looking statements. Such forward oriented information includes the timing of making a take-over bid and the uncertainties of it in regards to its possible success and related regulatory approvals. Mining is a risky business and actual results may differ materially from those anticipated. Readers are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein. Taseko disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.

For further information on the Company, Investors should review the Company's Canadian public filings at www.sedar.com or its US public filings at www.sec.gov.
