## **Intertape Polymer Group Announces Maximum US\$90 Million Rights Offering to Shareholders**

### **Signs Standby Agreements with Three Principal Shareholders and Five Company Representatives for US\$62.2 Million**

MONTREAL, QUEBEC AND BRADENTON, FLORIDA--(MARKET WIRE)--Jul 31, 2007 -- Intertape Polymer Group Inc. (Toronto: ITP.TO)(NYSE: ITP) ("Intertape" or the "Company") today announced that it has filed a preliminary short form prospectus in each of the provinces of Canada for a rights offering to its shareholders. If all of the rights are exercised, the Company expects to receive gross proceeds of up to US\$90 million. The net proceeds from the rights offering will be used by the Company to reduce its long-term debt.

In connection with the rights offering, Intertape has entered into Standby Purchase Agreements with each of Letko, Brosseau & Associates Inc., Brandes Investment Partners, L.P. and Wells Capital Management, Inc., its three principal shareholders. Under these agreements, each has agreed to exercise rights and to purchase certain of the shares that are not otherwise subscribed for in the rights offering. The total commitment from the three principal shareholders to Intertape is US\$56.6 million.

In addition, four of the Company's current senior officers and one former senior officer have entered into a Standby Purchase Agreement with the Company pursuant to which they have agreed to exercise all of their rights, and to purchase certain of the shares that are not otherwise subscribed for in the rights offering. The total commitment from the five to Intertape is US\$6.0 million. The five senior officers are Eric E. Baker, Chairman of the Board of Directors, Melbourne F. Yull, Executive Director, Gregory A. Yull, President, Distribution Products, Andrew Archibald, C.A., former Chief Financial Officer, and Christopher J. Winn, Secretary.

The commitments from the three principal shareholders and five senior officers of the Company, which in the aggregate amount to US\$62.6 million, are subject to standard conditions.

In connection with the rights offering, Intertape will file a registration statement with the U.S. Securities and Exchange Commission relating to these securities. The size of the rights offering, the number of rights required to purchase each common share, and a record date and expiry date for the offering will be determined at the time of filing a final short form prospectus. Under the Standby Purchase Agreements entered into with the three principal shareholders, Intertape has agreed that the issue price per share for the rights offering will be equal to the simple average of the closing price of Intertape's common shares on the Toronto Stock Exchange during the 20 trading days immediately preceding the day on which Intertape files a final short form prospectus in respect of the offering.

The rights offering will include an additional subscription privilege under which holders of rights who fully exercise their rights will be entitled to subscribe for additional common shares, if available, that were not otherwise subscribed for in the rights offering.

The rights offering is subject to regulatory approval, including that of the Toronto Stock Exchange.
