A Message from the Fund's President

March \_\_\_\_, 2013

To our Stockholders:

You are cordially invited to attend a Special Meeting of Stockholders (the "Meeting") of The Central Europe and Russia Fund, Inc., a Maryland corporation (the "Fund"), to be held at 11:00 a.m., New York time, on April 19, 2013 at the offices of Deutsche Bank, 60 Wall Street, New York, New York 10005. While you are, of course, welcome to join us at the Meeting, we expect that most stockholders will cast their votes by filling out and signing the enclosed proxy card, or by voting by telephone or through the Internet.

Stockholders are being asked to approve a proposal to change the investment objective of the Fund from "seeking long-term capital appreciation primarily through investment in equity and equity-linked securities of issuers domiciled in Central Europe and Russia" to "seeking long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in Central Europe, Russia and Turkey" and to make a corresponding change to a related fundamental policy that currently requires the Fund, under normal circumstances, to invest at least 80% of its net assets in the securities of issuers domiciled in Central Europe or Russia. Upon stockholder approval of the proposal, that fundamental investment policy will read as follows: "Under normal circumstances, at least 80% of the Fund's net assets (plus borrowings used for investment purposes) will be invested in the securities of issuers domiciled in Central Europe, Russia and Turkey."

Upon approval of the proposal by stockholders, the Fund would change its name to "The Central Europe, Russia and Turkey Fund, Inc."

The proposed change in investment objective and related fundamental policy is intended to allow portfolio management additional flexibility to make investments in Turkey, which like Russia has a relatively large and investable market, while still retaining the ability to invest in the markets of Central Europe. Currently, investments outside of Central Europe and Russia (including those in Turkey) may not exceed 20% of the Fund's total assets.

The enclosed proxy statement provides greater detail about the proposal and how its approval would affect the Fund. Please read these materials carefully.

Your vote is important regardless of the number of shares you own. Whether or not you plan to attend the Meeting, it is important that you vote your shares. We urge you to complete, sign, date and mail the enclosed proxy, vote by telephone or record your voting instructions on the Internet as soon as possible. A postage-paid envelope is enclosed for mailing, and telephone and Internet voting instructions are listed on your proxy card.

We appreciate the time and consideration that we are sure you will give to this important matter. If you have questions about the proposal, please call AST Fund Solutions, LLC, the Fund's proxy solicitor, at \_\_\_\_\_ or contact your financial advisor. Thank you for your continued support of the Fund.

Sincerely,

W. Douglas Beck

President and Chief Executive Officer

QUESTIONS AND ANSWERS ABOUT THE PROPOSAL AND SPECIAL MEETING

Q: What is the proposal?

A: You are being asked to approve a change in the Fund's investment objective and a corresponding change in a fundamental investment policy of the Fund. If the new objective is approved, the Fund intends to invest, under normal circumstances, at least 80% of its net assets in equity or equity-linked securities of issuers domiciled in countries in Central Europe, Russia and Turkey.

Q: What countries are included in the definition of "Central Europe"?

A: The term "Central Europe" is defined as Republic of Albania, Republic of Austria, Republic of Belarus, Republic of Bosnia and Herzegovina, Republic of Bulgaria, Republic of Croatia, Czech Republic, Republic of Estonia, Federal Republic of Germany, Republic of Hungary, Republic of Latvia, Grand Duchy of Liechtenstein, Republic of Lithuania, former Yugoslav Republic of Macedonia, Republic of Moldova, Republic of Poland, Romania, Slovak Republic, State Union of Serbia and Montenegro, Republic of Slovenia, Swiss Confederation and Ukraine.

Q: Why has the Board recommended the change to the Fund's investment objective and related fundamental policy?

A: The Board of Directors, based on advice from the Fund's investment adviser, has determined that investment opportunities available to the Fund should include greater flexibility to invest in Turkey because Turkey provides an additional large, liquid market for investment by the Fund. Currently, Russia and Turkey are the only large, liquid markets that the Fund invests in. Although Turkey had a \_\_\_% weighting in the Fund's benchmark at [December 31, 2012], the Fund is limited in its ability to overweight Turkey by the current restriction on investing more than 20% of total assets outside of Central Europe and Russia. The proposed changes would improve the Fund's diversification possibilities by increasing its ability to invest in Turkey.

Q: What additional changes has the Board approved that would become effective if the proposal is approved by stockholders?

A: If stockholders approve the proposal, the Fund's name would change to "The Central Europe, Russia and Turkey Fund, Inc." In addition, subject to approval of the proposal by stockholders, the Board has approved a change to an existing non-fundamental investment restriction that would increase the percentage of the Fund's assets that could be invested in securities of issuers domiciled in Turkey from 20% of the Fund's total assets to 40% of the Fund's total assets.

Q: How can I vote or authorize my vote to be cast?

A: You can vote in any one of four ways:

- By sending the enclosed proxy card, signed and dated, to us in the envelope provided;
  - Via the Internet, by going to the website listed on your proxy card;
- By telephone, by calling the toll-free number listed on your proxy card; or
- In person, by attending the Special Meeting discussed in the proxy materials.

Q: Who should I call for additional information about this Proxy Statement?

A: Please call AST Fund Solutions, LLC, the Fund's proxy solicitation agent, at \_\_\_\_\_, or your financial advisor.

PROXY STATEMENT

---

This Proxy Statement is furnished by the Board of Directors (the “Board of Directors” or “Board”) of The Central Europe and Russia Fund, Inc., a Maryland corporation (the “Fund”), in connection with the solicitation of proxies for use at the Special Meeting of Stockholders (the “Meeting”) to be held at 11:00 a.m., New York time, on April 19, 2013 at the offices of Deutsche Bank, 60 Wall Street, New York, New York 10005. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Special Meeting of Stockholders.

If the accompanying form of Proxy is executed properly and returned, shares represented by it will be voted at the Meeting, and any postponement or adjournment thereof, in accordance with the instructions on the Proxy, but if no instructions are specified, shares will be voted FOR the change in the Fund’s investment objective and the corresponding change to a fundamental investment policy of the Fund (the “Proposal”). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund, by submitting a subsequently executed and dated proxy or by attending the Meeting and voting in person.

If a stockholder owns shares of the Fund in violation of applicable law, including the Investment Company Act of 1940, as amended (the “1940 Act”), the Fund may determine that any vote attributable to such shares will not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the 1940 Act, the acquisition of more than 3% of the Fund’s common stock by another fund (whether registered, private or offshore) is unlawful. Therefore, the votes cast on behalf of any such fund, or by any other stockholder whose holdings may be invalid, may not be counted. There is legal uncertainty about the operation of Section 12(d)(1) and about the Fund’s right under federal and state law to invalidate votes cast by a person whose Fund shares are held in violation of law. The Fund may seek judicial resolution of the uncertainty in any particular case.

The close of business on February 19, 2013 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had \_\_\_\_\_ shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the Notice of Special Meeting, this Proxy Statement and the form of Proxy will first be mailed to stockholders on or about March \_\_\_\_, 2013.

---

Approval of the change in the Fund's investment objective requires approval of a majority of the Fund's outstanding voting securities, which is defined in the 1940 Act as the lesser of (1) 67% of the Fund's shares present at a meeting of its stockholders if the owners of more than 50% of the shares of the Fund then outstanding are present in person or by proxy or (2) more than 50% of the Fund's outstanding shares (a "Majority Vote"). Proxies not voted will not be counted toward establishing a quorum. The Fund intends to treat properly executed proxies that are marked "abstain" and broker non-votes as present for this purpose. A "broker non-vote" is deemed to have occurred when a proxy received from a broker indicates that the broker does not have discretionary authority to vote the shares on the matter. Because a Majority Vote requires a proportion of shares present at the meeting or a proportion of shares outstanding, abstentions and broker non-votes will have the effect of votes "against" the Proposal.

## INTRODUCTION

The Board of Directors of the Fund has considered and unanimously approved, and recommended for stockholder approval, a change in the investment objective of the Fund to seeking long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in Central Europe, Russia and Turkey and a corresponding change to a fundamental investment policy of the Fund.

The Board of Directors has also approved a change in the name of the Fund to "The Central Europe, Russia and Turkey Fund, Inc.," to become effective only if the Proposal is approved by stockholders.

The proposed changes to the Fund's investment objective and fundamental investment policy are based upon the determination by the Board of Directors, with advice of Deutsche Asset Management International GmbH (the "Investment Adviser"), that the Fund would benefit from portfolio management's ability to increase exposure to Turkey beyond the current limit of 20% of net assets. Under the current investment objective and fundamental investment policy, portfolio management has limited attractive investment options available at times when the relative investment attractiveness of Central Europe is such that portfolio management would favor investments in large, liquid markets. By expanding the Fund's core geographic focus, portfolio management would be able to invest to a significant extent in two large securities markets, Russia and Turkey. Currently, there is no fundamental limit on the Fund's investments in Russia (although the Board has approved a non-fundamental limit of 75%), but the Fund's investments outside of Central Europe and Russia, including those in Turkey, may not exceed 20% of the Fund's total assets. Approval of the Proposal would permit portfolio management to improve the Fund's diversification possibilities by increasing the maximum allowed allocation to Turkey. Subject to stockholder approval of the Proposal, the Board has approved a non-fundamental investment limit of 40% of the Fund's total assets in securities of issuers domiciled in Turkey.

Set forth below is a summary of the Proposal:

---

Change of the Fund's Investment Objective and Corresponding Investment Policy. The current investment objective of the Fund is "to seek long-term capital appreciation through investment primarily in equity and equity-linked securities of issuers domiciled in Central Europe and Russia." The proposed new investment objective would be "to seek long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in Central Europe, Russia and Turkey." The current corresponding investment policy states: "Under normal circumstances, at least 80% of the Fund's net assets will be invested in the securities of issuers domiciled in Central Europe or Russia." The policy provides that the 80% policy also applies to borrowings. The proposed new fundamental investment policy would state: "Under normal circumstances, at least 80% of the Fund's net assets (plus borrowings used for investment purposes) will be invested in the securities of issuers domiciled in Central Europe, Russia and Turkey."

**PROPOSAL 1: TO APPROVE A CHANGE IN THE FUND'S INVESTMENT  
OBJECTIVE AND CORRESPONDING INVESTMENT POLICY**

Current Investment Objective and Corresponding Fundamental Policy. The Fund's current investment objective is to seek long-term capital appreciation through investment primarily in equity and equity-linked securities of issuers domiciled in Central Europe and Russia. This objective is a fundamental policy that may not be changed without a Majority Vote of the stockholders of the Fund. As a matter of fundamental policy, under normal circumstances, at least 80% of the Fund's net assets, plus the amount of any borrowings, must be invested in the securities of issuers domiciled in Central Europe or Russia. The Fund may also invest up to 20% of the value of its total assets in (1) equity or equity-linked securities of issuers domiciled elsewhere in Europe or (2) fixed income securities of European or Russian issuers. The Fund also has a non-fundamental policy that under normal circumstances limits investment in Turkey to no more than 20% of the Fund's total assets.

Proposed Investment Objective and Corresponding Fundamental Policy. The Fund's Investment Adviser recommended, and the Board unanimously approved and recommended to stockholders for their approval, that the Fund's current investment objective and corresponding fundamental policy be changed to the following objective and corresponding fundamental policy:

"To seek long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in Central Europe, Russia and Turkey."

"Under normal circumstances, the Fund will invest at least 80% of its net assets (plus borrowings used for investment purposes) in securities of issuers domiciled in Central Europe, Russia and Turkey."

No assurance can be given that the Fund will be able to achieve its objective. Although the 80% requirement applies to net assets plus borrowings used for investment purposes, the Fund may borrow money only for temporary or emergency purposes or for the clearance of transactions in amounts not exceeding 10% of the value of its total assets (not including the amount borrowed).

The term “Central Europe” includes, for this purpose, the following 22 countries: Republic of Albania, Republic of Austria, Republic of Belarus, Republic of Bosnia and Herzegovina, Republic of Bulgaria, Republic of Croatia, Czech Republic, Republic of Estonia, Federal Republic of Germany, Republic of Hungary, Republic of Latvia, Grand Duchy of Liechtenstein, Republic of Lithuania, former Yugoslav Republic of Macedonia, Republic of Moldova, Republic of Poland, Romania, Slovak Republic, State Union of Serbia and Montenegro, Republic of Slovenia, Swiss Confederation and Ukraine.

The Fund may also invest in equity or equity-linked securities of issuers domiciled elsewhere in Europe. The term “Europe” includes the countries of Central Europe as well as the Kingdom of Belgium, Republic of Cyprus, Kingdom of Denmark, Republic of Finland, Republic of France, Hellenic Republic (Greece), Republic of Iceland, Republic of Ireland, Italian Republic, Grand Duchy of Luxembourg, Republic of Malta, Kingdom of the Netherlands, Kingdom of Norway, Republic of Portugal, Russia, Kingdom of Spain, Kingdom of Sweden, Republic of Turkey and United Kingdom of Great Britain and Northern Ireland. Any future country or countries (or other political entity) formed by combination or division of the countries comprising Central Europe or Europe shall also be deemed to be included within the terms “Central Europe” or “Europe,” respectively.

An issuer is deemed to be “domiciled” in a country or region if: (1) it is organized under the laws of that country, or a country within that region, or maintains its principal place of business in that country or region, (2) it derives 50% or more of its annual revenues or profits from goods produced or sold, investments made or services performed in that country or region, or has 50% or more of its assets in that country or region, in each case as determined in good faith by the Fund’s Investment Adviser, or (3) its equity securities are traded principally in that country or region.

The Board has adopted a non-fundamental policy, which may be changed at any time without stockholder approval, that currently permits the Fund to invest up to the following percentages of the value of the Fund’s total assets in equity or equity-linked securities of issuers domiciled in the following countries: Russia, 75%; Poland, 65%; Hungary, 50%; Czech Republic, 30%; Turkey, 20%; and any single other country, 15%. Subject to stockholder approval of the Proposal, the Board has adopted a non-fundamental policy, which may be changed at any time without stockholder approval, that would permit the Fund to invest up to 40% of the value of the Fund’s total assets in equity or equity-linked securities of issuers domiciled in Turkey.

Effect of Adoption of the Proposal. The Fund has not previously been permitted under normal market conditions to invest more than 20% of the value of its total assets in equity

or equity-linked securities of issuers domiciled in countries other than those in Central Europe and Russia. Upon the adoption of the Proposal by the stockholders, the Fund will no longer be subject to a fundamental limit on its investments in Turkey, but will be subject to a non-fundamental limit of 40% of its total assets in securities of issuers domiciled in Turkey. This potential for additional investment in Turkey, which has a relatively large, liquid securities market, is expected to provide greater flexibility for portfolio management to react to changing market conditions in Central Europe and Russia.

Recommendation. The Board unanimously recommends a vote FOR the Proposal.

Required Vote. A Majority Vote of the Fund's stockholders entitled to vote is required to approve the amendment to the Fund's investment objective.
