INTRODUCTION

Edgar Filing: RARE HOSPITALITY INTERNATIONAL INC - Form DEF 14A

This Proxy Statement is furnished to shareholders of RARE Hospitality International, Inc., a Georgia corporation (herein, unless the context otherwise requires, the Company), in connection with the solicitation of proxies by the Company's Board of Directors from holders of the outstanding shares of common stock of the Company (Common Stock) for use at the Annual Meeting of Shareholders to be held at The Capital Grille of Atlanta, 255 East Paces Ferry Road, Atlanta, Georgia, on Tuesday, May 9, 2006, at 2:00 p.m. local time, and at any adjournments thereof (the Meeting).

The Meeting will be held for the following purposes: (i) to elect three directors in Class II to serve until the 2009 Annual Meeting of Shareholders; (ii) to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006; and (iii) to transact such other business as may properly come before the Meeting.

The Company's mailing address and the location of its principal executive offices is 8215 Roswell Road, Building 600, Atlanta, Georgia 30350. This Proxy Statement and the accompanying proxy card are first being mailed to shareholders of the Company on or about April 6, 2006.

SHAREHOLDERS ENTITLED TO VOTE

Only shareholders of record of the Company's Common Stock at the close of business on March 24, 2006 (the Record Date), will be entitled to notice of, and to vote at, the Meeting. On the Record Date, there were 33,839,803 shares of Common Stock issued and outstanding held by approximately 556 shareholders of record. Notwithstanding the Record Date specified above, the Company's stock transfer books will not be closed and shares may be transferred subsequent to the Record Date. However, all votes must be cast in the names of shareholders of record on the Record Date.

QUORUM AND VOTING REQUIREMENTS

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast on a matter at the Meeting will constitute a quorum to conduct business at the Meeting. Pursuant to the Bylaws of the Company, holders of Common Stock will be entitled to one vote for each share held. Abstentions and broker nonvotes (which occur when shares held by brokers or nominees for beneficial owners are voted on some matters but not on others) will be counted as present for purposes of determining a quorum.

The election of directors will require the affirmative vote of a majority of the shares represented at the meeting, provided a quorum is present. With respect to the election of directors, shareholders may: (i) vote for all of the director nominees; (ii) withhold authority to vote for all of the nominees; or (iii) withhold authority to vote for any individual nominee or nominees but vote for all other nominees. In the election of directors, broker nonvotes (which occur when shares held by brokers or nominees for beneficial owners are voted on some matters but not on others) have the same effect as a vote to withhold authority to vote for all director nominees.

The ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm will require that votes cast in favor of the proposal exceed the votes cast against the proposal, provided a quorum is present. With respect to the approval of the independent registered public accounting firm, shareholders may: (i) vote for approval; (ii) vote against approval; or (iii) abstain from voting on the proposal. Abstentions and broker nonvotes will have no effect on the ratification of the independent registered public accounting firm.

IF NO INSTRUCTIONS ARE INDICATED, SUCH PROXIES WILL BE VOTED (I) **FOR THE ELECTION OF THE NOMINEES FOR DIRECTOR OF THE COMPANY**, (II) **FOR RATIFICATION OF THE SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006**, AND (III) IF THE COMPANY DID NOT HAVE NOTICE ON OR BEFORE FEBRUARY 6, 2006 OF ANY MATTERS PROPERLY BROUGHT BEFORE THE MEETING, IN THE SOLE DISCRETION OF THE PROXIES AS TO SUCH MATTERS.

Each director, during the period he or she was a director, attended at least 75% of the aggregate number of meetings of the Board of Directors and the committees of the Board of Directors of which he or she was a member. It is the Company's policy that all of the Company's directors are expected to attend the Annual Meeting of Shareholders. Eight of the Company's directors attended the 2005 Annual Meeting of Shareholders. One of the directors was unable to attend.

A detailed list of the Committee's functions is included in its charter. In March 2004, the Company's Board of Directors approved a revised charter for the Audit Committee, a copy of such revised charter is posted on the Company's website at www.rarehospitality.com. Jordan, each of whom has been determined by the Company's Board of Directors to be independent as defined under applicable requirements of the Nasdaq listing standards. The principal purpose of the Governance/Nominating Committee is to: (i) consider significant corporate governance issues and make recommendations to the Board of Directors on appropriate governance policies and procedures for the Company, and (ii) identify and recommend candidates for election to the Board of Directors of the Company. A description of the Company's policy regarding director candidates nominated by shareholders appears below under Corporate Governance. The Governance/Nominating Committee reports to the Board of Directors and held three meetings during the 2005 fiscal year.

Compensation of Directors. During fiscal year 2005, directors of the Company who are not also employees received an annual retainer of \$25,000, plus reimbursement of travel and other expenses incurred in connection with the performance of their duties. In addition, the Chairman of the Audit Committee received a \$5,000 retainer, and each of the Audit Committee members, the Chairman of the Compensation Committee, and the Chairman of the Governance/Nominating Committee, received \$2,500. Retainers are paid in cash or, at the election of a director, may be deferred under the Company's Supplemental Deferred Compensation Plan. In addition, non-employee directors are eligible to receive formula plan stock options under the Company's 1996 Stock Plan for Outside Directors and the RARE Hospitality International, Inc. Amended and Restated 2002 Long-Term Incentive Plan, if certain Company performance measures were achieved during the preceding fiscal year. Accordingly, options to purchase 5,625 shares were granted to each of the non-employee directors on February 8, 2005. Non-employee directors also receive an allowance of \$400 per fiscal month for dining at the Company's restaurants, and an allowance of \$1,000 per fiscal year for dining at restaurants of the Company's competitors. Non-employee directors will also receive a \$1,000 allowance for charitable donations (which fall under the IRS-defined Donations/Contributions category), and a \$2,000 allowance for public relations (which do not fall under the IRS-defined Donations/Contributions category), both per fiscal year. Directors who are also employees of the Company are not paid any compensation for their services as directors.

The Company has increased the compensation granted to non-employee directors for fiscal year 2006. The annual retainer for directors who are not also employees has been increased to \$35,000, the Chairman of the Audit Committee will receive a retainer of \$10,000, and each of the Audit Committee members, the Chairman of the Compensation Committee and the Chairman of the Governance/Nominating Committee will receive a retainer of \$5,000. Non-employee directors joining the Board of Directors will receive an initial stock option grant to purchase 7,500 shares of Common Stock if he or she first becomes a non-employee director on or before June 30th of the year appointed, or an initial stock option grant to acquire 3,750 shares of Common Stock, if he or she first becomes a non-employee director on or after July 1st of the year appointed. In addition, on the day immediately following the release of the Company's financial results for the preceding fiscal year, each non-employee director serving on such date will receive an annual stock option grant to purchase 7,500 shares of Common Stock, provided the Company achieved certain performance measures for the preceding fiscal year.

Corporate Governance. The Board of Directors is committed to ethical business practices and believes that strong corporate governance is important to ensure that the Company is managed for the long-term benefit of its shareholders. The Company regularly monitors developments in the area of corporate governance and has implemented a number of best practices, including the following:

Corporate Governance Principles and Practices. The Company adopted a Corporate Governance Policy in 2003, which is regularly reviewed by the Governance/Nominating Committee.

Code of Conduct. The Company has adopted a Code of Conduct as part of its corporate compliance program. The Code of Conduct applies to all of the Company's directors, officers and employees. The Code of Conduct is posted on the Investor Relations Corporate Governance section of the Company's website and includes a code of ethics for all employees, including the principal executive officer, principal financial officer, principal accounting officer or controller and other persons performing similar functions. Any amendments to the Code of Conduct, and any waivers of its provisions with respect to the principal executive officer, principal financial officer, principal accounting officer or controller and other persons performing similar functions, will be posted on the Investor Relations Corporate Governance section of the Company's website.

Chief Executive Officer Succession. Working with the Company's Chairman and Chief Executive Officer, the Board of Directors has developed a succession plan for the Company's Chief Executive Officer that is reviewed periodically by the Board of Directors.

Director Nominating Process. The Governance/Nominating Committee identifies potential nominees for director through a variety of business contacts, including current executive officers, directors, community leaders and shareholders. The Governance/Nominating Committee may, to the extent it deems appropriate, retain professional search firms and other advisors to identify potential nominees for director.

The Governance/Nominating Committee evaluates director candidates by reviewing their biographical information and qualifications. If the Committee determines that a candidate may be qualified to serve on the Board of Directors, such candidate is interviewed by at least one member of the Governance/Nominating Committee, the Chairman of the Board and Chief Executive Officer. The Governance/Nominating Committee then determines, based on the background information and the information obtained in the interviews, whether to recommend to the Board of Directors that a candidate be nominated for approval by the shareholders to fill a directorship. With respect to an incumbent director whom the Committee is considering as a potential nominee for re-election, the Committee reviews and considers the incumbent director's service to the Company during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Company in addition to such person's biographical information and qualifications.

The Governance/Nominating Committee will consider written recommendations from shareholders for nominees to the Board of Directors. The manner in which the Committee evaluates a potential nominee will not differ based on whether the candidate is recommended by a shareholder of the Company. A shareholder who wishes to recommend a person to the Committee for nomination by the Company must submit a written notice by mail to the Governance/Nominating Committee c/o the Corporate Secretary, RARE Hospitality International, Inc., 8215 Roswell Road, Building 600, Atlanta, Georgia 30350. In order to be considered in connection with nominations at any annual meeting of shareholders, such a written recommendation must be received no later than one hundred fifty (150) days in advance of the annual meeting of shareholders and should include (i) the

candidate's name, business address and other contact information, (ii) a complete description of the candidate's

qualifications, experience and background, as would be required to be disclosed in the Proxy Statement pursuant

to Regulation 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act) and other information responsive to the qualifications and criteria considered by the Governance/Nominating Committee, (iii) a signed statement by the candidate in which he or she consents to being named in the Proxy Statement as a nominee and to serve as a director if elected and (iv) the name and address of the shareholder(s) of record making such a recommendation.

The Governance/Nominating Committee recommends nominees for election to the Board of Directors based on its evaluation of a number of qualifications, including, but not limited to, character and integrity; financial literacy; career achievements; vision and imagination; sound business experience and acumen; relevant technological, political, economic or business expertise; social consciousness; familiarity with issues affecting the Company's business; independence and absence of conflicts of interest; and contribution to the Board of Director's desired level of diversity and balance. The Governance/Nominating Committee endorses the value of seeking qualified directors from diverse backgrounds otherwise relevant to the Company's mission, strategy and business operations and the perceived needs of the Board of Directors at a given time.

Shareholder Communications. The Board of Directors accepts communications sent to the Board of Directors (or to specified individual directors) by shareholders of the Company. Shareholders may communicate with the Board of Directors (or with specified individual directors) by writing to them c/o Corporate Secretary, RARE Hospitality International, Inc., 8215 Roswell Road, Building 600, Atlanta, GA 30350. All written communications received in such manner from shareholders of the Company shall be forwarded to the members of the Board of Directors to whom the communication is directed or, if the communication is not directed to any particular member(s) of the Board of Directors, the communication shall be forwarded to all members of the Board of Directors.

Procedures for the Receipt, Retention and Handling of Complaints. The Company maintains procedures for the confidential, anonymous submission by employees of any complaints or concerns about the Company, including complaints regarding accounting, internal accounting controls or auditing matters.

Meetings of Non-Management Directors. The non-management directors of the Company meet separately on a regular basis.

Independence. The Board of Directors has affirmatively determined that all of the non-management directors (Messrs. San Martin, Dixon, Boeve, Holbrook, Chapman, Jordan and Ms. Byrd), who comprise a majority of the Board of Directors, are independent under the standards of independence of the Nasdaq listing standards.

Lead Director. The Board of Directors has adopted a Lead Director Policy and maintains a lead director among its non-management directors to ensure that there is clear, open and regular communication between non-management and management directors. Currently, the non-employee directors, other than those serving on the Governance/Nominating Committee, rotate among them the position of lead director.

Director Education. The Company encourages and financially supports the continued education of directors on corporate governance issues.

Shareholders may view a current copy of the Company's Corporate Governance Policy, the Company's Code of Conduct, and the current charters for the Audit, Compensation, and Governance/Nominating Committees in the Investor Relations Corporate Governance section of the Company's website at www.rarehospitality.com.

SHAREHOLDER RETURN ANALYSIS

The stock price performance graph depicted below is not deemed to be part of a document filed with the SEC pursuant to the Securities Act of 1933 or the Exchange Act and is not to be deemed incorporated by reference in any documents filed under the Securities Act of 1933 or the Exchange Act without the express consent of the Company.

The following line-graph presentation compares cumulative total shareholder returns of the Company with the Nasdaq Stock Market (U.S. Companies) and a Peer Index for the five year period beginning on January 1, 2001 (assuming the investment of \$100 in the Company s Common Stock, the Nasdaq Stock Market (U.S. Companies), and the Peer Index on January 1, 2001 and reinvestment of all dividends).

The Company's self-determined Peer Group initially consisted of 45 companies, including the Company, which number has been reduced over time due to the fact that certain of these companies are no longer publicly traded. The Peer Index consists of companies offering a wide variety of restaurant services and franchising found primarily in the Standard Industrial Classification (SIC) Code groups 5810 and 5812.

Information with regard to SIC classifications in general can be found in the Standard Industrial Classification Manual published by the Executive Office of the President, Office of Management and Budget. Specific information regarding the companies comprising the Peer Index will be provided to any shareholder upon request to the Secretary of the Company.

COMPENSATION COMMITTEE REPORT

ON EXECUTIVE COMPENSATION

The compensation of the Company's executive officers is subject to annual review and approval by the Compensation Committee. Compensation of executives generally consists of base salary, cash bonuses, participation in various benefit plans on the same basis as other employees of the Company, and the award of stock options, restricted stock and other equity-based compensation. In establishing compensation policies and levels, the Compensation Committee seeks to attract, motivate and retain an outstanding group of executives by providing total compensation that is competitive with compensation at other companies in the Company's peer group (which may not be identical to the Peer Index included in the Performance Graph on page 18), and to align the interests of those executives with the Company's overall business strategies and goals.

In 2005, the Compensation Committee reviewed the compensation of the Company's executive officers and determined salaries in light of the level of responsibility of the executives, prior experience and achievements, and the importance of each executive's contribution to the Company. The Compensation Committee's determinations of the level of compensation for the Company's executive officers was partially based upon a review of publicly-available information on executive compensation at comparable public companies in the Company's peer group. The Compensation Committee also engaged an independent compensation consultant to perform a review of the Company's executive compensation. The consultant analyzed the level of base pay and incentive plan provided by the Company for its executive officers. The Compensation Committee used the compensation model developed by the consultants when considering compensation related decisions. The Compensation Committee considered a number of factors in determining Mr. Hickey, Jr.'s cash and equity compensation for fiscal 2005. In the face of a challenging cost environment, RARE Hospitality, under the leadership of Mr. Hickey, Jr. and the rest of the executive team, was able to achieve certain critical financial goals, while continuing to develop a solid foundation for long-term business success. The following factors were the primary considerations in determining Mr. Hickey, Jr.'s compensation for fiscal year 2005: The achievement in fiscal 2004 of 14.9% growth in diluted earnings per share (excluding nonrecurring expenses) despite a dramatic increase in the cost of beef, the Company's primary commodity, and net revenue growth of 19.3%, as well as continuing success in developing a solid foundation for long-term growth, and providing superior leadership and vision. For fiscal year 2005, Mr. Hickey, Jr. received \$625,000 in base salary, which became effective as of January 5, 2005. Mr. Hickey, Jr. was also awarded cash bonuses aggregating \$315,433, equivalent to 50.5% of his base salary, based on the Company's achievement of certain earnings per share objectives. Mr. Hickey, Jr.'s compensation plan for fiscal 2005 provided for the award of 54,734 stock options and 15,873 shares of restricted stock related to fiscal 2005 performance.

The Company's executives are entitled to receive bonuses under a plan that bases bonuses on the Company's earnings per share or a combination of the Company's earnings per share and the performance of the concept in which the executive was employed. The bonus compensation of the Chief Executive Officer under this plan is entirely based on the Company's earnings per share. For the 2005 fiscal year, cash bonuses were paid

to each named Executive Officer under this plan.

The Compensation Committee approves grants from time-to-time of stock options, restricted stock and other equity-based incentive awards to key employees under the Company's 1997 Plan and its Amended and Restated 2002 Long-Term Incentive Plan, to provide greater incentive to such employees to increase the long-term value of the Company and its stock. Options granted by the Compensation Committee during the 2005 fiscal year included options granted to the Company's Chief Executive Officer. As of March 24, 2006, the Named Executive Officers appearing in the Summary Compensation Table held stock or the right to acquire stock representing 4.9% of the Company's outstanding common stock, assuming all outstanding options exercisable within 60 days of March 24, 2006 held by such Named Executive Officers are exercised.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits to \$1 million the deduction that can be claimed by a publicly held company for compensation paid to the company's chief executive officer and its four other highest paid executive officers. Section 162(m) specifically exempts certain performance-based compensation from the deduction limit. It is the Compensation Committee's intent to maximize the deductibility of executive compensation while retaining the discretion necessary to compensate executive officers in a manner commensurate with performance and the competitive market of executive talent. On February 8, 2006, the Board of Directors of the Company amended the RARE Hospitality International, Inc. Executive Officer Performance Incentive Plan (the "PIP Plan") to allow for the grant of performance-based restricted stock units.

The Company has structured its PIP Plan, as amended, to be consistent with the terms of Section 162(m), so that taxable compensation derived from performance-based equity compensation under the plan should qualify as performance-based under Section 162(m) and be fully deductible.

This report is not deemed to be incorporated by reference in any filing by the Company under the Securities Act of 1933 or the Exchange Act, except to the extent that the Company specifically incorporates this report by reference.

During 2005, Messrs. Chapman, Dixon and Holbrook served on the Compensation Committee. None of them were an officer or employee of the Company or any of its subsidiaries in 2005, nor any time prior thereto. During 2005, none of the members of the Compensation Committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K, and none of the executive officers served on the Compensation Committee (or equivalent) or the Board of Directors of another entity whose executive officer(s) served on the Board of Directors or the Compensation Committee of the Company's Board of Directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on a review of the copies of reports furnished to the Company, or written representations that no annual forms (Form 5) were required, the Company believes that, during the 2005 fiscal year, its officers, directors and 10% shareholders complied with all filing requirements for reporting to the Securities and Exchange Commission their ownership and changes in ownership of Common Stock (as required pursuant to Section 16(a) of the Exchange Act).

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, and operates under a written charter adopted by the Board of Directors. The Company's management has primary responsibility for the Company's financial statements and reporting processes, including the systems of internal controls. The Company's independent registered public accounting firm, KPMG LLP, is responsible for performing an independent integrated audit and issuing reports and opinions on the following:

- the Company's consolidated financial statements;
- the Company's internal control over financial reporting; and
- management's assessment of the effectiveness of the Company's internal control over financial reporting.

The Company has a full-time Internal Audit Department that reports to the Audit Committee and management, and is responsible for reviewing and evaluating the Company's internal controls. The function of the Audit Committee is not to duplicate the activities of management, or the internal or external auditors, but to serve in a Board-level oversight role in which it provides advice, counsel, and direction to management and the Company's independent registered public accounting firm. The Audit Committee has sole authority to select, evaluate and, if appropriate, to replace the Company's independent registered public accounting firm.

The Audit Committee has implemented procedures that guide its activities during the course of each fiscal year and which are designed for it to devote the attention that it deems necessary or appropriate to fulfill its oversight responsibilities under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met seven times during 2005.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management and KPMG LLP disclosures made in Management's Discussion and Analysis of Financial Condition and Results of Operations, the audited consolidated financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting included in the Company's Annual Report on Form 10-K for the fiscal year ended December 25, 2005. This review included a discussion with management and KPMG LLP of the quality (rather than just the acceptability) of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity and completeness of disclosures in the Company's consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements, on which KPMG LLP issued an unqualified opinion, were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee monitored the Company's progress in complying with Section 404 of the Sarbanes-Oxley Act of 2002, including the Public Company Accounting Oversight Board's Auditing Standard No. 2 regarding the audit of internal control over financial reporting. This oversight included the review of key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure

control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program and steps taken to implement recommended improvements in internal procedures and controls.

The Audit Committee also discussed with KPMG LLP, the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. The Audit Committee has received from KPMG LLP, as required by Independence Standards Board Standard No.1, *Independence Discussions with Audit Committee*, (i) a written disclosure, indicating all relationships, if any, between KPMG LLP and its related entities and the Company and its related entities which, in the auditor's professional judgment, reasonably may be thought to bear on the auditor's independence, and (ii) a letter from KPMG LLP confirming that, in its professional judgment, it is independent of the Company. In addition, the Audit Committee discussed with KPMG LLP their independence from management and the Company, including the matters in the written disclosures required of KPMG LLP by Independence Standards Board Standard No. 1. The Audit Committee also considered whether the provision of services during 2005 by KPMG LLP that were unrelated to their audit of the financial statements during 2005 is compatible with maintaining KPMG LLP's independence.

Additionally, the Audit Committee discussed with KPMG LLP the overall scope and plan for their audit. The Audit Committee met with KPMG LLP to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2005 for filing with the Securities and Exchange Commission. The Audit Committee also recommended to the Board of Directors that the Company retain KPMG LLP as the Company's independent registered public accounting firm for 2006.

PROPOSAL II

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

The Company's Audit Committee has selected KPMG LLP to conduct the annual audit of the financial statements of the Company for the fiscal year ending December 31, 2006. Although ratification by the shareholders of the selection of KPMG LLP as independent registered public accounting firm is not required by law or by the Bylaws of the Company, the Audit Committee believes it is appropriate to seek shareholder ratification of this appointment in light of the critical role played by the independent registered public accounting firm in maintaining the integrity of Company's financial controls and reporting. If this selection is not ratified at the Meeting, the Company's Audit Committee intends to

reconsider its selection of the independent registered public accounting firm for the fiscal year ending December 31, 2006.

The Company has been advised by KPMG LLP that neither it nor any member thereof has any financial interest, direct or indirect, in the Company or any of its subsidiaries in any capacity. KPMG LLP has served as independent registered public accounting firm for the Company since 1992.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE SELECTION OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006. RATIFICATION OF KPMG LLP REQUIRES THAT THE VOTES CAST IN FAVOR OF RATIFICATION EXCEED THE VOTES CAST AGAINST RATIFICATION AT THE MEETING AT WHICH A QUORUM IS PRESENT.
