Item 1.01 Entry into a Material Definitive Agreement.

On November 27, 2013, we entered into a credit agreement for the financing of the third Quantum-class ship for Royal Caribbean International. This agreement makes available to Royal Caribbean Cruises Ltd. an unsecured term loan in an amount up to the US Dollar equivalent corresponding to approximately €637 million. Euler Hermes Deutschland AG (“Hermes”), the official export credit agency of Germany, has agreed to guarantee 95% of the financing.

The loan, once funded, will amortize semi-annually and will mature twelve years following the delivery of the ship, which is scheduled to occur in the second quarter of 2016. At our election, interest on the loan is expected to accrue either (1) at a fixed rate of 3.32% (inclusive of the applicable margin), or (2) at a floating rate equal to LIBOR plus 1.00%. The credit agreement contains customary events of default and prepayment events for, among other things, non-payment, breach of covenants, default on certain other indebtedness, certain large judgments and a change of control of the Company.

KfW IPEX-Bank GmbH is acting as initial mandated lead arranger, facility agent, Hermes Agent and original lender. KfW IPEX-Bank provides credit and other financial services to us from time to time for which it has received, and will in the future receive, customary fees.

The foregoing description of the provisions of the credit agreement is summary in nature and is qualified in its entirety by reference to the full and complete terms of the credit agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The disclosure required by this item is included in Item 1.01 of this Current Report on Form 8-K and is incorporated herein by reference.
