Item 5. Other Events.

On December 16, 2003, Brooks Automation, Inc. (the "Company") announced that it completed its previously announced public offering of an aggregate of 6,900,000 shares of its common stock at a price of \$19.00 per share, for estimated net proceeds of the offering of approximately \$124.1 million. The number of shares sold and the estimated net proceeds of the offering reflect the election of the underwriters in the offering to exercise in full their 30-day option to purchase an additional 900,000 shares to cover over-allotments. The press release issued by the Company dated December 16, 2003, titled "Brooks Automation Completes Public Offering," is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Neither the filing of any press release as an exhibit to this Current Report on Form 8-K nor the inclusion in such press release of a reference to the Company's Internet address shall, under any circumstances, be deemed to incorporate the information available at such Internet address into this Current Report on Form 8-K. The information available at the Company's Internet address is not part of this Current Report on Form 8-K or any other report filed by the
