Item 8.01. Other Events.

Albany International Corp. (the "Company") issued a news release on May 4, 2008 announcing an agreement to sell its global Albany Filtration Technologies ("AFT") business and plans to reduce manufacturing capacity in Australia. The sale of AFT will be to All Filtration Technologies Australia Pty Ltd. for \$45 million, subject to contractual closing adjustments. The reduction of

manufacturing capacity in Australia includes the consolidation of press and fiber cement operations and the shutdown of high-performance door manufacturing. These actions are part of an ongoing, company-wide effort to streamline operations in order to efficiently balance the Company's manufacturing capacity with demand.

Discussions with labor representatives are expected to begin shortly. Until they are concluded, the Company is unable reasonably to estimate the costs expected to be incurred in connection with these plans. The Company will disclose the amount, type and timing of these costs promptly after they are determined.

Item 9.01. Financial Statements and Exhibits.
