## PART I

The Section 10(a) prospectus relating to the Plan is omitted from this Registration Statement pursuant to the Note to Part I of Form S-8.

## PART II INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

### Item 3. Incorporation of Documents By Reference

The following documents are incorporated in this registration statement by reference:

(a) The Registrant's Annual Report on Form 10-K for the year ended December 31, 2000.

(b) The description of the Registrant's shares of common stock, including the Rights related to the shares as set forth in the Rights Agreement relating to such Rights, contained in the Registrant's registration statement filed under the Securities Exchange Act of 1934, file no. 1-7823, including any amendment or report filed for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14, and 15(d) of the Securities Exchange Act of 1934, as amended, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of the filing of such documents.

### Item 4. Description of Securities

The Registrant's common stock is registered under Section 12 of the Securities Exchange Act of 1934, as amended.

### Item 5. Interests of Named Experts and Counsel

PricewaterhouseCoopers LLP, the Registrant's independent accountants, have no interest in the Registrant.

The Stolar Partnership has passed upon the legality of the shares offered under this registration statement. ### Item 6. Indemnification of Directors and Officers

The Delaware General Corporation Law permits the indemnification by a Delaware corporation of its directors, officers, employees and other agents against expenses (including attorneys' fees), judgments, fines and amounts paid in

## Edgar Filing: ANHEUSER BUSCH COMPANIES INC - Form S-8

settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than derivative actions which are by or in the right of the corporation) if they acted in good faith in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such an action and requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation.

The Registrant's Restated Certificate of Incorporation provides that each person who was or is made a party to, or is involved in, any action, suit or proceeding by reason of the fact that he or she is or was a director or officer of the Registrant (or the fact that such director or officer is or was serving at the request of the Registrant as a director, officer, employee or agent for another entity) while serving in such capacity will be indemnified and held harmless by the Registrant to the full extent authorized or permitted by Delaware law. The Restated Certificate also provides that the Registrant may purchase and maintain insurance, may also create a trust fund, grant a security interest and/or use other means (including establishing letters of credit, surety bonds and other similar arrangements), and may enter into contracts providing for indemnification, to ensure full payment of indemnifiable amounts.

The Registrant has entered into indemnification agreements with its directors and its executive officers.

### Item 7. Exemptions from Registration Claimed

Not Applicable.

II-2

### Item 8. Exhibits

All Exhibits are listed in the Exhibit Index at the end of this Part II.

### Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration

## Edgar Filing: ANHEUSER BUSCH COMPANIES INC - Form S-8

statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

II-3

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
