Income Tax Information

The following information is presented on an income tax basis. Differences between amounts for financial statement and federal income tax purposes are primarily due to timing differences in recognizing income on taxable market discount securities and timing differences in recognizing certain gains and losses on security transactions.

At April 30, 2005, the cost of investments was \$221,589,844.

Gross unrealized appreciation and gross unrealized depreciation of investments at April 30, 2005, were as follows:

Gross unrealized:	
Appreciation	\$12,882,282
Depreciation	(17,804)

Net unrealized appreciation of investments	\$12,864,478
