PROXY STATEMENT

GENERAL INFORMATION

This proxy statement is furnished by the Board of Directors of AmerisourceBergen Corporation (the "Company") in connection with its solicitation of proxies for use at the Annual Meeting of Stockholders to be held February 27, 2002 and at any adjournments thereof (the "Annual Meeting"). The Company's annual report to stockholders, including financial statements, accompanies this notice and proxy statement, but is not incorporated as part of the proxy statement and is not to be regarded as part of the proxy solicitation material. The proxy and this proxy statement are being mailed to stockholders on or about January 30, 2002.

Proxies are solicited by the Board of Directors of the Company in order to provide every stockholder an opportunity to vote on all matters scheduled to come before the meeting, whether or not he or she attends the meeting in person. When the enclosed proxy card is returned properly signed, the shares represented thereby will be voted by the proxy holders named on the proxy card in accordance with the stockholder's directions. You are urged to specify your choices by marking the appropriate boxes on the enclosed proxy card. If the proxy is signed and returned without specifying choices, the shares will be voted as recommended by the Board of Directors.

Solicitation of proxies is made on behalf of the Board of Directors of the Company, and the cost of preparing, assembling and mailing the notice of Annual Meeting, proxy statement, and form of proxy will be borne by the Company. In addition to the use of the mail, proxies may be solicited by directors, officers and regular employees of the Company, without additional compensation, in person or by telephone or other electronic means. The Company will reimburse brokerage houses and other nominees for their expenses in forwarding proxy material to beneficial owners of the Company's stock.

This is the Company's first proxy statement and annual meeting of stockholders since the completion of the merger (the "Merger") of AmeriSource Health Corporation, a Delaware corporation ("AmeriSource"), and Bergen Brunswick Corporation, a New Jersey corporation ("Bergen"), on August 29, 2001 (the "Merger Date"). Thus, certain information in this proxy statement necessarily pertains to AmeriSource and Bergen prior to the Merger.

REVOCABILITY OF PROXY

Execution of the enclosed proxy will not affect your right to attend the Annual Meeting and vote in person. If you do attend, you may vote by ballot at the meeting, thereby effectively canceling any proxies previously given. In addition, a stockholder giving a proxy may revoke it at any time before it is voted at the meeting by filing with the Secretary of the Company an instrument revoking it, or by filing with the Company a duly executed proxy bearing a later date.

VOTING AT THE ANNUAL MEETING

Only the holders of record of shares of Common Stock, par value \$0.01 per share (the "Common Stock"), of the Company at the close of business on January 14, 2002 are entitled to receive notice of and to vote at the Annual Meeting. Each holder of Common Stock entitled to vote will have the right to one vote for each share held on all matters to come before the meeting. On January 14, 2002, there were 103,962,200 shares of Common Stock issued and outstanding.

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

The holders of a majority of the shares of Common Stock entitled to vote must be present in person or by proxy at the Annual Meeting to constitute a quorum for the purpose of transacting business at the meeting. Except for the election of directors, the affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote on a proposal is required to ratify and approve the proposal. Abstentions are counted in tabulations of the votes cast by stockholders on the proposals and will have the effect of a negative vote. Broker non-votes will not be counted for purposes of determining whether any proposal has been approved. Directors are elected by a plurality of the votes present or represented by proxy at the meeting and entitled to vote on the election of directors. Because directors are elected by a plurality of votes, abstentions and broker non-votes will not affect their election.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Board of Directors currently consists of ten directors, divided into three classes: Class I, Class II and Class III, each class being as nearly equal in number as possible. Pursuant to the agreement governing the Merger, AmeriSource designated four members of the Board of Directors and Bergen designated four members of the Board of Directors, and since the Merger, the Board has appointed two additional directors. The directors of each class serve terms of three years. The term of office of one class of directors expires each year in rotation so that one class is elected at each annual meeting of stockholders for a three year term. The term of the four Class I directors, Dr. Jane E. Henney and Messrs. Rodney H. Brady, Charles H. Cotros and R. David Yost, will expire at the Annual Meeting. The other six directors will remain in office for the remainder of their respective terms, as indicated below.

At the Annual Meeting four Class I directors are to be elected. Each of the director nominees is currently a director of the Company. Each nominee for director has consented to his or her nomination and, so far as the Board of Directors and management are aware, will serve as a director if elected. However, if any of the nominees should become unavailable prior to the election, the shares represented by proxies may be voted for the election of such other persons as the Board of Directors may recommend, unless the Board of Directors chooses to reduce the number of directors to be elected. Unless otherwise specified by the stockholders, it is intended that the shares represented by proxies will be voted for the four nominees for director listed below. There is no arrangement or understanding between any director or nominee for director and any other person(s) pursuant to which he or she was or is to be selected as a director or nominee.

director of the Company, a fee of \$2,000 for attendance in person at each meeting of the Board of Directors and a fee of \$1,000 for attendance in person at each committee meeting. In addition, the Company's directors are entitled to an annual grant of non-qualified stock options having a Black-Scholes value of \$100,000 and a strike price equal to the closing price of shares on the day before the date of grant. Stock options will vest in equal annual installments over the three-year period from the date of grant, subject to continued service on the Board. Option grants will generally be effective as of each Annual Meeting of Stockholders.

The Company offers three deferred compensation or equity conversion opportunities for non-employee directors:

AmerisourceBergen Corporation 2001 Deferred Compensation Plan

A director may elect to defer all or any part of the annual retainer compensation and meeting fees received and have the deferred amount credited to an account under the AmerisourceBergen Corporation 2001 Deferred Compensation Plan ("Deferred Compensation Plan"). Deferred accounts will be credited with interest at one percentage point higher than the prime rate as in effect from time to time. Payment under the Deferred Compensation Plan will be made or commence on the first day of the month after the non-employee director ceases being a director of the Company. Alternatively, a director may elect to receive a deferred benefit: (i) over annual periods ranging from three to fifteen years and payable in quarterly installments; or (ii) in a single distribution. The Company pays all costs and expenses incurred in the administration of the Deferred Compensation Plan.

AmerisourceBergen Corporation 2001 Non-Employee Directors' Restricted Stock Plan

A director who retires prior to three years from the date of grant could receive a pro rata distribution of such stock at the discretion of the Board. A director may also elect to defer the receipt of shares subject to restrictions to a date certain or to death, disability or termination of service by electing to defer the receipt of shares at least one year in advance of the vesting date. In most cases, options will vest and become exercisable in three equal annual installments on each anniversary of the grant date, subject to continued service on the Board. In general,

REPORT OF THE AUDIT AND CORPORATE RESPONSIBILITY COMMITTEE OF THE BOARD OF DIRECTORS

The Audit and Corporate Responsibility Committee (the "Audit Committee") reviews the Company's financial reporting process on behalf of the Board. In fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited financial statements contained in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2001 with the Company's management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls, and has represented to the Audit Committee that such financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures and letter which were received by the Audit Committee from the independent auditors as required by Independence Standards Board Standard No. 1,

REPORT OF THE COMPENSATION AND SUCCESSION PLANNING COMMITTEE OF THE BOARD OF DIRECTORS

The role of the Compensation and Succession Planning Committee of the Company (the "Compensation Committee") is to recommend, establish, oversee and direct the Company's executive compensation policies and programs and to recommend to the Board of Directors compensation for executive officers. In carrying out this role, the Compensation Committee believes it is important to align executive compensation with Company values and objectives, business strategies, management initiatives, business financial performance and enhanced stockholder value.

The Compensation Committee is comprised of independent outside directors, none of whom is or was an officer or employee of AmeriSource, Bergen, any of their respective subsidiaries, or the Company. Certain compensation decisions,

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

such as stock option awards and executive bonus payments, were made for fiscal year 2001 by each of the compensation committees of AmeriSource and Bergen. Therefore, the members of the Compensation Committee are, in certain instances, reporting on determinations and actions made by the prior compensation committees. Periodically the Compensation Committee solicits and receives recommendations and advice from independent third-party compensation consultants.

Compensation Philosophy

The goals of the Company's compensation program are (i) to align individual contributions with business objectives and performance, (ii) to enable the Company to attract, retain and reward executive officers who contribute to the long-term success of the Company, and (iii) to motivate those executives to advance the interests of stockholders.

The executive compensation programs both of AmeriSource and Bergen were designed to attract and retain key executives with outstanding abilities and to motivate them to perform to the full extent of their abilities. The Compensation Committee believes that executives should have a greater portion of their compensation at risk than other employees, and that executive compensation should be tied directly to the performance of the business and be aligned with benefits realized by the Company's stockholders.

Components of Compensation

Compensation for Company executives, in effect for applicable executives of AmeriSource and Bergen during fiscal year 2001, consisted of both cash and equity-based opportunities. The annual cash compensation consisted of (i) base salary and (ii) an annual incentive opportunity. Equity-based opportunities are provided on a long-term basis through the Company's stock option plans.

The compensation consultants retained by the compensation committees of AmeriSource and Bergen have advised that the salaries, when coupled with annual incentive awards paid to the Company's Chief Executive Officer and other executive officers, are consistent with competitive practices in the industry. In making this determination, the consultants analyzed the compensation payable at the pharmaceutical wholesale distribution companies included in the Peer Group Index described in the discussion of Stockholder

8

Return Performance below, and also relied upon survey data covering a broader range of wholesale and distribution companies.

The Company's Compensation Committee has reviewed the base salaries of executive officers and has made adjustments that in its judgment are appropriate. The Compensation Committee reviews executive officer salaries annually and makes adjustments based on past performance, changed job duties, scope and responsibilities, competitive pay data and expected future contributions of each executive officer.

The Compensation Committee also oversees the Company's annual incentive payments to executive officers. Each year the Compensation Committee establishes challenging objectives based on business prospects for that year. For Messrs. Yost, Hilzinger, Dimick, Carpenter and Martini, and for the other senior members of management, annual incentive opportunities are based on achieving both current financial performance objectives and individual strategic and operating objectives related to longer-term earnings, with greater weight given to the current financial performance objectives. Following the end of each fiscal year, the Compensation Committee reviews business results and the individual

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

performance of each executive officer and each senior member of management, and determines and recommends to the Board of Directors annual incentive payments. In fiscal year 2001, both AmeriSource and Bergen exceeded their financial performance goals for earnings per share and return on committed capital. Strategic and operating objectives were met by Messrs. Yost and Hilzinger for AmeriSource and Messrs. Dimick, Carpenter and Martini for Bergen.

AmeriSource's long-term, equity-based 1999 Stock Option Plan (the "1999 AmeriSource Plan") and Bergen's similar 1999 Management Stock Incentive Plan (the "1999 Bergen Plan") were approved by their respective Boards of Directors in December 1998 and September 1998, respectively, and by their stockholders in March 1999 and April 1999, respectively. The Compensation Committee of each of AmeriSource and Bergen administered the 1999 AmeriSource Plan and the 1999 Bergen Plan. The 1999 AmeriSource Plan consisted of non-qualified stock option grants and the 1999 Bergen Plan consisted of both non-qualified and incentive stock option grants. Options to purchase a total of 180,000 shares of Common Stock were granted pursuant to the 1999 AmeriSource Plan to Messrs. Yost and Hilzinger in fiscal year 2001, representing approximately 14% of the options granted to AmeriSource's management. Options to purchase a total of 56,974 shares of Common Stock were granted pursuant to the 1999 Bergen Plan to Messrs. Dimick, Carpenter and Martini in fiscal year 2001, representing approximately 9% of the options granted to Bergen's management.

AmeriSource's long-term, equity-based 2001 Stock Option Plan (the "2001 AmeriSource Plan") was approved by its Board of Directors in December 2000 and by its stockholders in March 2001. The Compensation Committee of AmeriSource administered the 2001 AmeriSource Plan. The 2001 AmeriSource Plan consisted of non-qualified stock option grants. Options to purchase a total of 275,000 shares of Common Stock were granted pursuant to the 2001 AmeriSource Plan to the executive officers of AmerisourceBergen in fiscal year 2001, representing approximately 15% of the options granted to AmerisourceBergen's management.

Chief Executive Officer Compensation

Each year that Mr. Yost was the Chief Executive Officer of AmeriSource, its Compensation Committee and Mr. Yost agreed to multi-year objectives. With Mr. Yost becoming the Chief Executive Officer of the Company, the Compensation Committee of the Company will review the Chief Executive Officer's performance against those objectives at year-end. This review includes a detailed analysis of the short-and long-term financial results as well as progress toward the Company's strategic objectives. In addition, the Compensation Committee considers individual factors such as Mr. Yost's leadership ability, ability to execute the business strategy and the Company's relationship with customers and the investment community. Mr. Yost's salary has been determined based on data received on the salaries of chief executive officers at

9

companies included in the Peer Group Index as well as upon survey data obtained from wholesale and distribution companies generally.

Mr. Yost's annual incentive opportunity prior to the Merger was 120% of his base salary, subject to certain adjustments based on his individual performance, as determined by the Compensation Committee, and the performance of the Company. Of this amount, 50% was based on the Company's achievement of earnings per share ("EPS") goals and 50% was based on goals relating to return on committed capital. For fiscal year 2001, the Company exceeded its EPS goal and exceeded the goal for return on committed capital. Based on the foregoing factors, Mr. Yost's annual incentive payment was 114% of his base salary.

Deductibility of Compensation

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), imposes a \$1 million limit on the deductibility of compensation paid to certain executive officers of public companies, unless the compensation meets certain requirements for "performance-based" compensation. Non-performance-based compensation paid to the Company's executive officers for fiscal year 2001 exceeded the \$1 million limit per officer only by a modest amount for Mr. Yost and the Compensation Committee has decided not to take any action at this time to limit or restructure the elements of cash compensation payable to the Company's executive officers.

The Compensation Committee will continue to consider and evaluate all the Company's compensation programs in light of Section 162(m) of the Code and related regulations. However, the Company may pay compensation which is not deductible in certain circumstances if sound business judgment so requires.

PROPOSAL 2

APPROVAL OF THE AMERISOURCEBERGEN CORPORATION 2002 EMPLOYEE STOCK PURCHASE PLAN

On January 18, 2002, the Board of Directors of the Company authorized the adoption of a new AmeriSourceBergen Corporation 2002 Employee Stock Purchase Plan (the "Plan"), which is attached to this proxy statement as Appendix B. So that participants may enjoy certain tax advantages, the Plan is intended to meet the requirements of Section 423 of the Code. Approval of the Plan by the Company's stockholders is a condition to favorable tax treatment under Section 423.

The purpose of the Plan is to encourage the purchase of Common Stock by the Company's employees and the employees of the subsidiaries of the Company whose participation is approved by the Board of Directors, to provide employees with a personal stake in the Company and to help recruit and retain

10

employees. The Board of Directors has designated AmeriSource, Bergen and their subsidiaries as Participating Companies whose employees may become eligible to participate in the Plan.

Provided that the Company's adoption of the Plan is approved by the Company's stockholders, it is anticipated that the first offering period under the Plan will commence on a date following the Annual Meeting as determined by the Compensation Committee, which will also serve as the Plan Administrator.

DESCRIPTION OF THE PLAN

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

The Plan provides employees with the right to purchase shares of Common Stock through payroll deduction. A total of 4,000,000 shares of Common Stock will be available for purchase under the Plan, subject to adjustment in the number and price of shares available for purchase if the number of outstanding shares of Common Stock are increased or decreased through stock dividends, recapitalizations, stock splits, reorganizations or similar changes.

Eligibility and Participation

Generally, an employee of a participating company is eligible to participate in the Plan if the employee has completed 30 or more days of service as of the start date of an offering period. If the Plan had been effective as of December 31, 2001, approximately 12,000 employees, including the Company's executive officers, would have been eligible to participate in the Plan. Employees who, after purchasing shares of Common Stock under the Plan, would own 5% or more of the total combined voting power or value of all classes of the equity securities of the Company or any subsidiary corporation are not eligible to purchase additional shares under the Plan. In addition, the maximum fair market value of Common Stock an eligible employee may purchase in a calendar year is limited to \$25,000.

Shares of Common Stock will be available under the Plan during each offering period. The offering periods will be semi-annual periods commencing on dates determined from time to time by the Compensation Committee. Eligible employees may elect to participate in the Plan before the start of an offering period. Shares of Common Stock will be deemed to have been purchased on the last day of the offering period. The purchase price per share will be 85 percent of the lesser of the fair market value per share of Common Stock on the first day of the offering period or the fair market value per share of Common Stock on the last business day of the offering period.

To become a participant in the Plan (for purposes of this Proposal 2, a "Participant"), an eligible employee who wishes to participate in the Plan must file an election form with the Plan Administrator or its designee at least 30 days before the beginning of an offering period. Each Participant will have payroll deductions of any whole percentage up to 25% of his or her compensation made on each regular payday during the time he or she is a Participant in the Plan. All payroll deductions will be credited to the Participant's account under the Plan.

Termination of Participation

A Participant may discontinue his or her participation in the Plan at any time, but no other change can be made during an offering period. If a Participant's employment terminates for any reason, all amounts credited to such Participant's account will be returned to the Participant. A Participant who is on an approved leave of absence will remain eligible to participate in the Plan through the end of the offering that commenced prior to such leave, unless the approved leave of absence ends and the Participant does not return to active employment prior to the end of that offering.

11

Method of Share Purchase; Holding Period

All funds held or received by the Company under the Plan may be used for any corporate purpose until applied to the purchase of Common Stock or refunded to employees and shall not be segregated from the Company's general assets. Shares of Common Stock purchased under the Plan will be issued from the Company's treasury shares or from authorized but unissued shares. The Company

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

will pay all fees and expenses incurred, excluding individual federal, state, local or other taxes, in connection with the Plan.

A participant may not dispose of any share of Common Stock purchased under the Plan before the later of (i) the lapse of 18 months from the start date of an offering period or (ii) the lapse of one year after the transfer of the share to the participant.

Federal Income Taxation

The Plan is not qualified under Section 401(a) of the Code. The Company generally will not be entitled to a deduction with respect to stock purchased under the Plan, unless the stock is disposed of less than one year after it is purchased by the employee, or less than two years after the start of the offering period pursuant to which the stock was purchased.

Generally, no tax consequences arise at the time the Participant purchases shares of Common Stock under the Plan. In general, upon a disposition of shares, the Participant will receive compensation taxable as ordinary income for the taxable year in which the disposition occurs in an amount equal to the lesser of the excess of the fair market over the purchase price value of the shares at the beginning of the offering period or the excess over the purchase price of (i) the amount actually received for the shares if sold or exchanged or (ii) the fair market value of the shares on the date of any other termination of his or her ownership (such as by gift). The amount of such ordinary income is then added to the Participant's basis in his shares for purposes of determining capital gain or loss. This tax treatment only applies if the Participant does not dispose of the shares for at least one year after the date of purchase and the Participant does not dispose of the shares for at least two years after the beginning of the offering period pursuant to which the shares were purchased.

If a Participant disposes of shares of Common Stock purchased under the Plan before the holding period is satisfied, he or she will receive compensation taxable as ordinary income in the amount of the difference between the amount paid for the shares and the fair market value of the shares at the time of purchase. If the shares are sold or exchanged, the amount of such ordinary income is added to the Participant's basis in his shares for purposes of determining capital gain or loss.

If a Participant dies before disposing of the shares purchased under the Plan, he or she will be deemed to have realized compensation income taxable as ordinary income in the taxable year closing with his or her death in an amount equal to the lesser of the excess of the fair market over the purchase price value of the shares at the beginning of the offering period or the excess over the purchase price of the fair market value of the shares on the date of death. The Participant is deemed not to have realized any capital gain or loss because of death.

Amendment or Termination of the Plan

The Board of Directors has the right to amend, modify or terminate the Plan at any time without notice, provided that, upon any termination, all shares or unapplied payroll deductions will be distributed to Participants, and provided further, that no amendment will affect the right of a Participant to receive his or her proportionate interest in the shares or unapplied payroll deductions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE ADOPTION OF THE AMERISOURCEBERGEN CORPORATION 2002 EMPLOYEE STOCK PURCHASE PLAN AS DESCRIBED IN THIS PROPOSAL 2.

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

pursuant to the AmeriSource 2001 Stock Option Plan, the AmeriSource 1999 Stock Option Plan or the Bergen 1999 Management Stock Incentive Plan. These grants were made as options to purchase AmeriSource or Bergen common stock, as applicable, and were converted into options to purchase Company Common Stock at the effective time of the Merger. Use of this model should not be viewed as a forecast of the future performance of the Company's stock price. The estimated grant date present value of the stock options ranged from \$19.93 to \$32.56 based on the following defined option terms and assumptions: (i) grant prices ranging from \$33.608 to \$64.02; (ii) exercise prices ranging from \$33.608 to \$64.02; (iii) expected life ranging from four to five years; (iv) risk-free interest rates ranging from 4.0% to 5.6%, which represents the yield on Treasury Bonds with maturity dates corresponding to that of the options; (v) a dividend yield of .2%, representing the stock's current yield; and (vi) stock price volatility rates ranging from .497 to .785.

PENSION PLANS

AmeriSource and Bergen, each a wholly owned subsidiary of the Company, continued to maintain separate retirement plans covering their respective employees following the Merger. It is anticipated that these separate retirement plans will be superseded by one or more integrated retirement plans of the Company effective July 1, 2002.

AMERISOURCE CORPORATION PARTICIPATING COMPANIES PENSION PLAN. AmeriSource maintains a qualified defined benefit pension plan providing pension benefit coverage for employees of AmeriSource who meet the plan's eligibility requirements. Employees first hired after September 14, 2001 are not eligible to participate in the pension plan.

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

Under AmeriSource's pension plan, the executive officers compensated by AmeriSource are entitled to annual pension benefits at age 65 equal to the number of years of credited service multiplied by 1% of average annual compensation earned during the three consecutive years within the last ten years of participation in the pension plan which yield the highest average.

All pension plan costs are paid by AmeriSource and the pension plan and benefits are funded on an actuarial basis. Compensation earned by executive officers for purposes of the plan includes salaries and bonuses set forth in the cash compensation table under "Summary Compensation Table" above, except that compensation recognized under the plan may not exceed certain limits, as required by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Code. For 2001, the compensation limit was \$170,000.

As of October 1, 2001, the years of credited service for each of the named executive officers of the Company were as follows: R. David Yost -- 27.08 years and Kurt J. Hilzinger -- 10.58 years.

As required by ERISA and the Code, the pension plan limits the maximum annual benefits payable at Social Security retirement age as a single life annuity to the lesser of \$90,000, with cost-of-living adjustments, or 100% of a plan participant's average total taxable earnings during his highest three consecutive calendar years of participation, subject to certain exceptions for benefits which accrued prior to September 30, 1988. For 2001, the annual benefit limit was \$140,000.

AMERISOURCE CORPORATION SUPPLEMENTAL RETIREMENT PLAN. AmeriSource also maintains a Supplemental Retirement Plan (the "Supplemental Plan"). Coverage under the Supplemental Plan is limited to certain participants in AmeriSource's pension plan whose benefits under the pension plan are limited due to (i) restrictions imposed by the Code on the amount of benefits to be paid from a tax-qualified plan,

18

(ii) restrictions imposed by the Code on the amount of an employee's compensation that may be taken into account in calculating benefits to be paid from a tax-qualified plan, or (iii) any reductions in the amount of compensation taken into account under the pension plan due to an employee's participation in certain deferred compensation plans sponsored by AmeriSource or one of its subsidiaries.

The Supplemental Plan provides for a supplement to the annual pension benefit paid under AmeriSource's pension plan to certain participants who have been employed by AmeriSource for five continuous years or who suffer a total and permanent disability while employed by AmeriSource or one of its subsidiaries, and to the pre-retirement death benefits payable under the pension plan on behalf of such participants who die with a vested interest in AmeriSource's pension plan. The amount of the supplement will be the difference, if any, between the pension or pre-retirement death benefit paid under AmeriSource's pension plan and that which would otherwise have been payable but for the restrictions imposed by the Code and any reduction in the participant's compensation for purposes of AmeriSource's pension plan due to his participation in certain deferred compensation plans of AmeriSource or one of its subsidiaries.

The following table shows estimated aggregate annual retirement benefits that would be payable to participants under AmeriSource's pension plan and, if applicable, the Supplemental Plan, upon normal retirement at age 65 under various assumptions as to final average annual compensation and years of credited service and on the assumption that benefits will be paid in the form of

a single life annuity. The benefit amounts listed are not subject to any deduction for Social Security benefits.

BERGEN BRUNSWIG CORPORATION SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN. Bergen maintains a non-qualified executive retirement plan ("SERP") providing benefits to persons in specified compensation and years of service classifications. Benefits also remain payable under Bergen's Capital Accumulation Plan ("CAP"), which was the predecessor plan to the SERP and which was frozen to all employee participants on October 7, 1987.

On July 27, 2001 Messrs. Dimick, Carpenter and Martini entered into the Agreements (as defined below in "Agreements With Employees") with the Company. Pursuant to the Agreements, among other things, Messrs. Dimick, Carpenter and Martini released all their claims to benefits under the SERP and the CAP. Although the SERP is still in effect, Messrs. Dimick, Carpenter and Martini have not accrued any benefits under the SERP since July 27, 2001.

Under the SERP, no benefits are earned or accrued until the participant has been employed by Bergen for a continuous five full years. Compensation for a particular year as used for the calculation of retirement benefits under the SERP includes base salary and bonuses received during the year (including salary deferred under a salary reduction arrangement) and excludes all other compensation. Benefits, which are designed to be a certain percentage of the participant's average monthly compensation over the three calendar years in which the participant received his or her highest earnings during the participant's last five years of service, are reduced by the following approximate amounts: (i) the participant's primary insurance amount payable under the Social Security Act at retirement age, (ii) the participant's benefit under the CAP, (iii) an annuitized amount of the employer's contribution towards Bergen's PIRA Plus Plan, and (iv) any amounts owed by a participant to Bergen (except to the extent that such amount owed is under a program that expressly provides that there will not be an offset).

Benefits are payable under the SERP in the form of a joint and survivor annuity, consisting of monthly payments to each participant for his or her life and, upon his or her death, a specified percentage of his or her monthly benefit to his or her surviving beneficiary for the beneficiary's remaining life. In the

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

alternative, a participant may elect to receive his or her benefit in a lump sum. Bergen may direct that any vested benefit of a participant be paid in a lump sum upon the death of the participant. A \$5,000 funeral benefit is available to a participant's estate. Generally, the CAP benefit is a monthly retirement benefit paid over a specified number of months that, at the election of a participant, may be paid in a lump sum. Upon a change in control (as defined in the CAP and SERP), certain senior executive officers' benefits payable under the SERP would be accelerated such that their credited years of service in these plans would be as if they had attained the normal retirement age. In addition, a master trust (the assets of which are subject to the claims of Bergen's general creditors) for certain executive officer deferral plans has been established to preserve these and certain other executive benefits.

The following table shows the estimated annual benefits payable under the SERP to eligible participants at age 62, based on a joint and 75 percent survivor annuity form of retirement income. The table also includes benefits payable to participants under the CAP.

RETIRED OFFICERS' MEDICAL PLAN

Bergen maintains an unfunded, non-qualified Retired Officers' Medical Plan (the "ROM Plan") available to certain named officers of Bergen and their spouses, including executive officers now retired from Bergen. The ROM Plan provides for payment of the participant's medical, dental, vision and prescription expenses at a level commensurate with Bergen's medical benefit plans that are in effect upon the executive officer's retirement (as defined in the ROM Plan), but limited to the difference between benefits received from other insurance sources (including governmental programs), if any, and the total expense actually incurred. The duration of the benefit is for the lifetime of the executive officer and the executive officer's spouse at the time of such officer's retirement. Based upon the various eligibility criteria under the ROM Plan,

Messrs. Dimick, Carpenter and Martini presently are eligible to receive benefits upon their retirement from the Company. Messrs Yost and Hilzinger will not at any time be eligible to receive benefits under the ROM Plan.

AGREEMENTS WITH EMPLOYEES

Effective August 1, 1997, AmeriSource entered into employment agreements (the "Employment Agreements") with Messrs. Yost and Hilzinger. In connection with the Merger, the Employment Agreements were assumed by the Company. The

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

Employment Agreements provide for three-year terms of employment, with an automatic one-year extension on each anniversary date, annual base salaries substantially commensurate with present levels, and incentive compensation, bonuses and benefits in accordance with the Company's prevailing practices from time to time.

Each Employment Agreement includes a customary termination for cause provision, whereupon the Company's obligations under the respective Employment Agreement would cease by a majority vote of the Board of Directors. The Company would also be able to terminate the employment of the employee without cause, whereupon the Company would remain obligated to pay the greater of (i) one year of such employee's then-current salary and (ii) the base salary of the employee for the balance of the term of the Employment Agreement. The Employment Agreements also provide for acceleration of all or a portion of the employee's stock options then outstanding upon a termination without cause that occurs prior to certain circumstances. Each Employment Agreement prohibits direct and indirect competition with the Company for a period of one year after termination of employment. The Employment Agreements also contain customary prohibitions against the disclosure of confidential information and the solicitation of the Company's employees and customers.

The Employment Agreements provide for certain payments and other benefits as the result of the termination of the Employment Agreements upon a change of control of the Company. The Employment Agreements were filed with the Securities and Exchange Commission ("SEC") as exhibits to AmeriSource's Annual Report on Form 10-K for the fiscal year ended September 30, 1997. The foregoing description is qualified in its entirety by reference to such exhibits.

In April 1994 the Board of Directors of Bergen authorized Bergen to enter into written employment agreements (the "Bergen Employment Agreements") and severance agreements (the "Severance Agreements") with certain executive officers of Bergen, including Mr. Dimick. Similar agreements were entered into in September 1995 with Messrs. Carpenter and Martini.

Each of the Bergen Employment Agreements was for a term of three years. The Employment Agreements automatically extended on a monthly basis so that the outstanding term was always three years, subject to the option of either party to terminate the automatic extension provisions at any time. That evergreen provision was terminated on the Merger Date. Pursuant to each Bergen Employment Agreement, each of Messrs. Dimick, Carpenter and Martini is to receive his then effective annual base compensation, a bonus that shall be equal to that paid to other executive officers at the same level, but, in no event less than fifty percent of the average of the Named Executive Officer's previous three annual bonuses, and other benefits and allowances. In the event of death or disability, each of Messrs. Dimick, Carpenter and Martini or their respective beneficiaries, as the case may be, will receive the compensation provided for under his Bergen Employment Agreement for the term of the agreement, calculated as if notice to terminate had been given 30 days prior to such event.

Pursuant to the Bergen Employment Agreements, Messrs. Dimick, Carpenter and Martini may be terminated (i) upon written notice of termination delivered to the Company by Messrs. Dimick, Carpenter and Martini, as the case may be, except for "good reason," (ii) by mutual agreement between Messrs. Dimick, Carpenter and Martini and Bergen, or (iii) by the Company for cause. If a Bergen

Employment Agreement is terminated by Bergen for any other reason, or if Messrs. Dimick, Carpenter and Martini, as the case may be, terminates his employment for good reason (including, but not limited to, an adverse change in his position from that held by Messrs. Dimick, Carpenter and Martini, as the case may be,

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

that existed at the time he entered into his Bergen Employment Agreement), he will be entitled to damages. The Merger gave each of Messrs. Dimick, Carpenter and Martini "good reason" to terminate his employment.

By letter agreements dated July 27, 2001 (the "Agreements"), the Company and Messrs. Dimick, Carpenter and Martini agreed to a method for calculating the damages payable under the Bergen Employment Agreements under which (i) salary in effect at the time of employment termination is deemed to continue at that rate until the immediately following September 30 and to increase thereafter on each October 1 by 4%, (ii) bonus is to be calculated as the average of the three highest bonuses paid over the preceding five years, which amount will then increase at 4% per annum during the three year period used to calculate damages, and (iii) the value of all other benefits and perquisites will be deemed to be \$25,000 per year. The amount so determined is then reduced to present value using a discount rate equal to 120% of the then applicable federal rate determined under section 1274 of the Code, compounded semiannually.

The Severance Agreements with Messrs. Dimick, Carpenter and Martini, which provide for benefits additional to the Bergen Employment Agreements, require payment of cash and other benefits in the event of a voluntary or involuntary termination of employment within three years following, but only upon, a Change in Control (as defined below) of Bergen. Payment under the Severance Agreements would consist of 2.99 times the annual W-2 compensation paid by Bergen for the most recent five taxable years of Messrs. Dimick, Carpenter and Martini, as the case may be, ending before the date of the Change in Control, if, following the Change of Control, Messrs. Dimick, Carpenter and Martini, as the case may be, is terminated without cause, the employment of Messrs. Dimick, Carpenter and Martini, as the case may be, terminates for any reason within 180 days after the Change in Control, or if Messrs. Dimick, Carpenter and Martini, as the case may be, terminates his employment for good reason (including, but not limited to, an adverse change in his position from his position at the time of the Change of Control). The Severance Agreements continue until three years and one day after a Change in Control or until Messrs. Dimick, Carpenter and Martini, as the case may be, receives the severance payment and other benefits he is entitled to under his Severance Agreement.

Under the Severance Agreements, the Merger constituted a Change in Control with respect to Bergen. Messrs. Dimick, Carpenter and Martini were each also entitled to a lump sum payment of enhanced benefits under the CAP and the SERP, in the event of a change in control.

Under the Agreements, the Company and Messrs. Dimick, Carpenter and Martini confirmed that the Merger constituted a change in control within the meaning of the Severance Agreements, the CAP and the SERP, and agreed to terminate the Severance Agreements, the CAP and the SERP, at the Effective Time of the Merger, in exchange for (i) a lump sum cash payment to each affected executive and (ii) a release from that executive in favor of the Company, releasing all claims under his respective Severance Agreement, the CAP and the SERP.

Pursuant to the Agreements and the accompanying release, Mr. Dimick was paid \$1,837,076 on account of his Severance Agreement and \$6,045,990 in settlement of his SERP benefits; Mr. Carpenter was paid \$1,623,920 on account of his Severance Agreement and \$4,185,762 in settlement of his SERP benefits; and Mr. Martini was paid \$1,511,794 on account of his Severance Agreement and \$3,646,570 in settlement of his SERP benefits. None of Messrs. Dimick, Carpenter or Martini were entitled to benefits under the CAP.

If any payment or acceleration of any benefits extended from Bergen or the Company to Messrs. Dimick, Carpenter or Martini upon a change of control were to be subject to the excise tax imposed by Section 4999 of the Code, then that executive shall be entitled to receive an additional "gross up bonus" in an amount necessary to provide the executive with sufficient after income tax funds

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

to fully pay all such excise taxes on both the payment and the gross up bonus.

CERTAIN TRANSACTIONS

In April 1990 Bergen's board of directors approved an unfunded deferred compensation loan program available to Bergen's executive officers (the "ELP") for the purpose of providing them with an incentive to remain with Bergen. Under the ELP, loans were available to certain Bergen executive officers, except those serving on Bergen's board of directors. Under the original terms of the ELP, (i) each outstanding loan matures upon the officer's termination of employment unless extended by Bergen's board and is evidenced by a secured promissory note in the principal amount of the loan which bears no interest, (ii) an executive officer could borrow up to 125% of his or her annual salary in effect on the date of any request, and (iii) the value of collateral securing the loan amount must equal at least 125% of the principal loan amount. Although no interest is charged, the employee is deemed by the Internal Revenue Service to have compensation in the amount of interest calculated according to a formula prescribed by the Internal Revenue Service. The employee is also deemed to have paid interest in a like amount to Bergen. Under the ELP, Bergen made loans in the amounts of \$406,250, \$281,250, and \$281,250 to Mr. Dimick, Mr. Carpenter and Mr. Martini, respectively.

In November 1998, Bergen's board of directors adopted an additional loan program available to the Chief Executive Officer of the Company and those executive officers directly reporting to him. Such officers may borrow an amount up to 50% of their annual base salary in effect at the time the loan is granted; provided, however, that 50% of the loan proceeds must be applied by the participant towards the purchase of Common Stock. Although no interest was charged by Bergen to the participant, the participant is deemed by the Internal Revenue Service to have compensation in the amount of interest calculated according to a formula prescribed by the Internal Revenue Service. The participant is also deemed to have paid interest in a like amount to the Company. Such loan amounts become due and payable upon termination of the participant's employment with the Company. As of September 30, 2001, the principal amounts of loans outstanding under the this loan program to the Named Executive Officers were \$212,500, \$150,000 and \$162,500 for Mr. Dimick, Mr. Carpenter, and Mr. Martini, respectively.

In September 1998, Bergen adopted its 1999 Management Stock Accumulation Plan (the "MSAP"), which was approved by Bergen's stockholders at its 1999 annual meeting, and assumed by the Company in connection with the Merger. This plan is for the purpose of providing incentive for key executive officers to remain with the Company and to encourage ownership by them of the Company's Common Stock.

Loans granted under the MSAP may be for a term of between one and five years and in an amount not in excess of three times the executive's annual base salary in effect at the time the loan is granted; provided, however, that the aggregate amount of loans issued to any participant under the MSAP may not exceed \$1,000,000. No loan may be issued under the MSAP after September 30, 2004. Loans bear interest at a rate determined by the Board (but not less than the applicable federal rate set forth under Section 1274(d) of the Code in the case of any executive who is deemed a "covered employee" under Section 162(m) of the Code), and is payable on the expiration date of the loan term.

Loans issued under the MSAP are conditioned upon the participant's application of the proceeds thereof towards the purchase of the Company's Common Stock on the open market. The stock so acquired will be held as collateral for the participant's loan. During the term of the loan, the Compensation Committee may award credits to participants based upon the attainment for the applicable

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

performance period of specified performance goals for such period selected by the Compensation Committee. A participant's accumulated credits, if any, shall be applied to the repayment of the loan on the loan expiration date provided that the participant is either employed by the Company or a subsidiary of the Company on the expiration date or ceases to be so employed due to the participant's death, disability, retirement after the age of 65 or involuntary termination of employment other than for cause. In general, in the event of a Change in Control (as defined in the MSAP), each participant who is in the employ of the Company or any subsidiary of the Company at such

23

time will continue to be awarded credits for the remainder of the term of the loan(s) in an amount, or at a rate, which is not less than the greater of the highest amount, or rate, of credits earned by such participant during any year of the loan preceding the Change in Control or earned by another participant in any year following the Change in Control. As of September 30, 2001, there were no loan amounts outstanding under the MSAP.

The loans made under the ELP in the amounts of \$406,250, \$281,250, and \$281,250 to Mr. Dimick, Mr. Carpenter and Mr. Martini, respectively, were forgiven by Bergen in August 2001. In order to enable Messrs. Dimick, Carpenter and Martini to pay the income tax they each incurred as a result of the forgiveness of their loans, Bergen then made additional loans in the amounts of \$180,000, \$125,000 and \$125,000 to Mr. Dimick, Mr. Carpenter, and Mr. Martini, respectively. Such loan amounts become due and payable upon the later to occur of August 7, 2004 and the termination of the executive's employment with the Company. As of September 30, 2001, the principal amounts outstanding under these loans to Mr. Dimick, Mr. Carpenter and Mr. Martini were \$180,000, \$125,000 and \$125,000, respectively.

Mr. Dimick's employment with the Company will be terminated during the first half of 2002. In connection with that termination, Mr. Dimick and the Company have agreed that Mr. Dimick will grant the Company a release of claims that he might otherwise have against the Company, under his Employment Agreement or otherwise, and agrees not to accept employment with two of the Company's major competitors before May 2005. In exchange Mr. Dimick will be paid (i) the amount of damages calculated in accordance with the methodology agreed to in the July 27, 2001 letter agreements, approximately \$2,788,000, (ii) will be released from the obligation to mitigate damages contained in his Employment Agreement, and (iii) will be provided office space and secretarial support for up to one year following his termination. He will also be allowed to exercise any options he currently holds to acquire Company stock until September 28, 2002, except that those that would otherwise have been exercisable for one year following the termination of his employment will be exercisable for one year from the date he terminates his service.

STOCKHOLDER RETURN PERFORMANCE

The Merger occurred on August 29, 2001 and the Company's Common Stock began trading on the New York Stock Exchange on August 30, 2001. As a result, the cumulative total stockholder return on the Common Stock of the Company cannot be provided for any period before that date.

The following graph compares the percentage change in cumulative total stockholder return on AmeriSource's common stock against the cumulative total return of the Standard & Poor's 500 Index and an index of peer companies selected by the Company (the "Peer Group Index") from the market close on September 30, 1996 to September 30, 2001. this purpose.

RESPONSIBILITIES AND PROCESSES

In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible in order to best react to changing conditions and to ensure to the directors and stockholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality. Subject to the Company's by-laws and resolutions of the Board, the Audit Committee shall meet at least four times annually at such times as the Chair of the Committee shall designate.

In carrying out these responsibilities, the Audit Committee will:

- Ensure that the outside auditor submits annually a formal written statement delineating all relationships between the auditor and the Company. The Committee is responsible for engaging in a dialogue with the outside auditor with respect to any disclosed circumstances that may impact the objectivity and independence of the outside auditor and for recommending that the Board of Directors take action as necessary in response to the outside auditor's report to satisfy itself of the outside auditor's independence.
- Review and recommend to the Board of Directors the independent auditor to be selected to audit the financial statements of the corporation and its divisions and subsidiaries. The Committee shall have a clear understanding with management and the independent auditor that the independent auditor is

A-1

ultimately accountable to the Board of Directors and the Audit Committee, as representatives of the Corporation's stockholders.

- Meet with the independent auditor and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized and at the conclusion thereof to review such audit, including any comments or recommendations of the independent auditor.
- Review with the independent auditor, the corporation's internal auditor, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper. Furthermore, the Committee annually will review with Internal Audit the Corporation's policy statements as they relate to the code of ethics.
- Review the internal audit function of the Corporation including the independence and authority of its reporting obligations, the proposed audit plans for the coming year and the coordination of such plans with the independent auditor.
- Receive prior to each meeting a summary of findings from completed internal audits and a progress report on the proposed internal audit plan, together with explanations for any deviations from the original plan.

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

- Review with management and the independent auditor the financial statements contained in the Annual Report on Form 10-K (or the annual report to stockholders, if distributed prior to the filing of Form 10-K) to determine that the independent auditor is satisfied with the disclosure and content of the financial statements to be presented to the stockholders, including its judgement about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Any changes in accounting principles should be reviewed. Discuss with the independent auditor the matters required by Statement on Auditing Standards No. 61 and based upon the reviews and discussion issue its report for inclusion in the Corporation's proxy statement.
- The independent auditor shall review the interim financial statements prior to the filing of the Corporation's quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditor under generally accepted auditing standards. The Chair of the Committee may represent the entire committee for this purpose.
- Provide sufficient opportunity for the internal and independent auditor to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditor's evaluation of the corporation's financial, accounting and auditing personnel, and the level of cooperation that the independent auditor received during the course of the audit.
- Ensure that a Written Affirmation is filed with the New York Stock Exchange annually in accordance with the rules and regulations of the New York Stock Exchange.

APPENDIX B

AMERISOURCEBERGEN CORPORATION 2002 EMPLOYEE STOCK PURCHASE PLAN

I. PURPOSE OF THE PLAN

This 2002 Employee Stock Purchase Plan is intended to promote the interests of AmerisourceBergen Corporation ("the Company") by providing eligible employees with the opportunity to acquire a proprietary interest in the Company through participation in a payroll-deduction based employee stock purchase plan intended to meet the requirements of section 423 of the Code.

Capitalized terms herein shall have the meanings assigned to such terms in ARTICLE XII.

II. ADMINISTRATION OF THE PLAN

The Plan Administrator shall have full authority to interpret and construe any provision of the Plan and to adopt such rules and regulations for administering the Plan as it may deem necessary or appropriate in order to implement the Plan or to comply with the requirements of section 423 of the Code. Decisions of the Plan Administrator shall be final and binding on all parties having an interest in the Plan.

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

III. STOCK SUBJECT TO PLAN

A. The stock purchasable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares of Common Stock purchased on the open market. The maximum number of shares of Common Stock which may be issued over the term of the Plan shall not exceed 4,000,000 shares.

B. Should any change be made to the Common Stock by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without the Company's receipt of consideration, appropriate adjustments shall be made to (i) the maximum number and class of securities issuable under the Plan, (ii) the maximum number and class of securities purchasable per Participant on any one Purchase Date and (iii) the number and class of securities and the price per share in effect under each outstanding purchase right in order to prevent the dilution or enlargement of benefits thereunder.

IV. PURCHASE/HOLDING PERIODS

A. Shares of Common Stock shall be offered for purchase under the Plan through a series of successive purchase periods until such time as (i) the maximum number of shares of Common Stock available for issuance under the Plan shall have been purchased or (ii) the Plan shall have been sooner terminated.

B. Except as otherwise provided in Section VII-G or as otherwise provided by the Plan Administrator, each purchase period shall have a duration of six (6) months. The start date and end date for each purchase period shall be established by the Plan Administrator from time to time.

C. Except as otherwise provided by the Plan Administrator, a Participant may not dispose of any share of Common Stock purchased under the Plan prior to the later of 18 months from the date of grant of a purchase right or one year after the transfer of the share to the Participant.

V. ELIGIBILITY

A. Each individual who (i) is an Eligible Employee on the start date of any purchase period and (ii) has completed thirty (30) days of service with the Company or any Corporate Affiliate prior to such start date shall be eligible to participate in the Plan for that purchase period on such start date.

B-1

B. To participate in the Plan for a particular purchase period, the Eligible Employee must complete the enrollment forms prescribed by the Plan Administrator (including a stock purchase agreement and a payroll deduction authorization form) and file such forms with the Plan Administrator (or its designate) on or before the 30th day preceding the start date of the purchase period.

VI. PAYROLL DEDUCTIONS

A. The payroll deduction authorized by the Participant for purposes of acquiring shares of Common Stock under the Plan may be any multiple of one percent (1%) of the Base Salary paid to the Participant during each purchase period, up to a maximum of twenty-five percent (25%). The deduction rate so authorized shall continue in effect for the entire purchase period. However, the Participant may, at any time during the purchase period, reduce his or her rate of payroll deduction to become effective as soon as possible after filing the appropriate form with the Plan Administrator. The Participant may not, however, effect more than one such reduction per purchase period.

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

B. Payroll deductions shall begin on the first pay day following the start date of the purchase period and shall (unless sooner terminated by the Participant) continue through the pay day ending with or immediately prior to the last day of the purchase period. The amounts so collected shall be credited to the Participant's book account under the Plan, but no interest shall be paid on the balance from time to time outstanding in such account. The amounts collected from the Participant shall not be held in any segregated account or trust fund and may be commingled with the general assets of the Company and used for general corporate purposes.

C. Payroll deductions shall automatically cease upon the termination of the Participant's purchase right in accordance with the provisions of the Plan.

VII. PURCHASE RIGHTS

A. Grant of Purchase Right. A Participant shall be granted a separate purchase right on the start date of each purchase period in which he or she participates. The purchase right shall provide the Participant with the right to purchase shares of Common Stock on the Purchase Date upon the terms set forth below. The Participant shall execute a stock purchase agreement embodying such terms and such other provisions (not inconsistent with the Plan) as the Plan Administrator may deem advisable.

Under no circumstances shall purchase rights be granted under the Plan to any Eligible Employee if such individual would, immediately after the grant, own (within the meaning of section 424(d) of the Code or hold outstanding options or other rights to purchase, stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any Corporate Affiliate.

B. Exercise of the Purchase Right. Each purchase right shall be automatically exercised on the Purchase Date, and shares of Common Stock shall accordingly be purchased on behalf of each Participant (other than any Participant whose payroll deductions have previously been refunded in accordance with the Termination of Purchase Right provisions below) on such date. The purchase shall be effected by applying the Participant's payroll deductions for the purchase period ending on such Purchase Date (together with any carryover deductions from the preceding purchase period) to the purchase of shares of Common Stock (subject to the limitation on the maximum number of shares purchasable per Participant on any one Purchase Date) at the purchase price in effect for that purchase period.

C. Purchase Price. The purchase price per share at which Common Stock will be purchased on the Participant's behalf on each Purchase Date shall be equal to eighty-five percent (85%) of the lower of (i) the Fair Market Value per share of Common Stock on the start date of the purchase period or (ii) the Fair Market Value per share of Common Stock on that Purchase Date.

B-2

D. Number of Purchasable Shares. The number of shares of Common Stock purchasable by a Participant on each Purchase Date shall be the number of shares obtained by dividing the amount collected from the Participant through payroll deductions during the purchase period ending with that Purchase Date (together with any carryover deductions from the preceding purchase period) by the purchase price in effect for that Purchase Date. In no event shall fractional shares be purchased under the Plan.

E. Excess Payroll Deductions. Any payroll deductions not applied to the purchase of Common Stock by reason of the limitation on the maximum number of

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

shares purchasable by the Participant on the Purchase Date shall be promptly refunded.

F. Termination of Purchase Right. The following provisions shall govern the termination of outstanding purchase rights:

(i) A Participant may, at any time prior to the last day of the purchase period, terminate his or her outstanding purchase right by filing the appropriate form with the Plan Administrator (or its designate), and no further payroll deductions shall be collected from the Participant with respect to the terminated purchase right. Any payroll deductions collected during the purchase period in which such termination occurs shall, at the Participant's election, be immediately refunded or held for the purchase of shares on the next Purchase Date. If no such election is made at the time such purchase right is terminated, then the payroll deductions collected with respect to the terminated right shall be refunded as soon as possible.

(ii) The termination of such purchase right shall be irrevocable, and the Participant may not subsequently rejoin the purchase period for which the terminated purchase right was granted. In order to resume participation in any subsequent purchase period, such individual must re-enroll in the Plan (by making a timely filing of the prescribed enrollment forms) on or before the start date of the new purchase period.

(iii) Should the Participant cease to remain an Eligible Employee for any reason (including death, disability or change in status) while his or her purchase right remains outstanding, then that purchase right shall immediately terminate, and all of the Participant's payroll deductions for the purchase period in which the purchase right so terminates shall be immediately refunded. However, should the Participant cease to remain in active service by reason of an approved unpaid leave of absence, then the Participant shall have the election, exercisable up until the last business day of the purchase period in which such leave commences, to (a) withdraw all the funds in the Participant's payroll account at the time of the commencement of such leave or (b) have such funds held for the purchase of shares at the end of such purchase period. In no event, however, shall any further payment deductions be added to the Participant's account during such leave. Upon the Participant's return to active service, his or her payroll deductions under the Plan shall automatically resume at the rate in effect at the time the leave began, provided the Participant returns to service prior to the expiration date of the purchase period in which such leave began.

G. Corporate Transaction. Each outstanding purchase right shall automatically be exercised immediately prior to the effective date of any Corporate Transaction by applying the payroll deductions of each Participant for the purchase period in which such Corporate Transaction occurs to the purchase of shares of Common Stock at a purchase price per share equal to eighty-five percent (85%) of the lower of (i) the Fair Market Value per share of Common Stock on the start date of the purchase period in which such Corporate Transaction occurs or (ii) the Fair Market Value per share of Common Stock immediately prior to the effective date of such Corporate Transaction. However, the applicable share limitation on the number of shares of Common Stock purchasable per Participant shall continue to apply to any such purchase.

B-3

The Company shall use its best efforts to provide at least ten (10) days prior written notice of the occurrence of any Corporate Transaction, and Participants shall, following the receipt of such notice, have the right to terminate their outstanding purchase rights prior to the effective date of the

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

Corporate Transaction.

H. Proration of Purchase Rights. Should the total number of shares of Common Stock which are to be purchased pursuant to outstanding purchase rights on any particular date exceed the number of shares then available for issuance under the Plan, the Plan Administrator shall make a pro-rata allocation of the available shares on a uniform and nondiscriminatory basis, and the payroll deductions of each Participant, to the extent in excess of the aggregate purchase price payable for the Common Stock pro-rated to such individual, shall be refunded.

I. Assignability. During the Participant's lifetime, the purchase right shall be exercisable only by the Participant and shall not be assignable or transferable by the Participant (other than by will or the laws of descent).

J. Stockholder Rights. A Participant shall have no stockholder rights with respect to the shares subject to his or her outstanding purchase right until the shares are purchased on the Participant's behalf in accordance with the provisions of the Plan and the Participant has become a holder of record of the purchased shares.

VIII. ACCRUAL LIMITATIONS

A. No participant shall be entitled to accrue rights to acquire Common Stock pursuant to any purchase right outstanding under this Plan if and to the extent such accrual, when aggregated with (i) rights to purchase Common Stock accrued under any other purchase right granted under this Plan and (ii) similar rights accrued under other employee stock purchase plans (within the meaning of section 423 of the Code) of the Company or any Corporate Affiliate, would otherwise permit such Participant to purchase more than \$25,000 worth of stock of the Company or any Corporate Affiliate (determined on the basis of the Fair Market Value of such stock on the date or dates such rights are granted) for each calendar year such rights are at any time outstanding.

B. For purposes of applying such accrual limitations, the following provisions shall be in effect:

(i) The right to acquire Common Stock under each outstanding purchase right shall accrue on the Purchase Date in effect for the purchase period for which such right is granted.

(ii) No right to acquire Common Stock under any outstanding purchase right shall accrue to the extent the Participant has already accrued in the same calendar year the right to acquire Common Stock under one (1) or more other purchase rights at a rate equal to \$25,000 worth of Common Stock (determined on the basis of the Fair Market Value of such stock on the date or dates of grant) for each calendar year such rights were at any time outstanding.

C. If by reason of such accrual limitations, any purchase right of a Participant does not accrue for a particular purchase period, then the payroll deductions which the Participant made during that purchase period with respect to such purchase right shall be promptly refunded.

D. In the event there is any conflict between the provisions of this Article and one or more provisions of the Plan or any instrument issued thereunder, the provisions of this Article shall be controlling.

IX. EFFECTIVE DATE AND TERM OF THE PLAN

A. The Plan was adopted by the Board on January 18, 2002 and shall become effective on such date, provided no purchase rights granted under the Plan shall

Edgar Filing: AMERISOURCEBERGEN CORP - Form DEF 14A

be exercised, and no shares of Common Stock shall be issued hereunder, until (i) the Plan shall have been approved by the shareowners of the Company and

B-4

(ii) the Company shall have complied with all applicable requirements of the 1933 Act (including the registration of the shares of Common Stock issuable under the Plan on a Form S-8 registration statement filed with the Securities and Exchange Commission), all applicable listing requirements of any stock exchange on which the Common Stock is listed for trading and all other applicable requirements established by law or regulation. In the event such stockholder approval is not obtained, or such compliance is not effected, within twelve (12) months after the date on which the Plan is adopted by the Board, the Plan shall terminate and have no further force or effect and all sums collected from Participants during the initial purchase period hereunder shall be refunded.

B. Unless sooner terminated by the Board, the Plan shall terminate upon the earliest of (i) January 1, 2012, (ii) the date on which all shares available for issuance under the Plan have been sold pursuant to purchase rights exercised under the Plan or (iii) the date on which all purchase rights are exercised in connection with a Corporate Transaction. No further purchase rights shall be granted or exercised, and no further payroll deductions shall be collected, under the Plan following its termination.

X. AMENDMENT OF THE PLAN

The Board may alter, amend, suspend or discontinue the Plan at any time. However, the Board may not, without the approval of the Company's shareowners, (i) increase the number of shares of Common Stock issuable under the Plan or the maximum number of shares purchasable per Participant on any one Purchase Date, except for permissible adjustments in the event of certain changes in the Company's capitalization, (ii) alter the purchase price formula so as to reduce the purchase price payable for the shares of Common Stock purchasable under the Plan, or (iii) materially increase the benefits accruing to Participants under the Plan or materially modify the requirements for eligibility to participate in the Plan. In the event that the Plan is terminated prior to the last day of a purchase period, such purchase period shall be deemed to have ended on the effective date of such termination and there shall be no subsequent purchase periods thereafter.

XI. GENERAL PROVISIONS

A. All costs and expenses incurred in the administration of the Plan shall be paid by the Company.

B. Nothing in the Plan shall confer upon the Participant any right to continue in the employ of the Company or any Corporate Affiliate for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Corporate Affiliate employing such person) or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's employment at any time for any reason, with or without cause.

C. The provisions of the Plan shall be governed by the laws of the Commonwealth of Pennsylvania, without resort to that Commonwealth's conflict-of-laws rules.
