PROXY STATEMENT
2005 Annual Meeting of Stockholders

Solicitation of Proxies

The Board of Directors of Triton PCS Holdings, Inc. is furnishing this Proxy Statement to solicit proxies for use at our 2005 Annual Meeting of Stockholders to be held on Wednesday, May 4, 2004, at 8:30 a.m., local time, at Triton's Corporate Headquarters, 1100 Cassatt Road, Berwyn, Pennsylvania 19312, and at any adjournment of the meeting. Each valid proxy received in time will be voted at the meeting according to the choices specified, if any. A proxy may be revoked at any time before the proxy is voted as outlined below.

This Proxy Statement and the enclosed proxy card are being first sent for delivery to stockholders of Triton on or about April 4, 2005.

The shares of Class A common stock represented by valid proxies we receive in time for the Annual Meeting will be voted as specified in such proxies. Valid proxies include all properly executed written proxy cards not later revoked. Voting your proxy by mail will not limit your right to vote at the Annual Meeting if you later decide to attend in person. Executed but unvoted proxies will be voted:

- (1) FOR the election of the nominees for Class III directors;
- (2) FOR the amendment of the Second Restated Certificate of Incorporation of Triton PCS Holdings, Inc. to change the company's name; and
- (3) FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent auditors.

If any other matters properly come before the Annual Meeting, the persons named on the proxies will, unless the stockholder otherwise specifies in the proxy, vote upon such matters in accordance with their best judgment.

Voting Securities

We have one outstanding class of voting securities, our Class A common stock, par value \$0.01 per share. As of March 10, 2005, there were 61,924,737 shares of Class A common stock outstanding. Only holders of record of shares of Class A common stock at the close of business on March 10, 2005, which the Board of Directors has fixed as the record date, are entitled to vote at the Annual Meeting.

Each share of Class A common stock is entitled to one vote. The presence in person or by proxy of holders of record of a majority of the shares entitled to vote generally will constitute a quorum for the transaction of business at the Annual Meeting. The Class III directors are elected by a plurality vote of all votes cast at the Annual Meeting. The affirmative vote of a majority of the votes entitled to be cast by the issued and outstanding Class A common stock present at the Annual Meeting in person or by proxy, and entitled to vote, is required for the ratification of the appointment of independent auditors. For the approval of the amendment of our Second Restated Certificate of Incorporation, the affirmative vote of a majority of outstanding shares of our Class A common stock is required.

Stockholders may:

- (i) cast their votes in favor of the election of the Class III directors, the amendment of our Second Restated Certificate of Incorporation or the ratification of the appointment of the independent auditor;

- (ii) withhold authority to vote for one or more director nominees; or
- (iii) vote against the amendment of our Second Restated Certificate of Incorporation or the ratification of the appointment of our independent auditor.

Stockholders withholding authority or voting against any or all proposals will be deemed present at the Annual Meeting for the purpose of determining whether a quorum has been constituted and will count in the calculation of the number of votes entitled to be cast by the issued and outstanding Class A common stock present at the Annual Meeting and entitled to vote. A broker non-vote occurs when a nominee of a beneficial owner with the power to vote on at least one matter does not vote on another matter because the nominee does not have the discretionary voting power and has not received instructions from the beneficial owner with respect to such matter. Broker non-votes are deemed present for the purpose of determining whether a quorum has been constituted, have the effect of votes to withhold authority in connection with the election of directors, and have the effect of a vote against the ratification of the appointment of the independent auditor and against the approval of the amendment of our Second Restated Certificate of Incorporation.

Voting by Proxy

If a stockholder is a corporation or a partnership, a duly authorized person must sign the accompanying proxy card in the full corporate or partnership name. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title must be given and a certificate or other evidence of appointment must be furnished. If shares are owned jointly, each joint owner must sign the proxy card.

Any proxy duly given pursuant to this solicitation may be revoked by the stockholder at any time prior to the voting of the proxy (i) by written notice to the Corporate Secretary at our Corporate Headquarters, 1100 Cassatt Road, Berwyn, Pennsylvania 19312, (ii) by a later-dated proxy signed and returned by mail before the Annual Meeting or (iii) by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy.

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. Under the rules of the New York Stock Exchange, if you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to certain discretionary items, but it will not be allowed to vote your shares with respect to certain non-discretionary items. In the case of non-discretionary items, for which no instructions are received, such shares will be treated as broker non-votes and will have the effect discussed above under Voting Securities.

ELECTION OF CLASS III DIRECTORS

(Proposal No. 1)

The Board of Directors presently consists of eight members. Our Second Restated Certificate of Incorporation provides that the Board of Directors will be divided into three classes, as nearly equal in number as possible. Each director serves a three-year term, and one class is elected at each year's annual meeting of stockholders. The term of the Class III directors will expire at the 2008 Annual Meeting, the term of the Class I directors will expire at the 2006 Annual Meeting, and the term of the Class II directors will expire at the 2007 Annual Meeting, with the members of each class to hold office until their successors are elected and qualified. At each annual meeting of stockholders, the successors to the class of directors whose term expires at that annual meeting will be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors are elected and qualified.

Because the term of the Class III directors expires this year, stockholders will vote upon the election of three Class III directors at the Annual Meeting. The Nominating Committee of the Board of Directors has nominated Michael E. Kalogris, Rohit M. Desai and Eric Haskell to serve as Class III directors.

Unless otherwise directed in the proxy, the persons named in the enclosed proxy, or the persons substitute, will vote the proxy for the election of the nominees identified below as a Class III directors for a three-year term and until their respective successors are elected and qualified. The Board of Directors knows of no reason why any nominee for director would be unable to serve as director. If, at the time of the Annual Meeting, either of the nominees is unable or unwilling to serve as a director of Triton, the persons named in the proxy intend to vote for such substitutes as may be nominated by the Nominating/ Corporate Governance Committee.

Board of Directors

The Board of Directors met fifteen times in 2004. All of the members of the Board of Directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which they served.

The Board of Directors has affirmatively determined that each of Messrs. Anderson, Chavkin, Desai, DeVito, Haskell, Sheiffer and Watson have no relationship with Triton that would interfere with the exercise of such director's independence from Triton and its management and meets all other criteria of independence under the listing standards of the New York Stock Exchange. In accordance with the listing standards of the New York Stock Exchange, the Board examined relevant facts and circumstances of transactions and relationships between Triton or its management and directors or their affiliates and among directors and their affiliates, including those reported under Certain Relationships and Related Transactions. The Board also considered shares beneficially owned by each of the directors, as set forth under Security Ownership of Management and Certain Beneficial Owners, although the Board generally believes that stock ownership tends to further align a director's interests with those of Triton's other stockholders. The purpose of this review was to determine whether any such transactions or relationships were inconsistent with a determination that the director is independent.

Each director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his duties, including by attending the annual meeting of stockholders, the Board of Directors and the Committees of the Board of Directors of which he is a member. Seven members of the Board of Directors attended the 2004 Annual Meeting.

Triton's independent directors regularly meet in executive session as required by the rules of the New York Stock Exchange. The presiding director at these executive session meetings rotates among the independent directors in alphabetical order.

Stockholder Communications

Any stockholder may communicate with the Board of Directors and its committees. The Board of Directors has established the following system to receive, track and respond to communications from stockholders addressed to Triton's Board of Directors, its Committees and its members.

Any stockholder may address his or her communication to the Board of Directors, the independent directors, a Committee of the Board or an individual Board member by sending a communication addressed to the recipient group or individual, care of Triton PCS Holdings, Inc. Corporate Secretary, 1100 Cassatt Road, Berwyn, Pennsylvania 19312. Depending on the subject matter of the communication, it may be forwarded to the director(s) to whom it is addressed, handled directly by management, or not forwarded if it is primarily commercial in nature, if it relates to an improper or irrelevant topic or if it requires investigation to verify its content. Communications regarding accounting, internal controls over financial reporting or auditing matters will be delivered to and reviewed by the Audit Committee.

In addition, stockholders who prefer to send communications to the Board of Directors and its Committees via e-mail can send the communication to bod@suncom.com. In addition to the Corporate Secretary, each board member has access to this e-mail address to review communications sent by stockholders of Triton.

The Audit Committee met five times in 2004. The members of the Audit Committee are Mr. Anderson, as chairman, Mr. DeVito, Mr. Haskell, Mr. Sheiffer and Mr. Watson. Each member of the Audit Committee has been found by the Board of Directors to have no relationship with Triton that would interfere with the exercise of their independence from Triton and its management, and meets all other criteria of independence under the listing standards of the New York Stock Exchange and Rule 10A-3 promulgated by the Securities and Exchange Commission. The Board of Directors has determined that Eric Haskell qualifies as an audit committee financial expert, as defined by Securities and Exchange Commission rules.

The functions of the Audit Committee include: appointment of Triton's independent auditors; reviewing Triton's financial statements on a quarterly basis; reviewing with the independent auditors and Triton's internal auditors their annual audit plans; reviewing management's plans for engaging the independent auditors to perform management advisory services; discussing with management, the independent auditors and the internal auditors the adequacy of Triton's internal controls and financial reporting process; monitoring significant accounting and reporting issues; and monitoring compliance with Triton's policies relating to ethics and conflicts of interest. Both the independent auditors and the internal auditors have unrestricted access to the Audit Committee, including the opportunity to meet with the Audit Committee alone.

The Audit Committee utilizes a policy pursuant to which the audit, audit-related and permissible non-audit services to be performed by the independent auditor are pre-approved prior to the engagement to perform such services. Prior to the Audit Committee's regular meeting in May of each year, the independent auditor will submit engagement letters and proposed fees for annual audit services to be performed that year. Pre-approval for other audit and permitted non-audit services is generally provided on a quarterly basis, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval policy and the fees for the services performed to date. The Audit Committee has delegated its pre-approval authority to the Chairman of the Audit Committee, and any approvals made pursuant to this delegated authority will be reported to the Audit Committee at its next meeting.

Audit Committee Report

The Audit Committee operates under a written charter adopted by the Triton Board of Directors, a copy of which is available on Triton's website, at www.suncomwireless.net.

Management is responsible for Triton's internal control over financial reporting and the financial reporting process. The independent auditors are responsible for performing an independent audit of Triton's

consolidated financial statements and internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement of Auditing Standards No. 61, as amended (Communication with Audit Committees).

Triton's independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee), and the Audit Committee discussed with the independent auditors the firm's independence.

Based upon the Audit Committee's review and discussions with management and the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Triton's Annual Report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

The Audit Committee has considered whether the provision by PricewaterhouseCoopers LLP of non-audit services to Triton is compatible with maintaining the independence of PricewaterhouseCoopers LLP. The Audit Committee has approved PricewaterhouseCoopers LLP as Triton's independent auditors for the fiscal year ending December 31, 2005.

The Nominating/ Corporate Governance Committee met six times in 2004. The members of the Nominating/ Corporate Governance Committee are Mr. Desai, as chairman, Mr. Chavkin, Mr. Anderson and Mr. Haskell, each of whom is independent, as defined by the current listing standards of the New York Stock Exchange. The Nominating/ Corporate Governance Committee operates pursuant to a written charter, a copy of which is available at on Triton's website, www.suncomwireless.net.

The functions of the Nominating/ Corporate Governance Committee include considering candidates to serve as members of the Board of Directors and nominating qualified persons for election at the annual meeting of stockholders. The Nominating/ Corporate Governance Committee will consider nominees recommended by stockholders who follow the procedures set forth in Triton's bylaws. For more information, see [Submission of Stockholder Proposals](#) below. The Nominating/ Corporate Governance Committee will identify individuals qualified to become members of the Board of Directors and recommend candidates to fill new or vacant positions. In recommending such candidates, the Nominating/ Corporate Governance Committee will consider such factors as it deems appropriate to assist in developing a Board of Directors and Committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include judgment, skill, diversity (including factors such as race, gender or experience), integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board of Directors and any Committees of the Board of Directors. All potential director candidates, regardless of source, are reviewed under the same process. To date, no stockholder or group of stockholders owning more than 5% of Triton's Class A common stock for at least one year has put forth any director nominees. The Nominating/ Corporate Governance Committee, however, is responsible for considering and making recommendations to the Board concerning director nominees by stockholders. Stockholders wishing to nominate a director should follow Triton's nominating process set forth above and more fully described in Triton's bylaws. The Nominating/ Corporate Governance Committee would evaluate director nominees proposed by stockholders in the same manner that all director nominees are evaluated.

Compensation Committee of the Board of Directors

General

The Compensation Committee met eight times in 2004. The members of the Compensation Committee are Mr. Chavkin, as chairman, Mr. Desai, Mr. DeVito, Mr. Sheiffer and Mr. Watson, each of whom is independent, as defined by the current listing standards of the New York Stock Exchange. The Compensation Committee operates pursuant to a written charter, a copy of which is available on Triton's website, www.suncomwireless.net.

The functions of the Compensation Committee include: overseeing the administration of Triton's compensation policies and practices; establishing and administering the compensation plans of members of senior management and authorizing any adjustments thereto; administering Triton's Stock and Incentive Plan and authorizing all awards granted thereunder; and reporting annually to the stockholders of Triton on matters concerning the compensation of executives of Triton.

Compensation Committee Report on Executive Compensation

The Compensation Committee consists of five non-employee directors. The Compensation Committee regularly reviews Triton's executive compensation policies and practices and establishes the salaries of executive officers.

Executive Compensation Policy. The Compensation Committee's executive compensation policy is founded on principles that guide Triton in establishing all of its compensation programs. Triton designs compensation programs to attract, retain and motivate highly talented individuals at all levels of the organization. In addition, the programs are designed to be cost-effective and to treat all employees fairly. To that end, all programs, including those for executive officers, share these characteristics:

Compensation is based on the level of job responsibility, individual performance and Triton's performance. Members of senior management have a greater portion of their pay based on Triton's performance than other employees.

Compensation also reflects the value of the job in the marketplace. To retain its highly skilled work force, Triton strives to remain competitive with the pay of other highly respected employers who compete with Triton for talent.

To align the interests of employees with those of stockholders, Triton provides employees at all levels of the organization the opportunity for equity ownership through various Triton programs. In addition, executive officers and other key employees have the opportunity to build more substantial equity ownership through Triton's stock plans.

Compensation programs are developed and administered to foster the long-term focus required for success in the wireless communications industry.

The Compensation Committee believes that Triton's executive compensation program reflects the principles described above and provides executives strong incentives to maximize Triton's performance and, therefore, enhance stockholder value. The program consists of both annual and long-term components. The Compensation Committee believes that the executive compensation program should be considered as a whole in order to properly assess whether it is attaining its objectives.

In establishing total compensation, the Compensation Committee considers various measures of Triton's historical and projected performance. This data forms the basis for the Compensation Committee's assessment of the overall performance and prospects of Triton that underpin the Compensation Committee's judgment in establishing total compensation ranges. In evaluating these factors, the Compensation Committee assigns each measure relative weighted values.

Triton also retains independent compensation and benefits consultants to assist in evaluating executive compensation programs. The use of independent consultants provides additional assurance that Triton's programs are reasonable and appropriate to Triton's objectives.

Components to Executive Compensation.

Annual Cash Compensation. Annual cash compensation for executives in 2004 consisted of two components: base salary and a cash bonus.

Base salaries and cash bonuses are determined with reference to Triton and individual performance for the previous year, internal relativity and market conditions, including pay at wireless communications companies of like size and stature to Triton, and general inflationary trends. Assessment of individual performance includes considerations of a person's impact on financial performance as well as judgment, creativity, effectiveness in developing employees and contributions to improvement in the quality of Triton's products, services and operations.

Cash bonuses are generally paid based on predetermined annual goals. For 2004, these goals included company performance against predetermined company operating metrics (such as net subscriber additions, free cash flow

(Adjusted EBITDA less capital expenditures and interest

11

expense) and employee turnover). Executive bonuses for 2004 were determined in accordance with these standards.

Triton also maintains a retention program. Under that program, executive officers other than the Chief Executive Officer and Chief Financial Officer, each of whom is a long-term employee of the Company, have entered into Executive Retention Bonus Agreements. The Executive Retention Bonus Agreements were designed to enhance Triton's ability to retain valuable executive employees and to align those employees' long-term interests with the long-term interests of Triton. Under these agreements, the covered executives may be entitled to receive specified bonus payments over a four-year period ending in 2006, provided, the individual executive remains employed with the company, the executive's performance satisfies applicable standards and the executive agrees to restrictions on the disposition of their Triton stock. The restrictions related to the disposition of Triton stock generally prohibit the sale of stock for less than a specified price, except in certain limited circumstances. Mr. Kalogris and Mr. Clark are subject to identical restrictions as agreed to in connection with the extension of their respective employment agreements.

As noted above, Triton uses the data from companies of like size and stature, as well as other market data to test for reasonableness and competitiveness of base salaries and bonuses. The Compensation Committee also exercises subjective judgment in view of Triton's compensation objectives.

Long-Term Incentive Compensation. Long-term incentive awards generally are provided under Triton's Stock and Incentive Plan, which is administered by the Compensation Committee. The intent of such awards is to provide the recipient with an incentive to perform at levels that will result in improved performance by Triton and enhanced stock value. These awards generally vest over a four-year period commencing on the date of grant. Triton uses the data from companies of like size and stature, as well as other market data to test for reasonableness and competitiveness of its long-term incentive compensation. The Compensation Committee also exercises subjective judgment in view of Triton's long-term incentive objectives.

Chief Executive Officer Compensation. The executive compensation policy described above was applied in establishing the 2004 compensation for Mr. Kalogris, with the basic compensation levels determined pursuant to his employment agreement. Mr. Kalogris participated in the same executive compensation plans available to Triton's other executives.

In 2004, Mr. Kalogris had a base salary of \$453,200. Mr. Kalogris' bonus was primarily based on established goals. For 2004, these goals included company performance against predetermined company operating metrics (such as net subscriber additions, free cash flow (Adjusted EBITDA less capital expenditures and interest expense) and employee turnover). Based upon Triton's performance versus established goals and Mr. Kalogris' individual performance, the Compensation Committee determined that Mr. Kalogris earned an annual cash bonus of \$316,107 in 2004. In 2004, Mr. Kalogris also received a restricted stock grant of 227,500 shares, which vest 100% in 2007. This stock grant was based primarily upon an analysis of equity awards made at companies of like size and industry.

Tax Deductibility Considerations. Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executive officers named in this proxy statement, unless certain requirements are met. It is the present intention of the Compensation Committee to preserve the deductibility of compensation under Section 162(m) to the extent the Compensation Committee believes that doing so would be consistent with the best interests of stockholders.

at any time at his sole discretion upon 30 days' prior written notice, in the case of Mr. Kalogris, and 60 days' prior written notice, in the case of Mr. Clark; and

immediately, upon written notice for good reason, which includes:

- (a) if there is a change of control, as defined in the employment agreement;
- (b) in the case of Mr. Clark, if he is demoted or removed from any of his positions or offices other than in accordance with his respective employment agreement, and in the case of Mr. Kalogris, if he is demoted, removed or not re-elected as Chairman of Triton's Board of Directors. However, so long as Mr. Kalogris remains a member of Triton's Board of Directors and Triton's Chief Executive Officer, it is not considered good reason if Mr. Kalogris is no longer Chairman of Triton's Board of Directors;
- (c) there is a material diminishment of the executive officer's responsibilities, duties or status and that diminishment is not rescinded within 30 days after receiving written notice of the diminishment;
- (d) Triton fails to pay or provide benefits to the executive officer when due and does not cure that failure within 10 days of receiving written notice of that failure;
- (e) Triton relocates its principal offices more than 30 miles from its current headquarters without the consent of the executive officer;
- (f) Triton purports to terminate the executive officer for cause for any reason other than those permitted as for cause reasons under the employment agreement; or

- (g) with respect to Mr. Clark, if Mr. Kalogris' employment with Triton terminates during the term of Mr. Clark's employment.

Triton may terminate each employment agreement:

at any time, upon written notice, without cause at Triton's sole discretion;

for cause, as defined in the employment agreements; or

upon the death or disability of the executive officer.

If Mr. Kalogris' employment is terminated on or after the initial term of the employment agreement or due to Triton's failure to renew the agreement, Triton will pay him a severance benefit in the amount of his base salary at that time. Mr. Kalogris' employment agreement provides for an initial annual base salary of \$453,200, subject to annual increases at the discretion of the Compensation Committee of the Board of Directors, and an annual bonus in an amount up to 100% of his base salary based on Triton's performance. In the event of any change of control, regardless of whether Mr. Kalogris terminates his employment agreement, all of his previously unvested shares will vest immediately.

If Mr. Clark's employment with Triton terminates, he will be entitled to receive the following:

unpaid salary earned for services rendered to Triton on or prior to the date of Mr. Clark's termination of employment;

the vested portion of any stock award;

a prorated bonus, provided Mr. Clark's employment is terminated for good reason, by Triton without cause, or due to death or disability;

a severance award equal to Mr. Clark's base salary at the time of termination and payable over a 12-month period, provided that Mr. Clark's employment is terminated for good reason, by Triton without cause, or due to disability; and

a portion of any unvested shares of Triton's restricted stock issued to Mr. Clark, determined in accordance with the terms of the employment agreement.

Mr. Clark's employment agreement provides for an initial annual base salary of \$258,500, subject to annual increases at the discretion of the Compensation Committee of the Board of Directors, and an annual bonus in an amount up to 100% of his base salary based on Triton's performance.

On March 7, 2005, Triton entered into an employment agreement with William A. Robinson, Triton's Executive Vice President of Operations. The employment agreement initially extends through February 3, 2006 and extends automatically for successive one-year terms, unless either party elects to terminate the agreement. Mr. Robinson may terminate his employment agreement:

at any time at his sole discretion upon 60 days' prior written notice; and

immediately, upon written notice for good reason, which includes:

(a) if there is a change of control, as defined in the employment agreement;

(b) if he is demoted or removed from any of his positions or offices other than in accordance with his respective employment agreement;

(c) there is a material diminishment of the executive officer's responsibilities, duties or status and that diminishment is not rescinded within 30 days after receiving written notice of the diminishment;

(d)

Triton fails to pay or provide benefits to the executive officer when due and does not cure that failure within 10 days of receiving written notice of that failure;

- (e) Triton relocates its principal offices more than 30 miles from its current headquarters without the consent of the executive officer;

(f) Triton purports to terminate the executive officer for cause for any reason other than those permitted as for cause reasons under the employment agreement; or

(g) if Mr. Kalogris' employment with Triton terminates during the term of Mr. Robinson's employment.

Triton may terminate the employment agreement:

at any time, upon written notice, without cause at Triton's sole discretion;

for cause, as defined in the employment agreement; or

upon the death or disability of the executive officer.

If Mr. Robinson's employment with Triton terminates, he will be entitled to receive the following:

unpaid salary earned for services rendered to Triton on or prior to the date of Mr. Robinson's termination of employment;

the vested portion of any stock award;

a prorated bonus, provided Mr. Robinson's employment is terminated for good reason, by Triton without cause, or due to death or disability;

a severance award equal to Mr. Robinson's base salary at the time of termination and payable over a 12-month period, provided that Mr. Robinson's employment is terminated for good reason, by Triton without cause, or due to disability; and

a portion of any unvested shares of Triton's restricted stock issued to Mr. Robinson, determined in accordance with the terms of the employment agreement.

Mr. Robinson's employment agreement provides for an initial annual base salary of \$220,000, subject to annual increases at the discretion of the Compensation Committee of the Board of Directors, and an annual bonus in an amount up to 100% of his base salary based on Triton's performance.

Performance Graph

Triton's Class A common stock was first publicly traded on October 27, 1999. The following graph compares, for the five-year period beginning December 31, 1999 and ending December 31, 2004, the cumulative total return of the Class A common stock to the cumulative total returns on:

the Nasdaq Telecommunications Index; and

the Standard & Poor's 500 Stock Index.

The comparison assumes \$100 was invested on December 31, 1999 in our Class A common stock and in each of the foregoing indices and that all dividends were reinvested. Triton has not paid any dividends on its Class A common stock, and no dividends are included in the representation of Triton's performance. Stock price performance on the graph below is not necessarily indicative of future price performance.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Triton's executive officers and directors and persons who own more than 10% of Triton's Class A common stock to file reports of ownership and changes in ownership of Triton's Class A common stock with the Securities and Exchange Commission. Based solely on a review of copies of such reports and written representations from the reporting persons, Triton believes that from January 2004 through the date of this Proxy Statement, its executive officers, directors and greater than 10% stockholders filed on a timely basis all reports due under Section 16(a) of the Exchange Act, except that Charles Kallenbach filed his Form 3 Initial Statement of Beneficial Ownership of Securities one day late.

**APPROVE AMENDMENT OF THE SECOND RESTATED CERTIFICATE OF INCORPORATION OF TRITON PCS HOLDINGS, INC. TO CHANGE THE COMPANY S NAME
(Proposal No. 2)**

The Board of Directors has approved an amendment to the Article I of the Company s Second Restated Certificate of Incorporation, which will change the name of the company to SunCom Wireless Holdings, Inc. The Board of Directors recommended that this amendment be submitted to the stockholders for approval at the 2005 Annual Meeting. For the reasons described below, the Board believes that approval of the amendment changing the name to SunCom Holdings, Inc. is in the best interest of the company and our stockholders.

Reasons for Amendment

We historically have conducted our business as a strategic partner of AT&T Wireless and as an affiliate member of the AT&T Wireless Network since 1998, when AT&T Wireless first contributed to the company various FCC licenses to provide PCS services in portions of the southeastern United States. In conjunction with two other AT&T Wireless affiliates, we marketed our wireless service under the brand name SunCom, member of the AT&T Wireless network. The two other AT&T Wireless affiliates have since been acquired by AT&T Wireless. In connection with these transactions, AT&T Wireless acquired a two-thirds interest in Affiliate License Co. L.L.C., the entity which holds the SunCom brand name. Subsequent to these acquisitions by AT&T Wireless, we continued to market our products and services as SunCom, member of the AT&T Wireless network.

Following the announcement of the AT&T Wireless and Cingular Wireless merger in February 2004, Cingular Wireless indicated that the surviving entity would not continue the use of the AT&T brand. Subsequent to this announcement, our marketing efforts have focused almost exclusively on the SunCom brand. Our marketing of the SunCom brand was further strengthened by our acquisition from AT&T Wireless of the two-thirds ownership in Affiliate License Co. L.L.C. we did not own. Since we now have full control of the SunCom brand name, management recommended that we adopt a new corporate name, SunCom Wireless Holdings, Inc., that will more accurately reflect our company s marketing and strategic direction.

This name change will not in any way affect the validity of currently outstanding stock certificates. You will not be required to surrender or exchange any stock certificates that you currently hold. New share certificates issued upon transfer of shares will bear the name SunCom Wireless Holdings, Inc. and will have a new CUSIP number. Delivery of existing stock certificates will continue to be accepted in transactions made by shareholders after the corporate name has changed. The Board of Directors believes that the adoption of the proposed amendment to our Second Restated Certificate of Incorporation is in the best interests of the company and our shareholders. Accordingly, the Board is proposing that the Article I of the Second Restated Articles of Incorporation be amended to change the name of the company to SunCom Wireless Holdings, Inc. The full text of Article I of the Restated Articles of Incorporation, as proposed to be amended is as follows:

Article I: The name of the Corporation shall be SunCom Wireless Holdings, Inc.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.
SELECTION OF INDEPENDENT AUDITORS
(Proposal No. 3)**

The Audit Committee has appointed PricewaterhouseCoopers LLP as our independent auditors for 2005. Although stockholder ratification of the Audit Committee s action in this respect is not required, the Audit Committee considers it desirable for stockholders to pass upon such appointment. If the stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the engagement of independent auditors will be reevaluated by the Audit Committee.

Ratification of the appointment of PricewaterhouseCoopers LLP shall be effective upon receiving the affirmative vote of the holders of a majority of the voting power of Triton's Class A common stock present or represented by proxy and entitled to vote at the Annual Meeting.

A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will be offered the opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions. In the event the appointment is not ratified, the Audit Committee will consider the appointment of other independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS.

Other Matters

We do not know of any other matters to be considered at the Annual Meeting. If any other matters properly come before the meeting, persons named in the accompanying form of proxy intend to vote thereon in accordance with their best judgment, and the discretionary authority to do so is included in the proxy.

Annual Report on Form 10-K

We will provide upon request and without charge to each stockholder receiving this Proxy Statement a copy of Triton's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, including the financial statements and financial statement schedule information included therein. If you share an address with another stockholder and would like to receive a separate proxy statement now or in the future, please contact the Corporate Secretary, Triton PCS Holdings, Inc., 1100 Cassatt Road, Berwyn, Pennsylvania 19312 (610) 651-5900.

Submission of Stockholder Proposals

It is anticipated that Triton's 2006 Annual Meeting of Stockholders will be held in May 2006. Any stockholders who intend to present proposals at the 2006 Annual Meeting of Stockholders and who wish to have such proposals included in Triton's Proxy Statement for the 2006 Annual Meeting must ensure that such proposals are received by the Corporate Secretary of Triton not later than December 2, 2005. Such proposals must meet the requirements set forth in the rules and regulations of the Securities and Exchange Commission in order to be eligible for inclusion in Triton's 2006 proxy materials.

Any stockholder that wishes to present a proposal, other than through inclusion in the proxy materials, or a director nominee at the 2006 Annual Meeting must comply with the procedural requirements set forth in Triton's Second Amended and Restated Bylaws. The Second Amended and Restated Bylaws of Triton generally require notice of (i) any proposal to be presented by any stockholder or (ii) the name of any person to be nominated by any stockholder for election as a director of Triton at a meeting of the stockholders to be delivered to or mailed and received by the Corporate Secretary of Triton at Triton's Corporate Headquarters. Notice must be received by the Corporate Secretary not less than 60 or more than 90 days prior to the date of the annual meeting. Any stockholder wishing to submit a proposal at the 2006 Annual Meeting should contact the Corporate Secretary of Triton after March 1, 2006 to obtain the actual meeting date and proposal deadlines. The notice must include the following information as applicable to the proposal or nominee:

be a stockholder of record on the date the notice provided for below is given and on the record date for the determination of stockholders entitled to vote at the 2006 Annual Meeting;

provide timely written notice to the Corporate Secretary of Triton that is delivered to or mailed and received at Triton's principal executive offices not less than 60 or more than 90 days prior to the date of the annual meeting;

include in its written notice the following information regarding each proposed director nominee: name; age; business address; residence address; principal occupation or employment; class or series and number of shares of Triton capital stock owned beneficially or of record; and any other information relating to the nominee required to be disclosed in a proxy statement or other required filings for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder;

include in its written notice the following information regarding the stockholder: name; record address; class or series and number of shares of Triton's capital stock owned beneficially or of record; description of all arrangements or understandings between or among the stockholder and each proposed director nominee; a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate each proposed director nominee; and any other information relating to the stockholder required to be disclosed in a proxy statement or other required filings for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder; and

accompany the written notice above with a written consent of the proposed director nominee to be named as a nominee and to serve as a director if elected.

Accordingly, failure by a stockholder to act in compliance with the notice provisions will mean that the stockholder will not be able to nominate directors or propose new business.

Cost of Solicitation

All expenses incurred in connection with the solicitation of this proxy, including the charges of brokerage houses and other custodians, nominees or fiduciaries for forwarding documents to stockholders, will be paid by Triton.

By Order of the Board of Directors,

David D. Clark
Corporate Secretary
