PROXY STATEMENT
November 30, 2009

Introduction

Special meeting of shareholders to be held on November 30, 2009

This proxy statement (the "Proxy Statement") is furnished to the stockholders (herein referred to as "shareholders") of Insured Municipal Income Fund Inc. (the "Fund") in connection with the solicitation by the Fund's Board of Directors (the "Board") of proxies to be used at the special meeting (the "Meeting") of the shareholders of the Fund to be held on November 30, 2009, at _____, Eastern time, at the offices of _____, or any adjournment or postponement thereof. This Proxy Statement and the related proxy card will first be mailed to shareholders on or about October __, 2009.

Quorum. The presence, in person or by proxy, of shareholders entitled to cast a majority of the votes entitled to be cast at the Meeting (i.e., the presence of a majority of the shares outstanding on October 30, 2009) is necessary to constitute a quorum for the transaction of business. In the event that a quorum is not present at the Meeting, or if a quorum is present at the Meeting but sufficient votes to approve any of the proposals are not received, the chairman of the Meeting may adjourn the Meeting, or the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. If submitted to shareholders, any such adjournment will require the affirmative vote of holders of a majority of those shares represented at the Meeting in person or by proxy (or a majority of votes cast if a quorum is present). A shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if sufficient votes have been received and it is otherwise appropriate.

Required vote for adoption of proposals. Proposal 1 (to elect three directors) requires the affirmative vote of a plurality of the votes cast at the Meeting in person or by proxy on such Proposal, provided a quorum is present. Proposal 2 (to approve the investment advisory agreement between the Fund and Brooklyn Capital Management, LLC (the "Proposed Adviser")), Proposal 3 (to approve the replacement of the Fund's fundamental investment objective with a non-fundamental investment objective of providing total return), Proposal 4 (to eliminate the Fund's fundamental investment policy to invest at least 80% of its net assets in insured municipal obligations) and Proposal 5 (to ratify the selection of Tait, Weller & Baker LLP as the Fund's independent registered public accounting firm for the fiscal year ending March 31, 2010) each require the affirmative vote of a majority of the outstanding voting securities of the Fund. Under the Investment Company Act of 1940, as amended (the "1940 Act"), the vote of a "majority of the outstanding voting securities" means the affirmative vote of the lesser of (a) 67% or more of the shares

present at the Meeting or represented by proxy if the holders of 50% of the outstanding shares are present or represented by proxy or (b) more than 50% of the outstanding voting shares.

PRELIMINARY PROXY MATERIAL FOR THE INFORMATION OF THE SECURITIES AND EXCHANGE COMMISSION ONLY

All of the outstanding shares of the Fund's common stock will vote together as a single class. Each full share is entitled to one vote, and each fractional share is entitled to a proportionate share of one vote.

A broker non-vote occurs when the broker returns a properly executed proxy for shares held by the broker for a customer but does not vote on a matter because the broker does not have discretionary voting authority and has not received instructions from the beneficial owner. Abstentions and broker non-votes, if any, will be counted as shares present for purposes of determining whether a quorum is present at the Meeting. They will be treated as votes present at the Meeting, but will not be treated as votes cast for or against any proposal. Therefore, abstentions and broker non-votes will have no effect on a proposal which requires a plurality of votes cast for approval (i.e., Proposal 1), but would have the same effect of a vote "AGAINST" a proposal requiring approval by a majority of votes present (i.e., Proposals 2, 3, 4 and 5).

The individuals named as proxies on the enclosed proxy card will vote in accordance with your direction as indicated thereon if your proxy card is received properly executed by you or by your duly appointed agent or attorney-in-fact. If you give no voting instructions, your shares will be voted FOR Proposals 1, 2, 3, 4 and 5, and, in the proxies' discretion, either FOR or AGAINST any other business that may properly be presented at the Meeting (e.g., adjourning the Meeting if a shareholder vote is called).

You may revoke any proxy card by giving another proxy or by submitting a written notice of revocation to the Secretary of the Fund, care of US Bancorp Fund Services, LLC, 615 East Michigan Street, Milwaukee, WI 53202. To be effective, your revocation must be received by the Fund prior to the Meeting and must indicate your name and account number. In addition, if you attend the Meeting in person you may, if you wish, vote in person at the Meeting, thereby cancelling any proxy previously given.

As of the record date, October 30, 2009, the Fund had outstanding _____ shares of common stock.

The Fund has made arrangements for assistance with the solicitation of proxies, as described in the section below entitled, "Solicitation of Proxies."

The Fund's annual report containing financial statements for the fiscal year ended March 31, 2009 has previously been mailed to shareholders. Shareholders may request, without charge, additional copies of the Fund's annual report and the most recent semi-annual report preceding such annual report by writing the Fund, c/o the Administrator, 615 East Michigan Street, Milwaukee, WI 53202. These reports are also available on the U.S. Securities and Exchange Commission's (the "SEC") website, www.sec.gov.

Proposal 1. Election of Directors

Proposal 1 relates to the election of directors of the Fund. By letters dated August 19, 2009, Richard R. Burt and Meyer Feldberg each resigned as a director of the Fund. Messrs. Burt and Feldberg were each elected solely by holders of the Fund's auction preferred stock ("APS") at the 2007 annual meeting of shareholders and, due to the absence of a quorum of the APS holders at the 2008 and 2009 annual meetings of shareholders, continued to serve as directors until their resignations. On September 1, 2009, to fill the vacancies on the Board created by the resignations of Messrs. Burt and Feldberg, James Chadwick and Ben Hormel Harris were elected by the Board. Messrs. Chadwick and Harris are now being proposed for election by the shareholders.

PRELIMINARY PROXY MATERIAL FOR THE INFORMATION OF THE SECURITIES AND EXCHANGE COMMISSION ONLY

On October 16, 2009, Rajeev Das, who was elected by shareholders at the annual meeting held on August 12, 2009, resigned as a director, effective immediately, and was subsequently appointed Vice President and Treasurer, effective October 18, 2009. The Fund's Nominating and Corporate Governance Committee met on October 16, 2009 and nominated Charles C. Walden as a director, which nomination was approved by the entire Board at a meeting held on the same date. The Board also appointed Mr. Walden to serve through the date of the Meeting as an observer on the Board. Assuming that Mr. Walden is elected director by shareholders prior to the end of the current calendar quarter, according to the policy adopted by the Board on October 16, 2009, he will be eligible to receive compensation for the full quarter.

Section 16 of the 1940 Act requires that directors be elected by shareholders; however, vacancies occurring between shareholder meetings may be filled by the Board, provided that after the filling of such vacancy at least two-thirds of the directors then in office will have been elected by shareholders. Messrs. Dakos, Goldstein and Hellerman, as well as Mr. Das, who resigned on October 16, 2009, were elected by shareholders on August 12, 2009. As of the date of the Meeting, the Fund will have redeemed all of the APSs outstanding. Therefore, the holders of common stock are being asked to elect Messrs. Chadwick, Harris and Walden, to ensure that the entire Board will have been elected by the shareholders.

If you properly execute and return the enclosed proxy card, unless you give contrary instructions on the enclosed proxy card, then your shares will be voted FOR the election of all nominees. If any of the nominees should withdraw or otherwise become unavailable for election, your shares will be voted FOR such other nominee or nominees as the present Board may recommend. Each nominee has indicated his willingness to serve if elected. If elected, each nominee will hold office until the annual meeting of shareholders in 2010 and until his successor is elected and qualifies.

The following table sets forth each nominee, as well as current directors and officers of the Fund, his name, address, age, position with the Fund, term of office and length of service with the Fund, principal occupation or employment during the past five years and other directorships held at September 30, 2009. Messrs. Chadwick, Harris and Hellerman are each not considered an "interested person" of the Fund within the meaning of the 1940 Act (each an "Independent Director"). In addition, if elected, Mr. Walden will be an Independent Director. Messrs. Dakos and Goldstein will each be considered an "interested person" of the Fund within the meaning of the 1940 Act, assuming approval of the investment advisory agreement between the Fund and the Proposed Adviser, because of their affiliation with the Proposed Adviser.

Management Ownership. To the knowledge of the Fund’s management, before the close of business on September 30, 2009, the officers and directors of the Fund beneficially owned, as a group, 10.08% of the shares of the Fund’s common stock. None of the executive officers holding office on September 30, 2009 beneficially owned any shares of the Fund’s common stock on September 30, 2009. The Board has elected new officers effective October 18, 2009, and giving effect to such change in officers, at September 30, 2009, the officers and directors of the Fund would have owned, as a group, 10.08% of the shares of the Fund. The following table shows the dollar range of shares beneficially owned by each director, director nominee and officer in the Fund as of September 30, 2009:
