longer serve as Chief Financial Officer of the Company, in each case effective October 1, 2007. Mr. Bohn will continue to serve as Chairman and Chief Executive Officer of the Company.

(c) On September 18, 2007, the Board of Directors of the Company acted to appoint Charles L. Szews as President and Chief Operating Officer of the Company, effective October 1, 2007. In addition, the Board of Directors of the Company acted to appoint David M. Sagehorn as Executive Vice President, Chief Financial Officer and Treasurer of the Company, effective October 1, 2007.

Mr. Szews, who is 50, joined the Company in 1996 as Vice President and Chief Financial Officer and was appointed Executive Vice President in 1997. In May 2007, Mr. Szews was elected to the Board of Directors of the Company.

Mr. Sagehorn, who is 43, joined the Company in March 2000 as Senior Manager, Mergers and Acquisitions. In September 2001, Mr. Sagehorn was appointed Director, Business Development and in August 2002, Vice President, Finance for the Company's defense business. Mr. Sagehorn was promoted to Vice President and Treasurer of the Company in November 2005.

(e) On September 17, 2007, the Human Resources Committee (the Committee) of the Board of Directors of the Company approved awards of performance shares to the Company's executive officers pursuant to the Company's 2004 Incentive Stock and Awards Plan (the 2004 Plan). Each performance share awarded represents the right to receive up to two shares of the Company's common stock depending upon the total shareholder return of the Company's common stock versus the S&P Mid-Cap 400 over a three-year performance period running from October 1, 2007 to September 30, 2010. Total shareholder return is the annualized rate of return reflecting stock price appreciation and assuming reinvestment of dividends. The number of shares of the Company's common stock that the executive officers will actually receive will be a function of the Company's relative performance on a percentile basis. The threshold performance level is the 40<sup>th</sup> percentile, and executive officers receive the maximum amount at or above the 80<sup>th</sup> percentile.

Also on September 17, 2007, the Committee approved annual incentive awards for fiscal year 2008 for the Company's executive officers pursuant to the 2004 Plan. The executive officers may earn cash bonuses on the basis of the Company's performance in fiscal 2008 relative to benchmarks for earnings per share, return on invested capital and, for certain officers, operating income of the Company's business units. The maximum annual cash bonus that may be earned in fiscal 2008 is 200% of base salary for the chief executive officer, 160% of base salary for the chief operating officer and 120% of base salary for all other executive officers.
