#### ITEM 4. PURPOSE OF TRANSACTION.

Item 4 is hereby amended by adding at the end thereof the following:

On February 18, 2010, the Reporting Persons sent the following letter:

Edgar Filing: CEDAR FAIR L P - Form SC 13D/A

Dear Fellow Unitholders of Cedar Fair, L.P.:

As the largest unitholder of Cedar Fair, we urge you to vote **AGAINST** the proposed acquisition of our company by Apollo Global Management. This transaction, we believe, substantially undervalues the company.

Apollo Global Management late last year made an offer to acquire all units of Cedar Fair for \$11.50 per unit. Cedar Fair's Board recently sent you proxy materials asking you to approve the transaction even though the proposed buyout price represents what we believe to be a "bargain basement" price struck during one of the worst economic climates this country has ever seen.

We are Cedar Fair's largest unitholder with currently approximately 18% of the units, and we are voting **AGAINST** the transaction. We urge all other unitholders to do the same. It is unfortunate that throughout this past year the units have declined as the company both endured the recent recession and battled increasingly restrictive covenants under its bank agreement, all resulting in the suspension of distributions to unitholders.

Apollo Global Management, a very sophisticated investor, is evidently trying to take advantage of this "perfect storm" of events to buy the company for well below what we believe to be its inherent value, particularly given the improving economy and financial markets. In our opinion, this is the **exact wrong time to sell the company**.

Since the transaction was originally announced, we believe the bank funding markets have continued to improve, and **we also believe the company may be able to negotiate with its current bank group to allow some cash distributions to unitholders**. In our view, as evidence the bank funding markets are improving, we need to look no further than Apollo Global Management's success in securing approximately \$1.95 billion in debt to help finance their potential transaction, a figure that is higher than the \$1.63 billion of debt that Cedar Fair had outstanding on its balance sheet as of December 31, 2009.

We are a firm believer in this company and feel that as the economy improves, it has every chance of returning to the same unit valuations it achieved before the recession. We hope that you feel the same way and will join us in voting **AGAINST** this transaction.

Sincerely Yours,

Q Funding III & Q4 Funding
