PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD SEPTEMBER 25, 2002

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

To Our Stockholders:

This Proxy Statement is furnished to our stockholders for use at our Annual Meeting of Stockholders to be held at the Bent Tree Country Club, 5201 Westgrove, Dallas, Texas 75248, on September 25, 2002 at 1:00 p.m. (local time), or at any adjournment or adjournments thereof (the "Annual Meeting"). Emerson's stockholders of record as of the close of business on July 29, 2002 (the "Record Date") are entitled to vote at the Annual Meeting. We expect to begin mailing this Proxy Statement and the enclosed proxy card to our stockholders on or about July 30, 2002.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the Record Date to vote on each of the proposals brought before the Annual Meeting. As of the Record Date, there were 26,907,169 shares of our common stock, par value \$.01 per share, issued and outstanding and entitled to vote at the Annual Meeting. Each outstanding share of our common stock is entitled to one vote.

The holders of a majority of our outstanding shares of common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained. Shares as to which authority to vote has been withheld with respect to the election of any nominee for director will not be counted as a vote for such nominee. Abstentions and broker non-votes are counted as stockholders who are present and entitled to vote and they count toward a quorum but are not taken into account in determining, and have no effect on, the outcome of the election of directors. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received

instructions from the beneficial owner (despite voting on at least one other proposal for which the nominee does have discretionary authority or for which it has received instructions). Brokers holding shares of record for customers generally are not entitled to vote on certain "non-routine" matters unless they receive voting instructions from their customers.

The accompanying proxy card provides space for you to vote in favor of, or to withhold voting for, the nominees for the Board of Directors. The members of our Board of Directors are elected by plurality and the five nominees who receive the most votes will be elected. The Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card vote the shares in accordance with the stockholder's instructions. The proxies we have designated for the stockholders are Geoffrey P. Jurick and Kenneth A. Corby. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the Annual Meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to us and you have made no specifications with respect to voting matters, your shares will be voted for the election of the five nominees for director and, at the discretion of the proxies

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

designated by us, on any other matter that may properly come before the Annual Meeting or any adjournment(s).

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying Emerson's Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the Annual Meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the Annual Meeting we have received notice of such revocation.

ELECTION OF DIRECTORS

Five directors are proposed to be elected at the Annual Meeting. If elected, each director will hold office until the next Annual Meeting of our stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

All nominees named in this proxy statement are members of our present Board of Directors and have consented to serve if elected. We have no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies

will be voted for the election of a substitute as the Board of Directors may recommend, (ii) the Board of Directors may reduce the number of directors to eliminate the vacancy, or (iii) the Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

Nominations for election to the Board of Directors may be made by the Board of Directors, a nominating committee appointed by the Board of Directors or by any stockholder entitled to vote for the election of directors. Nominations, other than those made by or on behalf of the Board, shall be in writing and shall be delivered to our President or Chairman of the Board not less than 20 days prior to the applicable meeting, and must set forth as to each proposed nominee, to the extent known by the notifying stockholder: (a) the name and address of each nominee proposed in such notice; (b) the principal occupation or employment of each such nominee; (c) the total number of shares of our common stock that will be voted for each such nominee; (d) the name and residence address of the notifying stockholder; (e) the number of shares of our common stock owned by the notifying shareholder; and (f) all other information concerning the nominee that must be disclosed of nominees in proxy solicitations pursuant to Rule 14(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Any such recommendation must be accompanied by a written statement from the individual nominee giving his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

The current Board of Directors nominated the individuals named below for election to our Board of Directors and background information on each of the nominees (as of July 15, 2002) is set forth below. See "Security Ownership of Certain Beneficial Owners and Management" for additional information about the nominees, including their ownership of securities issued by the Company.

(1) Based on 26,907,169 shares of common stock outstanding as of July 29, 2002. Each beneficial owner's percentage ownership of common stock is determined by assuming that options and other convertible securities that are held by such person (but not those held by any other person) and that are exercisable or convertible within 60 days after July 29, 2002 have been exercised or converted. Except as otherwise indicated, the beneficial ownership table does not include (i) common stock issuable upon exercise of outstanding options, which are not currently exercisable within 60 days after July 29, 2002, or (ii) common stock issuable upon conversion of Emerson's 8-1/2% Senior Subordinated Convertible Debentures Due 2002 (the "Debentures"). Except as otherwise indicated and based upon our review of information as filed with the U.S. Securities and Exchange Commission ("SEC"), we believe that the beneficial owners of the securities listed have sole investment and voting power with respect to such shares, subject to community property laws where applicable.

(2) Mr. Jurick's beneficial ownership consists of 9,875,100 shares of common stock directly owned by him, of which 4,188,975 shares of common stock are beneficially held by Mr. Jurick pursuant to the Order Regarding Termination of Stipulation and Order, dated May 25, 2002. BOARD OF DIRECTORS AND COMMITTEES

Our business is managed under the direction of our Board of Directors. The Board of Directors meets periodically during our fiscal year to review significant developments affecting Emerson and to act on matters requiring Board of Director approval. The Board of Directors held nine (9) formal meetings during the fiscal year ended March 31, 2002 ("Fiscal 2002") and acted by unanimous written consent four (4) times. During Fiscal 2002, each member of the Board of Directors participated in at least 75% of all Board of Director meetings and all committee meetings held during the period.

During Fiscal 2002, our Board of Directors had an Audit Committee, Compensation and Personnel Committee, Executive Committee and Special Committee to devote attention to specific subjects and to assist the Board of Directors in the discharge of its responsibilities. The functions of these committees and their current members are described below.

Audit Committee. Our Audit Committee, and each of its three members, Messrs. Farnum (Chairman), Brown and Goodman, fulfills the requirements of the rules applicable to members of the American Stock Exchange with regard to independence and qualification. The Audit Committee recommends to the Board of

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

Directors the appointment of a firm of independent certified public accountants to conduct audits of our accounts and affairs and monitors the performance of such firm. The Audit Committee also reviews the adequacy of our internal system of accounting controls, the findings and reports of, and confers with, the independent auditors concerning their examination of our books and records and provides assistance to the Board of Directors with regard to same. During Fiscal 2002, the Audit Committee formally met five (5) times. For additional information concerning our Audit Committee, see "Report of Audit Committee".

Compensation and Personnel Committee. Our Compensation and Personnel Committee is presently comprised of Messrs. Brown (Chairman), Bunger and Farnum (each of whom is a non-employee Director). The Committee (i) makes recommendations to the Board of Directors concerning remuneration arrangements for senior executive management; (ii) administers our 1994 Stock Compensation Program; and (iii) makes such reports and recommendations, from time to time, to the Board of Directors upon such matters as the Committee may deem appropriate or as may be requested by the Board of Directors. During Fiscal 2002, the

Compensation Committee met one (1) time and acted by unanimous consent two (2) times. See "Executive Compensation and Other Information--Report of Compensation and Personnel Committee".

Executive Committee. Our Executive Committee is presently comprised of Messrs. Brown, Bunger, Farnum and Jurick (Chairman). Mr. Goodman is an alternate Committee member. Subject to the provisions of our By-Laws, the Executive Committee has all of the power and authority of the Board of Directors with certain exceptions. During Fiscal 2002, the Executive Committee acted by unanimous consent one (1) time.

Special Committee. Our Special Committee, comprised of Messrs. Brown and Goodman, was formed as part of a Stipulation and Order of Settlement, dated June 11, 1996, between the Company, Mr. Jurick, Fidenas International Limited and its predecessor ("FIN"), GSE Multimedia Technologies Corporation ("GSE"), Elision International Ltd. ("Elision"), Petra and Donald Stelling (the "Stellings"), Thomas Hackett, Official Liquidator of Fidenas International Bank Limited (the "Fidenas Liquidator") and Barclays Bank PLC ("Barclays") (the "Settlement Agreement") to evaluate, and make recommendations to the Board of Directors regarding, any offer to purchase certain of our shares of common stock, which were the subject of the Settlement Agreement. During Fiscal 2002, the Special Committee met one (1) time. See "Certain Relationships and Related Transactions - Certain Outstanding Common Stock".

The Board of Directors did not have a standing nominating committee, or any other committee performing similar functions during Fiscal 2002. Our Board of Directors, as a whole, performed the functions customarily attributable to a nominating committee.

Compensation of Directors

In Fiscal 2002, our directors who were not employees were paid \$10,000; members of the Compensation and Personnel Committee were paid an additional \$5,000; members of the Executive Committee were paid an additional \$5,000; members of the Audit Committee were paid an additional \$7,500; and members of the Special Committee were paid an additional \$2,500. Accordingly, during Fiscal 2002, Messrs. Brown, Bunger, Farnum and Goodman received \$30,000, \$20,000, \$27,500 and \$25,000, respectively. All compensation paid to our Directors is paid in quarterly installments. Directors who are our employees are not paid for their services as a director. - The dollar amounts under these columns are the result of calculations at the assumed compounded market appreciation rates of 5% and 10% as required by the SEC over a ten-year term and therefore, are not intended to forecast possible future appreciation, if any, of the stock price. The disclosure assumes the options will be held for the full ten-year term prior to exercise. Such options may be exercised prior to the end of such ten-year term. The actual value, if any, an executive officer may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised. There can be no assurance that the stock price will appreciate at the rates shown in the table.

The following table provides information related to options exercised by our executive officers during Fiscal 2002 and the number and value of options held at the end of Fiscal 2002 by our executive officers. We do not have any outstanding stock appreciation rights.

Certain Employment Agreements

Effective as of September 1, 2001, Geoffrey P. Jurick, our Chairman, Chief Executive Officer and President, entered into three-year employment agreements ("Jurick Employment Agreements") with us and two of our wholly-owned subsidiaries, Emerson Radio (Hong Kong) Limited and Emerson Radio International Ltd. (formerly Emerson Radio (B.V.I.) Ltd.) (hereinafter, collectively the "Companies"), providing for an aggregate annual compensation of \$411,600, subject to adjustment in the event that Mr. Jurick's employment with SSG is terminated. In addition to his base salary, Mr. Jurick is entitled to an annual bonus upon recommendation by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors.

Subject to certain conditions, each of the Jurick Employment Agreements grants to Mr. Jurick severance benefits, through expiration of the

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

respective terms of each of such agreements, commensurate with Mr. Jurick's base salary, in the event that his employment terminates due to permanent disability, without cause or as a result of constructive discharge (as defined therein). In the event that Mr. Jurick's employment terminates due to termination for "cause", because Mr. Jurick unilaterally terminates the agreements or for reasons other than constructive discharge or permanent disability, Mr. Jurick shall only be entitled to base salary earned through the applicable date of termination. Similar provisions are set forth in each of the contracts described below.

Effective September 1, 2001, John J. Raab, Executive Vice President - International, entered into a three-year employment agreement ("Raab Employment Agreement") with us, providing for an annual compensation of \$250,000, which was increased to \$257,500, effective April 1, 2002. In addition to his base salary, Mr. Raab may also receive an additional annual performance bonus to be recommended by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors.

Effective September 1, 2001, Kenneth A. Corby, Chief Financial Officer and Executive Vice President, entered into a three-year employment agreement ("Corby Employment Agreement") with us, providing for an annual compensation of \$230,000, which was increased to \$237,800, effective April 1, 2002. In addition to his base salary, Mr. Corby may also receive an additional annual performance bonus to be recommended by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors.

Effective September 1, 2001, Elizabeth J. Calianese, General Counsel, Senior Vice President - Human Resources and Secretary, entered into a three-year employment agreement ("Calianese Employment Agreement") with us providing for an annual compensation of \$200,000, which was increased to \$206,000 effective April 1, 2002. In addition to her base salary, Ms. Calianese is entitled to an annual performance bonus to be recommended by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors. We have also agreed for the term of the Calianese Employment Agreement and three years thereafter, to pay for and maintain legal malpractice insurance covering Ms. Calianese for occurrences and actions taken by her at any time prior to or during the term of such agreement on behalf of us or our employees. We have also agreed to pay all sums, which may be deductible amounts, not otherwise paid by such insurer.

In the event that Messrs. Jurick, Raab and Corby and Ms. Calianese, were to be terminated due to permanent disability, without cause or as a result of constructive discharge, the estimated dollar amount to be paid after March 31, 2002 to each such individual, based on the terms of their respective contracts, would be \$995,000, \$622,000, \$575,000 and \$498,000, respectively.

Mr. Bunker, who is a Director of Emerson and SSG, serves on the Compensation Committees of both companies. Kenneth A. Report of Compensation and Personnel Committee

The Compensation and Personnel Committee of our Board of Directors (the "Compensation Committee") oversees our senior executive compensation strategy. The strategy is implemented through policies designed to support the achievement of our business objectives and the enhancement of stockholder value. Our Compensation Committee reviews, on an ongoing basis, all aspects of senior executive compensation and its policies support the following objectives:

- o The reinforcement of management's concern for enhancing stockholder value.
- o The attraction, hiring and retention of qualified executives.
- o The provision of competitive compensation opportunities for exceptional performance.

The basic elements of our senior executive compensation strategy are:

Base salary. Base salaries for our senior executive managers represent compensation for the performance of defined functions and assumption of defined responsibilities. The Compensation Committee reviews each senior executive's base salary on an annual basis. In determining salary adjustments, the Compensation Committee considers our growth in earnings and revenues and the executive's performance level, as well as other factors relating to the executive's specific responsibilities. Also considered are the executive's position, experience, skills, potential for advancement, responsibility, and current salary in relation to the expected level of pay for the position. Our Compensation Committee exercises its judgment based upon the above criteria and does not apply a specific formula or assign a weight to each factor considered.

Annual incentive compensation. At the beginning of each year, our Board of Directors establishes our performance goals for that year, which may include target increases in sales, net income and earnings per share, as well as more subjective goals with respect to marketing, product introduction and expansion of customer base. Bonuses awarded to executive officers are discretionary based primarily upon individual achievement, with the exception of Messrs. Andriani and Murray who are compensated based upon an incentive formula.

Long-term incentive compensation. Our long-term incentive compensation for management and employees consists of stock options awarded under the 1994 Stock Compensation Program.

Our Compensation Committee views the granting of stock options as a significant method of aligning management's long-term interests with those of the stockholders and determines awards to executives based on its evaluation of

criteria that include responsibilities, compensation, past and expected contributions to the achievement of our long-term performance goals. Stock options are designed to focus executives on our long-term performance by enabling them to share in any increases in value of our stock.

Our Compensation Committee encourages executives, individually and collectively, to maintain a long-term ownership position in our stock. The Compensation Committee believes this ownership, combined with a significant performance-based incentive compensation opportunity, forges a strong link between our executives and stockholders.

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

Compensation of the Chief Executive Officer

Mr. Geoffrey P. Jurick is our Chief Executive Officer, Chairman of the Board of Directors and President. The Compensation Committee considered the results in all aspects of our business, and Mr. Jurick's performance during Fiscal 2002.

Mr. Jurick's annual compensation for Fiscal 2002, comprised of an annual base salary of \$411,600, is consistent with our Committee's targeted annual compensation level and with the limitations previously established by the Settlement Agreement. In Fiscal 2002, Mr. Jurick also received \$250,000 in salary for the services he rendered to SSG. See "Summary Compensation Table" and "Certain Relationships and Related Transactions - Certain Outstanding Common Stock".

Policy on Qualifying Compensation

Our Board of Directors has considered the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Section 162(m) generally provides that, for tax years beginning on or after January 1, 1994, a publicly held company's deduction for compensation paid to its covered employees is limited to \$1 million per year, subject to certain exceptions. Our policy is to qualify, to the extent reasonable, our executive officers' compensation for deductibility under applicable tax laws. However, the Board of Directors believes that its primary responsibility is to provide a compensation program that will attract, retain and reward the executive talent necessary to our success. Consequently, the Board of Directors recognizes that the loss of a tax deduction could be necessary in some circumstances.

This report is submitted by the members of the Board of Directors and the Compensation and Personnel Committee that were in existence at the end of Fiscal 2002.

Report of Audit Committee

The Board of Directors adopted the Audit Committee Charter on June 9, 2000 and reviewed, reassessed and ratified the Charter on June 22, 2001 and July 11, 2002, a copy of which was attached to our Proxy Statement filed with the SEC on July 13, 2000. Management is responsible for Emerson's internal controls and financial reporting process. Emerson's independent auditors are responsible for performing an independent audit of Emerson's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee of the Board of Directors is responsible for

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

monitoring and overseeing these processes. Our common stock is listed on the American Stock Exchange and we are governed by the listing standards of such exchange. All of the members of our Audit Committee have been determined to be "independent directors" under the listing standards of the American Stock Exchange.

In this context, the Audit Committee has reviewed the audited consolidated financial statements and have met and held discussions with management and Ernst & Young, LLP, Emerson's independent auditors ("Ernst & Young"). Management has represented to the Audit Committee that Emerson's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, which includes, among other items, matters related to the conduct of the audit of Emerson's financial statements.

The independent auditors also provided the Audit Committee with written disclosures and the letter required by Independence Standards Board Standard No. 1, which relates to the auditor's independence from Emerson and its related entities, and the Audit Committee discussed with the independent auditors their independence.

Based on the Audit Committee's discussions with management and the independent auditors, as well as the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended to the Board of Directors that Emerson's audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended March 31, 2002 and filed with the SEC.

The Audit Committee has selected Ernst & Young to be retained as Emerson's independent certified public accountants to conduct the annual audit and to report on, as may be required, the consolidated financial statements that may be filed by Emerson with the SEC during the ensuing year.

Audit Fees and Related Matters

Audit Fees

During Fiscal 2002, Emerson was billed approximately \$175,000 by Ernst & Young for the audit of Emerson's annual financial statements for Fiscal 2002 and for the review of the financial statements included in Emerson's quarterly reports on Form 10-Q filed during Fiscal 2002.

Financial Information Systems Design Implementation Fees

We were not billed for and did not receive any professional services described in Paragraph (c)(4)(ii) of Rule 2-01 of the SEC's Regulation S-X (in general, information technology services) from Ernst & Young during Fiscal 2002.

All Other Fees

We were billed \$24,000 for non-audit services (other than non-audit services described above) from Ernst & Young during Fiscal 2002.

Other Matters

The Audit Committee of the Board of Directors has considered whether the provision of non-audit services is compatible with maintaining Ernst & Young's independence.

Of the time expended by Ernst & Young to audit Emerson's financial statement for Fiscal 2002, less than 50% of such time involved work performed by persons other than Ernst & Young's full-time, permanent employees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Relationship with Sport Supply Group, Inc.

As of July 29, 2002, we and Emerson Radio (Hong Kong) Limited ("Emerson HK"), our wholly owned subsidiary, owned 4,746,023 shares, or approximately 53.2%, of the issued and outstanding shares of SSG common stock.

Our Board of Directors includes the following people that are associated with SSG: Geoffrey P. Jurick, our Chairman, Chief Executive Officer and President and Chairman and Chief Executive Officer of SSG, and Peter G. Bunger, a Director of both companies and member of the Compensation Committee of each company. Kenneth A. Corby serves as our Executive Vice President and Chief Financial Officer and as Vice President - Corporate Development of SSG. John P. Walker, our Executive Vice President - Global Management also serves as a Director and President of SSG.

During 1997, we entered into a management services agreement with SSG in an effort to share certain administrative and logistic functions and to enable SSG and Emerson to reduce certain costs. The management services agreement may be terminated by either SSG or us on sixty (60) days' prior notice. We incurred net fees of \$373,000, \$293,000 and \$488,000 for services provided pursuant to this agreement during Fiscal 2002, 2001 and 2000, respectively.

Certain Outstanding Common Stock

On May 25, 2000, we entered into an Option Agreement among us, the Fidenas Liquidator, Barclays and Mr. Jurick and various of his affiliates, pursuant to which we had the right to repurchase 4.1 million shares of our common stock for an aggregate purchase price of \$5.5 million, or \$1.34 per share from the Fidenas Liquidator and Barclays. The Option Agreement arose as a result of a decision of the United States District Court for the District of New Jersey which terminated the Settlement Agreement between Mr. Jurick, the Fidenas Liquidator, the Stelling and Barclays. In May 2001, we paid \$550,000 and we exercised our right to extend the option to purchase such shares of common stock for an additional one year period. In May 2002, we exercised the option, and on June 10, 2002, we purchased the 4.1 million shares of common stock using cash generated from operations.

As a result of the Option Agreement exercise, the outstanding litigation between Mr. Jurick, the Fidenas Liquidator and Barclays was resolved. The Court has not yet implemented the termination of the Settlement Agreement as to Mr. Jurick's remaining creditor (by settlement or court order) and we are unable at the present time to predict the terms or conditions under which it will be resolved.

Future Transactions and Loans

We have adopted a policy that all future affiliated transactions and loans will be made or entered into on terms no less favorable to us than those that can be obtained from unaffiliated third parties. In addition, all future affiliated transactions and loans, and any forgiveness of loans, must be approved by a majority of the independent outside members of our Board of Directors who do not have an interest in the transactions.
