ITEM 5.02 COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

On February 20, 2008, the Compensation Committee of the Standard Register Board of Directors approved a performance-based vesting arrangement for restricted stock to be awarded to all officers, including executive officers. These grants of performance restricted stock (PRS) will be made to executive officers in late February 2008, at the target level of performance, subject to adjustment up or down depending upon achievement of the goal described below. The grants will be governed by the terms of the 2002 Equity Incentive Plan approved by shareholders on April 17, 2002, and filed as an exhibit to the Company's Proxy Statement for the Annual Meeting of Shareholders held on April 17, 2002. The form of Restricted Stock Grant Agreement to be used in connection with the grants of PRS is filed with this report as Exhibit 10.1.

Grants of PRS will vest upon achievement of a pre-determined adjusted operating profit objective by the end of fiscal year 2009. Threshold, target and maximum performance against this objective will result in vesting of some or all of the target awards and possible additional grants. The amount of awards will range from 50% to 150% of the target-level PRS grants made in February 2008. If the objective is not met at the threshold level or greater by the end of fiscal year 2009, the PRS awards granted will be cancelled. Any target awards not earned in the event of under-target performance will also be cancelled.

During the restricted period, the executive officers will receive dividends paid with respect to the granted PRS, and will be entitled to vote the stock. Officers will continue to be eligible for annual grants of stock options, which will vest according to a time-based schedule.

In addition, on February 20, 2008, the Compensation Committee of the Board of Directors of The Standard Register Company adopted an annual short-term incentive compensation plan (Bonus Plan) for executive officers with respect to the 2008 budget year. The Bonus Plan provides for one-time cash awards payable in February 2009, conditioned upon attainment of a minimum pre-determined threshold of pre-bonus adjusted operating earnings (PBAOE) in 2008. A range of cash award is achievable depending upon attainment of threshold, target, or over-target PBAOE. The awards are expressed as specified percentages of each officer's base salary. The target cash award for which each executive officer is eligible ranges from 50% to 75% of base salary at the target PBAOE, depending on the executive officer's position. No bonus is payable if the threshold PBAOE minimum is not met. The maximum bonus an executive officer can earn under the Bonus Plan is 100% to 150% of that officer's base salary. Table 1 below sets forth the bonus amount for each executive officer at the threshold and target levels as well as the maximum bonus under the Bonus Plan.
