PROXY STATEMENT
for
ANNUAL MEETING OF STOCKHOLDERS
to be held on Tuesday, May 14, 2002

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cornerstone Strategic Value Fund, Inc., a Maryland corporation (the "Fund") for use at the Annual Meeting of Stockholders for the year 2002 (the "Meeting") to be held at the executive offices of Bear Stearns Funds Management Inc., 383 Madison Avenue, 13th Floor, Conference Room 301, New York, New York 10179 on Tuesday, May 14, 2002, at 10:00 a.m., New York time, and at any and all adjournments thereof. A form of proxy is enclosed herewith. This Proxy Statement and the accompanying form of proxy are being first mailed to stockholders on or about April 15, 2002.

Any stockholder who executes and delivers a proxy may revoke it by written communication to the Secretary of the Fund at any time prior to its use or by voting in person at the Meeting. Unrevoked proxies will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR the election of Messrs. Edwin Meese III and Ralph W. Bradshaw as the nominees for Director, FOR the ratification of the selection of Tait, Weller & Baker as the independent accountants of the Fund for the year ending December 31, 2002, and AGAINST the stockholder's proposal to open-end the Fund.

In general, abstentions and broker non-votes, as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal where the broker does not have discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund's outstanding shares of common stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes have no effect on the outcome of a proposal. A broker non-vote is a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power.

-1-

Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of record of one-third of the outstanding shares of common stock of the Fund entitled to vote at the Meeting. In the event that a quorum is not present at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting to a date not more than one hundred twenty (120) days after the original record date to permit

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC/ NEW - Form DEF 14A

further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion.

The cost of soliciting the proxies will be borne by the Fund. Proxy solicitations will be made primarily by mail, but solicitations may also be made by telephone, telegraph or personal interviews conducted by officers or employees of the Fund or Bear Stearns Funds Management Inc., the administrator to the Fund (the "Administrator").

Only holders of issued and outstanding shares of the Fund's common stock of record at the close of business on March 29, 2002 are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock so held. The number of shares of common stock outstanding on March 29, 2002 was 3,813,260. The Fund is a closed-end, diversified management investment company.

Copies of the Fund's most recent annual report may be ordered free of charge to any stockholder by writing to the Fund at c/o Bear Stearns Funds Management Inc., 383 Madison Avenue, New York, New York 10179, or by calling collect (212) 272-2093. This report is not to be regarded as proxy-soliciting material.

This Proxy Statement is first being mailed to stockholders on or about April 15, 2002.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Fund's By-Laws, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. Each class has a term of three years and each year the term of office of one class expires. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

At the Meeting, stockholders will be asked to elect two Class I Directors to hold office until the year 2005 Annual Meeting of Stockholders or thereafter until each of their respective successors is duly elected and qualified. The term of office of the Class II Directors, currently consisting of Messrs. Thomas H. Lenagh and Scott B. Rogers, expires at the year 2003 Annual Meeting of Stockholders or thereafter in each case until their successors are duly elected and qualified. The term of office of the Class III Directors, Messrs. Glenn W. Wilcox, Sr. and Andrew A. Strauss, expires at the year 2004 Annual Meeting of Stockholders or thereafter in each case until their successors are duly elected and qualified.

At the Meeting, stockholders will be asked to vote for the election of Messrs. Ralph W. Bradshaw and Edwin Meese III as Class I Directors to serve

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC/ NEW - Form DEF 14A

until the year 2005 Annual Meeting of Stockholders or thereafter until each of their successors is duly elected and qualified. If elected, each nominee has consented to serve as a director of the Fund until his successor is duly elected and qualified.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of Messrs. Ralph W. Bradshaw and Edwin Meese III. Each nominee has indicated that he will serve if elected, and the Board of Directors has no reason to believe that any of the nominees named above will become unavailable for election as a director, but if any nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named in the proxy in accordance with their judgment.

The following table sets forth the names, addresses, ages and principal occupations of each of the nominees for election as Class I Directors:

AUDIT COMMITTEE

The Fund's Audit Committee is currently composed of five independent directors, Messrs. Wilcox, Strauss, Meese, Lenagh and Rogers. The principal functions of the Audit Committee include but are not limited to: (i) recommendations to the Board for the appointment of the Fund's independent accountants; (ii) review of the scope and anticipated cost of the independent accountant's audit; and (iii) consideration of the independent accountant's reports concerning their conduct of the audit, including any comments or recommendations the Board of Directors might make in connection thereto. The Audit Committee convened three times during the fiscal year ended December 31, 2001. Each member of the Audit Committee attended at least seventy-five percent (75%) or more of the three meetings of the Audit Committee.

On June 1, 2000, the Audit Committee, followed by the full Board of Directors, adopted a written charter setting forth the duties and responsibilities of the Audit Committee, and such charter was reapproved by the Board of Directors on February 9, 2001 and February 14, 2002, respectively. The Audit Committee recommends to the Board of Directors, subject to stockholder approval, the selection of Tait, Weller & Baker, as the Fund's independent accountants.

On February 25, 2002, the Board of Directors and the Audit Committee determined to replace PricewaterhouseCoopers LLP ("PwC") as the Fund's independent accountants. PwC's accountant report for the past two years did not contain any adverse opinion or any qualification as to uncertainty, audit scope or accounting principles. Further, the Board's decision to replace PwC was not due to any disagreement on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and Section 30(h) of the 1940 Act in combination require the Fund's directors and officers, persons who own more than ten (10%) of the Fund's common stock, and the Fund's investment manager and its directors and officers, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange, Inc. The Fund believes that the Fund's directors and officers, the Fund's investment manager and its directors and officers have complied with all applicable filing requirements during the year ended December 31, 2001.

REQUIRED VOTE

Directors are elected by a plurality (a simple majority of the votes cast at the meeting) of the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of Directors, abstentions and broker non-votes will be counted as shares present for quorum purposes, will be considered votes cast, and will affect the plurality vote required for Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF MESSRS. EDWIN MEESE III AND RALPH W. BRADSHAW AS CLASS I DIRECTORS OF THE FUND.

-12-

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

The second proposal to be submitted will be the ratification or rejection of the selection by the Board of Directors of Tait, Weller & Baker as independent accountants of the Fund for the year ending December 31, 2002. At a meeting held on February 25, 2002, the Board of Directors, including those directors who are not "interested persons" of the Fund, approved the selection of Tait, Weller & Baker for the year ending December 31, 2002 and determined to replace PricewaterhouseCoopers LLP. Such selection is being submitted to the stockholders for ratification. The engagement of Tait, Weller & Baker is conditioned on the right of the Fund, by majority vote of its stockholders, to terminate such employment.

Tait, Weller & Baker has informed the Fund that it has no material direct or indirect financial interest in the Fund. A representative of Tait, Weller & Baker will be available by telephone at the Meeting and will have the opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

REQUIRED VOTE

Ratification of the selection of Tait, Weller & Baker as independent accountants of the Fund requires the affirmative vote of the holders of a simple majority, defined as a majority of the votes cast by holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of this proposal, abstentions and broker non-votes will be counted as shares present at the Meeting for quorum purposes and will have no effect on the outcome of this Proposal.

THE BOARD OF DIRECTORS, INCLUDING THE "NON-INTERESTED" DIRECTORS, RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF TAIT, WELLER & BAKER AS THE FUND'S INDEPENDENT ACCOUNTANTS.

PROPOSAL NO. 3:

SHAREHOLDER PROPOSAL REQUESTING THAT THE FUND
BE CONVERTED INTO AN OPEN-END FUND

Karpus Management, Inc. d/b/a Karpus Investment Management ("KIM"), 183 Sully's Trail, Pittsford, New York, New York 14534, have submitted the following proposal for inclusion in this Proxy Statement. KIM claims that it has owned shares of the Fund with a market value of at least \$2,000 continuously for the preceding year and intends to maintain the required ownership through the date of the Meeting. The Board of Directors and the Fund accept no responsibility for the accuracy of either the proposal or of KIM's supporting statement.

STOCKHOLDER PROPOSAL

Karpus Investment Management proposes: Cornerstone Strategic Value Fund, Inc. (CLM) be converted to an open-end fund within 90 days after acceptance by the shareholders.

SUPPORTING STATEMENT

It is the belief of KIM that current Fund Management of CLM is not making significant strides in closing the discount at which the Fund trades. For the time period from January 5, 2001 through December 7, 2001 the Fund has traded at an average discount of 15.79%.

Management claims that the share buy back program can help close this discount over time. It is the opinion of KIM this can not happen simply by the Fund repurchasing shares. KIM believes that drastic steps must occur for the shareholders to recognize the full economic value of their investment.

KIM believes the only way for shareholders to reap the full value of their investment is to open-end the Fund. If this would occur, shareholders would immediately increase the value of their investment by 14.46% (based on the net asset value of December 7, 2001)!

It is the opinion of KIM that the current Fund Management may not have sufficient experience to be the best choice for managing the Fund. KIM believes that the Fund's Manager lacks adequate experience in managing individual securities (only funds in a closed-end format). The current manager does not have a track record, known to KIM, to instill our confidence in their abilities.

Poor performance in both price and net asset value does not have to be tolerated by the shareholders. Management will claim that they are doing a good job and they have not been the manager long enough for shareholders to recognize their abilities. KIM believes that the shareholders must act now. Time is not on the side of the shareholders to wait!

-14-

From January 4, 2001 through December 6, 2001 the net asset value performance of CLM has equaled - 19.4518% (-20.9417 annual equivalent). The price performance of the Fund has been equally dismal. For the same holding period price performance equaled -20.80% (-22.3781 annual equivalent) (All calculations by Bloomberg). KIM believes that the shareholders deserve better performance than what has been delivered in 2001.

CLM is plagued by low trading volume. Trading volume from January 4, 2001 through December 6, 2001 has averaged a mere 8,706 shares. It is KIM's opinion that shareholders who wish to liquidate large positions could severely depress the price at which the Fund trades. This could cause economic harm to shareholders remaining in CLM.

KIM believes open ending is the only possible method for shareholders to recognize the economic reality of their investment. Open ending would allow shareholders, such as KIM, who do not have confidence in the direction of the Fund's management, to get out of the Fund.

Should CLM be open ended at net asset value, shareholders would recognize an immediate economic benefit of approximately 14.46% (based on price of \$7.93 and NAV of \$9.27 as of 12/7/01).

KIM further believes that any Investment Adviser is not fulfilling their Fiduciary duty to their clients if they do not vote to open end CLM.

STATEMENT OF POSITION OF THE BOARD OF DIRECTORS IN OPPOSITION TO THE
SHAREHOLDER PROPOSAL

The shareholder proposal asks that the Fund be converted to an open-end fund in order to provide full Net Asset Value (NAV) to those shareholders wishing to leave the Fund. All of the Directors believe that this is not the most effective means to deliver long-term added value to a majority of shareholders. The full Board opposes the proposal and believes that open-ending should be rejected in favor of other means of maximizing shareholder value within the closed-end structure. The Board believes that somewhat more patience is justified in an attempt to reap potentially greater rewards. The goal of this Board is not to pit one shareholder against another, but to establish a balance that satisfies the greatest number of shareholders.

During the first quarter of 2001, the Fund substantially under-performed the S&P 500 benchmark, which fell 12.1%. Following Cornerstone

Advisors' becoming the Fund's investment manager, after the end of the first quarter of 2001, the benchmark continued to decline through the end of the year as the U.S. entered a recession in March which was followed by the September 11th tragedy and its aftermath.

-15-

In spite of this challenging environment over the last three quarters of 2001, the Fund's price appreciated 3.9% and the Fund's discount to NAV closed to 12.5% by the end of the year. While nine months is not enough time for effective evaluation, we believe our approach that includes repurchasing shares at a discount, optimizing Fund expenses, and diversifying the Fund's portfolio has and will continue to create significant added value for our shareholders.

Different types of investors have their own agendas and their own beliefs. The closed-end structure is fundamentally different from an open-end structure or one that provides NAV on demand. Attempts to deliver NAV immediately to a minority of shareholders who wish to exit the Fund may well destroy or diminish the advantages otherwise enjoyed by the remaining shareholders. For the time being, the current Board is committed to realizing the potential of the Fund without changing its fundamental nature.

The major benefits of the closed-end structure to long-term shareholders are threefold: flexibility in managing fund assets, lower expenses, and performance enhancement through profiting from the discount.

Flexibility in managing fund assets. Unlike open-end funds, closed-end funds are not subject to cash flow disruptions caused by inflows or outflows of capital when shareholders buy new shares or redeem shares. This permits Fund management to take a more long-term perspective on investments and may permit a more effective investment strategy. This may in turn produce higher long-term portfolio returns. In addition, cash can be raised to take advantage of anticipated market declines without fear that it will instead have to be used to satisfy the shareholder redemptions in open-end funds that normally accompany market reversals. Less liquid securities, such as other closed-end funds selling at discounts, can be placed in the Fund's portfolio without fear that redemptions will require untimely sales to raise capital.

Lower expenses. Because closed-end funds need not engage in many of the shareholders services normally required of open-end funds and do not have the same marketing and communication activities, costs can be kept to a minimum. The current Directors have found many ways to reduce expenses and are pursuing many more. The Board remains convinced that closed-end funds can be run more cost effectively than open-end funds and that these savings, along with the additional flexibility in managing Fund assets, may well permit substantial additional returns to be realized over time as compared with equivalent open-end funds.

Profiting from the discount. Closed-end funds often sell at discounts, at least part of the time. A fund that purchases its own shares at a discount benefits loyal, long-term shareholders in two ways. First, the net asset value is automatically increased at no additional risk. Second, the supply

of shares available for sale at a discount is reduced and this creates price pressure which is likely to reduce the discount and enhance share value. While the extra liquidity may benefit shareholders who choose to sell their shares, the greatest value of an ongoing buyback program accrues to long-term shareholders. Shareholders who view the fund as a long-term, tax efficient investment may be better off in a closed-end structure at a nominal or moderate discount which fluctuates.

For all these reasons, the Board unanimously recommends that stockholders vote AGAINST this stockholder proposal.

EFFECT OF PASSAGE OF THE PROPOSAL

This advisory Proposal requires the affirmative vote of a majority of shares voting at the Meeting for passage. The Investment Company Act of 1940 requires that any conversion of a closed-end investment company to an open-end investment company be by a vote of a majority of the Fund's outstanding voting securities. The term a majority of the Fund's outstanding voting securities is defined by the 1940 Act to mean the vote, at the annual or a special meeting of the security holders of such company duly called (a) of 67 per centum or more of the voting securities present at such meeting, if the holders of more than 50 per centum of the outstanding voting securities of such company are present or represented by proxy; or (b) of more than 50 per centum of the outstanding voting securities of such company, whichever is the less.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
STOCKHOLDERS VOTE AGAINST PROPOSAL NO. 3
