THE LEATHER FACTORY, INC.

We are a retailer and wholesale distributor of a broad line of leather and related products, including leather, leatherworking tools, buckles and adornments for belts, leather dyes and finishes, saddle and tack hardware, and do-it-yourself kits. We also manufacture leather lacing and kits. During 2003, our consolidated sales totaled \$41.7 million of which approximately 6.6% were export sales. Our common stock trades on the American Stock Exchange under the symbol "TLF".

At June 30, 2004, we operated 30 Leather Factory wholesale distribution centers and 32 Tandy Leather retail stores. We also own and operate Roberts, Cushman and Company, Inc., a manufacturer of custom hat trims.

Our three segments can be summarized as shown below:

1. THE LEATHER FACTORY sells to a mixture of customers that include resellers, national accounts, institutional and retail customers and manufacturers. The Leather Factory's products are leather and related products, including leatherworking tools, buckles and adornments for belts, leather dyes and finishes, saddle and tack hardware, and do-it-yourself kits. We have a

chain of 30 outlet stores located in the United States and Canada.

2. TANDY LEATHER COMPANY sells primarily to retail customers through a chain of retail stores located in the United States. Products include quality tools, leather, accessories, kits and teaching materials. Tandy Leather is the oldest and best-known supplier of leather and related supplies used in the leathercraft industry. From its founding in 1919, Tandy has been the primary leathercraft resource worldwide. We acquired the assets of Tandy Leather in late 2000, and in early 2002, we initiated a plan to expand Tandy Leather by opening or acquiring retail stores. As of April 15, 2004, we have added 30 Tandy Leather retail stores located in the United States and Canada.

3. ROBERTS, CUSHMAN & COMPANY manufactures decorative hat trims that are sold directly to hat manufacturers and distributors. Its operations are not material to our financial results.

Our growth, measured both by our net sales and net income, occurs as a result of the increase in the number of stores we operate and the increase from year to year of the sales in our existing stores. The following tables provide summary information concerning the additions of facilities for our Leather Factory wholesale centers and Tandy Leather retail stores in each of our fiscal years from 1999 to 2003.
