GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive this proxy statement?

Because you are a stockholder of Tandy Leather Factory, Inc. as of the record date and entitled to vote at the 2011 Annual Meeting of Stockholders, our Board of Directors is soliciting your proxy to vote at the Annual Meeting. You are invited to attend our Annual Meeting on May 18, 2011, beginning at 10:00 am, CDT. The Annual Meeting will be held at our corporate headquarters, 1900 Southeast Loop 820, Fort Worth, Texas 76140-1003.

This proxy statement summarizes the information you need to know to vote at the Annual Meeting. This proxy statement and form of proxy were first mailed to stockholders on or about April 10, 2011.

What am I voting on?

You are voting on three items:

1. Election of nine directors for a term of one year.
2. An advisory vote on the Company's executive compensation as disclosed in these materials; and
3. An advisory vote on the frequency of future advisory votes on executive compensation.

At the date this proxy statement went to press, we did know not of any other matters to be raised at the Annual Meeting.

What are the voting recommendations of the board of directors?

The Board of Directors recommends that you vote your shares:

- "FOR" each of the nominees to the Board of Directors;
- "FOR" the approval, on an advisory basis, of the compensation of the Company's named executive officers as disclosed in these materials; and
- "1 YEAR" for the proposal regarding an advisory vote on the frequency of future advisory votes on executive compensation.

Who is entitled to vote?

Stockholders of record as of the close of business on April 1, 2011 (the record date) are entitled to vote at the Annual Meeting. As of that date, a total of 10,156,442 shares of common stock were outstanding and entitled to vote. Each share of common stock is entitled to one vote.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare Transfer Corporation, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name”, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting, unless you bring with you a legal proxy from the stockholder of record. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

How do I vote?

Your vote is important. You can save us the expense of a second mailing by voting promptly. Because many stockholders cannot attend the Annual Meeting in person, it is necessary that a large number be presented by proxy.

If you are a stockholder of record, there are three ways to vote:

- By Internet at www.proxyvote.com;
- By completing and mailing your proxy card; or
- By written ballot at the Annual Meeting.

If you vote by Internet, your vote must be received by 11:59 PM Eastern Time on May 17th, the business day before the Annual Meeting. Your shares will be voted as you indicate. If you return your proxy card, but you do not indicate your voting preferences, your shares will be voted in accordance with the recommendations of the Board of Directors as described in these proxy materials.

If your shares are held in a brokerage account in your broker’s name, you should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions via the Internet to your broker or nominee. If you provide specific voting instructions by mail or the Internet, your shares should be voted by your broker or nominee as you have directed.

We will distribute written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares in street name, you must request a legal proxy from your broker to vote at the Annual Meeting.

Table of Contents

Is my vote confidential?

Yes. It is our policy that all proxies, ballots, and vote tabulations that identify the vote of a stockholder will be kept confidential from us and our directors, officers, and employees until after the final vote is tabulated and announced, except in limited circumstances including any contested solicitation of proxies, when required to meet a legal requirement, to defend a claim against us or to assert a claim by us, and when written comments by a stockholder appear on a proxy card or other voting material.

Who counts the votes?

We will appoint two persons as inspectors of election for the Annual Meeting who will count the votes cast.

What is the quorum requirement of the meeting?

A majority of the outstanding shares determined on April 1, 2011, represented in person or by proxy at the Annual Meeting constitutes a quorum for voting on items at the Annual Meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes (discussed below) will be counted in determining the quorum. Neither, however, will be counted as votes cast.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. In general, the broker or nominee would have the discretion to vote these shares. If you hold your shares in street name, it is critical that you return the voting instruction card to your broker, bank or nominee if you want your votes to count in the election of directors. In the past, if you held your shares in street name, and you did not indicate how you wanted your shares to be voted in the election of directors, your broker, bank or nominee was allowed to vote those shares on your behalf in the election of directors as they felt appropriate. Recent regulatory changes have taken away the ability of your broker, bank or nominee to vote your uninstructed shares in the election of directors, or with respect to either of the advisory votes related to executive compensation described in this proxy statement on a discretionary basis. Therefore, if you hold your shares in street name and do not instruct your bank, broker or nominee on how to vote in the election of directors or with respect to either of the advisory votes related to executive compensation described in this proxy statement, your shares will not be voted for any director nominee, with respect to either of the advisory votes related to executive compensation described in this proxy statement, or on any other proposal on which your broker does not have discretionary authority (resulting in a “broker non-vote”).

What vote is required to approve the proposal?

The nine nominees for Director receiving the highest number of “FOR” votes at the Annual Meeting will be elected.

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy by stockholders entitled to vote on the matter is required to provide advisory approval of the executive compensation of our named executive officers. Abstentions and broker “non-votes” are not counted as votes cast.

The approval of the frequency of future advisory votes on executive compensation (every one, two or three years) is a plurality vote. Accordingly, abstentions and broker “non-votes” will not be counted for purposes of determining the approval of the frequency of future advisory votes. Our Board of Directors will consider stockholders to have expressed a non-binding preference for the frequency option that receives the most favorable votes.

What does it mean if I get more than one proxy card?

It means your shares are in more than one account. You should vote the shares on all of your proxy cards.

How can I consolidate multiple accounts registered in variations of the same name?

If you have multiple accounts, we encourage you to consolidate your accounts by having all your shares registered in exactly the same name and address. You may do this by contacting our transfer agent, Computershare Trust Corporation, by phone (303/262-0703) or by mail to 350 Indiana Street, Suite 800, Golden, Colorado 80401.

What if I want to change my vote?

You can change your vote on a proposal at any time before the Annual Meeting for any reason by revoking your proxy. Proxies may be revoked by:

- Filing a written notice of revocation, bearing a date later than the proxy date, with our secretary at or before the Annual Meeting;
- Properly executing a later proxy relating to the same shares; or
- Attending the Annual Meeting and voting in person; however, attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy.

Any written notice revoking a proxy should be sent to: Secretary, Tandy Leather Factory, Inc., 1900 SE Loop 820, Fort Worth, Texas 76140-1003.

Where can I find the voting results of the Annual Meeting?

We plan to announce preliminary voting results at the Annual Meeting and publish final results in our quarterly report on SEC Form 10-Q for the second quarter of 2011.

How can I receive a copy of the annual report?

We provide a free copy of our Annual Report on Form 10-K that includes the financial statements and schedules, but does not include the exhibits. If you would also like the report's exhibits, we will provide copies of the exhibits. We may charge a reasonable fee for providing these exhibits.

In order to receive a free copy of our Annual Report on Form 10-K, you must request it in writing and mail the request to Tandy Leather Factory, Inc., 1900 SE Loop 820, Fort Worth, Texas 76140-1003, Attention: Shannon L. ADDITIONAL INFORMATION CONCERNING OUR BOARD OF DIRECTORS

Meeting Attendance

During fiscal 2010, the Board of Directors held five meetings. All current directors who served during 2010 attended 75% or more of the aggregate of the total number of meetings of the Board of Directors and of committees of the Board of which he or she was a member. We encourage and expect our Board members to attend our Annual Meeting absent extenuating circumstances, but we do not have a formal policy requiring attendance. All of our Board members attended our Annual Meeting held in 2010.

Director Independence

The Board of Directors has considered the listing requirements of the NASDAQ for "independence" of directors, and it has determined that T. Field Lange, Joseph R. Mannes, L. Edward Martin III, Michael A. Nery, and J. Bryan Wilkinson, our non-employee directors, are independent. Our independent directors hold executive sessions at least once a year.

Board Leadership Structure

Until January 2007, we operated under the traditional U.S. board leadership structure with our Chief Executive Officer also serving as Chairman of the Board. When Mr. Thompson, who had served as our only chairman/CEO, resigned as CEO in December 2006, our Board re-evaluated its leadership structure. Beginning in January 2007 with the appointment of Mr. Ron Morgan as our CEO, the Board determined it appropriate to separate the roles of CEO and Chairman, allowing the CEO to run the Company and the Chairman to run the Board. In addition, the Board believed Mr. Thompson, having been one of its founders, was the most qualified to lead the Board due to his invaluable experience and knowledge of the Company. Mr. Morgan resigned as CEO in June 2009, at which time Jon Thompson was appointed to the position.

We believe our CEO and our Chairman have an excellent working relationship that has allowed the CEO to focus on the challenges that we face in the current business environment. The separation of the CEO and Chairman positions provides strong leadership for our Board, while also positioning our CEO as our leader in the eyes of our customers, employees, and other stakeholders.

Our board has five independent members and four non-independent members. We have three Board committees comprised solely of independent directors, with two different independent directors serving as chairs of the committees. We believe that the number of independent, experienced directors that make up our Board benefits us and our stockholders.

Risk Oversight

Our Audit Committee is primarily responsible for overseeing our risk management processes on behalf of the full Board, focusing on the most significant risks facing us and our general risk management strategy, and also ensuring that risks undertaken by us are consistent with the Board's appetite for risk. Management is responsible for the development, implementation, and maintenance of our risk management processes and provides periodic reports to the Audit Committee on its assessment of strategic, operational, financial, competitive, reputational, and legal risks to us. We believe this division of responsibilities is the most effective approach for addressing the risks we face and that our Board leadership structure supports this approach.

Director Compensation

Non-employee directors receive \$1,500 for each Board meeting attended in person and \$500 for each Board meeting attended via telephone. Each member of the Audit Committee receives \$1,000 for each Audit Committee meeting attended, with the exception of the Audit Committee chairman who receives \$1,500 for each Audit Committee meeting attended. The members of each of the Compensation Committee and the Nominating Committee receive \$500 for each committee meeting attended, with the exception of committee chairmen who received \$750 for each committee meeting attended. We entered into a consulting agreement with Wray Thompson effective January 1, 2010, pursuant to which we pay Mr. Thompson \$25,000 per year for serving as our Chairman of the Board. In addition, we are currently authorized to grant nonqualified stock options to purchase 3,000 shares of our common stock per year to each of our non-employee directors under our 2007 Director Non-Qualified Stock Option Plan. The goal of this stock option plan is to provide a means of attracting and retaining competent non-employee personnel to serve on our Board of Directors by offering individuals long-term equity incentives tied to our performance. Each of our non-employee directors is eligible to participate in this option plan.

He continues to serve as our Chairman of the Board under a consulting arrangement pursuant to which we pay Mr. Thompson \$25,000 per year.

Nominating Committee

We have a Nominating Committee consisting of four directors, all of whom are "independent" under the listing requirements of NASDAQ. The Nominating Committee met once during 2010.

The Board of Directors has adopted a written charter for the Nominating Committee, which is available on our website at www.tandyleatherfactory.com. This charter provides that the Nominating Committee is responsible for identifying individuals qualified to become directors consistent with criteria established by the Board of Directors. Although the board of directors has not yet established these criteria, the charter also provides that the Nominating Committee shall take into account such additional factors as it deems appropriate in evaluating candidates. The goal of the Nominating Committee is to maintain a strong and experienced Board and to ensure that each member of our Board possesses the highest personal and professional ethics and integrity and is devoted to representing our best interests and the best interests of our stockholders. The Nominating Committee considers factors, which include strength of character, mature judgment, career specialization, relevant technical skills, diversity and the extent to which a candidate would fill a present need on the Board. The Nominating Committee values all types of diversity, including diversity of viewpoint, background, technical skills, industry knowledge and experience and takes such diversity into account when considering the overall mix of qualifications of candidates for nomination to the Board. In addition, the charter states that the Nominating Committee will consider stockholder

recommendations of director nominees, as well as nominations by our senior officers. The Nominating Committee plans to evaluate all director nominees in a like manner without regard as to who recommended the nomination. Traditionally, we have not engaged third parties to identify or evaluate potential directors or to assist in that process. In addition, the Nominating Committee makes a review and evaluation at least annually of the Board of Directors and the Nominating Committee's own performance. Further, the Nominating Committee recommends persons to serve on the Nominating Committee as members, as well as the possible removal of any incumbent Nominating Committee members.

Stockholders may nominate director nominees for consideration by writing to our corporate secretary at 1900 Southeast Loop 820, Fort Worth, Texas 76140. Any such nomination must include:

- As to each person whom the stockholder proposes to nominate for election or re-election as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or as otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor regulation thereto (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and
- The nominating stockholder's name and address, as they appear on our books, and the class and number of our shares beneficially owned by him.

The Nominating Committee recommended to the Board of Directors that all nine director nominees listed in this Proxy Statement serve as directors for a term ending on the date of the 2012 Annual Meeting of Stockholders.

The Nominating Committee will consider nominees for directors recommended by our stockholders and will evaluate such nominees using the same criteria used to evaluate director candidates as described above. In order to be considered by the Nominating Committee with respect to nominees for the 2012 Annual Meeting of Stockholders, prospective nominee recommendations must be received by the corporate secretary no later than 30 days and no earlier than 60 days before such meeting.

Audit Committee

The Audit Committee's basic role is to assist the Board in fulfilling its fiduciary responsibility pertaining to our accounting policies and reporting practices. Among other duties, the Audit Committee is to be the Board's principal agent in assuring the independence of our outside auditor, the integrity of management, and the adequacy of disclosures to stockholders. The Board has determined that all members of the Audit Committee are "independent" under the applicable rules of the NASDAQ and that Joseph R. Mannes, chairman of the Audit Committee in 2009 and 2010, and T. Field Lange, Audit Committee member, both qualify as an "audit committee financial expert" within the meaning of Item 407(d)(5) of Regulation S-K. The Board of Directors has adopted a written charter for the Audit Committee, which is available on our website at www.tandyleatherfactory.com. The Audit Committee met four times during 2010. The Report of the Audit Committee for the fiscal year ended December 31, 2010 appears below.

Our Audit Committee selected Weaver LLP to serve as our independent public accountant for the years ended December 31, 2009 and 2010, as well as for the first three quarters of 2011. A representative of Weaver LLP is expected to attend our Annual Meeting. The representative will have the opportunity to make a statement at the Annual Meeting and respond to appropriate questions from you, our stockholders. Our Audit Committee has not named the independent public accounting firm that will serve as outside auditor for 2011. The Audit Committee expects to select the independent auditors to audit our annual financial statements for 2011 during the next few months, as part of the Audit Committee's normal selection process.

Audit Fees

Weaver LLP performed the audits of our 2009 and 2010 financial statements, as well as the reviews of our Forms 10-Q for the same periods. The amounts shown below are the aggregate amounts paid to Weaver LLP during 2009 and 2010 for services in the categories indicated.

Types of Fees	2009	2010
Audit fees	\$84,900	\$86,400
Audit-related fees (review of Form S-8)	-	400
Tax fees	-	-
All other fees	-	-
Total	\$84,900	\$86,800

In accordance with the charter of our Audit Committee as in effect at the relevant times and the rules of the SEC, the Audit Committee approved all of the fees indicated above before the services were provided.

Report of the Audit Committee

As members of the Audit Committee, we oversee the Company's financial reporting process on behalf of our Board of Directors. Management is responsible for the preparation, presentation, and integrity of our financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations.

During 2010, we recommended and the Board approved the appointment of Weaver LLP as independent auditors for the year ended December 31, 2010. Our auditors are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2010 with our management and has discussed with Weaver LLP the matters required to be discussed by Statement on

Auditing Standards Board Standard No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received from Weaver LLP the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding Weaver LLP's communications with the Audit Committee concerning independence and the Audit Committee has discussed with Weaver, LLP their independence from Tandy Leather Factory, Inc. and our management.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the SEC.

The foregoing report was submitted by the Audit Committee and shall not be deemed to be "soliciting material" or to be "filed" with the SEC or subject to Regulation 14A promulgated by the SEC or Section 18 of the Exchange Act.

COMPENSATION DISCUSSION AND ANALYSIS

The primary focus of our executive compensation programs is to improve our performance year over year and over a longer-term period. The compensation programs were designed to provide the tools necessary to hire executives with the skills needed to manage the company to meet these goals and to retain them over the long-term. In developing the programs, a key consideration was to have plans that were easy to understand and administer, while being competitive with companies of similar size and philosophy. Over the past several years, management and the Compensation Committee have worked to refine the compensation programs used to ensure that they support these goals and our ongoing business objectives. Our philosophy has been to reward team performance, measured by our overall results.

Compensation Committee

The Compensation Committee is responsible for recommending to the Board of Directors the compensation program of the executive officers. The committee submits all issues concerning executive compensation to the full Board of Directors for approval. It may not delegate this authority. The Compensation Committee does not review or approve stock option grants. The Board of Directors has adopted a written charter for the Compensation Committee, which is available on our website at www.tandyleatherfactory.com. The Compensation Committee met one time during 2010.

Compensation for our executive officers consists of the following components:

- Base salary;
- Annual incentive bonus; and
- Retirement and other benefits.

Each of these elements of pay is described below.

Base Salary

Base salaries are intended to reward our executive officers based upon their roles within the Company and for their performance in those roles. Base salaries are established when an executive officer is hired, based on prior experience and is informally compared to salaries for comparable positions in other companies. No formal process is undertaken to review comparable executive compensation information from other companies. Base salaries are generally increased annually assuming our financial performance, including sales and earnings growth as well as cash and inventory levels, is satisfactory.

Bonuses

We award discretionary bonuses to our executive officers, generally limited to a maximum of 5% of pretax income based on historical bonus awards, as determined by the Compensation Committee. We determine these bonuses on a subjective basis, considering business prospects for the upcoming year and the improvement in our net income and financial position for the year in question. Awarded bonuses are considered on a calendar year basis and paid to our executive officers during the first quarter of the following year.

Retirement and other benefits

Our benefits program includes a retirement plan and a group insurance program. The objective of the program is to provide executive officers with reasonable and competitive levels of protection against the four contingencies (retirement, death, disability and ill health) that could interrupt the executive officer's employment and/or income received as an active employee. Our retirement plans are designed to provide a competitive level of retirement

income to our executive officers and to reward them for continued service with the company. The retirement program for executive officers consists of a tax-qualified 401(k) Plan that covers all full-time employees. The group insurance program consists of life and health insurance benefits plans that cover all full-time employees.

Stock Options

We had a stock option plan for key employees that expired in 2005, in which our named executive officers, excluding Wray Thompson, were eligible to participate. We do not intend to establish a new stock option plan for key employees at this time.

Role of Executive Officers in Compensation Decisions

Our named executive officers are involved in the design, development and implementation of our executive compensation programs. These officers typically provide their input through consultation with the Chairman of the Compensation Committee and by presentation to the Compensation Committee as a whole. Our executive officers are typically not present at Compensation Committee meetings during Committee deliberations on the compensation packages to be awarded to our executive officers. Our CEO makes recommendations to the Compensation Committee regarding changes in salary and annual bonus awards for other executive officers during the regular merit process. Other executive officers, at the request of the Compensation Committee, provide data about past practices, awards, costs and participation in various plans, as well as information about the Company's annual and longer-term goals. When requested by the Compensation Committee, selected executive officers may also participate in discussions with the Compensation Committee regarding plan design and structure and provide a perspective to the Compensation Committee about how these recommendations may affect recruitment, retention and motivation of our employees.

Compensation Committee Interlocks and Insider Participation

None of the Compensation Committee members was an officer or former officer of ours, nor was any Compensation Committee member a party to any material transaction or relationship with us during the past year. In addition, none of our executive officers served as a member of the compensation or similar committee or board of directors of any other entity of which an executive officer served on our Compensation Committee or our Board of Directors.

Report of the Compensation Committee

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis ("CD&A") with management and, based on such review and discussion, recommended to the board of directors that the CD&A be included in Tandy Leather Factory, Inc.'s Form 10-K and proxy statement.

The foregoing report was submitted by the Compensation Committee and shall not be deemed to be "soliciting material" or to be "filed" with the SEC or subject to Regulation 14A promulgated by the SEC, other than as provided in Item 407 of Regulation S-K, or to the liabilities of Section 18 of the Exchange Act.

Mr. Thompson's salary decreased from \$50,000 in 2008 to \$25,000 in 2009 and 2010 because we have consulted with him less often.

PROPOSAL TWO: ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY” VOTE)

The Board of Directors recommends a vote “FOR” the compensation of our named executive officers as disclosed in this proxy statement.

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), which was signed into law July 21, 2010, added Section 14A to the Securities Exchange Act of 1934, as amended, and requires that we provide our stockholders with an opportunity to cast an advisory vote on the compensation of our named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a “Say-on-Pay” vote, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2010 executive compensation programs and policies and the compensation paid to the named executive officers of the Company.

As discussed in this proxy statement under the heading “Compensation Discussion and Analysis,” our executive compensation program is designed to serve our Company and our stockholders by aligning executive compensation with stockholder interests and by encouraging and rewarding management initiatives that will benefit us and our stockholders, customers, and employees over the long-term.

We are presenting this proposal, which gives you as a stockholder the opportunity to express your view on our executive compensation by voting for or against the following resolution:

“RESOLVED, that the stockholders of Tandy Leather Factory, Inc. approve, on an advisory basis, the compensation paid to the named executive officers of Tandy Leather Factory, Inc., as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosures contained in the proxy statement related to the 2011 Annual Meeting of Stockholders of Tandy Leather Factory, Inc.”

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares entitled to vote on, and who vote for and against, this proposal. Although your vote on this matter is advisory in nature and therefore will not be binding upon the Company, the Compensation Committee or the Board of Directors, your advisory vote will serve as an additional tool to guide the Board of Directors and the Compensation Committee in continuing to improve the alignment of our executive compensation programs with the interests of our Company and our stockholders. The vote on this resolution is not intended to address any specific element of compensation but rather relates to overall compensation of our named executive officers, as described in the proxy statement in accordance with the compensation disclosure rules of the SEC.

PROPOSAL THREE: ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTE ON EXECUTIVE COMPENSATION (“FREQUENCY” VOTE)

The Board of Directors recommends a vote of “1 YEAR” for the frequency with which future advisory votes on the executive compensation of our named executive officers occurs.

The Dodd-Frank Act added Section 14A to the Exchange Act of 1934, as amended, and requires that we provide stockholders with an opportunity to advise the Board of Directors as to whether the Company should conduct an advisory vote with respect to its executive compensation as described pursuant to the compensation disclosure rules of the SEC at every annual, second annual or third annual meeting of stockholders. This proposal, known also as the “Frequency” vote, provides stockholders with the opportunity to vote at this Annual Meeting on the frequency with which we should conduct advisory Say-on-Pay votes in future annual meetings.

We are presenting this proposal, which gives you as a stockholder the opportunity to express your view on the appropriate frequency (every year, every other year, every third year, or abstain) of conducting an advisory Say-on-Pay stockholder vote on our executive compensation by voting for one of the following options:

“RESOLVED, that the stockholders of Tandy Leather Factory, Inc. approve, on an advisory basis, that Tandy Leather Factory, Inc. conduct an advisory vote on the compensation of its named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosures contained in the proxy statement related to the annual meeting of the stockholders of Tandy Leather Factory, Inc. for the relevant year:

[SELECT ONLY ONE OPTION BELOW]

Every one year;

Every two years;

Every three years; or

Abstain”

The option that receives the highest number of votes cast by the stockholders will be the frequency for the future advisory votes on executive compensation deemed to have been approved by the stockholders. Your vote on this matter is advisory in nature and therefore will not be binding upon the Company, the Compensation Committee or the Board of Directors. However, we value our stockholders’ opinions and will take into account the outcome of the vote when making future decisions about how often we conduct an advisory stockholder vote on the compensation of named executive officers.

RELATIONSHIPS AND TRANSACTIONS WITH RELATED PERSONS

Since the beginning of our last fiscal year, there have been no transactions, and there is no currently proposed transaction, in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which any related person, as defined under the Securities Act of 1933, as amended, had or will have a direct or indirect material interest. Such related persons include our directors and executive officers, nominees for director and their immediate family members. It is the responsibility of management to present any transactions that could be considered a related party transaction to the Board of Directors for review and approval. The Board of Directors can delegate the review and approval responsibility to the Audit Committee if it so chooses.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Sections 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and holders of more than 10% of our common stock to file reports regarding their ownership and changes in ownership of our securities with the SEC. Based solely on a review of the copies of such reports furnished to us with respect to fiscal 2010 and written representations from our directors and executive officers, we believe that, during fiscal 2010, our directors, executive officers and 10% stockholders complied with all Section 16(a) filing requirements. Our disclosure on this topic is based solely on review of the information provided to us by persons subject to these requirements.

OTHER MATTERS

Solicitation of Proxies

We will pay for the cost of soliciting proxies. Our directors, officers and employees may solicit proxies. They will not be paid for soliciting the proxies but may be reimbursed for out-of-pocket expenses related to the proxy solicitation. Proxies may be solicited in person, by mail, by telephone, by telegram or other means of communication. We will make arrangements with custodians, nominees and fiduciaries in order to forward proxy solicitation materials to beneficial owners of common stock.

Stockholder Proposals for 2012

If you wish to present a proposal for consideration at an annual meeting, you must send written notice of the proposal to our corporate secretary not less than ten days before such annual meeting. We have not received notice of any stockholder proposals to be presented at this year's Annual Meeting.

If you would like your proposal to be included in next year's proxy statement, you must submit the proposal to our corporate secretary by no later than December 15, 2011. We will include your proposal in our next annual proxy statement if it is a proposal that we would be required to include pursuant to the rules of the SEC. You may write to our corporate secretary at 1900 Southeast Loop 820, Fort Worth, Texas 76140 to present a proposal for consideration.

If a stockholder raises a matter at the Annual Meeting that requires a stockholder vote, the person to whom you have given your proxy will use his or her discretion to vote on the matter on your behalf. According to our by-laws, any proposal properly raised at the Annual Meeting by a stockholder will require the affirmative vote of a majority of the shares deemed present at the Annual Meeting, whether in person or by proxy unless a higher approval threshold is required by applicable law.

Stockholder Communications with Board

Stockholders who wish to communicate with the Board of Directors may do so by writing to the corporate secretary at Tandy Leather Factory, Inc., 1900 Southeast Loop 820, Fort Worth, Texas 76140. The corporate secretary will forward your communication to the Chairman or the Board as a whole, as requested by the stockholder. All appropriate communications addressed to directors will be reviewed by the corporate secretary. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest will not be forwarded to the Board. The corporate secretary has the option, but not the obligation, to forward these other communications to appropriate channels within the Company.

Householding of Annual Meeting Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed those stockholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiples copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request addressed to Investor Relations Department, Tandy Leather Factory, Inc., 1900 Southeast Loop 820, Fort Worth, Texas 76140, by calling Investor Relations at 817-872-3200, or by sending an e-mail to Investor Relations at sgreene@tandyleather.com. We will deliver promptly, upon written or oral request, a separate copy of the proxy statement to a registered stockholder at a shared address to which a single copy of the document was delivered.

General Information

A COPY OF FORM 10-K AS FILED WITH THE SEC WILL BE SENT TO ANY STOCKHOLDER WITHOUT CHARGE UPON WRITTEN REQUEST ADDRESSED TO SHANNON L. GREENE, CFO, TANDY LEATHER FACTORY, INC., 1900 SOUTHEAST LOOP 820, FORT WORTH, TEXAS 76140.

Management knows of no other business which may be properly brought before the Annual Meeting of Stockholders. However if any other matters shall properly come before such meeting, it is the intention of the persons named in the enclosed Proxy to vote such Proxy in accordance with their best judgment on such matters.
