**Item 5. Other Events.**

As previously disclosed in our Annual Report on Form 10-K for the fiscal year ended December 29, 2001 as filed with the Securities and Exchange Commission on March 28, 2002 (the "2001 10-K") and our Quarterly Report on Form 10-Q for the period ended March 30, 2002 as filed with the Securities and Exchange Commission on May 14, 2002, we adopted Statement of Financial Accounting Standards No. 142, *Goodwill and Other Intangible Assets*, referred to in this report as SFAS 142, effective December 30, 2001. Because our adoption of SFAS 142 was not required to be adopted until December 30, 2001, the first period for which we were required to report our financial statements giving effect to SFAS 142 was our fiscal quarter ended March 30, 2002. In order to illustrate how the provisions of SFAS 142 would have affected our historical financial statements if SFAS 142 had been in effect for the five fiscal years ended December 29, 2001 and to set forth the transitional disclosures described in SFAS 142, we elected to file as Exhibit 99.1 to this report (1) our Selected Financial Data previously filed as Item 6 to our 2001 10-K and (2) a table showing the changes that would have been reflected in our net income and earnings per share if the provisions of SFAS 142 had been in effect for the five fiscal years ended December 29, 2001, which we are providing solely for informational purposes. The provisions of SFAS 142 prohibit giving retroactive effect to the elimination of goodwill amortization.
