**1. Operations**

## Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

Based in Vancouver, British Columbia, Canada, Peace Arch Entertainment Group Inc., together with its subsidiaries, (collectively, the "Company") is a fully integrated company that creates, develops, finances, produces and distributes film, television and video programming for world-wide markets.

2.

### **Future Operations**

The interim consolidated financial statements have been prepared on the "going concern" basis, which presumes the realization of assets and the settlement of liabilities in the normal course of operations. The application of the "going concern" basis is dependent upon the Company achieving profitable operations to generate sufficient cash flows to fund continuing operations or, in the absence of adequate cash flows from operations, obtaining additional financing. There is substantial doubt about the appropriateness of the Company's use of the "going concern" assumption because of the significant losses from operations, material working capital and shareholder deficiencies, and dependence upon the continued financial support of its secured lenders. As such, realization of assets and discharge of liabilities are subject to significant uncertainty.

The Company has incurred significant losses from operations and has material working capital and shareholder deficiencies at May 31, 2002. Serious restructuring initiatives, including scaling down certain aspects of its operations, were carried out during the nine months ended May 31, 2002 in an effort to reduce operating costs. Management continues to review operations in order to identify additional strategies, including further cost reductions and obtaining future sales contracts, to increase cash flow, improve the Company's financial position and enable timely discharge of the Company's obligations. However, there is no assurance that these initiatives will be successful or adequate to enable the Company to continue operations.

The Company has credit facilities with a Canadian chartered bank and loans from subordinate lenders all of which are secured by charges on the assets of the Company. At May 31, 2002 the Company was in compliance with its debt covenants, however there can be no assurance that the Company will remain in compliance with its debt covenants, which if violated could result in a requirement to immediately repay its debt.

The interim consolidated financial statements do not reflect adjustments that would be necessary if the "going concern" basis was not appropriate. If the "going concern" basis was not appropriate for the interim consolidated financial statements, then significant adjustments would be necessary in the carrying value of assets and liabilities, the reported revenues and expenses, and the balance sheet classifications used. Additionally, the amounts reported could materially change because of a plan of reorganization, since the reported amounts in the interim consolidated financial statements do not give effect to adjustments to the carrying value of the underlying assets or amounts of liabilities that may ultimately result.

The appropriateness of the "going concern" basis is dependent upon the Company's ability to obtaining additional financing and generating profitable operations and positive cash flows sufficient to finance continuing activities. There is no assurance the Company will be successful.

### **Significant Accounting Policies**

(a)

#### *Basis of Presentation*

The interim consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in Canada for interim financial reporting. Accordingly, they do not include all of the information and footnote disclosures necessary for complete financial statements in conformity with Canadian generally accepted accounting principles. The interim consolidated financial statements have been prepared consistent with the accounting policies described in the Company's Annual Report for the year ended August 31, 2001 and should be read in conjunction therewith.

The interim consolidated financial statements include the accounts of the Company and its subsidiaries, all of which are wholly owned. All material intercompany balances and transactions have been eliminated.

## *Change in Accounting Policy*

In June 2000, the Accounting Standards Executive Committee of the American Institute of Certified Public Accountants ("AICPA") issued Statement of Position 00-2 ("SOP 00-2"), "Accounting by Producers or Distributors of Films". SOP 00-2 supercedes Statement of Financial Accounting Standards No. 53, "Financial Reporting by Producers and Distributors of Motion Picture Films" establishing new accounting standards on revenue recognition, capitalization and amortization of film costs, accounting for exploitation costs, including advertising and marketing expenses, and presentation and disclosure of related information in financial statements.

The Company has elected to early adopt SOP 00-2 commencing with its year ended August 31, 2001 and has applied the change retroactively. Prior periods' financial statements have been restated accordingly.

(c)

### *Comparative Figures*

Certain comparative figures have been restated to conform to the basis of presentation adopted for the current period.

## 4.

### **Segmented Information**

The Company manages its operations in two business segments: production services for projects in which the Company does not hold a financial interest in a film or video program, and proprietary programming which is programming the Company owns or in which it holds a financial interest. The Company operates only in Canada, although its programs are distributed throughout the world. Selected information for the Company's operating segments, net of inter-company amounts, is as follows:

	<b>Production Services</b>	<b>Proprietary Programming</b>	<b>Other</b>	<b>Total</b>
<b>2001</b>				
Revenue	\$ 2,159	\$ 46,560	\$ 80	\$ 48,799
Gross profits	679	2,784	80	3,543
Total assets	7,637	52,762	109	60,508
<b>2002</b>				
Revenue	\$ 3,511	\$ 2,078	\$ 183	\$ 5,772
Gross profits	189	713	183	1,085
Total assets	741	15,389	1,566	17,696

Gross profits are comprised of revenue less amortization of television programming, production costs, and other costs of production and sales.
