Annual Meeting of the Stockholders
To be held January [___], 2004

The Board of Directors (the "Board") of Immtech International, Inc., a Delaware corporation ("Immtech," "we," "us," "our" or the "Company"), hereby solicits your proxy for use at the 2003 Annual Meeting of Stockholders to be held on January [___], 2004, at [_____] at the American Stock Exchange, 86 Trinity Place, New York, NY 10006, and at any adjournment or postponement thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders ("Notice"). By completing the attached Proxy Card you appoint Gary C. Parks as your representative at the Annual Meeting. If you sign and return your Proxy Card, Mr. Parks will vote your shares as you instruct on the Proxy Card. If you sign and return your Proxy Card, but fail to instruct how to vote your shares, Mr. Parks will vote your shares in favor of the slate of directors nominated by the Board and "for" the proposals set forth on the Proxy Card. This way your shares will be voted whether or not you attend. We recommend you vote by proxy in advance of the Annual Meeting even if you plan to attend just in case your plans change and you are then unable to attend.

The Board does not know of any matters to be presented at the Annual Meeting other than those listed on the Notice and described in this Proxy Statement. If a matter comes up for vote that is not covered by your proxy, Mr. Parks will vote your shares in accordance with his judgment if you have signed and returned your Proxy Card, and authorized him to do so.

The Board encourages you to attend the Annual Meeting in person. If you decide to change your vote, you may revoke your proxy any time before your vote is cast at the Annual Meeting by (i) giving notice of revocation to the Secretary of Immtech, (ii) submitting a signed proxy bearing a date later than the date of the Proxy Card or (iii) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy. PURPOSE OF THE MEETING

At our Annual Meeting the stockholders will be asked to consider and vote upon the following matters:

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

- o Election of Directors - to elect seven directors to serve until the next annual meeting of the stockholders and until their successors are elected and qualified or their earlier resignation, removal, disqualification or death;

 - c. to incorporate into one document previously filed amendments to the Certificate of Incorporation, and
 - d. to file an amended and restated certificate of incorporation with the Delaware Secretary of State reflecting all of the above;
- o Proposal No. 3 - to ratify the selection of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending March 31, 2004; and
- o to transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

VOTING RIGHTS

The Board has fixed the close of business on November [___], 2003, as the record date (the "Record Date") for determination of stockholders entitled to notice of and to vote at the Annual Meeting. Holders of record of our Common Stock, \$0.01 par value ("Common Stock"), Series A Convertible Preferred Stock, \$0.01 par value ("Series A Stock"), Series B Convertible Preferred Stock, \$0.01 par value ("Series B Stock") and Series C Convertible Preferred Stock, \$0.01 par value ("Series C Stock") at the close of business on the Record Date will be entitled to vote together as a single class on all matters that come before the meeting. At the close of business on the Record Date, there were [_____] shares of Common Stock, [_____] shares of Series A Stock, [_____] shares of Series B Stock, and [_____] shares of Series C Stock, outstanding. Each share of Common Stock is entitled to one vote, each share of Series A Stock is entitled to 5.6561 votes, each share of Series B Stock is entitled to 6.25 votes and each share of Series C Stock is entitled to 5.6561 votes. Each share of Series A Stock, Series

2

B Stock and Series C Stock is entitled to the number of votes equal to the number of shares of Common Stock into which such stock is convertible on the Record Date.

The Series A Stock conversion rate is determined by dividing the Series A Stock stated value (\$25.00) plus accrued but unpaid dividends (\$0) as of the Record Date by the \$4.42 conversion rate set forth in the Company's

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

Certificate of Designation of Series A Convertible Preferred Stock ("Series A Stock Certificate of Designation"). Under this formula, each share of Series A Stock is entitled to 5.6561 votes for a total number of votes of [] for the Series A Stock. Holders of Series A Stock are entitled to the number of votes determined by multiplying the aggregate number of shares of Series A Stock held by 5.6561, rounded to the nearest whole number.

The Series B Stock conversion rate is determined by dividing the Series B Stock stated value (\$25.00) plus accrued but unpaid dividends (\$0) as of the Record Date by the \$4.00 conversion rate set forth in the Company's Certificate of Designation of Series B Convertible Preferred Stock. Under this formula, each share of Series B Stock is entitled to 6.25 votes for a total number of votes of [] for the Series B Stock. Holders of Series B Stock are entitled to the number of votes determined by multiplying the aggregate number of shares of Series B Stock held by 6.25, rounded to the nearest whole number.

The Series C Stock conversion rate is determined by dividing the Series C Stock stated value (\$25.00) plus accrued but unpaid dividends (\$0) as of the Record Date by the \$4.42 conversion rate set forth in the Company's Certificate of Designation of Series C Convertible Preferred Stock ("Series C Stock Certificate of Designation"). Under this formula, each share of Series C Stock is entitled to 5.6561 votes for a total number of votes of [] for the Series C Stock. Holders of Series C Stock are entitled to the number of votes determined by multiplying the aggregate number of shares of Series C Stock held by 5.6561, rounded to the nearest whole number.

A total of [] votes representing Common Stock, Series A Stock, Series B Stock and Series C Stock are entitled to vote at the Annual Meeting. The presence of holders of a majority of the outstanding shares of Common Stock, Series A Stock, Series B Stock and Series C Stock entitled to vote, voting as a single class, represented in person or by proxy, constitute a quorum for the transaction of business at the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting, (i) those director nominees receiving the most votes (a "plurality") will be elected and (ii) the affirmative vote of the holders of at least a majority of the shares of Common Stock, Series A Stock, Series B Stock and Series C Stock (each of the Series A Stock, Series B Stock and Series C Stock voting on an as-if-converted basis determined as set forth above) voting as a single class represented at the meeting is required to (a) approve Proposal No. 1, to authorize a two-for-one stock split, (b) approve Proposal No. 2, the amendment to and restatement of the Company's Certificate of Incorporation substantially in the form attached, as Appendix "A" hereto, (c) approve Proposal No. 3, the ratification of the selection of Deloitte & Touche LLP as our independent auditors, and (d) approve any other matters that may properly come before the Annual Meeting.

All properly completed Proxy Cards that are received by us, and not revoked prior to the voting, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If you sign your Proxy Card but fail to direct how to vote your shares, then

your shares will be voted in favor of the slate of directors proposed by the Board listed herein, in favor of the two-for-one stock split, in favor of the amendment to and restatement of the Company's Articles of Incorporation substantially in the form attached as Appendix "A" hereto, and any other matters properly brought before the Annual Meeting will be voted in accordance with the

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

judgment of your proxy representative, Mr. Gary C. Parks. If you mark the appropriate box on the attached Proxy Card to abstain from voting, then your shares will be counted for purposes of obtaining a quorum but will not be voted in favor of any matter; abstentions therefor have the effect of a vote against any proposal other than the election of directors.

The term "broker non-votes" refers to shares held by a broker in street name that are present by proxy but are not voted pursuant to the rules prohibiting brokers from voting on non-routine matters without instruction from the beneficial owner of the shares. If a broker returns a "non-vote" proxy, then the shares represented by such proxy will be counted for the purpose of determining the presence of a quorum only. Brokers who do not receive a stockholder's instructions are entitled to vote such stockholder's shares for the election of directors and for Proposal No. 3, ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending March 31, 2004. Broker "non-votes" will have no effect on (i) the outcome of the election of directors because the seven directors receiving the most "for" votes will be elected or (ii) in the outcome of Proposal 1, Proposal 2 or any other matter properly brought before the Annual Meeting or any adjournment thereof.

ELECTION OF DIRECTORS

Your vote is requested in favor of seven directors to serve until the next annual meeting of stockholders and until their successors are elected and qualified or their earlier resignation, removal, disqualification or death. The Board, pursuant to the recommendation of the Company's Nominating Committee, has selected the following seven persons as nominees: T. Stephen Thompson, Cecilia Chan, Harvey R. Colten, M.D., Judy Lau, Levi H.K. Lee, M.D., Eric L. Sorkin and Frederick W. Wackerle. If you sign and return your Proxy Card, your shares shall be voted for the director slate nominated by the Board except to the extent that you list the name or names of those nominees for whom you withhold authority.

Each of the nominees has indicated a willingness to serve. Should any nominee become unavailable prior to the Annual Meeting, your proxy representative will vote your shares for the person or persons recommended by the Board.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE BOARD'S NOMINEES FOR DIRECTOR.

Security Ownership of Certain Beneficial Owners, Directors and Management

The following table sets forth, as of November 6, 2003, certain information regarding the beneficial ownership (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) of our Common Stock based upon the most recent information available to us for (i) each person known by us to own beneficially more than five (5%) percent of the outstanding Common Stock, (ii) each director, (iii) each of our executive officers whose total annual salary and bonus compensation exceeded \$100,000 for the fiscal year ended March 31, 2003 and (iv) all executive officers and directors as a group. Except as

otherwise indicated, each listed stockholder directly owned his or her shares and had sole voting and investment power.

The agreement, which includes confidentiality and non-disclosure provisions, also grants to Mr. Thompson the right to receive an annual bonus to be established by the Board in an amount not to exceed 60% of Mr. Thompson's annual base salary for the year, which Mr. Thompson has declined for each year to date. Mr. Thompson may accept bonus awards in future years but will not be paid a bonus for years previously declined. If the Company breaches the agreement or Mr. Thompson is terminated without cause, he is entitled to all payments which he would otherwise accrue over the greater of nine months from the date of termination or the remaining term under the agreement. The original term of Mr. Thompson's agreement expired on April 9, 1992, and is subject to automatic successive one-year renewals unless terminated by either party upon 30 days' notice. In the event Mr. Thompson's employment with the Company is terminated for any reason, he is restricted from competing with the Company in any business in which the Company (i) is engaged at that time (ii) is planning to become engaged and has made significant monetary investment in order to be engaged or (iii) was engaged at any time during his employment. The non-compete restriction period is 12 months from the date of Mr. Thompson's voluntary termination or an involuntary termination for cause, or for a period of nine months from the date of an involuntary termination, not for cause.

Except for \$12,500 paid to Mr. Thompson during the fiscal year ended March 31, 1998, Mr. Thompson waived any right to receive salary due under his employment agreement prior to June 30, 1998. Beginning July 1, 1998, and continuing until April 30, 1999, Mr. Thompson accepted one-half of his annual salary as full satisfaction of the salary obligation under his employment agreement. Compensation Committee Report

The Compensation Committee is composed of three independent directors of the Board. The members of the Compensation Committee are Frederick W. Wackerle, Chairman, Harvey R. Colten, M.D., and Eric L. Sorkin.

Compensation Committee Report on Executive Compensation

Our Compensation Committee establishes levels of cash compensation and forms and amounts of non-cash compensation for our executive officers. The guiding principles of our compensation committee are as follows:

- o To provide a reasonable level of compensation sufficient to attract and retain executive personnel best suited by training, ability and other relevant criteria for the management requirements of our company.
- o To balance base compensation (non-contingent) and incentive compensation (contingent upon performance) for the purpose of motivating executive personnel.
- o To determine the extent and method of aligning the financial interest of our executive personnel with the interest of our stockholders in the appreciation of their investment.
- o Administer the Company's First Amended Restated Immtech International, Inc. 2000 Stock Incentive Plan, as amended.
- o Review compensation plans, programs and policies.
- o To use equity incentives to align the interests of our executive officers with the interests of shareholders.
- o Monitor the performance and compensation of executive officers.

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive compensation and the creation of stockholder value, while at the same time attracting, motivating and retaining senior management. The Compensation Committee's informal executive compensation philosophy (which applies generally to all Company management, including the Chief Executive Officer) considers a number of factors, which may include:

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

- o Providing levels of compensation competitive with companies at a comparable stage of development and in the Company's geographic area,
 - o Integrating management's compensation with the achievement of performance goals,
-

16

and

- o Recognizing and providing incentive for individual initiative and achievement.

The compensation structure of the Company's executive officers, including its Chief Executive Officer, is based on competitive, market-based pay practices and performance evaluations, and generally includes a combination of base salary, discretionary bonuses and stock options. In setting compensation levels, the Compensation Committee considers data regarding compensation practices from a group of biotechnology and pharmaceutical companies that are believed to be generally comparable to the Company. The companies comprising this group are not necessarily included within the peer group index reflected in the performance graph illustrated in this Proxy Statement. In setting our Chief Executive Officer's salary, we applied the same policy as applied in setting the compensation of our other executive officers. Our Chief Executive Officer's base salary for the most recent fiscal year was \$150,000. Effective September 1, 2003, his salary was increased to \$210,000 annually and he received options to purchase 40,000 shares of common stock and no cash bonus award in this fiscal year. As it has in the past, the compensation committee considered information as to compensation levels for officers and senior managers of comparable scope and responsibility in an industry group of comparably sized companies. The compensation committee believes Mr. Thompson's salary to be below market however, Mr. Thompson, in his effort to minimize overhead, has requested his salary be kept at a reduced rate.

Base salary is not targeted at any particular level within the group of companies considered. Instead, total salary is determined based on a subjective assessment of the executive's performance and the Company's needs. Consistent with its belief that equity ownership by senior management is beneficial in aligning the interests of senior management with those of the stockholders, the Company provides potentially significant long-term incentive opportunities to its senior management through discretionary grants of stock options, thereby emphasizing the potential creation of long-term stockholder value. The Compensation Committee considers stock options effective long-term incentives because an executive can profit only if the value of the Common Stock increases. In making these grants, the Compensation Committee considers its subjective assessment of the Company's future prospects, an executive officer's current level of ownership of the Common Stock, the period during which an executive officer has been in a key position with the Company, individual performance and competitive practices within the comparative group of companies.

No contingent compensation was paid to any officer for Fiscal Year 2003.

In Fiscal Year 2003, we granted stock options to the Chief Executive Officer and other executive officers. These stock option grants were made pursuant to our First Amended and Restated Immtech International, Inc. 2000

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

Stock Incentive Plan for the purpose of further increasing incentives for our officers to increase shareholder value. No stock appreciation rights or other forms of equity compensation were granted.

Section 162(m) of the Internal Revenue Code generally denies a deduction to any publicly held corporation for compensation paid to its chief executive officer and its four other highest-paid executive officers to the extent that any such individual's compensation exceeds \$1 million, subject to certain exceptions. The Compensation Committee intends to take actions to minimize the Company's exposure to nondeductible compensation expense under Section

17

162(m). While keeping this goal in mind, the Compensation Committee also will try to maintain the flexibility that the Committee believes to be an important element of the Company's executive compensation program.

The Compensation Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Compensation Committee Report by reference therein.

The Compensation Committee

PROPOSAL NO. 1 - TWO-FOR-ONE STOCK SPLIT

Our Board has unanimously approved a two-for-one split of our Common Stock, subject to stockholder approval of the stock split. If approved, each holder of Common Stock will receive two shares for each one share currently held.

Reasons for the Stock Split and the Increase in Authorized Shares

We expect that the stock split will increase the number of shares traded in the public market, which we believe should establish a more liquid market in our Common Stock.

As of November 6, 2003, 9,339,713 shares of our Common Stock were issued and outstanding, 5,097,683 shares in the aggregate were reserved for conversion of outstanding preferred stock and exercise of outstanding stock

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

options and warrants and 20,660,287 shares were authorized but unissued. Based on the number of shares of Common Stock outstanding as of November 6, 2003, post-split we would have 18,679,426 shares of Common Stock outstanding, 10,195,366 shares reserved for conversion of outstanding preferred stock and conversion of outstanding options and warrants, and 1,125,208 shares of Common Stock would remain available for such purposes as the Board may approve. No further vote of stockholders of the Company would be required for their issuance, except as required under applicable stock exchange rules.

Other than the shares of Common Stock the Company has reserved for issuance under its existing stock incentive plan, the Company currently has no specific commitments or agreements to issue any shares of Common Stock pursuant to any stock offerings, acquisitions, stock dividends or compensation plans, although it is possible that any such transaction may be pursued in the future.

21

Effect of the Stock Split

The proposed stock split would not change the stockholders' equity of the Company, nor would the split affect the relative rights of any stockholder or result in a dilution or diminution of any stockholder's proportionate interest in the Company. However, since the stock split would result in each stockholder's interest being represented by a greater number of shares, it is possible that higher aggregate brokerage commissions may be payable after the intended stock split upon a sale or transfer of a stockholder's same relative interest in Common Stock because that interest would be represented by a greater number of shares.

In connection with the stock split, the number of shares of Common Stock underlying outstanding stock options, stock warrants and reserved for issuance under the Company's existing stock incentive plan would be proportionately adjusted pursuant to the terms of such agreements to reflect the stock split, and the per share exercise prices of outstanding options and warrants under such Company agreements would be proportionately reduced.

The stock split will not result in the recognition of a taxable gain or loss to the stockholders for federal income tax purposes. In addition, the tax basis for shares in the hands of a stockholder prior to the stock split will become the tax basis for the total number of shares to be held by such stockholder immediately after the stock split, and the holding period of the newly acquired shares will be deemed to be the same as the holding period of the corresponding shares held prior to the stock split. However, each stockholder should consult his or her own tax advisor with respect to the particular tax consequences, if any, to him or her of the stock split, including the applicability and effect of any state, local or foreign tax laws.

Implementation of the Stock Split

We have notified the American Stock Exchange of the proposed stock split and will submit an amended listing application to reflect it. We will publicly announce the results of the stockholder vote with respect to the stock split as promptly as practicable after the Meeting (or any adjournment). If approved by the stockholders, we presently intend to also publicly announce the effective date of the stock split promptly after the Meeting.

On the effective date, for every one issued share of Common Stock held, two will be issued. We will implement the stock split by issuing an additional certificate to each stockholder of record as of the close of business

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

on the effective date. The additional certificate will represent one additional share for each one held, and stockholders should retain their present certificates. Stockholders need not return their existing certificates to the Company or its transfer agent, although they may do so through the transfer agent if they wish to combine their shares in a single certificate.

The Board reserves the right, even if this stock-split proposal is approved, not to effect the stock-split or to reduce the number of shares to be issued if it determines in its sole discretion that implementing the stock split is no longer in the best interest of the Company.

22

Impact on the Company's Consolidated Financial Statements

The Company's reported amounts of authorized and issued Common Stock will also be adjusted on a two-for-one basis. The stock split will affect reported earnings (loss) per share amounts because of the increase in the number of shares of Common Stock outstanding.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF
PROPOSAL NO. 1, THE TWO-FOR-ONE STOCK SPLIT.

PROPOSAL 2--APPROVAL OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

On November 4, 2003, the Board unanimously adopted, subject to stockholder approval, the Amended and Restated Certificate of Incorporation as set forth in Appendix "A". The proposed Amended and Restated Certificate of Incorporation is intended to modernize the Certificate of Incorporation originally filed on December 18, 1992, as amended, and to integrate in one document previously filed amendments to the Certificate of Incorporation. The proposed Amended and Restated Certificate of Incorporation incorporates more recent provisions of the Delaware General Corporation Law and deletes unnecessary provisions. If the proposed Amended and Restated Certificate of Incorporation is approved by the stockholders, it will be filed with the Delaware Secretary of State and become effective upon such filing.

Summary of Proposed Changes to the Certificate of Incorporation

The following is a summary of the principal changes that the proposed Amended and Restated Certificate of Incorporation makes to the Certificate of Incorporation, as amended.

23

Registered Office

As revised, the Amended and Restated Certificate of Incorporation would permit the Board of Directors to change the Company's registered agent from time to time as determined by the Board of Directors. The registered agent designated in the Company's current Certificate of Incorporation is no longer in business.

Authorized Capital

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

In connection with Proposal 1 to provide for a two-for-one stock split, and for other general corporate purposes recognizing the tremendous growth the Company has experienced in the last calendar year, the Board of Directors has approved an increase to the authorized capital of the Company from 35 million shares, of which 30 million shares are Common Stock and 5 million shares are Preferred Stock, to 105 million shares, of which 100 million shares will be Common Stock with 5 million shares remaining Preferred Stock. There will be no change to the par value of either the Common Stock or the Preferred Stock; both will remain at \$0.01 par value per share.

If approved by the stockholders of the Company, the additional authorized shares would be available for future issuance for various corporate purposes at the discretion of the Board and without further authorization by the stockholders (subject to the requirements of applicable law or the listing requirements of the American Stock Exchange). The increase in authorized shares of Common Stock is recommended by the Board in order to provide a sufficient reserve of such shares for issuance in (a) public or private offerings as a means of obtaining additional capital to potentially retire debt or (b) public or private exchange offers for securities of the Company. The reserve of Common Stock could also be used for the following purposes, without limitation: (i) as part or all of the consideration required to be paid for the acquisition of ongoing businesses or other assets; (ii) in public or private offerings as a means of obtaining additional capital to strengthen the Company and expand its business; (iii) in connection with the exercise of options, warrants, rights, or the conversion of convertible securities of the Company; (iv) in connection with stock splits and dividends; or (v) with respect to existing or new benefit or option plans or agreements.

Preferred Stock

On June 30, 1998, the Company filed an amendment to the Certificate of Incorporation whereby the Board was authorized to provide for the issuance of Preferred Stock in one or more series and to establish certain rights and restrictions with respect thereto. The clause, however, is more restrictive than necessary under the current Delaware General Corporation Law. Accordingly, the proposed Amended and Restated Certificate of Incorporation similarly authorizes the Board to provide for the issuance of Preferred Stock in series and to establish the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations and restrictions thereof.

24

Director Liability

The current Delaware General Corporation Law allows a corporation to limit the personal liability of directors for monetary damages for breach of fiduciary duties except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. Accordingly, the proposed Amended and Restated Certificate of Incorporation includes a clause limiting the personal liability of directors to the extent permissible under the Delaware General Corporation Law.

The Board believes it is in the best interest of the Company and its stockholders to limit the liability of directors for breach of their fiduciary duties to the fullest extent permissible under the Delaware General Corporation

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

Law in response to the increasing hazard of unfounded litigation against directors, such litigation's related expense, and in order to continue to attract and retain qualified directors.

Indemnification of Directors and Officers

The Certificate of Incorporation, as amended, includes a provision providing that the Company indemnify all eligible persons to the fullest extent possible under Section 145 of the Delaware General Corporation Law. The current Delaware General Corporation Law provides that a corporation may include, in its certificate of incorporation, bylaws or agreements, provisions expanding rights to indemnification beyond what is otherwise provided in Section 145 of the Delaware General Corporation Law. As such, the proposed Amended and Restated Certificate of Incorporation includes a clause whereby the Company is authorized to indemnify its agents in excess of the indemnification and advancement otherwise permitted by Section 145 of the Delaware General Corporation Law, and subject only to the limits created by applicable Delaware law with respect to actions for breach of duty to the corporation, its stockholders and others.

The Board believes it is appropriate to continue to provide mandatory indemnification and to extend the rights to indemnification to the extent possible to its directors and officers in response to the increasing hazard of unfounded litigation against directors and officers and its related expense, and in order to continue to attract and retain qualified directors and officers in light of these circumstances.

Potential Anti-Takeover Effect of the Amendment

Authorized but unissued shares of Common Stock will continue to be available for future issuance without stockholder approval. This could render more difficult or discourage an attempt to obtain control of the Company by means of an unsolicited proxy contest, tender offer, merger or otherwise. For example, the existence of authorized but unissued shares permits the Board to issue such shares without stockholder approval that would dilute the stock ownership of a person seeking to effect a change in the composition of the Board or contemplating a tender offer or other transaction for the combination of the Company with another company. At the present time, the Company is not aware of any contemplated tender offers or other plans by a third party to attempt to effect a change in control of the Company, and

25

this proposal is not being made in response to any such attempt. The Company's charter and bylaws, as well as Delaware law, provide additional anti-takeover protections for the Company that are described in certain of the Company's filings with the Securities and Exchange Commission and that are unaffected by the charter amendment.

The Company's charter currently authorizes the issuance of 5.0 million shares of Preferred Stock, of which 4,280,000 million shares remain undesignated. The Company's charter provides that the Board has authority to issue shares of Preferred Stock in one or more series and to fix from time to time before issuance the number of shares to be included in any series and the designation, relative powers, preferences and rights and qualifications, limitations or restrictions of all shares of such series. Holders of Preferred Stock, if any, may be entitled to certain preferences upon liquidation, dissolution or winding up of the affairs of the Company. The issuance of Preferred Stock with voting rights and conversion rights could adversely affect the voting power of holders of Common Stock and could deter a future takeover

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

which a majority of stockholders might view to be in their best interests.

The Company has three series of preferred stock designated, Class A Convertible Preferred Stock, \$0.01 par value, ("Class A"), Class B Convertible Preferred Stock, \$0.01 par value ("Class B") and Class C Convertible Preferred Stock, \$0.01 par value ("Class C"). The Company has designated 320,000 preferred shares as Class A, 240,000 preferred shares as Class B and 160,000 preferred shares as Class C and therefore 4,280,000 remain undesignated and available. The initial conversion rate for each of Class A, Class B and Class C are 5.6561, 6.25 and 5.6561, respectively.

While it may be deemed to have potential anti-takeover effects, the proposed stock split and Certificate of Incorporation amendment are not prompted by any specific effort or takeover threat currently perceived by the Board.

Reservation of Rights

The Company retains the authority to take or to authorize discretionary actions as may be appropriate to carry out the purposes and intentions of this proposal, including without limitation editorial modifications or any other change to the charter amendment which the Board may adopt without a stockholder vote in accordance with Delaware law.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF PROPOSAL NO. 2 -- TO APPROVE THE PROPOSED AMENDED AND RESTATED CERTIFICATE OF INCORPORATION AS SET FORTH IN APPENDIX "A".

PROPOSAL NO. 3- RATIFICATION OF AUDITORS

The Company's Audit Committee has appointed the firm of Deloitte & Touche LLP, certified public accountants, to be our independent auditors for the fiscal year ending March 31, 2004 and the Board of Directors recommends the stockholders vote for ratification of that appointment. Deloitte & Touche LLP served in this capacity for the fiscal year ended March 31, 2003.

26

The Audit Committee appoints our independent auditors annually and the Board of Directors subsequently requests ratification of such appointment by the stockholders at the Company's annual meeting. The Audit Committee reviews and approves in advance the scope of the audit, the types of non-audit services that we will need and the estimated fees for the coming year. The Audit Committee also reviews and approves any non-audit services provided by our independent auditors to ensure that any such services will not impair the independence of the auditors.

Before making its selection, the Audit Committee carefully considered Deloitte & Touche LLP's qualifications as independent auditors, which included a review of Deloitte & Touche LLP's performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with Deloitte & Touche LLP in these respects.

Stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors is not required by law, the Company's bylaws or otherwise. However, the Board of Directors is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such change would be in the best interests of the Company and its stockholders.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THIS PROPOSAL NO. 3 -- RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING MARCH 31, 2004

Independent Auditors

Deloitte & Touche LLP served as our independent auditors for the fiscal years ended March 31, 2000 through March 31, 2003 and has been selected by the Audit Committee to continue for the fiscal year ended March 31, 2004, subject to the ratification of such appointment by our stockholders at the Annual Meeting. Representatives of Deloitte & Touche LLP will be present at the Annual Meeting, with the opportunity to make a statement should they desire to do so, and be available to respond to appropriate questions.

The following table presents the aggregate fees billed for professional services rendered by Deloitte & Touche LLP in 2002 and 2003. Other than as set forth below, no professional services were rendered or fees billed by Deloitte & Touche LLP during the years ended March 31, 2002 or 2003.

27

	2002 ----	2003 ----
Audit Fees (1)	\$127,972	\$92,681
Audited-Related Fees (2)	\$25,900	\$20,040
Tax Fees (3)	\$4,600	\$4,200
TOTAL	\$158,472	\$116,921

(1) Audit fees consist of professional services rendered for the audit of the Company's annual financial statements and the reviews of the quarterly financial statements.

(2) Audited-related fees include fees related to assurance and related services. This category also includes fees for issuance of comfort letters, comments and assistance with and review of documents filed with the SEC.

(3) Tax fees consist of fees for services rendered to the Company for tax compliance, tax planning and advice.

For (1) and (2) above, the Audit Committee has determined that the provision of such non-audit services is compatible with maintaining the independence of the independent auditors and has determined there is no conflict of interest.

REPORT OF THE AUDIT COMMITTEE

The members of the Audit Committee have been appointed by the board of directors. The Audit Committee is governed by a charter, which has been approved and adopted by the board of directors and which will be reviewed and

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

reassessed annually by the Audit Committee. The Audit Committee is comprised of three independent directors.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The Audit Committee assists the board of directors in fulfilling its oversight responsibilities by reviewing (i) the financial reports and other financial information provided by the Company to any governmental body or to the public, (ii) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics and (iii) the Company's auditing, accounting and financial reporting processes.

The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Audit Committee has received from and discussed with the independent auditors their written disclosure and letter regarding their independence from the Company as required by Independence Standards Board Standard No. 1.

28

Management is responsible for the preparation and integrity of the Company's financial statements and the independent auditors are responsible for the examination of those statements. The Audit Committee reviewed the Company's quarterly reports on Form 10-Q and audited financial statements for the Company's fiscal year ended March 31, 2003, and met with both management and the Company's independent auditors to discuss those quarterly reports and financial statements.

Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K/A for the year ended March 31, 2003.

Respectfully submitted,
The Audit Committee

CERTIFICATE OF INCORPORATION
OF
IMMTECH INTERNATIONAL, INC.

The following Amendment and Restatement of the Certificate of Incorporation of Immtech International, Inc. (the "Corporation") was adopted on January [___], 2004, in the manner indicated below.

In accordance with Section 242(b) and Section 245 of the General Corporation Law of the State of Delaware, this Restated and Amended Certificate of Incorporation was declared advisable and adopted by the Board of Directors of the Corporation on November 4, 2003, and was approved by the consent of the shareholders of the Corporation at the annual meeting of the stockholders on January [___], 2004.

The original Certificate of Incorporation of the Corporation was filed with the Secretary of State of Delaware on December 18, 1992.

The Certificate of Incorporation, as amended, of Immtech International, Inc., is amended and restated as follows:

ARTICLE FIRST

The name of the Corporation is Immtech International, Inc.

ARTICLE SECOND

The name and address of the Corporation's registered office in the State of Delaware is Vanguard Corporate Services, Ltd. located at 15 East North Street, Dover, DE 19901, in the County of Kent, or such other name and address as the Board of Directors of the Corporation may from time to time select.

ARTICLE THIRD

The nature of the business or purposes to be conducted or promoted is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware.

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

ARTICLE FOURTH

Section 1. Authorized Capital Stock. The total number of shares which the Corporation shall have the authority to issue shall be 105,000,000 shares, of which 100,000,000 shares shall be Common Stock, \$0.01 par value, and 5,000,000 shares shall be Preferred Stock, \$0.01 par value.

A-1

APPENDIX A

Section 2. Common Stock. The Board of Directors is hereby authorized to cause shares of Common Stock to be issued from time to time for such consideration as may be fixed from time to time by the Board of Directors, or by way of stock split pro rata to the holders of the Common Stock. The Board of Directors may also determine the proportion of the proceeds received from the sale of such stock which shall be credited upon the books of the Corporation to capital or capital surplus.

Each share of the Common Stock shall be equal in all respects to every other share of the Common Stock. Subject to any special voting rights of the holders of Preferred Stock fixed by or pursuant to the provisions of Section 3 of this Article Fourth, the shares of Common Stock shall entitle the holders thereof to one vote for each share upon all matters upon which stockholders have the right to vote.

Unless otherwise required by the Act, the holders of shares of Common Stock shall not be entitled to vote on any amendments to or modifications of the rights and preferences of any class or series of shares of Preferred Stock of the Corporation.

No holder of shares of Common Stock shall be entitled as such as a matter of right to subscribe for or purchase any part of any new or additional issues of stock, or securities convertible into stock, of any class whatsoever, whether now or hereafter authorized, and whether issued for cash, property, services or otherwise.

After the requirements with respect to preferential dividends on Preferred Stock (fixed by or pursuant to the provisions of Section 3 of this Article Fourth), if any, shall have been met and after the Corporation shall have complied with all the requirements, if any, with respect to the setting aside of sums as sinking funds or redemption or purchase accounts (fixed by or pursuant to the provisions of Section 3 of this Article Fourth) and subject further to any other conditions which may be fixed by or pursuant to the provisions of Section 3 of this Article Fourth, then, but not otherwise, the holders of Common Stock shall be entitled to receive dividends, if any, as may be declared from time to time by the Board of Directors.

After distribution in full of the preferential amount (fixed by or pursuant to the provisions of Section 3 of this Article Fourth), if any, to be distributed to the holders of Preferred Stock in the event of voluntary or involuntary liquidation, distribution or sale of assets, dissolution or winding up of the Corporation, the holders of the Common Stock shall be entitled to receive all the remaining assets of the Corporation, tangible and intangible, of whatever kind available for distribution to stockholders, ratably in proportion to the number of shares of Common Stock held by each.

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

Section 3. Preferred Stock. Shares of Preferred Stock may be divided into and issued in such series, on such terms and for such consideration as may from time to time be determined by the Board of Directors of the Corporation. Each series shall be so designated as to distinguish the shares thereof from the shares of all other series and classes. All shares of Preferred Stock shall be identical, except as to variations between different series in the relative rights and preferences as permitted or contemplated by the next succeeding sentence. Authority is hereby vested in the Board of Directors of the Corporation to establish out of shares of Preferred Stock

A-2

APPENDIX A

which are authorized and unissued from time to time one or more series thereof and to fix and determine the following relative rights and preferences of shares of each such series:

(a) the distinctive designation of, and the number of shares which shall constitute, the series and the "stated value" or "nominal value," if any, thereof;

(b) the rate of dividend applicable to shares of such series;

(c) the price at and the terms and conditions on which shares of such series may be redeemed;

(d) the amount payable upon shares of such series in the event of the involuntary liquidation of the Corporation;

(e) the amount payable upon shares of such series in the event of the voluntary liquidation of the Corporation;

(f) sinking fund provisions for the redemption or purchase of shares of such series;

(g) the terms and conditions on which shares of such series may be converted, if such shares are issued with the privilege of conversion;

(h) the voting powers, if any, of the holders of shares of the series, which may, without limiting the generality of the foregoing, include (i) the right to one or less than one vote per share on any or all matters voted upon by the stockholders and (ii) the right to vote, as a series by itself or together with other series of Preferred Stock or together with all series of Preferred Stock as a class, upon such matters, under such circumstances and upon such conditions as the Board of Directors may fix, including, without limitation, the right, voting as a series by itself or together with other series of Preferred Stock or together with all series of Preferred Stock as a class, to elect one or more directors of the Corporation in the event there shall have been a failure to pay dividends on any one or more series of Preferred Stock or under such other circumstances and upon such conditions as the Board of Directors may determine; provided, however, that in no event shall a share of Preferred Stock have more than one vote; and

(i) any other such rights and preferences as are not inconsistent with the Delaware General Corporation Law.

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

No holder of any share of any series of Preferred Stock shall be entitled to vote for the election of directors or in respect of any other matter except as may be required by the Delaware General Corporation Law, as amended, or as is permitted by the resolution or resolutions adopted by the Board of Directors authorizing the issue of such series of Preferred Stock.

APPENDIX A

holders of such series of Preferred Stock holding a majority of the outstanding shares of such series.

Section 4. Other Provisions. APPENDIX A

ARTICLE TENTH

This Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of this Corporation), by reason of the fact that such person is or was a director or officer of this Corporation, or is or was serving at the request of this Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such act, suit or proceeding if the person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of this Corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of this Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

This Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of this Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of this Corporation, or is or was serving at the request of this Corporation as a director or officer of another Corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and a manner he reasonably believed to be in or not opposed to the best interests of this Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to this Corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper. Any indemnification under this paragraph and paragraph (A) of this Article TENTH (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that the indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in paragraph A and this paragraph B of Article TENTH. Such determination shall be made (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

A-7

APPENDIX A

Expenses incurred by a director or officer in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon the receipt of an invoice of the expenses and an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation as authorized by the General Corporation Law of the State of Delaware. Expenses incurred by other persons may be so paid upon such terms and conditions, if any, as the board of directors deems appropriate.

In addition to the right of indemnification provided for in this article TENTH, this Corporation may, to the fullest and broadest extent permitted by applicable law, including, without limitation, the General Corporation Law of the State of Delaware as it may be amended from time to time, indemnify all other persons, including employees and agents of the Corporation or persons serving at the request of this Corporation as an employee or agent of another Corporation, partnership, joint venture, trust or other enterprise, whom it may indemnify pursuant thereto.

The right of indemnification provided by this Article TENTH shall apply as to action by any person in his or her official capacity and as to action in another capacity while holding such office and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The right of indemnification provided by this Article TENTH shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and the Corporation may provide additional indemnity and rights to its directors, officers, employees or agents in excess of the indemnification and advancement otherwise permitted by the General Corporation Law of the State of Delaware, and subject only to the limits created by applicable Delaware law with respect to actions for breach of duty to the corporation, its stockholders and others. The right of indemnification provided herein shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The right of indemnification provided by this Article TENTH shall be deemed to be a contract between this Corporation and each director, officer, employee or agent of this Corporation who serves in such capacity, both as to action in his official capacity and as to action in another capacity while holding such office, at any time while this Article TENTH and the relevant provisions of the General Corporation Law of the State of Delaware and other applicable law, if any, are in effect, and repeal or modification thereof shall not affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

APPENDIX A

Notwithstanding any provision of this Article TENTH to the contrary, this Corporation may, but shall not be obligated to, purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of this Corporation, or is or was serving at the request of this Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his or her status as such, whether or not this Corporation would have the power to indemnify him or her against such liability.

For purposes of this Article TENTH, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the corporation" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries, and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this Article TENTH.

ARTICLE ELEVENTH

The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Amended and Restated Certificate of Incorporation in the manner now or hereafter prescribed herein and by the laws of the State of Delaware, and all rights conferred upon stockholders herein are granted subject to this reservation.

IN WITNESS WHEREOF, the undersigned Corporation has caused this Amended and Restated Certificate of Incorporation to be signed by its duly authorized officer, who affirms, under penalties of perjury, that the facts stated herein are true and that this Amended and Restated Certificate of Incorporation was adopted by a majority of the shareholders in accordance with Section 242(b) and Section 245.

APPENDIX C

COMPENSATION COMMITTEE CHARTER

of
IMMTECH INTERNATIONAL, INC.

Overview

The Compensation Committee of the Board of Directors (the "Committee") is comprised solely of directors who are not current or former employees of Immtech, and each is independent as defined by existing American Stock Exchange, LLC ("AMEX") listing standards as well as in accordance with the proposed new AMEX listing standards. The Committee is responsible for establishing the compensation policies and evaluating the compensation programs for Immtech's executive officers and other key employees. The Committee may occasionally engage independent compensation consultants or research firms to assist them in this process. In carrying out its duties, the Committee pays particular attention to the state of Immtech as a development-stage company, and seeks to align compensation with achieving sustained growth and shareholder value, while at the same time attracting, motivating and retaining key executive management.

Compensation Philosophy

Development-stage companies such as Immtech recognize the need to conserve and prioritize cash resources for ongoing product development and commercialization efforts, resulting in a compensation philosophy of low cash/high stock options. The compensation program for executive officers is designed to:

- Emphasize performance-based compensation.
- Align shareholder and executive officers' interests by providing a significant portion of executive's compensation in Immtech stock.
- Attract and retain talented and productive employees.

The principal elements of the compensation program include base salary, annual incentives (bonus), long-term incentives in the form of stock options and restricted stock grants. Immtech's philosophy is to position the aggregate of these elements at a level that is commensurate with Immtech's size and performance relative to peer development-stage pharmaceutical companies.

1. Base Salary. The Committee annually reviews and approves the base salaries of executive officers after considering individual performance, retention, the level of responsibility, the scope and complexity of the position and competitive practice. The Committee's philosophy is to maintain executive base salaries at competitive levels with companies at comparable stages of development in the Company's geographic area, which are sufficient to recruit and retain individuals possessing the skills and values necessary to achieve Immtech's vision and mission over the long term.

C-1

APPENDIX C

2. Annual Incentive Awards. Bonuses may be awarded in the Committee's discretion for substantial achievement.

3. Stock Options. Stock options are a fundamental element in the total compensation program because they emphasize long-term Company performance as measured by creation of stockholder value and foster a community of interest between stockholders and employees. Stock options may be granted annually to executive officers and are based on the individual's responsibilities and performance, ability to impact financial or scientific performance and future potential. In making a stock option grant and vesting schedule, the Committee also considers its subjective assessment of Immtech's future prospects, an executive officer's current level of ownership in Immtech, the period during which an executive officer has been in a key position with the Company, individual performance and competitive practices within the comparative group of peer companies. All incentive stock option (ISO) grants are made at 100% of fair market value as at the date of grant.

4. Restricted Stock Grants. The Committee may award restricted stock grants at its discretion. In making such grants, the Committee will use the same criteria as it uses in determining stock option grants.

5. Compensation of the Chief Executive Officer. The Chief Executive Officer's ("CEO") compensation is comprised of base salary, a potential bonus and long-term incentives as described above. The CEO's total compensation is keyed to: improvement of the Company's financial condition, scientific attainment and product development, all relative to early-stage, high-growth companies.

In carrying out its duties, the Committee makes all reasonable attempts to satisfy the conditions to exempt executive compensation from the \$1 million deduction limitation under Section 162(m) of the Internal Revenue Code of 1986, as amended, unless the Committee determines that such compliance in given circumstances would not be in the best interests of the Company and its shareholders.

Conclusion

Consistent with its compensation philosophy, the Committee believes the executive officer compensation program provides incentives to attain financial performance and is aligned with shareholders' interests.

Respectfully submitted,
The Compensation Committee
