Explanatory Note

Espey Mfg. & Electronics Corp., a New York corporation (the "Company") is filing this Post-Effective Amendment No. 1 to Registration Statement on Form S-8 to register certain securities previously registered by the Company pursuant to its Registration Statement on Form S-8 filed with the Securities and Exchange Commission on October 11, 2005 (Registration No. 333-128922) (the "Initial Registration Statement"). The Initial Registration Statement registered 129,700 shares of the Company's common stock (the "Common Stock") for issuance, offer or sale pursuant to the Company's 2000 Stock Option Plan (the "2000 Plan").

On November 30, 2007, stockholder approval was obtained by the Company's 2007 Stock Option and Restricted Stock Plan (the "2007 Plan"), which replaced the 2000 Plan. No further grants of options will be made under the 2000 Plan. The 2000 Plan has 77,000 shares of Common Stock that would otherwise be available for grant under such plan (the "Carryover Shares") now available for issuance, offer and sale under the 2007 Plan.

The Carryover Shares are hereby deregistered. The Initial Registration Statement otherwise continues in effect as to the balance of the shares of Common Stock remaining available for issuance, offer or sale pursuant thereto upon and the following the exercise of options previously granted under the 2000 Plan.
