Explanatory Note

On December 29, 2008, Magyar Bancorp, Inc. (the “Company”) filed at the SEC its Annual Report on Form 10-KSB for the fiscal year ended September 30, 2008 (the “Original Filing”). On January 7, 2009, the Company filed Amendment No. 1 to the Original Filing (“Amendment No. 1”) (i) to supplement Part II-Item 8A of the Original Filing to report on management’s conclusions regarding the effectiveness of the Company’s internal control over financial reporting and (ii) to supplement the officer certifications included in Exhibits 31.1 and 31.2 of the Original Filing to include the required certification related to the Company’s internal control over financial reporting. The Company now is filing this Amendment No. 2 to the Original Filing to revise the disclosure set forth in Part II-Item 8A to disclose that, solely as a result of the Company’s inadvertent omission of management’s report on internal control over financial reporting in the Original Filing and inadvertent omission of the required certification paragraph related to internal control over financial reporting (which omissions were remedied by the filing of Amendment No. 1), the Principal Executive Officer and Principal Financial Officer of the Company have concluded that the Company’s disclosure controls and procedures were not effective as of September 30, 2008 at the reasonable assurance level.

This Amendment No. 2 sets forth revised Part II-Item 8A in its entirety. This Amendment No. 2 consists of the cover page to the Form 10-KSB, this Explanatory Note, Item 8A, the Signature Page and Exhibits 31.1 and 31.2.

This Amendment No. 2 does not change the previously reported financial statements and other financial disclosures included in the Original Filing. Except as described above, no other changes have been made to the Original Filing. The Original Filing continues to speak as of the date of the Original Filing, and we have not updated the disclosures contained therein to reflect any events which occurred at a date subsequent to the filing of the Original Filing.

PART II – ITEM 8A. Controls and Procedures

Under the supervision and with the participation of our management, including our Principal Executive Officer and Principal Financial Officer, we evaluated the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934) as of the end of the period covered by this report. Subsequent to the filing on December 29, 2008 of Magyar Bancorp, Inc.'s Annual Report on Form 10-KSB, we determined that we had inadvertently omitted from the filing management's report on the Company's internal control over financial reporting and the paragraph of management's certification in Exhibits 31.1 and 31.2 related to the Company's internal control over financial reporting. These omissions were remedied by the Company in its filing on January 7, 2009 of Amendment No. 1 to the Annual Report on Form 10-KSB. Nevertheless, the Company's Principal Executive Officer and Principal Financial Officer have reconsidered the effectiveness of the Company's disclosure controls and procedures as of September 30, 2008 in light of the omissions. Solely as a result of the omissions, the Company's Principal Executive Officer and Principal Financial Officer have concluded that the Company's disclosure controls and procedures as of September 30, 2008 were not effective at the reasonable assurance level.

There has been no change in Magyar Bancorp, Inc.'s internal control over financial reporting during Magyar Bancorp, Inc.'s fourth quarter of fiscal year 2008 that has materially affected, or is reasonably likely to materially affect, Magyar Bancorp, Inc.'s internal control over financial reporting.

The management of Magyar Bancorp, Inc. is responsible for establishing and maintaining adequate internal control over financial reporting. Magyar Bancorp Inc.'s internal control system was designed to provide reasonable assurance to the Magyar Bancorp, Inc.'s management and board of directors regarding the preparation and fair presentation of published financial statements.

All internal control systems, no matter how well designed, have inherent limitations. Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation.

Magyar Bancorp, Inc.'s management assessed the effectiveness of the Company's internal control over financial reporting as of September 30, 2008. In making this assessment, it used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control-Integrated Framework. Based on our assessment, we believe that, as of September 30, 2008, the Company's internal control over financial reporting was effective based on those criteria.

The Annual Report on Form 10-KSB does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the Company's registered public accounting firm pursuant to temporary rules of the Securities and Exchange Commission that permit the Company to provide only management's report in this annual report.
