INFORMATION CONTAINED IN THIS FORM 6-K REPORT

This Report on Form 6-K is being filed by Seanergy Maritime Holdings Corp. (the "Company") to:

1.) Report certain recent developments relating to the Company's financing agreements, as follows:

Unsecured Convertible Promissory Notes Amendments

On April 21, 2016, May 17, 2016 and June 16, 2016, we entered into the fifth, sixth and seventh amendments, respectively, to the unsecured convertible promissory note issued September 7, 2015 to Jelco Delta Holding Corp. (which we refer to herein as the Convertible Note). These amendments increased to \$21.2 million the maximum principal amount available to be drawn under the Convertible Note (which we refer to as the Applicable Limit), and also increased to \$3.1 million the amount by which the Applicable Limit will be reduced on September 10, 2017, and on the anniversary of that date in each of the following two years. As of the date of this prospectus supplement, the Company has drawn down the entire principal amount available under the Convertible Note.

HSH Nordbank AG Facility Supplemental Agreement

Under our senior secured loan facility with HSH Nordbank AG, dated September 1, 2015, or the HSH Facility, we agreed to make a prepayment of up to \$8 million upon the earlier of: (i) the occurrence of a follow-on offering of at least \$30 million of new common shares that will be listed for trading on Nasdaq or (ii) December 31, 2016, or the Prepayment Deadline. In the event that such a follow-on offering did not occur by the Prepayment Deadline, we agreed that the prepayment would be limited to \$3 million. On May 16, 2016, we entered into a supplemental agreement to the HSH Facility that changed the Prepayment Deadline to June 30, 2018. We also agreed under the supplemental agreement that if an event of default occurs prior to June 30, 2018, we shall make a \$3 million prepayment.

UniCredit Bank AG Facility Supplemental Agreements

On June 3, 2016, we entered into a supplemental agreement related to our secured term loan facility with UniCredit Bank AG, dated September 11, 2015, or the UniCredit Facility. This supplemental agreement has, among other things, (i) delayed until June 30, 2017 the application of the requirement that the security cover ratio shall not be less than 100%, (ii) delayed until July 1, 2017 the application of the minimum liquidity covenant applicable to the borrowers, and, (iii) until June 30, 2017, split the interest payable under the facility into a cash portion, equal to five-eighths of accrued interest, and a non-cash portion, equal to three-eighths of accrued interest. The non-cash portion of accrued interest will be capitalized until June 30, 2017, when we are required to repay it in full.

On July 29, 2016, we entered into another supplemental agreement to the UniCredit Facility. Among other things, pursuant to this supplemental agreement the requirement for Seanergy Maritime Holdings Corp., as guarantor, to maintain liquidity in a specified amount is delayed until July 1, 2017.

Alpha Bank A.E. Facilities Supplemental Agreements

On July 28, 2016, we entered into a supplemental agreement related to our secured loan facility with Alpha Bank A.E., dated March 6, 2015, or the March 2015 Alpha Bank Facility. Among other things, this supplemental agreement: (i) reduced the next four repayment installments to \$100,000 each, amounting to an aggregate reduction of \$600,000, and increased the balloon payment by \$600,000, (ii) delayed until July 1, 2017 the application of the liquidity covenants applicable to the borrower and the Seanergy Maritime Holdings Corp., as guarantor, and (iii) delayed until July 1, 2017 the application of the security shortfall covenant.

On July 28, 2016, we entered into a supplemental agreement related to our secured loan facility with Alpha Bank A.E., dated November 4, 2015. Among other things, this supplement delayed until July 1, 2017 the application of the liquidity covenants applicable to the borrower and Seanergy Maritime Holdings Corp., as guarantor.

## 2.) Report the capitalization of the Company as of March 31, 2016:
