OF
TF FINANCIAL CORPORATION
3 PENNS TRAIL
NEWTOWN, PENNSYLVANIA 18940

ANNUAL MEETING OF STOCKHOLDERS
APRIL 25, 2012

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of TF Financial Corporation (the “Company”) to be used at the 2012 Annual Meeting of Stockholders (the “Meeting”) of the Company which will be held at Holy Family University, One Campus Drive, Room 138, Newtown, Pennsylvania on April 25, 2012 at 9:30 a.m., Eastern Time. This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders, form of proxy and Annual Report to Stockholders are being first mailed to stockholders on or about March 26, 2012. The Company is the parent company of 3rd Fed Bank (the “Bank”) and Penns Trail Development Corporation.

At the Meeting, stockholders will consider and vote upon (i) the election of three directors, (ii) the approval of the 2012 Stock Option Plan, and (iii) the ratification of the appointment of S.R. Snodgrass, A.C. as the Company’s independent auditor for the fiscal year ending December 31, 2012. The Board of Directors knows of no additional matters that will be presented for consideration at the Meeting. Execution of a proxy, however, confers on the designated proxy holder discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, which may properly come before the Meeting or any adjournment thereof.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the Meeting and all adjournments thereof. Proxies may be revoked by written notice to the Secretary of the Company at the address above or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Meeting. A proxy will not be voted if a stockholder attends the Meeting and votes in person. Proxies solicited by the Board of Directors of the Company will be voted as specified thereon. If no specification is made, proxies will be voted “FOR” the nominees for director set forth herein, “FOR” the approval of the 2012 Stock Option Plan, and “FOR” the ratification of the appointment of S.R. Snodgrass, A.C. as the Company’s independent auditor for the fiscal year ending December 31, 2012. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director if the nominee is unable to serve, or for good cause will not serve, and matters incident to the conduct of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Stockholders of record as of the close of business on February 27, 2012 (the "Record Date") are entitled to one vote for each share of Common Stock of the Company then held. As of the Record Date, the Company had 2,833,521 shares of Common Stock outstanding and eligible to vote.

The amended and restated articles of incorporation of the Company (the "Articles") provide that in no event shall any record owner of any outstanding Common Stock which is beneficially owned, directly or indirectly, by a person who beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the "Limit") be entitled or permitted to any vote with respect to the shares held in excess of the Limit. Beneficial ownership is determined pursuant to Rule 13d-3 of the General Rules and Regulations promulgated pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and includes (i) shares beneficially owned by such person

or any of his or her affiliates (as defined in the Articles), (ii) shares which such person or his or her affiliates have the right to acquire upon the exercise of conversion rights or options and (iii) shares as to which such person and his or her affiliates have or share investment or voting power, but shall not include shares beneficially owned by any employee stock ownership or similar plan of the issuer or any subsidiary.

The presence in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote (after subtracting any shares held in excess of the Limit) is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (i.e., shares held by brokers on behalf of their customers that may not be voted on certain matters because the brokers have not received specific voting instructions from their customers with respect to such matters) will be counted solely for the purpose of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to ratify or adopt any proposal at the time of the Meeting, the Meeting may be adjourned in order to permit the further solicitation of proxies. Please note that under the New York Stock Exchange (“NYSE”) rules that govern how brokers vote your stock, your brokerage firm or other nominee may not vote your shares with respect to Proposals I or II without specific instructions from you as to how to vote as these matters are not considered to be a “routine” matter under the NYSE rules.

As to the election of directors, the proxy card being provided by the Board of Directors allows a stockholder to vote for the election of the nominees proposed by the Board of Directors or to withhold authority to vote for any or all of the nominees being proposed. Under the Company’s bylaws, directors are elected by a plurality of votes cast.

Concerning all other matters that may properly come before the Meeting, including the approval of the 2012 Stock Option Plan and the ratification of the appointment of the independent auditor, by checking the appropriate box, a stockholder may: (i) vote “FOR” the item, or (ii) vote “AGAINST” the item, or (iii) “ABSTAIN” with respect to the item. Unless otherwise required, such matters shall be determined by a majority of votes cast affirmatively or negatively without regard to (a) broker non-votes, or (b) proxies marked “ABSTAIN” as to that matter.

The Nominating Committee has adopted a written charter, a copy of which is available at www.tffinancial.com. The responsibilities of the Nominating Committee include, among other things, recruiting, identifying, evaluating and interviewing individuals to be recommended to the Board for selection as the Board's nominees, defining specific criteria for Board membership and evaluating all directors and potential nominees based on such criteria to assure that specific talents, skills and other characteristics and qualifications as needed to ensure the Board's effectiveness are possessed by an appropriate combination of directors

and annually presenting to the Board a list of individuals recommended for selection by the Board as the Board's nominees for election at the annual meeting of stockholders.

The Company does not pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The process for identifying and evaluating potential Board nominees includes

8

soliciting recommendations from directors and officers of the Company and the Bank. Additionally, the Board will consider persons recommended by stockholders of the Company in selecting the Board's nominees for election. There is no difference in the manner in which persons recommended by directors or officers versus persons recommended by stockholders in selecting Board nominees are evaluated.

To be considered in the selection of Board nominees, recommendations from stockholders must be received by the Company in writing not less than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders of the Company. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. Persons recommended for consideration as Board nominees should meet the director qualification requirements set forth in Article III, Sections 15 to 18 of the Company's bylaws, which require that (i) directors must be stockholders of the Company, owning at least 5,000 shares; (ii) directors of the Company must reside within ninety miles of the Company's main office in Newtown, Pennsylvania; (iii) directors may not serve as a management official of another depository institution or depository holding company as those terms are defined in 12 U.S.C. Section 3201; and (iv) directors must be persons of good character and integrity and must also have been nominated by persons of good character and integrity. The Board also believes potential directors should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Company does not have a specific policy as to diversity.

Stockholder Communications

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of stockholders. All of the Board's members attended the 2011 annual meeting of stockholders.

Board Leadership Structure

Director Kent C. Lufkin serves as President and Chief Executive Officer of the Company and Director Robert N. Dusek serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President will enhance Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President will allow the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing stockholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Board's Role in the Risk Management Process

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees and the committees of the Board of Directors of the Bank, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with the Chief Executive Officer and President to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong,

independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

(1) Non-Equity Incentive Plans. At the beginning of each plan year, the Compensation Committee establishes targets for consolidated net income, originated loan volume, and growth in total deposits. Each participant in the Company's Incentive Compensation Plan is assigned a combination of these three factors, aggregating to 100%. The extent to which these individualized targets are accomplished determines the percentage of payout earned by each participant. The payout, in turn, is a percentage of base salary, and the percentage will vary based on the title and duties of the participant. No awards will be made unless the Company's net income equals 90% of the target established for the year, even though other target components may exceed the related goal. Thus, the minimum award cannot be quantified. There is no maximum award. The awards are not vested until paid in the year following the plan year, except in the case of a "change of control" in which case the payment is 100% earned and payable on the change of control effective date.

(1) The award vests 50% per year beginning on 10/22/2012.

Pension Plan. The Pension Plan provides for monthly payments to each participating employee at normal retirement age (age 65). For accruals before January 1, 1998, the annual benefit payable as a life annuity under the Pension Plan is equal to 45% of Final Average Compensation plus 19.5% of Final Average Compensation in excess of the Covered Compensation in effect for the year of benefit determination, reduced for each year of service less than 30. Where the percentage results in an amount that exceeds the allowable limits under the Internal Revenue Code (the "Code"), such amount shall be reduced to the maximum allowable amount. For purposes of benefit calculations, Final Average Compensation is defined as the average of total compensation for the five highest years. For accruals after December 31, 1997, the annual benefit payable as a life annuity under the Pension Plan is equal to 45% of Average Compensation reduced for each year of service less than 30. Average Compensation is defined as the average of total compensation for all years beginning after December 31, 1997. A participant may elect an early retirement at age 55 with 5 years of service at a reduced monthly benefit.

Potential Payments Upon Termination Due to a Change in Control

Change in Control Severance Agreements. The Bank has entered into a change in control severance agreement with Kent C. Lufkin, President and Chief Executive Officer, Dennis R. Stewart, Executive Vice President and Chief Financial Officer, Floyd P. Hagggar, Senior Vice President and Chief Lending Officer, and Elizabeth A. Kaspern,

Senior Vice President and Chief Retail Banking Officer. The severance agreement for Mr. Lufkin has a term of thirty-six months. The severance agreements for Messrs. Stewart and Haggar, and Ms. Kaspern all have a term of twenty-four months. The agreements are terminable by the Company and the Bank for just cause as defined in the agreements. If the Company or the Bank terminates the employee without just cause following a change in control as defined in such agreements, the employee will be entitled to a severance payment. With respect to

Mr. Lufkin's agreement, such agreement contains a provision stating that in the event of the termination of employment in connection with any change in control of the Bank, Mr. Lufkin will be paid an amount equal to 2.99 times his most recent three calendar years' average annual total compensation. The agreements with Messrs. Stewart and Haggar, and Ms. Kaspern provide for payments equal to 2.00 times the prior three calendar years' average annual total compensation upon termination of employment following a change in control. It is anticipated that all such payments made by the Bank under such agreements would be a tax-deductible compensation expense for federal tax purposes. The aggregate payments that would be made to such individuals net of the federal tax benefit would be an expense to the Bank, thereby reducing net income and the Bank's capital by such amount. The agreements may be renewed annually by the Board of Directors within the Board's sole discretion.

DIRECTOR COMPENSATION

Each director of the Company was also a director of the Bank throughout 2011, with the exception of John R. Stranford and Carl F. Gregory who serve as directors of the Company only. Dennis Pollack became a director of the Company effective January 25, 2012. For 2011, non-employee directors of the Company received a quarterly retainer of \$3,000 (\$16,400 for the Chairman of the Company's Board) paid in cash or Company common stock. During 2011, each non-employee director of the Bank received a fee of \$1,000 per board meeting attended (\$3,500 for the Chairman of the Bank's Board, and \$2,000 for the Vice Chairman of the Bank's Board) and, depending on the committee, either \$500 per committee meeting attended (\$600 for the Chairman of the Committee) or \$1,000 per quarter regardless of the number of meetings. The director fees shown in the table below include fees paid for service on the Company's Board and any fees paid for service on the boards of the subsidiaries of the Company.

The Company has entered into a change in control severance agreement with Robert N. Dusek, Chairman of the Board. Mr. Dusek's agreement stipulates a payment of \$250,000 upon termination of service following a change in control.

ADDITIONAL INFORMATION ABOUT DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

The Common Stock of the Company is registered pursuant to Section 12(b) of the Exchange Act. The officers and directors of the Company and beneficial owners of greater than 10% of the Company's Common Stock (10% beneficial owners) are required to file reports of ownership and changes in beneficial ownership of the Common Stock with the SEC and Nasdaq and to provide copies of those reports to the Company. Based on the Company's review of such ownership reports furnished to the Company or written representations from certain reporting persons, it was determined that no officer or director failed to file such ownership reports on a timely basis during the fiscal year ended December 31, 2011 with the exception of one Form 4 for Executive Officer Dennis R. Stewart to report two transactions which was filed one day late due to an administrative oversight.

Certain Relationships and Related Transactions and Director Independence

There were no directors, executive officers or immediate family members of such individuals who were engaged in transactions with the Bank or any subsidiary involving more than \$120,000 during the years ended December 31, 2011 and 2010, with the exception of certain lending and deposit relationships. In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. All such loans were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank and did not involve more than the normal risk of collectability or present other unfavorable features.

All members of the Board of Directors other than Mr. Lufkin, our current President and Chief Executive Officer, are independent under the rules of the Nasdaq Stock Market.

Report of the Audit Committee

For the fiscal year ended December 31, 2011, the Audit Committee (i) reviewed and discussed the Company's audited financial statements with management, (ii) discussed with the Company's independent auditor, S.R. Snodgrass, A.C., the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and (iii) received from S.R. Snodgrass, A.C. the written disclosures and the letter as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and discussed with S.R. Snodgrass, A.C. its independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011.

Audit Committee:

Albert M. Tantala, Sr. (Chair), Carl F. Gregory and James B. Wood.

Audit Fees. The aggregate fees of the Company's principal accountant for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2011 and 2010 were \$170,845 and \$142,170, respectively.

Audit Related Fees. The aggregate fees of the Company's principal accountant for professional services rendered for audit related services or products other than those listed under the captions Audit Fees and Tax Fees for the years ended December 31, 2011 and 2010 were \$27,000 and \$25,000, respectively, and consisted of audits of benefit plans.

Tax Fees. The aggregate fees of the Company's principal accountant for professional services rendered for tax compliance, tax advice or tax planning for the years ended December 31, 2011 and 2010 were \$16,000 and \$21,144, respectively.

It is the Audit Committee's policy to approve all audit and non-audit services prior to the engagement of the Company's independent auditor to perform any service. All of the services listed above for 2011 and 2010 were approved by the Audit Committee prior to the service being rendered.

PROPOSAL II—APPROVAL OF THE 2012 STOCK OPTION PLAN

The Board of Directors has approved the TF Financial Corporation 2012 Stock Option Plan (the "Plan") subject to approval by the Company's stockholders. The Plan provides that the Board of Directors or a committee of the Board of Directors consisting of not less than two directors and all of whom must meet the definition of a non-employee director within the meaning of Rule 16b-3 of the Exchange Act (the "Committee") may grant stock options to directors, officers and employees. The total number of shares of Common Stock to be reserved and available for awards under the Plan is 275,000 shares representing 9.7% of the total of 2,833,521 shares of Common Stock outstanding on the Record Date.

Description of the Plan. The following is a general description of the material features of the Plan. This description is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached to this Proxy Statement as Appendix A.

Purposes. The purpose of the Plan is to permit the use of stock option awards as a tool for compensation incentives and rewards to officers, employees and directors who contribute to the long-term success and growth of the Company, and its affiliates, and to further align the interests of the directors, officers and other selected employees with the interests of the Company's shareholders in increasing the long-term value of the Company's Common Stock for the benefit of its shareholders.

Types of Awards. The Plan provides that the Committee may grant stock options to participants selected by the Committee. Awards under the Plan may be either options that qualify as incentive stock options ("ISOs") under Section 422 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code") or options that do not, or cease to, qualify as incentive stock options under the Internal Revenue Code ("NSOs"). As used herein, "Option" means an ISO or an NSO, as applicable.

Eligibility for Awards. Options may be granted under the Plan to directors, officers and employees of the Company or its affiliates. As of the Record Date, there are approximately 197 employees, including 52 officers, and nine non-employee directors eligible to participate in the Plan.

Administration. The Plan will be administered by the Board of Directors or the Committee appointed by the Board consisting of not less than two directors. Members of the Committee shall be “Non-Employee Directors”

within the meaning of Rule 16b-3 promulgated by the Securities and Exchange Commission under the Exchange Act. In addition, to the extent deemed appropriate by the Board of Directors or the Committee, such members of the Committee will also be limited to those individuals that satisfy the requirements for “outside directors” acting under plans intended to qualify for exemption under Section 162(m)(4)(C) of the Internal Revenue Code; provided, however, a failure to comply with the requirements of Non-Employee Directors or outside directors shall not disqualify any actions taken by the Committee. A majority of the members of the Committee shall constitute a quorum and the action of a majority of the members present at any meeting at which a quorum is present shall be deemed the action of the Committee.

The Committee will have broad authority under the Plan with respect to Options granted thereunder, including, the authority to:

- select the individuals to receive Options under the Plan;
- determine the type, number, vesting requirements and other features and conditions of individual Options;
- interpret the Plan and award agreements issued with respect to individual Options; and
- make all other decisions related to the operation of the Plan.

Each Option granted under the Plan will be evidenced by a written award agreement that sets forth the terms and conditions of each award and may include additional provisions and restrictions as determined by the Committee provided that such additional provisions are not inconsistent with the Plan. Decisions of the Committee shall be final, conclusive, and binding upon all persons with respect to awards issued under the Plan.

The Board or the Committee will from time to time determine the eligible participants who will be granted awards and the terms, conditions and number of awards to be granted to any participant. In making this determination, the Board or the Committee will determine the factors to consider in making such compensation decisions. Such factors may include prior and anticipated future job duties and responsibilities, job performance, the Company’s financial performance and a comparison of awards given by other financial institutions. Participants who have been granted an award may be granted additional awards.

Shares Available; Adjustments. The maximum number of shares of the Common Stock that may be delivered pursuant to Options under the Plan is 275,000 shares.

Shares delivered in accordance with the Plan shall be either authorized and unissued shares, shares purchased in the market or treasury shares, or partly out of each, as shall be determined by the Board. The Committee will determine the appropriate adjustments, if any, to the number of shares available under the Plan and to awards under the Plan in the case of recapitalization, forward or reverse split, stock dividend, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction.

Share Limitations. In no event shall Shares subject to Options granted to any single participant exceed more than 20% of the total number of shares authorized for award of Options. In no event shall shares subject to Options granted to any non-employee director exceed 10,000 shares total; however, the Chairman of the Board of the Company and the Bank may receive an additional award of up to 5,000 Options under the Plan.

Terms of Options. The Options may be exercised for up to seven years from the date of initial grant. An Option gives the recipient the right to purchase shares of Common Stock at a future date at a specified price per share (the “exercise price”). The per share exercise price of an Option may not be less than the Fair Market Value of a share of Common Stock on the date of grant. “Fair Market Value” means: (i) the final reported sales price on the date in question (or if

there is no reported sale on such date, on the last preceding date on which any reported sale occurred) as reported in the principal consolidated reporting system with respect to securities listed or admitted to trading on the principal United States securities exchange on which the Common Stock is listed or admitted to

trading, as of the close of the market in New York City and without regard to after-hours trading activity; or (ii) if the Common Stock is not listed or admitted to trading on any such exchange, the closing bid quotation with respect to a share on such date, as of the close of the market in New York City and without regard to after-hours trading activity; or (iii) if items (i) and (ii) are not applicable, the Fair Market Value in accordance with Internal Revenue Code Sections 422 and 409A will be determined by the Committee in good faith on such basis as it deems appropriate. The Committee may impose additional conditions upon the right of an optionee to exercise any Option granted hereunder which are not inconsistent with the terms of the Plan.

If such Option is intended to qualify as an ISO, within the meaning of Section 422 of the Internal Revenue Code, then such awards will also comply with additional restrictions under Section 422 of the Internal Revenue Code as set forth in the Plan. (See “Federal Income Tax Treatment of Awards under the Plan” below). In order to qualify as ISOs under Section 422 of the Internal Revenue Code, the exercise price must not be less than 100% of the Fair Market Value on the date of the grant. ISOs granted to any person who is the beneficial owner of more than 10% of the outstanding voting stock may be exercised only for a period of five years from the date of grant and the exercise price must be at least equal to 110% of the Fair Market Value of the underlying Common Stock on the date of the grant.

Exercise of Options. No shares of Common Stock may be issued upon the exercise of an Option until the Company has received full payment of the exercise price, and no optionee shall have any of the rights of a stockholder of the Company until shares of Common Stock are issued to such optionee.

Vesting of Awards. Except as otherwise provided by the terms of the Plan or by action of the Committee at the time of the grant of an award, Options will become first earned and exercisable at the rate of 20% of such award on the one year anniversary of the date of grant and 20% annually thereafter during such periods of service as an employee or director.

Award Payouts. The Company may make payouts related to Options in the form of Common Stock, cash or combinations of stock and cash, as determined by the Committee; provided, however, that no cash payment shall be made in the event that the transaction would result in liability to the Optionee or the Company under Section 16(b) under the Exchange Act or subject the participant to additional tax liability under Section 409A of the Internal Revenue Code.

Effect of Termination of Service on Awards. Generally, the Committee will determine the impact of a termination of service upon an award at the time of such award. Generally, an Option may only be exercised while the optionee serves as an employee of the Company or the Bank or within three months after termination of employment for a reason other than death, disability, or retirement (but in no event after the expiration date of the Option).

Effect of Death, Disability, or Retirement on Option Awards. Generally, the Committee will determine the impact of death, disability, or retirement upon an award at the time of such award. In the case of death or disability, Options may become fully vested and shall be exercisable for up to one year thereafter or, if sooner, until the expiration of the term of the option. In the case of retirement as an employee following attainment of age 65 or retirement as a director following attainment of age 75, there will be the continuation of the vesting schedule as if the participant were still in service to the Company or the Bank and continued exercisability for the life of the award upon a participant’s retirement as if he were still in service to the Company or the Bank; provided that an ISO not exercised within three months following retirement shall be redesignated as an NSO.

Acceleration of Awards. Generally, upon a Change in Control of the Company or the Bank, each Option then outstanding shall become immediately earned and exercisable and remain exercisable for its remaining term.

“Change in Control” of the Company or the Bank shall mean an event of a nature that: (i) would be required to be reported in response to Item 5.01 of the current report on Form 8-K, as in effect on the date hereof, pursuant to Section

13 or 15(d) of the Exchange Act; (ii) involves the sale of all, or a material portion, of the assets of the Company or the Bank; (iii) involves the merger or recapitalization of the Company whereby the Company is not the surviving entity; (iv) results in a change in control of the Company, as otherwise defined or determined by the Company's primary federal regulator or regulations promulgated by it; or (v) as otherwise provided in the Plan.

The power of the Committee to accelerate the exercisability of Options and the immediate exercisability of Options in the case of a Change in Control of the Company could have an anti-takeover effect by making it more costly for a potential acquiror to obtain control of the Company due to the higher number of shares outstanding following such exercise of Options. The power of the Committee to make adjustments in connection with the Plan, including adjusting the number of shares subject to Options and canceling Options, prior to or after the occurrence of an extraordinary corporate action, allows the Committee to adapt the Plan to operate in changed circumstances, to adjust the Plan to fit a smaller or larger institution, and to permit the issuance of Options to new management following such extraordinary corporate action. However, this power of the Committee also has an anti-takeover effect, in that the immediate exercisability of Option Awards upon a Change in Control would allow the present management of the Company to exercise more Options and hold more shares of the Common Stock, and to possibly decrease the number of Options available to new management of the Company.

Although the Plan may have an anti-takeover effect, the Company's Board of Directors did not adopt the Plan specifically for anti-takeover purposes. The Plan could render it more difficult to obtain support for stockholder proposals opposed by the Company's Board and management in that recipients of Options could choose to exercise such Options and thereby increase the number of shares for which they hold voting power. Also, the exercise of such Options could make it easier for the Board and management to block the approval of certain transactions. In addition, the exercise of such Options could increase the cost of an acquisition by a potential acquiror.

Other Forfeiture Provisions. In addition to any forfeiture or reimbursement conditions the Committee may impose upon an award, a participant may be required to forfeit an award, or reimburse the Company for the value of a prior award, by virtue of the requirement of Section 304 of the Sarbanes-Oxley Act of 2002 (or by virtue of any other applicable statutory or regulatory requirement).

Compliance with Legal and Other Requirements. No shares, or payments of other benefits under any award will be issued until completion of such registration or qualification of such shares or other required action under any federal or state law, rule or regulation, listing or other required action with respect to any stock exchange or automated quotation system upon which the shares are listed or quoted, or compliance with any other obligation of the Company, as the Committee may consider appropriate. The Plan will be interpreted, applied and administered so as to remain fully compliant with all applicable provisions of law; all requirements of any stock exchange or automated quotation system upon which the shares covered by the Plan are listed or quoted; and all other obligations of the Company. Awards are subject to the discretion of the Board.

Transfer Restrictions. Unless otherwise determined by the Committee, an individual may not transfer, assign, hypothecate, or dispose of an Option in any manner, other than by will or the laws of intestate succession. The Committee may provide for the transfer or assignment of an NSO if it determines that the transfer or assignment is for valid estate planning purposes.

Amendment or Termination of the Plan; No Repricing. The Committee may amend, modify or terminate the Plan, except that no such amendment may have the effect of reducing or repricing the exercise price of Options except for anti-dilution adjustments and any material amendments to the Plan shall be subject to a ratification vote by the Company's stockholders.

Possible Dilutive Effects of the Plan. The Common Stock to be issued upon the exercise of Options awarded under the Plan may either be authorized but unissued shares of Common Stock or shares purchased in the open market. Since the stockholders of the Company do not have preemptive rights, to the extent that the Company funds the Plan, in whole or in part, with authorized but unissued shares, the interests of current stockholders may be diluted. The Company can avoid dilution resulting from awards under the Plan by delivering shares repurchased in the open market upon the exercise of Options.

Federal Income Tax Treatment of Awards Under the Plan

The following discussion of the general tax principles applicable to the Plan summarizes the federal income tax consequences of the Plan under current federal law, which is subject to change at any time. This summary is not intended to be exhaustive and, among other considerations, does not describe state or local tax consequences.

Non-Statutory Stock Options (NSOs). The optionee generally recognizes taxable income in an amount equal to the difference between the Option exercise price and the Fair Market Value of the shares at the time of exercise. Generally, the Company will receive a tax deduction equal to the ordinary income recognized by the optionee. Employees exercising NSOs are also subject to federal, state, and local (if any) tax withholding on the option income. Outside directors are not subject to tax withholding upon the exercise of stock options.

Incentive Stock Options (ISOs). The optionee generally does not recognize taxable income upon exercise of an ISO. If the optionee does not dispose of the Common Stock acquired upon exercise for the required holding periods of two years from the date of grant and one year from the date of exercise, income from a subsequent sale of the shares is treated as a capital gain for tax purposes. However, the difference between the Option exercise price and the Fair Market Value of the Common Stock on the date of Option exercise is an item of tax preference, which may, in certain situations, trigger the alternative minimum tax for an optionee. However, if the optionee disposes of the shares prior to the expiration of the required holding periods, the optionee has made a disqualifying disposition of the stock. Upon a disqualifying disposition, the optionee will recognize taxable income equal to the difference between the exercise price and the Fair Market Value of the Common Stock on the date of exercise, and the Company will, generally, receive a tax deduction equal to the ordinary income recognized by the optionee. Currently, the Internal Revenue Service does not require tax withholding on disqualifying dispositions.

In accordance with Section 162(m) of the Internal Revenue Code, the Company's tax deductions for compensation paid to the most highly paid executives named in the Company's proxy statement may be limited to no more than \$1 million per year, excluding certain "performance-based" compensation. The Company intends for the award of Options under the Plan to comply with the requirements under Section 162(m) of the Internal Revenue Code so that the Company's deduction for compensation related to the exercise of Options would not be subject to the deduction limitation set forth in Section 162(m) of the Internal Revenue Code.

Benefits to Named Executive Officers and Others

Awards under the Plan may be made by the Committee only after the Plan is approved by the stockholders. All awards under the Plan will be made in the future at the discretion of the Committee.

Stockholder Approval

Stockholder approval of the Plan is being requested to permit Options awarded under the Plan to meet one of the requirements for Awards to qualify as ISOs in accordance with the Internal Revenue Code, to meet one of the requirements of the NASDAQ Global Market upon which the Company's Common Stock is listed for trading, and to meet one of the requirements under Section 162(m) of the Internal Revenue Code for certain compensation items to be tax-deductible.

A stockholder may, by checking the appropriate box: (i) vote "FOR" approval of the Plan; (ii) vote "AGAINST" approval of the Plan, or (iii) vote to "ABSTAIN" on approval of the Plan. Approval of Proposal II shall be determined by a vote of a majority of the total votes cast in person or by proxy.

The Board of Directors unanimously recommends a vote "FOR" approval of the Plan.

A majority of the entire Committee shall constitute a quorum and the action of a majority of the members present at any meeting at which a quorum is present shall be deemed the action of the Committee. All decisions, determinations and interpretations of the Committee shall be final and conclusive on all persons affected thereby.

4. STOCK SUBJECT TO THE PLAN; AWARD MAXIMUMS.

The shares of Common Stock issued under the Plan may be either authorized but unissued shares or authorized shares previously issued and acquired or reacquired by the Corporation. To the extent that Options are granted under the Plan, the shares underlying such Awards will be unavailable for any other use including future grants under the Plan except that, to the extent that Options terminate, expire or are forfeited without having vested or without having been exercised, new Awards may be made with respect to these shares.

(b) **Stock Option Award Limitations.** No individual shall be granted an amount of Stock Options which exceeds 20% of the total shares reserved for Awards under the Plan. The maximum number of shares subject to Options granted to any individual Outside Director shall not exceed 10,000 shares; provided that the Chairman of the Board of the Company or the Bank may receive Options to purchase up to an additional 5,000 shares for such service.

(c) **Vesting of Awards.** Except as otherwise provided by the terms of the Plan or by action of the Committee at the time of the grant of an Award, Stock Options will become first earned and exercisable at the rate of 20% of such Award on the one year anniversary of the date of grant and 20% annually thereafter during such periods of service as an Employee or Director.

(d) Reservation of Shares; No Fractional Shares; Minimum Issue. The Corporation shall at all times reserve a number of shares of Common Stock sufficient to cover the Corporation's obligations and contingent obligations to deliver shares with respect to Awards then outstanding under this Plan. A4

under this Plan. No fewer than 100 shares may be purchased upon exercise of any Stock Option unless the total number purchased or exercised is the total number at the time available for purchase or exercise by the Participant.

5. ELIGIBILITY.

Subject to the terms of the Plan, all Employees and Outside Directors shall be eligible to receive Awards under the Plan.

6. NON-STATUTORY STOCK OPTIONS.

The Committee may, subject to the limitations of this Plan and the availability of shares of Common Stock reserved but not previously awarded under the Plan, grant Non-Statutory Stock Options to eligible individuals upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions:

(a) Exercise Price. The Committee shall determine the Exercise Price of each Non-Statutory Stock Option. However, the Exercise Price shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant.

(b) Terms of Non-Statutory Stock Options. The Committee shall determine the term during which a Participant may exercise a Non-Statutory Stock Option, but in no event may a Participant exercise a Non-Statutory Stock Option, in whole or in part, more than seven (7) years from the Date of Grant. The Committee shall also determine the date on which each Non-Statutory Stock Option, or any part thereof, first becomes exercisable and any terms or conditions a Participant must satisfy in order to exercise each Non-Statutory Stock Option. The shares of Common Stock underlying each Non-Statutory Stock Option may be purchased in whole or in part by the Participant at any time during the term of such Non-Statutory Stock Option, or any portion thereof, once the Non-Statutory Stock Option becomes exercisable.

(c) Non-Transferability. Unless otherwise determined by the Committee in accordance with this Section 6(c), a Participant may not transfer, assign, hypothecate, or dispose of in any manner, other than by will or the laws of intestate succession, a Non-Statutory Stock Option. The Committee may, however, in its sole discretion, permit transferability or assignment of a Non-Statutory Stock Option if such transfer or assignment is, in the Committee's sole determination, for valid estate planning purposes and such transfer or assignment is permitted under the Code and Rule 16b-3 under the Exchange Act. For purposes of this Section 6(c), a transfer for valid estate planning purposes includes, but is not limited to: (a) a transfer to a revocable intervivos trust as to which the Participant is both the settlor and trustee, or (b) a transfer for no consideration to: (i) any member of the Participant's Immediate Family, (ii) any trust solely for the benefit of members of the Participant's Immediate Family, (iii) any partnership whose only partners are members of the Participant's Immediate Family, and (iv) any limited liability corporation or corporate entity whose only members or equity owners are members of the Participant's Immediate Family. For purposes of this Section 6(c), "Immediate Family" includes, but is not necessarily limited to, a Participant's parents, grandparents, spouse, children, grandchildren, siblings (including half brothers and sisters), and individuals who are family members by adoption. Nothing contained in this Section 6(c) shall be construed to require the Committee to give its approval to any transfer or assignment of any Non-Statutory Stock Option or portion thereof, and approval to transfer or assign any Non-Statutory Stock Option or portion thereof does not mean that such approval will be given with respect to any other Non-Statutory Stock Option or portion thereof. The transferee or assignee of any Non-Statutory Stock Option shall be subject to all of the terms and conditions applicable to such Non-Statutory Stock Option immediately prior to the transfer or assignment and shall be subject to any other conditions proscribed by the Committee with respect to such Non-Statutory Stock Option.

(d) Termination of Employment or Service (General). Unless otherwise determined by the Committee, upon the termination of a Participant's employment or other service for any reason other than Retirement, Disability or death, or Termination for Cause, the Participant may exercise only those Non-Statutory Stock Options that were earned and immediately exercisable by the Participant at the date of such termination and only for a period of three (3) months following the date of such termination, or, if sooner, until the expiration of the term of the Option.

A5

(e) Termination of Employment or Service (Upon Retirement). Unless otherwise determined by the Committee, in the event of a Participant's Retirement as a Director or Retirement as an Employee, the Participant will continue to earn and vest in the Non-Statutory Stock Options on the same vesting schedule as if he were still in service to the Corporation or the Bank. Upon such Retirement, such Non-Statutory Stock Options shall continue to be exercisable for the remaining term of the Non-Statutory Stock Option without regard to the continued services of such Participant to the Corporation or the Bank.

(f) Termination of Employment or Service (Disability or Death). Unless otherwise determined by the Committee, in the event of the termination of a Participant's employment or other service due to Disability or death, all Non-Statutory Stock Options held by such Participant shall become earned and immediately exercisable upon such Disability or death, and shall remain exercisable for a period of one (1) year following the date of such Disability or death, or, if sooner, until the expiration of the term of the Non-Statutory Stock Option.

(g) Termination of Employment or Service (Termination for Cause). Unless otherwise determined by the Committee, in the event of a Participant's Termination for Cause, all rights with respect to the Participant's Non-Statutory Stock Options shall expire immediately upon the effective date of such Termination for Cause.

(h) Acceleration Upon a Change in Control. In the event of a Change in Control, all Non-Statutory Stock Options held by a Participant as of the date of the Change in Control shall immediately become earned and exercisable.

(i) Delivery of Shares. Upon the exercise of a Non-Statutory Stock Option, payment by the Corporation shall be made in the form of shares of Common Stock.

(j) Events Not Deemed Terminations of Employment or Service. Unless Corporation policy or the Committee provides otherwise, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other leave of absence authorized by the Corporation or the Committee; provided that, unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any Employee on an approved leave of absence, continued vesting of the Award while on leave may be suspended until the Employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall an Award be exercised after the expiration of the term set forth in the Award Agreement.

7. INCENTIVE STOCK OPTIONS.

The Committee may, subject to the limitations of the Plan and the availability of shares of Common Stock reserved but unawarded under this Plan, grant Incentive Stock Options to an Employee upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions:

(a) Exercise Price. The Committee shall determine the Exercise Price of each Incentive Stock Option. However, the Exercise Price shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant; provided, however, that if at the time an Incentive Stock Option is granted, the Employee owns or is treated as owning, for purposes of Section 422 of the Code, Common Stock representing more than 10% of the total combined voting securities of the Corporation ("10% Owner"), the Exercise Price shall not be less than 110% of the Fair Market Value of the Common Stock on the Date of Grant.

(b) Amounts of Incentive Stock Options. To the extent the aggregate Fair Market Value of shares of Common Stock with respect to which Incentive Stock Options that are exercisable for the first time by an Employee during any calendar year under the Plan and any other stock option plan of the Corporation or an Affiliate exceeds \$100,000, or such higher value as may be permitted under Section 422 of the Code, such Options in excess of such limit shall be

treated as Non-Statutory Stock Options. Fair Market Value shall be determined as of the Date of Grant with respect to each such Incentive Stock Option.

(c) Terms of Incentive Stock Options. The Committee shall determine the term during which a Participant may exercise an Incentive Stock Option, but in no event may a Participant exercise an Incentive Stock Option, in whole or in part, more than seven (7) years from the Date of Grant; provided, however, that if at the time

A6

an Incentive Stock Option is granted to an Employee who is a 10% Owner, the Incentive Stock Option granted to such Employee shall not be exercisable after the expiration of five (5) years from the Date of Grant. The Committee shall also determine the date on which each Incentive Stock Option, or any part thereof, first becomes exercisable and any terms or conditions a Participant must satisfy in order to exercise each Incentive Stock Option. The shares of Common Stock underlying each Incentive Stock Option may be purchased in whole or in part at any time during the term of such Incentive Stock Option after such Option becomes exercisable.

(d) **Non-Transferability.** No Incentive Stock Option shall be transferable except by will or the laws of descent and distribution and is exercisable, during his lifetime, only by the Employee to whom the Committee grants the Incentive Stock Option. The designation of a Beneficiary does not constitute a transfer of an Incentive Stock Option.

(e) **Termination of Employment (General).** Unless otherwise determined by the Committee, upon the termination of a Participant's employment or other service for any reason other than Retirement, Disability or death, or Termination for Cause, the Participant may exercise only those Incentive Stock Options that were earned and immediately exercisable by the Participant at the date of such termination and only for a period of three (3) months following the date of such termination, or, if sooner, until the expiration of the term of the Incentive Stock Option.

(f) **Termination of Employment (Upon Retirement).** Unless otherwise determined by the Committee, in the event of a Participant's Retirement as an Employee, the Participant will continue to earn and vest in Incentive Stock Options on the same vesting schedule as if he were still employed by the Corporation or the Bank. Upon such Retirement, such Incentive Stock Options shall continue to be exercisable for the remaining term of the Incentive Stock Option without regard to continued employment by the Corporation or the Bank. Any Option originally designated as an Incentive Stock Option shall be treated as a Non-Statutory Stock Option to the extent the Participant exercises such Option more than three (3) months following the Participant's cessation of employment.

(g) **Termination of Employment (Disability or Death).** Unless otherwise determined by the Committee, in the event of the termination of a Participant's employment or other service due to Disability or death, all Incentive Stock Options held by such Participant shall become earned and immediately exercisable upon such Disability or death, and shall remain exercisable for a period of one (1) year following the date of such Disability or death, or, if sooner, until the expiration of the term of the Incentive Stock Option.

(h) **Termination of Employment (Termination for Cause).** Unless otherwise determined by the Committee, in the event of an Employee's Termination for Cause, all rights under such Employee's Incentive Stock Options shall expire immediately upon the effective date of such Termination for Cause.

(i) **Acceleration Upon a Change in Control.** In the event of a Change in Control all Incentive Stock Options held by a Participant as of the date of the Change in Control shall immediately become earned and exercisable.

(j) **Delivery of Shares.** Upon the exercise of an Incentive Stock Option, payment shall be made in the form of shares of Common Stock.

(k) **Disqualifying Dispositions.** Each Award Agreement with respect to an Incentive Stock Option shall require the Participant to notify the Committee of any disposition of shares of Common Stock issued pursuant to the exercise of such Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), within 10 days of such disposition.

(l) **Events Not Deemed Terminations of Employment or Service.** Unless Corporation policy or the Committee provides otherwise, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other leave of absence authorized by the Corporation or the Committee; provided that, unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not

more than 90 days. In the case of any Employee on an approved leave of absence, continued vesting of the Award while on leave may be suspended until the Employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall an Award be exercised after the expiration

A7

of the term set forth in the Award Agreement.

8. METHOD OF EXERCISE OF OPTIONS.

Subject to any applicable Award Agreement, any Option may be exercised by the Participant in whole or in part at such time or times, and the Participant may make payment of the Exercise Price in such form or forms permitted by the Committee, including, without limitation, payment by delivery of cash or Common Stock having a Fair Market Value on the day immediately preceding the exercise date equal to the total Exercise Price, or by any combination of cash and shares of Common Stock, including exercise by means of a cashless exercise arrangement with a qualifying broker-dealer in accordance with procedures approved by the Corporation. Payment of the Exercise Price in full or partial payment in the form of Common Stock shall be made utilizing Common Stock that has been owned by the party exercising such Option for not less than six months prior to the date of exercise of such Option. No shares of Common Stock shall be issued until full payment of the Exercise Price has been received by the Corporation.

9. RIGHTS OF PARTICIPANTS.

No Participant shall have any rights as a shareholder with respect to any shares of Common Stock covered by an Option until the date of issuance of a stock certificate for such Common Stock. Nothing contained herein or in any Award Agreement confers on any person any right to continue in the employ or service of the Corporation or an Affiliate or interferes in any way with the right of the Corporation or an Affiliate to terminate a Participant's employment or services.

10. ADJUSTMENTS IN CAPITAL STRUCTURE; ACCELERATION UPON A CHANGE IN CONTROL.

10.1 Adjustments in Capital Structure. Upon any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution with respect to the Common Stock (whether in the form of securities or property); any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction affecting the Common Stock; or a sale of all or substantially all the business or assets of the Corporation; then the Committee shall proportionately adjust the Plan and the Awards thereunder in such manner, to such extent and at such times, as is necessary to preserve the benefits or potential benefits of such Awards, including:

- (a) proportionately adjust any or all of: (1) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan); (2) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards; (3) the grant, purchase, or Exercise Price of any or all outstanding Awards; (4) the securities, cash or other property deliverable upon exercise or payment of any outstanding Awards; or (5) the performance standards applicable to any outstanding Awards; or
- (b) make provision for a cash payment or for the assumption, substitution or exchange of any or all outstanding Awards, based upon the distribution or consideration payable to holders of the Common Stock.

10.2 The Committee may adopt such valuation methodologies for outstanding Awards as it deems reasonable in the event of a cash or property settlement and, in the case of Options, may base such settlement solely upon the excess, if any, of the per share amount payable upon or in respect of such event over the Exercise Price or base price of the Award. With respect to any Award of an Incentive Stock Option, the Committee may make an adjustment that causes the Option to cease to qualify as an Incentive Stock Option without the consent of the affected Participant.

10.3 Upon any of the events set forth in Section 10.1, the Committee may take such action prior to such event to the extent that the Committee deems the action necessary to permit the Participant to realize the benefits

A8

intended to be conveyed with respect to the Awards in the same manner as is or will be available to stockholders of the Corporation generally. In the case of any stock dividend, stock split or reverse stock split, if no action is taken by the Committee, the proportionate adjustments contemplated by Section 10.1(a) above shall nevertheless be made.

10.4 No such adjustments may, however, materially change the value of benefits available to a Participant under a previously granted Award. All Awards under this Plan shall be binding upon any successors or assigns of the Corporation.

10.5 Acceleration of Vesting. The Committee shall at all times have the power to accelerate the exercise date of Options with respect to previously granted Awards; provided that such action is not contrary to regulations of the Corporation's applicable banking regulatory agency then in effect.

11. MISCELLANEOUS PROVISIONS.

11.1 Compliance with Laws. This Plan, the granting and vesting of Awards under this Plan, the offer, issuance and delivery of shares of Common Stock, the acceptance of payment of money under this Plan or under Awards are subject to compliance with all applicable federal and state laws, rules and regulations (including, but not limited to, state and federal securities laws) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Corporation, be necessary or advisable in connection therewith. The person acquiring any securities under this Plan will, if requested by the Corporation, provide such assurances and representations to the Corporation as may be deemed necessary or desirable to assure compliance with all applicable legal and accounting requirements.

11.2 Claims. No person shall have any claim or rights to an Award (or additional Awards, as the case may be) under this Plan, subject to any express contractual rights to the contrary (set forth in a document other than this Plan).

11.3 No Employment/Service Contract. Nothing contained in this Plan (or in any other documents under this Plan or in any Award Agreement) shall confer upon any Participant any right to continue in the employ or other service of the Corporation or an Affiliate, constitute any contract or agreement of employment or other service or affect an Employee's status as an employee-at-will, nor interfere in any way with the right of the Corporation to change a Participant's compensation or other benefits, or terminate his or her employment or other service, with or without cause. Nothing in this Section 11.3, however, is intended to adversely affect any express independent right of such Participant under a separate employment or service contract other than an Award Agreement.

11.4 Plan Not Funded. Awards payable under this Plan shall be payable in shares of Common Stock or from the general assets of the Corporation. No Participant, Beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly provided otherwise) of the Corporation by reason of any Award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Corporation and any Participant, Beneficiary or other person. To the extent that a Participant, Beneficiary or other person acquires a right to receive payment pursuant to any Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Corporation.

11.5 Tax Matters; Tax Withholding.

Tax Withholding. Upon any exercise, vesting, or payment of any Award, the Corporation shall have the right, within its sole discretion, to:

(i)

require the Participant (or the Participant's personal representative or Beneficiary, as the case may be) to pay or provide for payment of at least the minimum amount of any taxes which the Corporation may be required to withhold with respect to such Award or payment; or

- (ii) deduct from any amount otherwise payable in cash to the Participant (or the

A9

Participant's personal representative or Beneficiary, as the case may be) the minimum amount of any taxes which the Corporation may be required to withhold with respect to such cash payment, or

- (iii) in any case where tax withholding is required in connection with the delivery of shares of Common Stock under this Plan, the Committee may, in its sole discretion, pursuant to such rules and subject to such conditions as the Committee may establish, reduce the number of shares to be delivered to the Participant by the appropriate number of shares, valued in a consistent manner at their Fair Market Value as necessary to satisfy the minimum applicable withholding obligation. In no event shall the shares withheld exceed the minimum whole number of shares required for tax withholding under applicable law.

11.6 Effective Date, Termination and Suspension, Amendments.

- (a) Effective Date and Termination. This Plan is effective upon the later of approval of the Plan by the Board of Directors of the Corporation or the vote of approval by the stockholders of the Corporation ("Approval Date"). Unless earlier terminated by the Board, this Plan shall terminate at the close of business on the day before the tenth anniversary of the Approval Date. After the termination of this Plan either upon such stated expiration date or its earlier termination by the Board, no additional Awards may be granted under this Plan, but previously granted Awards (and the authority of the Committee with respect thereto, including the authority to amend such Awards) shall remain outstanding in accordance with their applicable terms and conditions and the terms and conditions of this Plan.
- (b) Board Authorization. Subject to applicable laws and regulations, the Board of Directors may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part; provided, however, that no such amendment may have the effect of repricing the Exercise Price of Options. No Awards may be granted during any period that the Board of Directors suspends this Plan.
- (c) Stockholder Approval. The Plan must be approved by a majority of votes cast by stockholders of the Corporation by proxy or in person within 12 months of the date the Plan is approved by the Board.
- (d) Limitations on Amendments to Plan and Awards. No amendment, suspension or termination of this Plan or change affecting any outstanding Award shall, without the written consent of the Participant, affect in any manner materially adverse to the Participant any rights or benefits of the Participant or obligations of the Corporation under any Award granted under this Plan prior to the effective date of such change. Changes, settlements and other actions contemplated by Section 10 shall not be deemed to constitute changes or amendments for purposes of this Section 11.6.

11.7 Governing Law; Compliance with Regulations; Construction; Severability.

- (a) Construction. This Plan, the Awards, all documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with, the laws of the United States and the laws of the Commonwealth of Pennsylvania to the extent not preempted by Federal law.
- (b) Severability. If a court of competent jurisdiction holds any provision invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.
- (c) Section 16 of Exchange Act. It is the intent of the Corporation that the Awards and transactions permitted by Awards be interpreted in a manner that, in the case of

Participants who are or may be subject to Section 16 of the Exchange Act, qualify, to the maximum extent compatible with the express terms of the Award, for exemption from matching liability under Rule 16b-3 promulgated under the Exchange Act. Notwithstanding the foregoing, the Corporation shall have no liability to any Participant for Section 16 consequences of Awards or events affecting Awards if an Award or event does not so qualify.

- (d) **Compliance with Law.** Shares of Common Stock shall not be issued with respect to any Award granted under the Plan unless the issuance and delivery of such shares shall comply with all relevant provisions of applicable law, including, without limitation, the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, any applicable state securities laws and the requirements of any stock exchange upon which the shares may then be listed.
- (e) **Necessary Approvals.** The inability of the Corporation to obtain any necessary authorizations, approvals or letters of non-objection from any regulatory body or authority deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any shares of Common Stock issuable hereunder shall relieve the Corporation of any liability with respect to the non-issuance or sale of such shares.
- (f) **Representations and Warranties of Participants.** As a condition to the exercise of any Option or the delivery of shares in accordance with an Award, the Corporation may require the person exercising the Option or receiving delivery of the shares to make such representations and warranties as may be necessary to assure the availability of an exemption from the registration requirements of federal or state securities law.
- (g) **Cash Payment in Lieu of Delivery of Shares.** Upon the exercise of an Option, the Committee, in its sole and absolute discretion, may make a cash payment to the Participant, in whole or in part, in lieu of the delivery of shares of Common Stock. Such cash payment to be paid in lieu of delivery of Common Stock shall be equal to the difference between the Fair Market Value of the Common Stock on the date of the Option exercise and the exercise price per share of the Option. Such cash payment shall be in exchange for the cancellation of such Option. Such cash payment shall not be made in the event that such transaction would result in liability to the Participant or the Corporation under Section 16(b) of the Exchange Act and regulations promulgated thereunder, or subject the Participant to additional tax liabilities related to such cash payments pursuant to Section 409A of the Code.
- (h) **Forfeiture of Awards in Certain Circumstances.** In addition to any forfeiture or reimbursement conditions the Committee may impose upon an Award, a Participant may be required to forfeit an Award, or reimburse the Corporation for the value of a prior Award, by virtue of the requirement of Section 304 of the Sarbanes-Oxley Act of 2002 (or by virtue of any other applicable statutory or regulatory requirement), but only to the extent that such forfeiture or reimbursement is required by such statutory or regulatory provision. Unless otherwise determined by the Committee, in the event of a forfeiture of an Award with respect to which a Participant paid cash consideration, the Participant shall be repaid the amount of such cash consideration.
- (i) **Termination for Cause.** Notwithstanding anything herein to the contrary, upon the Termination for Cause of a Participant by the Bank or the Corporation as determined by the Board of Directors or the Committee, all Awards held by such Participant which have not yet been delivered shall be forfeited by such Participant as of the date of such termination of employment or service.

11.8 **Captions.** Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the

construction or interpretation of this Plan or any provision thereof.

11.9 Non-Exclusivity of Plan. Nothing in this Plan shall limit or be deemed to limit the authority of the Board of Directors or the Committee to grant Awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

11.10 Limitation on Liability. No Director or member of the Committee shall be liable for any determination made in good faith with respect to the Plan or any Awards granted. If a Director or member of the Committee is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by any reason of anything done or not done by him in such capacity under or with respect to the Plan, the Corporation shall indemnify such person against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in the best interests of the Corporation and its Affiliates and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

12. NO DEFERRAL OF COMPENSATION UNDER SECTION 409A OF THE CODE.

All Awards granted under the Plan are designed to not constitute a deferral of compensation for purposes of Section 409A of the Code. Notwithstanding any other provision in this Plan to the contrary, all of the terms and conditions of any Option granted under this Plan shall be designed to satisfy the exemption for stock options set forth in the regulations issued under Section 409A of the Code. Both this Plan and the terms of all Options granted hereunder shall be interpreted in a manner that requires compliance with all of the requirements of the exemption for stock options set forth in the regulations issued under Section 409A of the Code. No Participant shall be permitted to defer the recognition of income beyond the exercise date of a Non-Statutory Stock Option or beyond the date that the Common Stock received upon the exercise of an Incentive Stock Option is sold.
