**Transaction Valuation\***

\$1,170,000,000.00

**Amount of Filing Fee\*\***

\$125,190.00

\* Calculated solely for purposes of determining the amount of the filing fee. Pursuant to rule 0-11(b)(1) of the Securities Exchange Act of 1934, as amended, the Transaction Valuation was calculated assuming that 26,000,000 outstanding shares of common stock, par value \$1.00 per share, are being purchased at the tender offer price of \$45.00 per share.

\*\* The amount of the filing fee, calculated in accordance with Rule 0-11(b)(1) of the Securities Exchange Act of 1934, as amended, and Fee Advisory #5 for Fiscal Year 2006 issued by the Securities and Exchange Commission, equals \$107.00 per million of the value of the transaction.

X Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

This Amendment No. 2 (this "Amendment") amends and supplements the Tender Offer Statement on Schedule TO originally filed with the Securities and Exchange Commission on May 5, 2006, as amended by Amendment No. 1 (as amended, the "Schedule TO"), by Engelhard Corporation, a Delaware corporation (the "Company" or "Engelhard"), relating to the offer by the Company to purchase up to 26,000,000 shares of its common stock, par value \$1.00 per share (the "Shares"), including the associated Series A Junior Participating Preferred Stock Purchase Rights (the "Rights"), issued pursuant to the Rights Agreement, dated as of October 1, 1998, between the Company and ChaseMellon Shareholder Services, L.L.C., as Rights Agent, at a price of \$45.00 per Share, net to the seller in cash, without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated May 5, 2006 (the "Offer to Purchase") and the related Letter of Transmittal (the "Letter of Transmittal"), which together, as each may be amended and supplemented from time to time, constitute the offer (the "Offer"). The number of Shares to be purchased by Engelhard in the Offer includes Shares that may be tendered upon exercise of vested stock options ("Option Shares") as described in Section 3 of the Offer to Purchase. As used in the Offer to Purchase, unless otherwise noted, the term "Shares" includes Option Shares. The Letter to Optionees and Notice of Instructions (Options) applicable to tenders of Option Shares described in Section 3 of the Offer to Purchase are also part of the terms of the Offer. This Amendment to Schedule TO is intended to satisfy the reporting requirements of Rule 13e 4(c)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The information contained in the Offer to Purchase and the related Letter of Transmittal, Letter to Optionees and Notice of Instructions (Options), previously filed with the Schedule TO as Exhibits (a)(1)(A), (a)(1)(B), (a)(1)(F) and (a)(1)(G), respectively, is incorporated into this Amendment by reference in response to all of the items of the Schedule TO, except that such information is hereby amended and supplemented to the extent specifically provided herein.

#### **Item 4. Terms of the Transaction**

The Schedule TO is hereby amended and supplemented as follows:

(a) The Offer to Purchase is amended by deleting the words "as promptly as practicable" when used in reference to the Company's payment for Shares accepted in the Offer and in reference to the Company's returning Shares that are not accepted in the Offer and replacing them with the word "promptly."

(b) The Offer to Purchase is amended by deleting the words "urge stockholders to" or "urge each stockholder to" when used in reference to the stockholders consulting their own tax advisors and replacing them with the words "recommend that stockholders" or "recommend that each stockholder," respectively.

(c) Section 3 of the Offer to Purchase is supplemented by inserting immediately following the twelfth paragraph of such section the following:

#### *"Procedures for Holders of Shares in Dividend Reinvestment Program"*

Holders of Shares in Engelhard's Dividend Reinvestment Program may instruct the depository to tender such Shares by completing the appropriate section of the Letter of Transmittal. If a shareholder tenders Shares held in the Dividend Reinvestment Plan, all such Shares credited to such shareholder's account(s) (including any Shares purchased on or after March 31, 2006 and credited to such accounts(s)) will be tendered, unless the shareholder otherwise specifies in the Letter of Transmittal. If a shareholder does not complete the section of the Letter of Transmittal instructing the depository to tender Shares held under the Dividend Reinvestment Program, no Shares held in that shareholder's Dividend Reinvestment Plan account will be tendered.

(d) The first bullet point under the third paragraph of Section 9 of the Offer to Purchase is hereby amended and restated as follows:

- "Hybrid debt securities: \$800 million of income capital obligation notes ("ICONS"). The ICONs are expected to have a 60 year maturity, to have call dates ranging from 5 to 30 years and to allow the Company to defer the payment of interest and/or principal on the ICONs in certain circumstances."

(e) The fourth paragraph of Section 11 of the Offer to Purchase is hereby amended by deleting the words , to the best of Engelhard's knowledge.

**Item 6. Purpose of the Transaction and Plans or Proposals**

Item 6 of the Schedule TO is hereby amended and supplemented by adding the following additional paragraph:

Except as disclosed in the Offer to Purchase, we currently have no plans, proposals or negotiations that relate to or would result in:

any extraordinary transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries;

any purchase, sale or transfer of a material amount of assets of the Company or any of its subsidiaries;

any material change in the present dividend rate or policy, or indebtedness or capitalization of the Company;

any change in the present Board of Directors or management of the Company, including, but not limited to, any plans or proposals to change the number or the term of directors or to fill any existing vacancies on the Board or to change any material term of the employment contract of any executive officer;

any other material change in the Company's corporate structure or business;

any class of equity securities of the Company to be delisted from the NYSE;

any class of equity securities of the Company becoming eligible for termination of registration under Section 12(g)(4) of the Exchange Act;

the suspension of the Company's obligation to file reports under Section 15(d) of the Exchange Act;

the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; or

any changes in the Company's charter, bylaws or other governing instruments or other actions that could impede the acquisition of control of the Company.

**Item 10. Financial Statements**

(a) The pro forma condensed consolidated balance sheets in Section 10 of the Offer to Purchase are amended by adding an additional row immediately following the row entitled "Total liabilities and shareholders' equity" under the respective columns indicated as follows:

	As Reported December 31, 2005	Bridge Loan Adjustments	Pro forma After Bridge Loan	Long-term Financing Adjustments	Pro forma After Long-term Financing
Book value per common share	\$12.35		\$3.66		\$3.66

(b) The pro forma condensed consolidated statement of earnings in Section 10 of the Offer to Purchase is amended by adding an additional row immediately following the row entitled "Average number of shares outstanding" under the respective columns and a corresponding footnote as follows:

	As Reported December 31, 2005	Bridge Loan Adjustments	Pro forma After Bridge Loan	Long-term Financing Adjustments	Pro forma After Long-term Financing
Ratio of earnings to fixed charges (5)	7.00		2.92		2.43

(5) A 0.125% increase in interest rates would decrease the pro forma ratio of earnings to fixed charges from 2.43 to 2.40.

(c) The pro forma condensed consolidated balance sheet and pro forma condensed consolidated statement of earnings in Section 10 of the Offer to Purchase are supplemented by adding the following after the Pro Forma Consolidated Statement of Earnings for the Year Ended December 31, 2005:

The following tables show (a) selected historical financial information as of and for the fiscal quarter ended March 31, 2006 and (b) selected pro forma financial information for the same periods, giving effect to the Offer to purchase 26,000,000 Shares at \$45.00 per share. The pro forma information is based on our historical financial information for the quarter ended March 31, 2006 and gives effect to the Offer as if the Offer were completed on January 1, 2006 for income statement information and on March 31, 2006 for balance sheet information. The pro forma information assumes that Engelhard would have used borrowings under the Bridge Loan for which the Commitment Letter has been provided to finance the Offer and the related impact on interest income and interest expense. The pro forma information assumes the subsequent refinancing of the Bridge Loan with long-term debt. The impact on interest income and interest expense reflected in the pro forma financial information was based on the average interest rates currently available to Engelhard. The pro forma financial information is intended for informational purposes only and does not purport to be indicative of the results that would actually have been obtained if the Offer had been completed at the dates indicated or results that may be obtained in the future. Actual results may differ significantly from those shown in the pro forma information.

- Represents three-month incremental summary impact of long-term financing in excess of bridge financing, and subsequent refinancing of Bridge Loan with Long-term proceeds assuming the transactions occurred on January 1, 2006.
- Total interest expense on long-term financing is represented by the sum of the Bridge Loan interest expense of \$16,650 (5.55% assumed interest rate) plus the interest expense on long-term debt in excess of the interest expense on the Bridge Loan of \$5,204, for a total interest expense on long term debt of \$21,854 (assuming weighted average interest rate of 7.28%). A 0.125% increase in interest rates would increase interest expense by \$375,000.
- Pro forma income statement presentation does not include the three-month portion of the expected \$15 million of incremental cost savings in the Recapitalization Plan.
- A 0.125% increase in interest rates would decrease the pro forma ratio of earnings to fixed charges from 2.58 to 2.56.
