**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On November 21, 2006, Patient Safety Technologies, Inc. (the "Company") received notice from the staff of the American Stock Exchange ("Amex"), indicating that it intends to proceed with delisting procedures due to the Company not being in compliance with certain sections of the Amex Company Guide. As of the date of receipt of the notice from Amex, the Company had not yet filed its Form 10-Q for the period ended September 30, 2006. The timely filing of such reports is a condition for the Company's continued listing on the Amex, and receipt of the notice from Amex constitutes notice of a failure to satisfy a continued listing standard.

The Company previously received a notice from Amex regarding delisting of its stock and currently has a hearing date with Amex set for December 6, 2006 to formally present its appeal. The Company intends to file its 10-Q within one to two weeks and will present to Amex the reasons for its delay at the December 6, 2006 appeal hearing.

A copy of the press release announcing receipt of the AMEX notice is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
