Additional Terms:

Interest

Interest on the Notes for the period from and including December 6, 2010 to but excluding December 6, 2011 (the *Fixed Rate Period*) will be payable quarterly in U.S. Dollars on March 6, 2011, and June 6, 2011, and September 6, 2011 and December 6, 2011 (the *Fixed Rate Interest Payment Dates*); provided that, if any such day falls on a day that is not a Business Day, it will be postponed to the following Business Day and interest thereon will not continue to accrue, except that if such following Business Day would fall in the next calendar month, the Interest Payment Date will be the immediately preceding Business Day. During the Fixed Rate Period, the interest on the Notes will be equal to 1.500% per annum. During the Fixed Rate Period, interest will be computed and paid on an Act/360 basis (based upon the number of calendar days elapsed in each month in a 360-day year).

Interest on the Notes for the period from and including December 6, 2011 to but excluding the Maturity Date (the *Floating Rate Period*) will be payable in U.S. Dollars quarterly, in arrears, on each March 6, June 6, September 6 and December 6, beginning March 6, 2012 (each a *Floating Rate Interest Payment Date*); provided that, if any such day falls on a day that is not a Business Day, it will be postponed to the following Business Day and interest thereon will not continue to accrue, except that if such following Business Day would fall in the next calendar month, the Interest Payment Date will be the immediately preceding Business Day. During the Floating Rate Period, the interest rate on the Notes will be equal to the sum of three month USD LIBOR plus 0.50%; provided that such interest rate shall at all times equal or exceed 0.75% per annum (the *Minimum Interest Rate*). The initial floating rate will be determined two London Business Days prior to December 6, 2011 based on three month USD LIBOR plus 0.50%. During the Floating Rate Period, the interest rate will be reset quarterly on each scheduled Floating Rate Interest Payment Date (the *Interest Reset Date*), and will be determined quarterly, two London Business Days prior to each Interest Reset Date. During the Floating Rate Period, interest will be computed and paid on an Act/360 basis (based upon the number of calendar days elapsed in each month in a 360-day year).

Plan of Distribution:

The Notes are being purchased by Barclays Capital Inc. (the *Underwriter*), as principal, at 100.00% of the aggregate principal amount less an underwriting discount equal to 0.30% of the principal amount of the Notes.

The Issuer has agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

Additional Information

General

At the quarter ended September 30, 2010, we had outstanding indebtedness totaling \$408.927 billion, consisting of notes payable within one year, senior notes payable after one year and subordinated notes payable after one year, and excluding bank deposits and non-recourse borrowings of consolidated securitization entities. The total amount of outstanding indebtedness at September 30, 2010, excluding subordinated notes and debentures payable after one year, was equal to \$399.499 billion.

Consolidated Ratio of Earnings to Fixed Charges

The information contained in the Prospectus under the caption *Consolidated Ratio of Earnings to Fixed Charges* is hereby amended in its entirety, as follows:

Year Ended December 31,					Nine Months Ended
2005	2006	2007	2008	2009	September 30, 2010
1.66	1.63	1.56	1.24	0.85	1.11

For purposes of computing the consolidated ratio of earnings to fixed charges, earnings consist of net earnings adjusted for the provision for income taxes, noncontrolling interests, discontinued operations and undistributed earnings of equity investees.

Fixed charges consist of interest and discount on all indebtedness and one-third of rentals, which we believe is a reasonable approximation of the interest factor of such rentals.

CAPITALIZED TERMS USED HEREIN WHICH ARE DEFINED IN THE PROSPECTUS SUPPLEMENT SHALL HAVE THE MEANINGS ASSIGNED TO THEM IN THE PROSPECTUS SUPPLEMENT.
