SCHEDULE TO/A

ITEMS 1-11

This Amendment No. 4 (the "Amendment") amends and supplements the Tender Offer Statement on Schedule TO (the "Schedule TO"), filed initially with the Securities and Exchange Commission on October 25, 2002 by Babcock, Inc., a Delaware corporation ("Babcock") and a wholly owned subsidiary of Invitrogen Corporation, a Delaware corporation ("Invitrogen") and Invitrogen. On October 29, 2002, November 15, 2002 and November 25, 2002, Babcock and Invitrogen filed Amendments No. 1, No. 2 and No. 3, respectively, to the Schedule TO. The Schedule TO relates to the offer by Babcock to purchase all of the outstanding shares of common stock, par value \$0.001 per share (the "Shares") of InforMax, Inc., a Delaware corporation ("InforMax"), at a purchase price of \$1.36 per Share, net to the seller in cash, without interest thereon, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated October 25, 2002 (the "Offer to Purchase"), and in the related Letters of Transmittal, copies of which were filed with the Schedule TO as Exhibits (a)(1)(1) and (a)(1)(2) thereto, respectively. Capitalized terms that are not otherwise defined herein shall have the respective meanings ascribed to them in the Schedule TO or the Offer to Purchase, as applicable.

Items 1-11 of the Schedule TO are hereby amended and supplemented to add to the end thereof the following:

The Offer's subsequent offering period expired at 5:00 p.m., New York City time, on Wednesday, December 4, 2002. Babcock has accepted for purchase all shares validly tendered in both the initial offering period and the subsequent offering period at the Offer Price. Based on information provided by American Stock Transfer & Trust Company, the depository for the Offer, Babcock has acquired approximately 27,735,510 Shares (including approximately 1,135,560 shares tendered during the subsequent offering period which are subject to guaranteed delivery), or approximately 91% of the outstanding Shares as of December 4, 2002.

Pursuant to the Merger Agreement, because Babcock has acquired more than 85% of the outstanding Shares, Babcock has the option to acquire from InforMax that number of newly issued Shares which will, when added to the Shares previously acquired, give Babcock one share more than 90% of the total outstanding Shares. In the event Shares subject to guaranteed delivery are not timely delivered and, as a result, Babcock owns less than 90% of the total outstanding Shares, Babcock intends to exercise this option as soon as practicable.

Further pursuant to the Merger Agreement, Babcock then intends to cause the Merger (as defined in the Offer to Purchase) to become effective as soon as practicable. In connection with the Merger, each Share owned by Invitrogen, Babcock or InforMax, or any wholly owned subsidiary of Invitrogen, Babcock or InforMax, and each Share held in treasury by InforMax, will be canceled and retired. All other Shares issued and outstanding immediately prior to the Effective Time (as defined in the Offer to Purchase), other than Shares owned by stockholders who shall properly and validly exercise appraisal rights under Delaware law in respect of such Shares, will be canceled and converted automatically into the right to receive \$1.36 in cash per Share, without interest.

On December 5, 2002, Invitrogen issued a press release announcing the results of the subsequent offering period. The full text of the press release issued by Invitrogen is attached hereto as Exhibit (a)(5)(5) and is incorporated herein by reference.
