Item 1.01 Entry into a Material Definitive Agreement.

On June 25, 2008, Leap Wireless International, Inc., a Delaware corporation (the Company, we or us), completed the closing of the sale of \$250,000,000 aggregate principal amount of unsecured 4.50% Convertible Senior Notes due 2014 (the Notes). The Notes and the shares of the Company's common stock, par value \$0.0001 per share (the Common Stock), issuable upon conversion of the Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act). The Notes were issued by the Company in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act, pursuant to an Indenture, dated as of June 25, 2008 (the Indenture), between the Company and Wells Fargo Bank, N.A., as trustee, which governs the terms of the Notes. A copy of the Indenture, which includes the form of Note, is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

We intend to use the net proceeds of this offering, which are estimated to be approximately \$241.8 million after deducting estimated discounts, commissions and offering expenses, for working capital and other general corporate purposes, including the build-out of new markets, expansion of our footprint in our existing markets and the development of our broadband initiative. Pending application of the net proceeds, we will invest the net proceeds in short-term, investment-grade, interest-bearing securities.

A brief description of the terms of the Notes follows:

Interest. The Notes will bear interest at a rate of 4.50% per year, payable semiannually in arrears in cash on January 15 and July 15 of each year, beginning on January 15, 2009. The Company will make each interest payment to the holders of record of the Notes on the immediately preceding January 1 and July 1. Holders of the Notes will be entitled to additional interest on the Notes under certain circumstances pursuant to the terms of the Registration Rights Agreement (discussed below), which will be paid, if applicable, on the same dates as interest on the Notes.

Maturity. The Notes will mature on July 15, 2014, unless earlier repurchased or converted.

Ranking. The Notes are our general unsecured obligations and will rank equal in right of payment to all of our other senior unsecured indebtedness we may incur in the future, senior in right of payment to any contractually subordinated indebtedness and effectively subordinated in right of payment to all of our existing and future secured indebtedness to the extent of the collateral securing such indebtedness. Our obligations under the Notes will not be guaranteed by, and will be effectively subordinated in right of payment to, all existing and future obligations of our subsidiaries.

Conversion. Holders may convert their Notes into a number of shares of Common Stock determined as set forth in the Indenture (referred to as the conversion rate) at their option on any day to and including the third scheduled trading day prior to the maturity date of the Notes, July 15, 2014. If, at the time of conversion, the applicable stock price of the Common Stock is less than or equal to approximately \$93.21 per share (referred to as the base conversion price), the Notes will be convertible into 10.7290 shares of Common Stock per \$1,000 principal amount of the Notes (referred to as the base conversion rate), subject to adjustment upon the occurrence of certain events. If, at the time of conversion, the applicable stock price of the Common Stock exceeds the base conversion price, the conversion rate will be determined pursuant to a formula based on the base conversion rate and an incremental share factor of 8.3150 shares per \$1,000 principal amount of Notes, subject to adjustment, as set forth in the Indenture. The conversion rate is subject to adjustment in some events but will not be adjusted for accrued interest. In addition, if a make-whole fundamental change (as defined in the Indenture) occurs prior to the maturity date, the Company will in some cases increase the conversion rate for a holder of Notes that elects to convert its Notes in connection with such make-whole fundamental change.

Right to Repurchase Upon a Fundamental Change. Subject to certain exceptions, if the Company undergoes a fundamental change (as defined in the Indenture) holders of the Notes will have the option to require the Company to repurchase all or any portion of their Notes. The fundamental change repurchase price will be 100% of the principal amount of the Notes to be repurchased plus any accrued and unpaid interest (including additional interest), if any, up to but excluding the fundamental change repurchase date. The Company will pay cash for all Notes so repurchased.

Redemption. The Company may not redeem the Notes prior to maturity.

Covenants. Neither the Company nor any of our subsidiaries are subject to any financial covenants under the Indenture. In addition, neither the Company nor any of our subsidiaries are restricted under the Indenture from incurring debt, paying dividends or issuing or repurchasing our securities.

Events of Default. Subject to the terms and conditions of the Indenture, each of the following, among other events, constitutes an event of default under the Indenture: (a) the Company's failure to pay interest (including additional interest) or principal on the Notes when due; (b) the Company's failure to comply with its obligation to convert the Notes upon exercise of a holder's conversion right; (c) the Company's failure to comply with certain covenants in the Indenture; (d) the default by the Company or any of its significant subsidiaries under any mortgage, agreement or other instrument evidencing indebtedness in excess of \$25.0 million either at maturity, upon required repurchase or otherwise, or where such default has not been discharged in full or rescinded or annulled within 30 days; (e) the Company's failure to satisfy certain final judgments when due; and (f) certain bankruptcy events. Upon the occurrence of an event of default under the Indenture, the principal and accrued interest under the Notes then outstanding may be declared due and payable in the circumstances set forth in the Indenture.

Securities Laws. The Notes were issued through a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act. The Notes have not been registered under the Securities Act, are subject to restrictions on transfer and may only be offered or sold in transactions exempt from, or not subject to, the registration requirements of the Securities Act. This Current Report on Form 8-K does not constitute an offer to the public generally to subscribe for or otherwise acquire the Notes.

In connection with the sale of the Notes, on June 25, 2008, we also entered into a Registration Rights Agreement (the Registration Rights Agreement) with Goldman, Sachs & Co. and Morgan Stanley & Co. Incorporated, as representatives of the Initial Purchasers. Under the Registration Rights Agreement, the Company has agreed to file a shelf registration statement with the Securities and Exchange Commission covering the resale of the Notes and the Common Stock issuable upon conversion of the Notes in certain circumstances. A copy of the Registration Rights Agreement is attached hereto as Exhibit 4.2 and is incorporated herein by reference.

The foregoing summaries of the Indenture, the Notes and the Registration Rights Agreement are qualified in their entirety by the terms of the Indenture, the form of Note and the Registration Rights Agreement, as applicable, each of which is attached as an exhibit hereto and incorporated herein by reference.

Section 2.03. *Form of Reverse of Security.*

This Security is one of a duly authorized issue of Securities of the Company designated as its 4.50% Convertible Senior Notes due 2014 (herein called the **Initial Securities**), initially limited in aggregate principal amount to \$250,000,000, issued and to be issued under an Indenture, dated as of June 25, 2008 (herein called the **Indenture**), between the Company and Wells Fargo Bank, N.A., as Trustee (herein called the **Trustee** , which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. The Company may from time to time, without notice to or the consent of the Holders of the Securities, create and issue further Securities (the **Additional Securities** , and together with the Initial Securities, the **Securities**) having the same terms and ranking equally and ratably with the Initial Securities, as part of one series, in all respects and with the same CUSIP number (after any period required to remove restrictions on transfer as a result of U.S. securities laws from such Additional Securities) as the Initial Securities, or in all respects except for payment of interest accruing prior to the Issue Date of such Initial Securities. Any Additional Securities shall be consolidated and form a single series with the Initial Securities and shall have the same terms as to status, redemption, and otherwise as the Initial Securities. Any Additional Securities may be issued pursuant to authorization provided by a resolution of the Board of Directors of the Company, a supplement to the Indenture, or under an Officer's Certificate pursuant to the Indenture. No Additional Securities may be issued if an Event of Default has occurred and is continuing with respect to the Initial Securities.

In any case where the due date for the payment of the principal of or interest on any Security or the last day on which a Holder of a Security has a right to convert his Security shall be, at any Place of Payment or Place of Conversion, as the case may be, a day on which banking institutions at such Place of Payment or Place of Conversion are authorized or obligated by law or executive order to close, then payment of principal, interest or delivery for conversion of such

Security need not be made on or by such date at such place but may be made on or by the next succeeding day at such place which is not a day on which banking institutions are authorized or obligated by law, regulation or executive order to close, with the same force and effect as if made on the date for such payment or the date fixed for redemption or repurchase, or by such last day for conversion, and no interest shall accrue on the amount so payable for the period after such date.

Subject to the provisions of the Indenture, upon the occurrence of a Fundamental Change, the Holder has the right, at such Holder's option, to require the Company to repurchase all of such Holder's Securities or any portion thereof (in principal amounts of \$1,000 or integral multiples thereof) on the Fundamental Change Repurchase Date at a price equal to 100% of the principal amount of the Securities such Holder elects to require the Company to repurchase, together with accrued and unpaid interest to but excluding the Fundamental Change Repurchase Date. The Company or, at the written request of the Company, the Trustee shall mail to all Holders of record of the Securities a notice of the occurrence of a Fundamental Change and of the repurchase right arising as a result thereof after the occurrence of any Fundamental Change, but on or before the 10th calendar day following such occurrence.

Subject to and upon compliance with the provisions of the Indenture, the Holder of this Security is entitled, at his option, at any time prior to the close of business on the third Scheduled Trading Day immediately preceding the Maturity Date, to convert this Security (or any portion of the principal amount hereof which is \$1,000 or an integral multiple thereof), at the principal amount hereof, or of such portion, into fully paid and non-assessable shares (calculated as to each conversion to the nearest 1/100 of a share) of Common Stock of the Company at the Conversion Rate specified in the Indenture, by surrender of this Security together with a Notice of Conversion, a form of which is set forth in Section 2.05 of the Indenture, as provided in the Indenture and this Security, duly endorsed or assigned to the Company or in blank, to the Company at its office or agency, which shall be initially the corporate trust operations office of Wells Fargo Bank, N.A. in Minneapolis, Minnesota, and, unless the shares of Common Stock issuable on conversion are to be issued in the same name as this Security, duly endorsed by, or accompanied by instruments of transfer in form satisfactory to the Company or its agent duly executed by, the Holder or by his duly authorized attorney, or if less than the entire principal amount hereof is to be converted, the portion hereof to be converted, and, in case such surrender shall be made during the period from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date, also accompanied by payment in dollars of an amount equal to the interest payable on such Interest Payment Date on the principal amount of this Security then being converted. Subject to the aforesaid requirement for payment and, in the case of a conversion after the Regular Record Date next preceding any Interest Payment Date and on or before such Interest Payment Date, to the right of the Holder of this Security (or any Predecessor Security) of record at such Regular

Record Date to receive an installment of interest (with certain exceptions provided in the Indenture), no payment or adjustment is to be made on conversion for interest accrued hereon or for dividends on the Common Stock issued on conversion. No fractions of shares or scrip representing fractions of shares will be issued on conversion, but instead of any fractional interest the Company shall pay a cash adjustment as provided in the Indenture. The Conversion Rate is subject to adjustment as provided in the Indenture. In addition, the Indenture provides that in case of certain consolidations or mergers to which the Company is a party or the transfer of substantially all of the assets of the Company, the Indenture shall be amended, without the consent of any Holders of Securities, so that this Security, if then outstanding, will be convertible thereafter, during the period this Security shall be convertible as specified above, by reference to the kind and amount of cash, securities or other property or assets that a holder of a number of shares of Common Stock would be entitled to receive in respect of each share of Common Stock upon such transaction based on a Conversion Rate calculated as provided in Section 12.01 of the Indenture with references to Common Stock replaced by references to the Reference Property (as defined in Section 12.11(b) of the Indenture) received in such transaction.

No sinking fund is provided for the Securities and the Securities are not subject to redemption at the option of the Company.

In the event of conversion of this Security in part only, a new Security or Securities for the unconverted portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default shall occur and be continuing, the principal of all the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the Securities at the time Outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities at the time Outstanding, on behalf of the Holders of all the Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is

absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed or to convert this Security as provided in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities of a different authorized denomination, *provided* that such denomination is a minimum of \$1,000 or an integral multiple thereof, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

THE INDENTURE AND THIS SECURITY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

(a) Global Securities

(i) Each Global Security authenticated under this Indenture shall be registered in the name of, and delivered to, Cede & Co., as nominee of the Depository. Each such Global Security shall constitute a single Security for all purposes of this Indenture.

If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, in each case, as provided in Article 2 of this Indenture, then either (A) such Global Security shall be so surrendered for exchange or cancellation, as provided in this Article, or (B) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Trustee, as Registrar, whereupon the Trustee, in accordance with the Applicable Procedures, shall instruct the Depository or its authorized representative to make a corresponding adjustment to its records. The Trustee shall be entitled to rely upon any order, direction or request of the Depositary or its authorized representative which is given or made pursuant to this Article If such order, direction or request is given or made in accordance with the Applicable Procedures (to the extent such procedures are applicable to such direction or request).

(iv) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof, whether pursuant to this Article or otherwise, shall be authenticated and delivered in the form of, and shall be, a registered Global Security, unless such Security is registered in the name of a Person other than the Depositary for such Global Security or a nominee thereof, in which case such Security shall be authenticated and delivered in accordance with clause (b) of this Section 3.03.

authentication and delivery of such Securities or did not hold such office at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities; and the Trustee in accordance with such Company Order shall authenticate and deliver such Securities as in this Indenture provided and not otherwise.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual or facsimile signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.10, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Company may, subject to Article 10 of this Indenture and applicable law, issue under this Indenture Additional Securities; *provided, however*, that the Company may not issue Additional Securities if an Event of Default with respect to any Outstanding Securities shall have occurred and be continuing at the time of such issuance. All Securities issued under this Indenture shall be treated as a single class for all purposes under this Indenture.

Section 3.05. *Temporary Securities.*

Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency of the Company designated pursuant to Section 10.02, without charge to the Holder.

Upon surrender for cancellation of any one or more temporary Securities the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of authorized denominations. Until so exchanged the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

Section 3.06. *Registrar, Registration of Transfer and Exchange; Paying Agent.*

(a) *Registrar.* The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 10.02 being herein sometimes collectively referred to as the **Security Register**) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and for the transfers or exchange of Securities. The Trustee is hereby appointed **Security Registrar** for the purpose of registering Securities and transfers and exchanges of Securities as herein provided. The Company may change the Security Registrar without notice to any Holder. The Company or any of its Subsidiaries may act as Security Registrar.

Upon surrender for registration of transfer of any Security at an office or agency of the Company designated pursuant to Section 10.02 for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denomination, provided that such denomination is a minimum of \$1,000 or an integral multiple thereof, and of a like aggregate principal amount, each such Security bearing such restrictive legends as may be required by this Indenture.

At the option of the Holder and subject to the other provisions of this Section 3.06 and to Section 3.10, Securities may be exchanged for other Securities of any authorized denominations and of a like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing. As a condition to the registration of transfer

of any Restricted Securities, the Company or the Trustee may require evidence satisfactory to them as to the compliance with the restrictions set forth in the legend of such Securities.

Except as provided in the following sentence and in Section 3.10, all Securities originally issued hereunder and all Securities issued upon registration of transfer or exchange or replacement thereof shall be Restricted Securities and shall bear the legends required by Section 2.02 and Section 2.04, unless the Company shall have delivered to the Trustee (and the Security Registrar, if other than the Trustee) a Company Order stating that the Security is not a Restricted Security and may be issued without such legend thereon. Securities that are issued upon registration of transfer of, or in exchange for, Securities that are not Restricted Securities shall not be Restricted Securities and shall not bear such legend.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.05, Section 9.06 or Section 12.03 not involving any transfer.

(b) *Restrictions on Transfer.* Beneficial ownership of every Restricted Security shall be subject to the restrictions on transfer provided in the legends required to be set forth on the face of each Restricted Security pursuant to Section 2.02 and Section 2.04, unless such restrictions on transfer shall be terminated in accordance with this Section 3.06(b) or Section 3.10. The Holder of each Restricted Security, by such Holder's acceptance thereof, agrees to be bound by such restrictions on transfer.

The restrictions imposed by this Section 3.06 and by Section 2.02 and Section 3.10 upon the transferability of any particular Restricted Security shall cease and terminate upon such Restricted Security having been sold pursuant to an effective Resale Registration Statement under the Securities Act or transferred in compliance with Rule 144 under the Securities Act (or any successor provision thereto). The Company shall inform the Trustee in writing of the effective date of any Resale Registration Statement registering the Securities under the Securities Act. The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the aforementioned Resale Registration Statement.

Any Restricted Security as to which the restrictions on transfer shall have expired in accordance with their terms or shall have terminated may, upon surrender of such Restricted Security for exchange to the Security Registrar in accordance with the provisions of this Section 3.06, be exchanged for a new Security, of like tenor and aggregate Principal Amount, which shall not bear the restrictive legends required by Section 2.02. At the Company's request on no less than 10 calendar days' notice, the Trustee shall deliver, in the Company's name

and at its expense, to each Holder at such Holder's address appearing in the register of Holders a notice of the expiration of the legend set forth in Section 2.02. The Company shall provide, and the Trustee shall be entitled to rely upon, an Officer's Certificate in form reasonably acceptable to the Trustee to the effect that such exchange of the Restricted Security to a new Security shall be effected in compliance with the Securities Act and that the restrictions on transfer contained herein and in the legend set forth in Section 2.02 shall no longer be required in order to maintain compliance with the Securities Act.

As used in the preceding three paragraphs of this Section 3.06, the term **transfer** encompasses any sale, pledge, transfer or other disposition of any Restricted Security.

(c) *Paying Agent.* The Company shall maintain an office or agency where Securities may be presented for payment (the **Paying Agent**). The Company initially appoints the Trustee as Paying Agent for the Securities. The Company may have one or more additional paying agents and the term **Paying Agent** shall include any such additional paying agent.

The Company shall enter into an appropriate agency agreement with any Paying Agent not a party to this Indenture, which shall incorporate the terms of the Trust Indenture Act, except in the case of a Paying Agent that acts as Paying Agent solely in connection with the repurchase of the Securities pursuant to Article 11 of this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of each such agent. If the Company fails to maintain a Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 6.07. The Company or any Subsidiaries may act as Paying Agent.

The Company may remove any Paying Agent upon written notice to such Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Company and such successor Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee or the Company shall serve as Paying Agent until the appointment of a successor in accordance with clause (i) above. The Paying Agent may resign at any time upon written notice to the Company and the Trustee.

(d) *Paying Agent to Hold Money in Trust.* By no later than 11:00 a.m., New York City time, on the date on which any principal of or interest and Additional Interest, if any, on any Security is due and payable, the Company shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal or interest (including any Additional Interest), when due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Security

holders or the Trustee all money held by such Paying Agent for the payment of principal of or interest (including any Additional Interest), on the Securities and shall notify the Trustee in writing of any default by the Company in making any such payment. If the Company or a Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 3.06, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Company, the Trustee shall serve as Paying Agent for the Securities.

(e) *Custodian*. The Company hereby appoints the Trustee as Custodian with respect to any Global Securities.

Section 3.07. *Mutilated, Destroyed, Lost and Stolen Securities*.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 3.08. Payment of Interest; Interest Rights Preserved.

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

In the case of Securities represented by a Global Security registered in the name of or held by a Depository or its nominee, payment of principal, premium, if any, and interest, if any, will be made to the Depository or its nominee, as the case may be, as the registered owner or Holder of such Global Security. None of the Company, the Trustee and the Paying Agent, any Authenticating Agent or the Security Registrar for such Securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of a beneficial ownership interest in a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Subject to the provisions of Article 12 hereof, in the case of any Security which is converted after any Regular Record Date and on or prior to the next succeeding Interest Payment Date (other than any Security whose Maturity is prior to such Interest Payment Date), interest whose Stated Maturity is on such Interest Payment Date shall be payable on such Interest Payment Date notwithstanding such conversion, and such interest (whether or not punctually paid or duly provided for) shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on such Regular Record Date. Except as otherwise expressly provided in the immediately preceding sentence or in Article 12 hereof, in the case of any Security (or any part thereof) which is converted, interest whose Stated Maturity is after the date of conversion of such Security (or any part thereof) shall not be payable.

Section 3.09. Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and (subject to Section 3.08) interest on such Security and for all other purposes whatsoever, whether or not

such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

In the case of a Global Security, so long as the Depository for such Global Security, or its nominee, is the registered owner of such Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Securities represented by such Global Security for all purposes under this Indenture. Except as provided in Section 3.06, owners of beneficial interests in a Global Security will not be entitled to have Securities that are represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of such Securities in definitive form and will not be considered the owners or Holders thereof under this Indenture.

Notwithstanding the foregoing, with respect to any Global Security, nothing herein shall (a) prevent the Company, the Trustee, or any agent of the Company or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a Depository or (b) impair, as between a Depository and holders of beneficial interest in any Global Security, the operation of customary practices governing the exercise of the rights of the Depository as Holder of such Global Security.

Section 3.10. *Cancellation and Transfer Provisions.*

(a) All Securities surrendered for payment, redemption, registration of transfer or exchange or conversion shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with its customary procedures. Copies of all cancelled Securities shall be provided to the Company by the Trustee, promptly following cancellation of such Securities.

(b) *Transfers to QIBs.* The following provisions shall apply with respect to the registration of any proposed transfer of a Security constituting a Restricted Security to a QIB:

(i) the Security Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on the form of Security stating, or has otherwise advised the Company and the Security Registrar in writing, that the sale has been made in compliance with the provisions of Rule 144A to a transferee who

has signed the certification provided for on the form of Security stating, or has otherwise advised the Company and the Security Registrar in writing, that it is purchasing the Security for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) if the proposed transferee is an Agent Member, and the Securities to be transferred consist of non-Global Securities which after transfer are to be evidenced by an interest in the Global Security, upon receipt by the Security Registrar of instructions given in accordance with the Depository's and the Security Registrar's procedures, the Security Registrar shall reflect on its books and records the date and an increase in the Principal Amount of the Global Security in an amount equal to the Principal Amount of the non-Global Securities to be transferred, and the Trustee shall cancel the non-Global Securities so transferred.

(c) *Private Placement Legend.* Upon the registration of transfer, exchange or replacement of Securities not bearing the legends required by Section 2.02, the Security Registrar shall deliver Securities that do not bear such legend. Upon the registration of transfer, exchange or replacement of Securities bearing the legend required by Section 2.02, the Security Registrar shall deliver Securities that do not bear such legend in the case of a registration of transfer, exchange or replacement pursuant to an effective shelf registration statement as contemplated by the Registration Rights Agreement or upon the Securities becoming, and during the period the Securities remain eligible to be transferred without registration under the Securities Act by a person who is not an affiliate of the Company (and has not been an affiliate of the Company for the 90 days preceding such transfer) pursuant to Rule 144 under the Securities Act (or any other similar provision then in force (other than Rule 144A)) without any volume or manner of sale restrictions, and, in any event, on the day that is one year following the last date of original issuance of the Securities (including through the exercise of the Initial Purchasers' option to purchase additional Securities) following a Company Order stating that the Security is not a Restricted Security and may be issued without a legend thereon and thereafter cause the Securities to be represented by a certificate bearing a CUSIP number that is no longer a restricted CUSIP that indicates that transfer restrictions apply to the Securities or the Common Stock issuable upon conversion thereof.

(d) *General.* By its acceptance of any Security bearing the legends required by Section 2.02 and Section 2.04, each Holder of such a Security acknowledges the restrictions on transfer of such Security set forth in this

Indenture and in such legends and agrees that it will transfer such Security only as provided in this Indenture. None of the Company or any Subsidiary of the Company shall purchase or sell any Security after the date hereof, except as required under the terms of this Indenture.

The Security Registrar shall retain, in accordance with its customary procedures, copies of all letters, notices and other written communications received pursuant to this Section 3.10. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Security Registrar.

Section 3.11. *CUSIP Numbers.*

The Company in issuing the Securities may use CUSIP numbers (if then generally in use), and, if so, the Trustee shall use CUSIP numbers in all notices to Holders as a convenience to Holders of the Securities; *provided*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or on such notice and that reliance may be placed only on the other identification numbers printed on the Securities. The Company will promptly notify the Trustee in writing of any change in the CUSIP numbers.

Section 3.12. *Computation of Interest.*

Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.13. *Special Record Date.*

Any interest on any Security that is payable but not punctually paid or duly provided for on any Interest Payment Date (**Defaulted Interest**) shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of his, her or its having been such a Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to Holders in whose names the Securities are registered at the close of business on a special record date for the payment of such Defaulted Interest (a **Special Record Date**), which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Holders entitled to such Defaulted Interest as in this clause provided.

Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 calendar days and not less than 10 calendar days prior to the date of the proposed payment and not less than 10 calendar days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to the Holders of the Securities at their addresses as they appear in the Note Register, or by such other means reasonably acceptable to such Holders, not less than 10 calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Company may make payment of any Defaulted Interest on the Securities in any other lawful manner not inconsistent with the requirements of any automated quotation system or securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

ARTICLE 4

Satisfaction And Discharge

Section 4.01. *Satisfaction and Discharge of Indenture.*

This Indenture shall cease to be of further effect (except as to any surviving rights of conversion, registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(i) all Outstanding Securities theretofore authenticated and delivered (other than (A) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.07 and (B) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

(ii) all such Outstanding Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, and

(C) the Company, in the case of (A) or (B) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose, lawful money of the United States or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide lawful money not later than the due dates of principal or interest, or any combination thereof in an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Fundamental Change Repurchase Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.07, the obligations of the Trustee to any Authenticating Agent under Section 6.14 and, if money shall have been deposited with the Trustee pursuant to subclause (ii) of Clause (a) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 10.03 shall survive.

Section 4.02. *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 10.03, all funds or U.S. Government Obligations deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such funds or U.S. Government Obligations have been deposited with the Trustee. Upon termination of the trust established pursuant to Section 4.01, all funds and/or U.S. Government Obligations deposited with the

Trustee pursuant to Section 4.01 (and held by it or any Paying Agent) for the payment of Securities subsequently converted shall promptly be returned to the Company upon Company Request.

ARTICLE 5

Remedies

Section 5.01. *Events of Default.*

Event of Default , wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (a) default in the payment of any interest (including Additional Interest) on any Security when due and payable, and the default continues for a period of 30 days; or
- (b) default in the payment of the principal of any Security when due and payable at its Stated Maturity, upon required repurchase, upon acceleration or otherwise; or
- (c) failure by the Company to comply with its obligation to convert the Securities into shares of Common Stock or Reference Property, as applicable, upon exercise of a Holder's conversion right; or;
- (d) failure by the Company to comply with its obligations under Article 8; or
- (e) failure by the Company to issue a Fundamental Change Repurchase Right Notice in accordance with Section 11.01 when due; or
- (f) failure by the Company for 60 days after written notice from the Trustee or the Holders of at least 25% principal amount of the Outstanding Securities has been received by the Company to comply with any of its other agreements contained in the Securities or this Indenture; or
- (g) default by the Company or any of its Significant Subsidiaries with respect to any mortgage, agreement or other instrument under which there may be outstanding, or by which there may be secured or evidenced, any debt for money borrowed in excess of \$25,000,000 in the aggregate of the Company and/or any subsidiary of the Company, whether such debt now exists or shall hereafter be created, which default shall have resulted (i) in such debt becoming or being declared due and payable and such debt has not been discharged in full or such declaration rescinded or annulled within 30 days or (ii) from a failure to pay the

principal of any such debt when due and payable at its Stated Maturity, upon required repurchase, upon declaration or otherwise; or

(h) failure by the Company or any of its Significant Subsidiaries, within 60 days, to pay, bond or otherwise discharge any judgments or orders for the payment of money the total uninsured amount of which for the Company or any of its Subsidiaries exceeds in the aggregate \$25,000,000 (after giving effect to any insurance coverage provided by a solvent, reputable and unaffiliated insurance company that has acknowledged coverage), which are not stayed on appeal; or

(i) the Company or any of its Significant Subsidiaries shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any of its Significant Subsidiaries or any substantial part of its respective property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due; or

(j) an involuntary case or other proceeding shall be commenced against the Company or any of its Significant Subsidiaries seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any of its Significant Subsidiaries or any substantial part of its respective property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of sixty (60) consecutive calendar days.

Section 5.02. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default occurs and is continuing, then and in every such case except as provided below, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities may declare the principal of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal shall become immediately due and payable. However, upon an Event of Default arising out of Section 5.01(i) or Section 5.01(j) (except with respect to any Significant Subsidiary) the aggregate principal of all the Securities, plus accrued and unpaid interest (including Additional Interest, if any) to the acceleration date, shall be due and payable immediately without notice from the Trustee or Holders.

Notwithstanding the foregoing, at the election of the Company, the sole remedy of Holders for an Event of Default resulting from the failure by the Company to comply with its obligations under Section 314(a)(1) of the Trust

Indenture Act relating to the Company's failure to file any documents or reports that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act or of its covenants set forth in Section 7.04 (any such Event of Default, a **Reporting Default**), shall for the first 120 calendar days after the occurrence of such an Event of Default consist exclusively of the right (the **Extension Right**) to receive an extension fee on the Securities at an annual rate equal to 0.25% of the principal amount of the Securities (the **Extension Fee**). On the 121st day after such Reporting Default (if such violation is not cured or waived prior to such 121st calendar day), then the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities may declare the principal of and accrued and unpaid interest on all such Securities to be due and payable immediately.

If the Company elects to pay the Extension Fee as the sole remedy for the Reporting Default, the Company shall (i) notify in writing the Holders, the Paying Agent and the Trustee of such election at any time on or before the close of business on the first Business Day following the date on which such Event of Default first occurs and (ii) pay the Extension Fee on all outstanding Securities on or before the close of business on the date immediately following the date of such notice. Unless and until a Responsible Officer of the Trustee receives at the Corporate Trust Office such a certificate, the Trustee may assume without inquiry that the Extension Fee is not payable. Upon the Company's failure to timely provide notice or pay the Extension Fee as provided in this Section 5.02, the Securities shall be subject to acceleration as provided in the first paragraph of this Section 5.02. If the Extension Fee has been paid by the Company directly to the Persons entitled to it, the Company shall deliver to the Trustee a certificate setting forth the particulars of such payment.

Notwithstanding the foregoing paragraph, if an event of default occurs under any series of the Company's debt securities (other than the Securities) issued subsequent to the Issue Date resulting from the Company's failure to comply with its obligations under Section 314(a)(1) of the Trust Indenture Act relating to the Company's failure to file any documents or reports that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act, and such event of default is not subject to extension on terms similar to those set forth in the foregoing paragraph and results in the principal amount of such debt securities becoming due and payable, then the Extension Right shall no longer apply and the Securities shall be subject to acceleration as provided in the first paragraph of this Section 5.02.

This Section 5.02, however, is subject to the conditions that if, at any time after the principal of the Securities shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all Securities and the principal of any and all Securities that shall have become due otherwise than by acceleration (with interest on overdue

installments of accrued and unpaid interest (to the extent that payment of such interest is enforceable under applicable law) and on such principal at the rate borne by the Securities during the period of such Default), and if (a) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (b) any and all Events of Default under this Indenture with respect to such Securities, other than the nonpayment of principal of and accrued and unpaid interest on such Securities or failure to deliver amounts due upon conversion that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 5.13, then and in every such case the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Company and to the Trustee, may waive all Defaults or Events of Default with respect to the Securities and rescind and annul such declaration and its consequences and such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon. No rescission or annulment referred to above shall affect any subsequent Default or impair any right consequent thereon.

Section 5.03. Collection Suit by Trustee.

If an Event of Default specified in Section 5.01(a) or (b) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, interest, and Additional Interest, if any, remaining unpaid on the Notes and interest on overdue principal and premium, if any, and, to the extent lawful, interest and Additional Interest, if any, and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 5.04. Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.05. Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.06. Application of Money Collected.

Any money or property money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee, its agents and attorneys under Section 6.07, including payment of all compensation, expense and liabilities incurred, and all advances made by the Trustee, and the costs and expenses of collection;

SECOND: To Holders of the Securities for the payment of the amounts then due and unpaid for principal of and interest (including Additional Interest), if any on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and interest, respectively; and

THIRD: The balance, if any, to the Company or to such party as a court of competent jurisdiction shall direct.

Section 5.07. Limitation on Suits.

Subject to Section 5.08, no Holder of any Security shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or the Securities, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(a) such Holder has previously given written notice to the Trustee that an Event of Default is continuing;
(b) the Holders of not less than 25% in principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity has failed to institute any such proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities;
it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

Section 5.08. Unconditional Right of Holders to Receive Principal and Interest and to Convert.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and (subject to Section 3.08) interest on such Security on the respective Stated Maturities expressed in such Security and to convert such Security in accordance with Article 12 and to institute suit for the enforcement of any such payment and right to convert, and such rights shall not be impaired without the consent of such Holder.

Section 5.09. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee (subject to the limitations contained in this Indenture) or by the Holders, as the case may be.

Section 5.12. *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, *provided that*

(a) such direction shall not be in conflict with any rule of law or with this Indenture, and

(b) the Trustee may refuse to follow any direction that the Trustee determines in good faith may be unduly prejudicial to the rights of the Holders of the Securities or that may involve the Trustee in personal liability and may take any other action deemed proper by the Trustee which is not inconsistent with such direction or this Indenture.

Section 5.13. *Waiver of Past Defaults.*

The Holders of not less than a majority in principal amount of the Outstanding Securities by written notice to the Trustee may on behalf of the Holders of all the Securities waive any past default hereunder and its consequences, except a default

(a) in the payment of the principal of or interest on any Security, or

(b) in respect of a covenant or provision hereof which under Article 9 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 5.14. *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; *provided*, that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company or in any suit for the enforcement of the right to convert any Security in accordance with Article 12.

Section 5.15. *Waiver of Stay or Extension Laws.*

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 6

The Trustee

Section 6.01. *Certain Duties and Responsibilities.*

The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to the Trustee against any loss, costs, liability or expense is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture

relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section. No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own bad faith or willful misconduct, subject to Section 6.03.

In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder, or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee will be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

Section 6.02. Notice of Defaults.

The Trustee shall give the Holders notice of any default known to the Trustee that has occurred and is continuing hereunder within 90 days after such default has occurred. Except in the case of the default in the payment of principal of or interest on any Security or conversion default, the Trustee need not deliver the notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding the notice is in the interests of Holders. In addition, the Trustee shall give the Holders of Securities notice of any default actually known to it as and to the extent provided by the Trust Indenture Act. For the purpose of this Section, the term default means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 6.03. Certain Rights of Trustee.

Subject to the provisions of Section 6.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on

its part, rely upon an Officer's Certificate or an Opinion of Counsel, or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel;

(d) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney; and

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

Section 6.04. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

Section 6.05. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Section 6.08 and Section 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

Section 6.06. *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

Section 6.07. *Compensation and Reimbursement.*

The Company agrees

(a) to pay to the Trustee from time to time reasonable compensation as shall be agreed in writing between the Company and the Trustee for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct; and

(c) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

(d) the obligations of the Company under this Section 6.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

Section 6.08. *Disqualification; Conflicting Interests.*

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture.

Section 6.09. *Corporate Trustee Required; Eligibility.*

There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least \$50,000,000. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of said

supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 6.10. *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign at any time by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of a majority in principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If at any time:

(i) the Trustee shall fail to comply with Section 6.08 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(ii) the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (A) the Company by a Board Resolution may remove the Trustee, or (B) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company, by a Board Resolution, shall promptly appoint a successor Trustee. If,

within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee. Notwithstanding replacement of the Trustee pursuant to this Section 6.10, the Company's obligations under Section 6.07 hereof shall continue for the benefit of the retiring Trustee.

(f) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Section 6.11. Acceptance of Appointment by Successor.

In case of the appointment hereunder of a successor Trustee, such successor Trustee shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon the reasonable written request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 6.12. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any

corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.13. Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

Section 6.14. Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon original issue and upon exchange, registration of transfer, partial conversion or pursuant to Section 3.06, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall

be a party, or any corporation succeeding to all or substantially all the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall deliver written notice of such appointment by first-class mail, postage prepaid, to all Holders as their names and addresses appear in the Security Register, or by such other means reasonably acceptable to such Holders. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section, and the Trustee shall be entitled to be reimbursed for such payments, subject to the provisions of Section 6.07.

If an appointment is made pursuant to this Section, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities described in the within-mentioned Indenture.

Holders Lists And Reports By Trustee And Company

Section 7.01. *Company to Furnish Trustee Names and Addresses of Holders.*

If the Trustee is not the Security Registrar, the Company will furnish or cause to be furnished to the Trustee

(a) semi-annually, not more than 5 days after each Regular Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such Regular Record Date, and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished,

excluding from any such list names and addresses received by the Trustee in its capacity as Security Registrar.

Section 7.02. *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and duties of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

Section 7.03. *Reports by Trustee.*

(a) The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto.

(b) A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which the Securities are listed, with the Commission and with the Company. The Company will notify the Trustee when the Securities are listed on any stock exchange.

Section 7.04. Reports by Company.

The Company shall file with the Commission information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 and shall file with the Trustee within 30 days after the same is so required to be filed with the Commission (after giving effect to any extension pursuant to Rule 12b-25 under the Exchange Act or any successor or similar provision) and shall otherwise comply with the requirements of Trust Indenture Act Section 314(a); provided that any such information, documents or reports filed or furnished with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval (or EDGAR) system shall be deemed to be filed with the Trustee as of the time such information, documents or reports are filed or furnished via EDGAR.

If at any time the Company is not subject to Sections 13 or 15(d) of the Exchange Act, the Company shall, so long as any of the Securities shall, at such time, constitute Restricted Securities within the meaning of Rule 144(a)(3) under the Securities Act, promptly provide to the Trustee, each Holder, beneficial owner or prospective purchaser of such Securities or the Common Stock issuable upon conversion thereof, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act to facilitate the resale of such Securities pursuant to Rule 144A under the Securities Act and to take such other actions as any such Person may reasonably request, all to the extent required from time to time to enable such Person to sell its Securities or Common Stock issuable upon conversion thereof in accordance with Rule 144A under the Securities Act, as such rule may be amended from time to time.

Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to conclusively rely exclusively on an Officer's Certificate).

ARTICLE 8

Consolidation, Merger, Conveyance, Transfer Or Lease

Section 8.01. *Company May Consolidate, Etc., Only on Certain Terms.*

The Company shall not consolidate with or merge into any other Person or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless:

(b) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have happened and be continuing; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with.

Section 8.02. *Successor Substituted.*

Upon any consolidation of the Company with, or merger of the Company into, any other Person or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Company in accordance with Section 8.01, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease, the

predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities. If the Company is still in existence after the transaction, it will be released from its obligations and covenants hereunder and the under the Securities, except in the case of a lease of all or substantially all the properties or assets of the Company.

ARTICLE 9

Section 9.01. *Supplemental Indentures Without Consent of Holders.*

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, for any of the following purposes:

- (a) to cure any ambiguity, manifest error, defect or omission or inconsistency; *provided* that in the case of any omission or inconsistency the rights of the Holders are not adversely affected in any material respect; or
- (b) to provide for the assumption by a successor corporation of our obligations under this Indenture; or
- (c) to add guarantees with respect to the Securities; or
- (d) to provide for a successor Trustee in accordance with the terms of this Indenture or to otherwise comply with any requirement of this Indenture; or
- (e) to provide for the issuance of Additional Securities, to the extent that the Company and the Trustee deem such amendment necessary or advisable in connection with such issuance; *provided* that no such amendment or supplement may impair the rights or interests of any Holder of the Outstanding Securities; or
- (f) to increase the Conversion Rate; or
- (g) to secure the Securities; or
- (h) to add to the Company's covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company; or
- (i) to make provision with respect to the conversion rights of Holders pursuant to the requirements of Section 12.01; or
- (j) to make any change that does not adversely affect the rights of any Holder in any material respect; *provided* that any amendment to conform the terms of this Indenture or the Securities to the Description of the Notes section

of the Company's final offering memorandum dated June 19, 2008 relating to the offering of the Securities will not be deemed to be adverse to any Holder; or

(k) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act.

Section 9.02. *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders under this Indenture, including without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities, and, subject to certain exceptions, any past default or compliance with any provisions may be waived with the consent of the Holders of a majority principal amount of the Outstanding Securities, including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, the Securities; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(a) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; or

(b) reduce the rate, or extend the stated time for payment, of interest (including Additional Interest) on any Security or reduce the amount, or extend the stated time for payment, of the Extension Fee; or

(c) reduce the principal, or change the Stated Maturity, of any Security; or

(d) adversely affect the right to convert any Security as provided in Article 12; or

(e) reduce the Fundamental Change Repurchase Price of any Security or amend or modify in any manner adverse to the Holders the Company's obligation to make such payment, whether through amendment or waiver of provisions of this Indenture; or

(f) change the place of payment where, or the coin or currency in which, any of the principal, interest (including Additional Interest), if any, or the Extension Fee, in respect of any Security is payable; or

(g) impair the right of any Holder to receive payment of principal of and interest on such Holder's Securities on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities; or

(h) adversely affect the ranking of the Securities as the Company's senior unsecured indebtedness; or

(i) modify any of the provisions of this Section or Section 5.13, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby;

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 9.03. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

After a supplemental indenture permitted by this Article becomes effective, the Company shall promptly issue a notice to the Holders (pursuant to the requirements of Section 1.06) briefly describing the terms of such supplemental indenture. Failure to give such notice to the Holders, or any defect in such notice, will not, however, impair or affect the validity of the applicable supplemental indenture.

Section 9.04. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 9.05. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act.

Section 9.06. *Reference in Securities to Supplemental Indentures.*

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE 10

Covenants

Section 10.01. *Payment of Principal and Interest.*

The Company will duly and punctually pay the principal of and interest on the Securities in accordance with the terms of the Securities and this Indenture.

Section 10.02. *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which shall be initially the Corporate Trust Office) where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange, where Securities may be surrendered for conversion and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company will give prompt written notice to the Trustee of any change in the location of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for such purposes as provided above. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 10.03. *Money for Security Payments to Be Held in Trust.*

If the Company shall at any time act as its own Paying Agent, it will, on or before each due date of the principal of or interest on any of the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities) in the making of any payment in respect of the Securities, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent as such.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or interest on any Security and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York, New York, notice that such money remains unclaimed and that,

after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 10.04. Statement by Officers as to Default.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officer's Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

In addition, the Company will deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any events that would constitute an Event of Default, the status of those events and what action the Company is taking or propose to take in respect thereof.

Section 10.05. Existence.

Subject to Article 8, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

Section 10.06. Additional Interest Under the Registration Rights Agreement.

If at any time Additional Interest becomes payable by the Company pursuant to the Registration Rights Agreement, the Company shall promptly deliver to the Trustee a certificate executed by an officer of the Company who may execute a Company Order to that effect and stating (i) the amount of such Additional Interest that is payable and (ii) the date on which such Additional Interest is payable pursuant to the terms of the Registration Rights Agreement. Unless and until a Responsible Officer of the Trustee receives such a certificate, the Trustee may assume without inquiry that no Additional Interest is payable. If the Company has paid Additional Interest directly to the Persons entitled to such Additional Interest, the Company shall deliver to the Trustee a certificate setting forth the particulars of such payment.

ARTICLE 11

Repurchase At Option Of The Holder

Section 11.01. *Repurchase at the Option of the Holder Upon a Fundamental Change.*

(a) If a Fundamental Change occurs at any time, then each Holder shall have the right, at such Holder's option, to require the Company to repurchase all of such Holder's Securities or any portion of principal amount thereof that is equal to \$1,000 or an integral multiple of \$1,000, for cash on a date (the **Fundamental Change Repurchase Date**) specified by the Company that is not less than 15 calendar days and not more than 35 calendar days after the date of the Fundamental Change Repurchase Right Notice at a repurchase price equal to 100% of the principal amount of the Securities to be repurchased, together with accrued and unpaid interest thereon to, but excluding, the Fundamental Change Repurchase Date (the **Fundamental Change Repurchase Price**), unless such Fundamental Change Repurchase Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, in which case the Company will pay the full amount of accrued and unpaid interest payable on such Interest Payment Date to the Holder of record at the close of business on the corresponding Regular Record Date.

Repurchases of Securities under this Section 11.01 shall be made, at the option of the Holder thereof, upon:

(i) if the Securities are held in certificated form, delivery to the Trustee (or other Paying Agent appointed by the Company) by a Holder of a duly completed notice (the **Fundamental Change Repurchase Notice**) in the form set forth on the reverse of the Security or, if the Securities are held in global form, a notice that complies with the Applicable Procedures, prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date; and

(ii) if the Securities are Global Securities, delivery or book-entry transfer of the Securities to the Depository pursuant to the Applicable Procedures at any time after delivery of the Fundamental Change Repurchase Notice, such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor; *provided* that such Fundamental Change Repurchase Price shall be so paid pursuant to this Section 11.01 only if the Security so delivered to the Trustee (or other Paying Agent appointed by the Company) shall conform in all respects to the description thereof in the related Fundamental Change Repurchase Notice.

The Fundamental Change Repurchase Notice shall state:

(A) if certificated, the certificate numbers of the Securities to be delivered for repurchase;

(B) the portion of the principal amount of the Securities to be repurchased, which must be \$1,000 or an integral multiple thereof; and

(C) that the Securities are to be repurchased by the Company pursuant to the applicable provisions of the Securities and this Indenture.

Any repurchase by the Company contemplated pursuant to the provisions of this Section 11.01 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of the Fundamental Change Repurchase Date and the time of the book-entry transfer or delivery of the Security.

The Trustee (or other Paying Agent appointed by the Company) shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof in accordance with the provisions of subsection (c) of this Section 11.01.

Any Security that is to be repurchased only in part shall be surrendered to the Trustee (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of such Security without service charge, a new Security or Securities, containing identical terms and conditions, each in an authorized denomination in aggregate principal amount equal to and in exchange for the unreurchased portion of the principal of the Security so surrendered.

(b) After the occurrence of a Fundamental Change, but on or before the 10th calendar day after the Effective Date of such Fundamental Change, the Company shall provide to all Holders of record of the Securities and the Trustee and Paying Agent a notice in writing (the **Fundamental Change Repurchase Right Notice**) of the occurrence of such Fundamental Change and of the repurchase right, at the option of the Holders arising as a result thereof. Such mailing shall be by first class mail.

Each Fundamental Change Repurchase Right Notice shall specify (if applicable):

- (i) the events causing the Fundamental Change;
- (ii) the date of the Fundamental Change;

(iii) the last date on which a Holder may exercise its repurchase right under this Section 11.01, if applicable;
(iv) the Fundamental Change Repurchase Price, if applicable;
(v) the Fundamental Change Repurchase Date, if applicable;
(vi) the name and address of the Paying Agent and the Conversion Agent, if applicable;
(vii) the applicable Conversion Rate and any adjustments to the applicable Conversion Rate;
(viii) that the Securities with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of this Indenture; and

(ix) the procedures the Holder must follow to require the Company to repurchase its Securities under this Section 11.01, if applicable.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders' repurchase rights or affect the validity of the proceedings for the repurchase of the Securities pursuant to this Section 11.01.

(c) A Fundamental Change Repurchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the Paying Agent at any time prior to the close of business on the Business Day prior to the Fundamental Change Repurchase Date (the **Fundamental Change Expiration Time**), specifying:

(i) the principal amount of the withdrawn Securities and, if certificated Securities have been issued, the certificate numbers of the withdrawn Securities,

(ii) the principal amount of the Securities with respect to which such notice of withdrawal is being submitted, and

(iii) the principal amount, if any, of such Security that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000; *provided, however*, that if the Securities are not in certificated form, the notice must comply with the Applicable Procedures.

(d) On or prior to 11:00 a.m., New York City time, on the Fundamental Change Repurchase Date, the Company shall deposit with the Trustee (or other Paying Agent appointed by the Company or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 6.06) an amount of money sufficient to repurchase on the Fundamental Change Repurchase Date all of the Securities to be repurchased on such date at the Fundamental Change Repurchase Price. Subject to receipt of funds and/or Securities by the Trustee (or other Paying Agent appointed by the Company), payment for Securities surrendered for repurchase (and not withdrawn) prior to the Fundamental Change Expiration Time shall be made promptly after the later of (x) the Fundamental Change Repurchase Date with respect to such Security (provided the Holder has satisfied the conditions to the payment of the Fundamental Change Repurchase Price in this Section 11.01), and (y) the time of book-entry transfer or the delivery of such Security to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by this Section 11.01 by mailing checks for the amount payable to the Holders of such Securities entitled thereto as they shall appear in the Register; *provided*, however, that all payments shall be subject to Section 11.01(a) and payments to the Depository shall be made by wire transfer of immediately available funds to the account of the Depository or its nominee. The Trustee shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(e) If the Trustee (or other Paying Agent appointed by the Company) holds money sufficient to repurchase on the Fundamental Change Repurchase Date all the Securities or portions thereof that are to be purchased as of the Business Day following the Fundamental Change Repurchase Date, then on and after the Fundamental Change Repurchase Date (i) such Securities shall be cancelled and cease to be Outstanding, (ii) interest (including Additional Interest), if any, shall cease to accrue on such Securities, and (iii) all other rights of the Holders of such Securities shall terminate, whether or not book-entry transfer of the Securities has been made or the Securities have been delivered to the Trustee or Paying Agent, other than the right to receive the Fundamental Change Repurchase Price and previously accrued and unpaid interest (including Additional Interest), if any, upon delivery or transfer of the Securities.

(f) No Securities may be repurchased at the option of Holders upon a Fundamental Change if the principal amount of the Securities has been accelerated, and such acceleration has not been rescinded, on or prior to such date.

ARTICLE 12

Conversion Of Securities

Section 12.01. *Conversion Privilege and Conversion Rate.*

(a) *General.* Upon compliance with the provisions of this Article, a Holder shall have the right, at such Holder's option, to convert all or any portion of principal amount (if the portion of principal amount to be converted is equal to \$1,000 or an integral multiple of \$1,000) of such Security at any time prior to the close of business on the third Scheduled Trading Day immediately preceding the Maturity Date, at a rate (the **Conversion Rate**) per \$1,000 principal amount of the Securities to be converted (the **Conversion Obligation**) determined as follows:

(i) If the Applicable Stock Price is less than or equal to the Base Conversion Price, the Conversion Rate shall be the Base Conversion Rate.

(ii) If the Applicable Stock Price is greater than the Base Conversion Price, the Conversion Rate shall be determined in accordance with the following formula:

$$\text{Base Conversion Rate} + \frac{\left[\frac{\text{the Applicable Stock Price}}{\text{the Base Conversion Price}} - 1 \right] \times \text{the Incremental Share Factor}}{\text{the Application Stock Price}}$$

(b) The Conversion Rate per \$1,000 principal amount of Securities to be converted, including any Additional Shares (as defined in Section 12.02(b) below) added to the Conversion Rate in connection with a Make-Whole Fundamental Change shall not exceed 19.0440 shares of Common Stock, subject to adjustment in the manner set forth under Section 12.05 (the **Maximum Conversion Cap**).

(c) The number of shares issuable pursuant to the Incremental Share Factor in excess of the Base Conversion Rate will not exceed 6.5837 shares of Common Stock per \$1,000 principal amount of Securities (the **Incremental Share Cap**). The Incremental Share Cap shall be subject to adjustment proportional to adjustments to the Incremental Share Factor.

Section 12.02. *Conversion in connection with a Make-Whole Fundamental Change.*

(a) If a Make-Whole Fundamental Change occurs, the Company shall notify in writing each of the Holders and the Trustee of the occurrence of any such event or transaction and issue a press release on the Effective Date of such Make-Whole Fundamental Change.

(b) If a Holder elects to convert Securities in connection with a Make-Whole Fundamental Change that occurs prior to the Maturity Date, the Base Conversion Rate shall be increased by an additional number of shares of Common Stock (the **Additional Shares**) as described below; *provided*, however, that no

such increase will be made in the case of a merger or consolidation under clause (1) of the definition of Fundamental Change or any event specified under clause (2) of such definition, in each case, if at least 90% of the consideration paid for the Common Stock (excluding cash payments for fractional shares and cash payments made pursuant to dissenters appraisal rights and cash dividends) in connection with such event consists of shares of common stock or American Depositary Receipts in respect of shares of common stock traded on any of the New York Stock Exchange, the American Stock Exchange, the NASDAQ Global Market or the NASDAQ Global Select Market (or any of their respective successors) (or will be so traded or quoted immediately following the completion of the merger or consolidation or such other transaction) and, as a result of such transaction or transactions the Securities become convertible into such shares of such common stock or such American Depositary Receipts pursuant to Section 12.11. A conversion shall be deemed to be in connection with a Make-Whole Fundamental Change if such conversion occurs on or after the Effective Date of a Make-Whole Fundamental Change and prior to the close of business on the Business Day immediately preceding the related Fundamental Change Repurchase Date. In addition, the Company shall settle conversions of such Securities by delivering Reference Property (as defined in Section 12.11(b) below) equivalent to shares of Common Stock based on the increased applicable Conversion Rate resulting from such Make-Whole Fundamental Change. Notwithstanding the foregoing, if the holders of Common Stock receive only cash consideration for their shares of Common Stock in connection with a Make-Whole Fundamental Change, the Company shall settle conversions in connection with such Fundamental Change on the third Business Day immediately following the Conversion Date by delivering cash Reference Property based on the increased applicable Conversion Rate resulting from such Make-Whole Fundamental Change, and shall compute such applicable Conversion Rate using an Applicable Stock Price equal to the cash amount paid per share of Common Stock in such Fundamental Change.

(i) The number of Additional Shares by which the Base Conversion Rate shall be increased in the event of a Make-Whole Fundamental Change shall be determined by reference to the table attached as Schedule A hereto, based on the earliest of date on which the Make-Whole Fundamental Change is publicly announced, occurs or becomes effective (the **Make-Whole Reference Date**) and the Stock Price paid per share of Common Stock in the Make-Whole Fundamental Change; *provided* that if the actual Stock Price is between two Stock Price amounts in the table or the Make-Whole Reference Date is between two Make-Whole Reference Dates in the table, the number of Additional Shares shall be determined by a straight-line interpolation between the number of Additional Shares set forth for the next higher and next lower Stock Price amounts and the two nearest Effective Dates, as applicable, based on a 365-day year; *provided further* that if (A) the Stock Price is greater than \$400.00 per share of Common Stock (subject to adjustment in the same manner as set forth in Section 12.05), no adjustments shall be

made to the Base Conversion Rate, and (B) the Stock Price is less than \$52.51 per share (subject to adjustment in the same manner as set forth in Section 12.05), no adjustments shall be made to the Base Conversion Rate.

Notwithstanding the foregoing, in no event shall the applicable Conversion Rate exceed 19.0440 shares of common stock per \$1,000 principal amount of Securities (subject to adjustment in the same manner as the Base Conversion Rate and the Incremental Share Factor as set forth in Section 12.05). If holders of Common Stock receive only cash consideration for their shares of Common Stock in connection with a Fundamental Change, the Stock Price shall be the cash amount paid per share. Otherwise, the Stock Price shall be the average of the Last Reported Sale Prices of Common Stock over the five-Trading Day period ending on the Trading Day preceding the date on which such Make-Whole Fundamental Change occurs or becomes effective.

(ii) The Stock Prices set forth in the first column of the table in Schedule A hereto (*i.e.*, the row headers) shall be adjusted as of any date on which the Base Conversion Rate of the Securities is adjusted. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the Base Conversion Rate in effect immediately prior to the adjustment giving rise to the Stock Price adjustment and the denominator of which is the Base Conversion Rate as so adjusted. The number of Additional Shares within the table shall be adjusted in the same manner as the Base Conversion Rate as set forth in Section 12.05.

Section 12.03. *Exercise of Conversion Privilege.*

(a) Subject to subsection (b) below, the Company shall satisfy the Conversion Obligation with respect to each \$1,000 principal amount of Securities tendered for conversion by delivering on the third Business Day immediately following the last Trading Day of the relevant Averaging Period a number of shares of Common Stock equal to the applicable Conversion Rate for each \$1,000 principal amount of Securities converted; *provided*, however, that the Company will deliver cash in lieu of fractional shares of Common Stock as provided in Section 12.04.

(b) Before any Holder of a Securities shall be entitled to convert the same as set forth above, such Holder shall (i) in the case of a Global Securities, comply with the Applicable Procedures for converting a beneficial interest in a Global Security and, if required, pay funds equal to interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in subsection (g) of this Section 12.03 and, if required, pay all taxes or duties, if any, and (ii) in the case of a Security issued in certificated form, (A) complete and manually sign and deliver an irrevocable written notice to the Conversion Agent in the form set forth under Section 2.05 (or a facsimile thereof) (a **Notice of Conversion**) at the office of the Conversion Agent, which such Notice of

Conversion shall state in writing therein the principal amount of Securities to be converted and the name or names (with addresses) in which such Holder wishes the certificate or certificates for any shares of Common Stock, if any, to be delivered upon settlement of the Conversion Obligation to be registered, (B) surrender such Securities, duly endorsed to the Company or in blank (and accompanied by appropriate endorsement and transfer documents), at the office of the Conversion Agent, (C) if required, pay funds equal to interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in subsection (g) of this Section 12.03, (D) if required, pay all transfer or similar taxes, if any and (E) if required, furnish appropriate endorsements and transfer documents. A Security shall be deemed to have been converted immediately prior to the close of business on the date (the **Conversion Date**) that the Holder has complied with the requirements set forth in this subsection (b).

No Notice of Conversion with respect to any Securities may be tendered by a Holder thereof if such Holder has also tendered a Fundamental Change Repurchase Notice and not validly withdrawn such Fundamental Change Repurchase Notice in accordance with the applicable provisions of Section 11.01.

If more than one Security shall be surrendered for conversion at one time by the same Holder, the Conversion Obligation with respect to such Securities, if any, that shall be payable upon conversion shall be computed on the basis of the aggregate principal amount of the Securities (or specified portions thereof to the extent permitted thereby) so surrendered.

(c) Delivery of the amounts owing in satisfaction of the Conversion Obligation shall be made by the Company in no event later than the date specified in subsections (a) or (b), as applicable, of this Section 12.03. The Company shall make such delivery by paying the cash amount owed, if any, to the Holder of the Securities surrendered for conversion, or such Holder's nominee or nominees, and/or by issuing, or causing to be issued, and delivering to such Holder, or such Holder's nominee or nominees, certificates or a book-entry transfer through the Depositary for the number of full shares of Common Stock, if any, to which such Holder shall be entitled as part of such Conversion Obligation (together with any cash in lieu of fractional shares as provided in Section 12.04).

(d) In case any Security shall be surrendered for partial conversion, the Company shall execute and the Trustee shall, as provided in a Company Order, authenticate and deliver to or upon the written order of the Holder of the Security so surrendered, without charge to such Holder, a new Security or Securities in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Securities.

(e) Except as provided in Section 12.05, no adjustment shall be made for dividends on any shares of Common Stock issued upon the conversion of any Security as provided in this Article.

(f) Upon the conversion of an interest in a Global Security, the Trustee, or the custodian at the direction of the Trustee, shall make a notation on such Global Security as to the reduction in the principal amount represented thereby. The Company shall notify the Trustee in writing of any conversion of Securities effected through any Conversion Agent other than the Trustee.

(g) Upon conversion, a Holder shall not receive any separate cash payment for accrued and unpaid interest except as set forth below. The Company's settlement of the Conversion Obligation as described above shall be deemed to satisfy its obligation to pay the principal amount of the Security and accrued and unpaid interest to, but not including, the Conversion Date. As a result, accrued and unpaid interest to, but not including, the Conversion Date shall be deemed to be paid in full rather than cancelled, extinguished or forfeited. Notwithstanding the preceding sentence, if Securities are converted after 5:00 p.m., New York City time, on a Regular Record Date, Holders of such Securities as of 5:00 p.m., New York City time, on the Regular Record Date shall receive the interest payable on such Securities on the corresponding Interest Payment Date notwithstanding the conversion. Securities surrendered for conversion during the period from and after 5:00 p.m., New York City time, on any Regular Record Date to 9:00 a.m., New York City time, on the immediately following Interest Payment Date must be accompanied by payment of an amount equal to the interest payable on the Securities so converted; *provided*, however, that no such payment need be made (i) if the Company has specified a Fundamental Change Repurchase Date that is after a Regular Record Date and on or prior to the corresponding Interest Payment Date; (ii) to the extent of any overdue interest existing at the time of conversion with respect to such Security; or (iii) with respect to any Conversion Date that occurs during the period from the close of business on the Regular Record Date immediately preceding the Maturity Date to the Maturity Date. Except as described above, no payment or adjustment shall be made for accrued interest on converted Securities.

(h) Notwithstanding any of the foregoing to the contrary, in lieu of settling the Conversion Obligation in the manner set forth in Section 12.03(a), the Company may elect (the **Exchange Election**) to direct the Conversion Agent in writing to surrender, on or prior to the second Business Day following the Conversion Date, Securities tendered for conversion to a financial institution designated by the Company (the **Financial Institution**) for exchange in lieu of conversion. In order to accept any Securities surrendered for conversion, the Financial Institution must agree to timely deliver, in exchange for such Securities, the shares of Common Stock and cash in lieu of fractional shares, if any, which would otherwise be due upon conversion as set forth in Section 12.03(a) (the **Conversion Consideration**). If the Company makes the Exchange Election, the Company will, by the close of business on the second Business Day following the relevant Conversion Date, notify Holders surrendering Securities for conversion that the Company has made the Exchange Election and will notify the Financial Institution of the Conversion Consideration to be delivered pursuant to Section 12.03(a) and the relevant deadline for delivery of the Conversion

Consideration. Any Securities exchanged by the Financial Institution will remain outstanding. If the Financial Institution agrees to accept Securities for exchange but does not timely deliver the related Conversion Consideration, or if such Financial Institution does not accept such Securities for exchange, the Company will deliver the relevant Conversion Consideration as if the Company had not made the Exchange Election.

Section 12.04. *Fractions of Shares.*

No fractional shares of Common Stock shall be issued upon conversion of any Security or Securities. If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares which shall be issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of the Securities (or specified portions thereof) so surrendered. Instead of any fractional share of Common Stock that would otherwise be issuable upon conversion of any Security or Securities (or specified portions thereof), the Company shall calculate and pay a cash adjustment in respect of such fraction (calculated to the nearest 1/100th of a share) based on the Last Reported Sale Price of the Common Stock on the Conversion Date or, if the Conversion Date is not on a Trading Day, the next following Trading Day.

Section 12.05. *Adjustment of Conversion Rate.*

For purposes of determining any adjustment to the Incremental Share Factor or any other effect on the Incremental Share Factor, each reference to the Base Conversion Rate appearing in this Section 12.05 shall be replaced with a reference to the Incremental Share Factor.

The Base Conversion Rate shall be adjusted from time to time by the Company as follows; *provided* that the Company shall not make any adjustments to the Base Conversion Rate if Holders participate (as a result of holding the Securities, and at the same time as holders of the Common Stock participate) in any of the transactions described below as if such Holders held the full number of shares of Common Stock underlying the Securities, without having to convert their Securities. For purposes of this Section 12.05, each adjustment event that applies to the Base Conversion Rate shall also be applied to the Incremental Share Factor in the same manner, and all other references to Base Conversion Rate shall be deemed to refer to both the Base Conversion Rate and the Incremental Share Factor:

(a) In case the Company shall issue shares of Common Stock as a dividend or distribution on shares of the Common Stock, or the Company shall effect a share split or share combination, the Base Conversion Rate shall be adjusted based on the following formula:

$$CR = CR_x (OS / OS_x)$$

where,

CR_0 = the Base Conversion Rate in effect immediately after the close of business on day preceding the Ex-date for such dividend or distribution or the effective date of such share split or combination, as the case may be;

CR = the Base Conversion Rate in effect as of the opening of business on the Ex-date for such dividend or distribution or the effective date of such share split or combination, as the case may be;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the Ex-date for such dividend or distribution or the effective date of such share split or combination, as the case may be; and

OS = the number of shares of Common Stock outstanding as of the Ex-date for such dividend or distribution and immediately after giving effect to such dividend or distribution or immediately after the effective date of such share split or combination, as the case may be.

Any adjustment made pursuant to this subsection (a) shall become effective on the date that is immediately after (x) the Ex-date fixed for such dividend or other distribution, or (y) the effective date of such split or combination, as applicable. If any dividend or distribution of the type described in this subsection (a) is declared but not paid or made, the new Base Conversion Rate shall be readjusted to the Base Conversion Rate that would be in effect if such dividend or distribution had not been declared.

(b) In case the Company shall distribute to all or substantially all holders of Common Stock any rights or warrants (other than, as described below, rights distributed pursuant to a shareholder rights plan) entitling them for a period of not more than 45 days after the date of such distribution to subscribe for or purchase shares of Common Stock at a price per share less than the average of Last Reported Sale Prices of the Common Stock on the ten Trading Days immediately preceding the Ex-date for such distribution, the Base Conversion Rate shall be adjusted based on the following formula:

$$CR = CR_0 \times ((OS_0 + X) / (OS_0 + Y))$$

where,

CR_0 = the Base Conversion Rate in effect immediately after the close of business on the day preceding the Ex-date for such distribution;

CR = the Base Conversion Rate in effect as of the opening of business on the Ex-date for such distribution;

OS_0 = the number of shares of Common Stock outstanding immediately prior to Ex-date for such distribution;

X = the total number of shares of Common Stock issuable pursuant to such rights or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights or warrants divided by the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-date for the issuance of such rights and warrants.

For purposes of this subsection (b), in determining whether any rights or warrants entitle the Holders to subscribe for or purchase shares of Common Stock at less than the applicable Last Reported Sale Price of the Common Stock, and in determining the aggregate exercise or conversion price payable for such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights or warrants and any amount payable on exercise or conversion thereof, with the value of such consideration, if other than cash, to be determined by the Board of Directors. If any right or warrant described in this subsection (b) is not exercised or converted prior to the expiration of the exercisability or convertibility thereof, the new Base Conversion Rate shall be readjusted to the Base Conversion Rate that would have been in effect if our right or warrant had not been issued.

(c) In case the Company shall distribute shares of any class of Capital Stock of the Company, evidences of the Company's indebtedness or other assets or property of the Company to all or substantially all holders of Common Stock (but excluding dividends or distributions referred to in subsection (a) or (b) of this Section 12.05, dividends or distributions paid exclusively in cash referred to in subsection (d) of this Section 12.05 and distributions described below in this subsection (c) with respect to Spin-Offs) (any of such shares of Capital Stock, indebtedness or other asset or property hereinafter in this subsection (c) called the **Distributed Property**), then, in each such case the Base Conversion Rate shall be adjusted based on the following formula:

$$CR = CR_0 \times (SP_0 / (SP_0 + FMV))$$

where,

CR₀ = the Base Conversion Rate in effect immediately after the close of business on day preceding the Ex-date for such distribution;

CR = the Base Conversion Rate in effect as of the opening of business on the Ex-date for such distribution;

SP₀ = the average of the Last Reported Sale Prices of Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-date for such distribution; and

FMV = the fair market value of the shares of Capital Stock of the Company, evidences of indebtedness, assets or property distributed with respect to each outstanding share of Common Stock on the Ex-date for such distribution, in each case as determined by the Board of Directors.

With respect to an adjustment pursuant to this subsection (c) where there has been a payment of a dividend or other distribution to the holders of the Common Stock in shares of Capital Stock of the Company of any class or series, or similar equity interest, of or relating to a Subsidiary or other Company business units (a **Spin-Off**), the Base Conversion Rate in effect immediately before 5:00 p.m., New York City time, on the 10th Trading Day immediately following, and including, the effective date of the Spin-Off shall be increased based on the following formula:

$$CR = CR_0 \times ((FMV_0 + MP_0) / MP_0)$$

where,

CR_0 = the Base Conversion Rate in effect immediately prior to the 10th Trading Day immediately following the effective date of the Spin-Off;

CR = the Base Conversion Rate in effect immediately after the 10th Trading Day immediately following the effective date of the Spin-Off;

FMV_0 = the average of the Last Reported Sale Prices of the Capital Stock or similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock over the first 10 consecutive Trading Day period immediately following the effective date of the Spin-Off; and

MP_0 = the average of the Last Reported Sale Prices of the Common Stock over the first 10 consecutive Trading Day period immediately following the effective date of the Spin-Off.

Such adjustment shall occur on the 10th Trading Day from the effective date of the Spin-Off; *provided* that in respect of any conversion within the 10 Trading Days immediately following, and including, the effective date of any Spin-Off, references in this subsection (c) with respect to the Spin-Off to 10 Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed between the effective date of such Spin-Off and the Conversion Date in determining the applicable Base Conversion Rate.

If any such dividend or distribution described in this subsection (c) is declared but not paid or made, the new Base Conversion Rate shall be readjusted to be the Base Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(d) In case the Company shall pay any cash dividends or distributions to all or substantially all holders of Common Stock, the Base Conversion Rate shall be adjusted based on the following formula:

$$CR = CR_0 \times (SP_0 / (SP_0 - C))$$

where,

CR_0 = the Base Conversion Rate in effect immediately after the close of business on the day preceding the Ex-date for such distribution;

CR = the Base Conversion Rate in effect as of the opening of business on the Ex-date for such distribution;

SP_0 = the Last Reported Sale Price of the Common Stock on the Trading Day immediately preceding the Ex-date for such distribution;

C = the amount in cash per share distributed by the Company to holders of Common Stock.

Such adjustment shall become effective immediately after the opening of business on the Ex-date for such dividend or distribution. If any such dividend or distribution described in this subsection (d) is declared but not so paid or made, the new Base Conversion Rate shall again be adjusted to be the Base Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(e) In case the Company or any of its Subsidiaries make a payment in respect of a tender offer or exchange offer for the Common Stock, to the extent that the cash and value of any other consideration included in the payment per share of Common Stock exceeds the Last Reported Sale Price of the Common Stock on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Base Conversion Rate shall be increased based on the following formula:

$$CR = CR_0 \times ((AC + (SP \times OS)) / (OS \times SP))$$

where,

CR_0 = the Base Conversion Rate in effect on the date such tender or exchange offer expires;

CR = the Base Conversion Rate in effect immediately after the closing of trading on the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all cash and any other consideration as determined by the Board of Directors paid or payable for shares purchased in such tender or exchange offer;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires;

OS = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to such tender offer or exchange offer); and

SP = the Last Reported Sale Price of Common Stock on the Trading Day next succeeding the date such tender or exchange offer expires.

Such adjustment shall become effective immediately after close of business on the Trading Day next succeeding the date such tender or exchange offer expires.

(f) No adjustment to the Base Conversion Rate shall be made if the application of any of the formulas set forth in this Section 12.05 (other than in connection with a share combination) would result in a decrease in the Base Conversion Rate.

(g) Without limiting the foregoing, no adjustment to the Base Conversion Rate will be made:

(i) upon the issuance of Common Stock for cash or in connection with an acquisition, except as otherwise described in this Section 12.05;

(ii) upon the issuance of any shares of Common Stock pursuant to any plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in shares of Common Stock under any plan;

(iii) upon the issuance of any shares of Common Stock or options or rights to purchase or acquire those shares of Common Stock pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of its Subsidiaries;

(iv) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security not described in clause (iii) above and outstanding prior to the date hereof;

(v) for a change in the par value of the Common Stock; or

(vi) for accrued and unpaid interest.

(h) All calculations and other determinations under this Article shall be made by the Company and shall be made to the nearest cent or to the nearest one-ten thousandth (1/10,000) of a share, as the case may be.

(i) For purposes of this Section 12.05, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

(j) For the avoidance of doubt, if a Holder converts Securities prior to the Effective Date of a Make-Whole Fundamental Change, and the Fundamental Change does not occur, the Holder shall not be entitled to Additional Shares in connection with such conversion.

(k) On and after the Conversion Date with respect to a conversion of Securities pursuant hereto, all rights of the Holders of such Securities shall terminate, other than the right to receive the consideration deliverable upon conversion of such Securities as provided herein. A Holder of a Security is not entitled to any rights of a holder of Common Stock until such Holder has converted such Security and received upon conversion thereof shares of Common Stock.

(l) Notwithstanding the foregoing, no adjustment to the Base Conversion Rate shall be required unless the adjustment would require an increase or decrease of at least 1% of the Base Conversion Rate. However, the Company shall carry forward any adjustments that are less than 1% of the Base Conversion Rate that the Company elects not to make and take them into account upon the earlier of (i) any conversion of Securities and (ii) such time as all adjustments that have not been made prior thereto would have the effect of adjusting the Base Conversion Rate by at least 1%.

(m) To the extent that the Company has in effect a rights plan upon a conversion of Securities into Common Stock, Holders will receive, in addition to such shares of Common Stock and in lieu of any adjustment to the Base Conversion Rate, rights under the Company's rights plan, unless, prior to any conversion, the rights have separated from the Common Stock, in which case the Base Conversion Rate shall be adjusted at the time of separation as if the Company had distributed to all holders of Common Stock shares of the Company's Capital Stock, evidences of the Company's indebtedness or other assets of the Company as described in subsection (c) above, subject to readjustment in the event of the expiration, termination or redemption of such rights.

(n) If the Indenture requires the Company to calculate an average of the Last Reported Sales Prices of the Common Stock over a span of multiple days,

including in connection with the Averaging Period as provided in Section 12.01 and Section 12.03, the Company shall make appropriate adjustments to account for any adjustment to the Base Conversion Rate that becomes effective, or any event requiring an adjustment to the Base Conversion Rate where the Ex-date of the event occurs, at any time during the period from which the average is to be calculated.

Section 12.06. Notice of Adjustments of Conversion Rate.

Whenever the Conversion Rate is adjusted as herein provided:

(a) the Company shall compute the adjusted Conversion Rate in accordance with Section 12.05 and shall prepare a certificate signed by the Chief Financial Officer of the Company setting forth the adjusted Conversion Rate and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall promptly be delivered to the Trustee and to each Conversion Agent (if other than the Trustee); and

(b) upon each such adjustment, a notice stating that the Conversion Rate has been adjusted and setting forth the adjusted Conversion Rate shall be required and shall be provided by the Company to all Holders.

If the Company adjusts the Base Conversion Rate pursuant to the provisions of this Section 12.05, the Company shall provide written notification of such adjustment to the Conversion Agent and the Trustee.

Neither the Trustee nor any Conversion Agent shall be under any duty or responsibility with respect to any such certificate or the information and calculations contained therein, except to exhibit the same to any Holder of Securities desiring inspection thereof at its office during normal business hours.

Section 12.07. Company to Reserve Common Stock.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, for the purpose of effecting the conversion of Securities, the full number of shares of Common Stock then issuable upon the conversion of all Outstanding Securities.

Section 12.08. Taxes on Conversions.

Except as provided in the next sentence, the Company shall pay all documentary, stamp or similar issue or transfer tax due that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of Securities pursuant hereto. The Company shall not, however, be required to pay any tax or duty that may be payable in respect of (i) income of the Holder or (ii) any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the Holder of the Security or Securities to be converted, and no such issue or delivery shall be made unless and until the Person requesting

such issue has paid to the Company the amount of any such tax or duty, or has established to the satisfaction of the Company that such tax or duty has been paid.

Section 12.09. *Certain Covenants.*

Before taking any action which would cause an adjustment reducing the Conversion Rate below the then par value, if any, of the shares of Common Stock issuable upon conversion of the Securities, the Company shall take all corporate action which it reasonably determines may be necessary in order that the Company may validly and legally issue shares of such Common Stock at such adjusted Conversion Rate.

The Company covenants that all shares of Common Stock issued upon conversion of Securities shall be fully paid and non-assessable by the Company and free from all taxes, liens and charges with respect to the issue thereof.

The Company further covenants that if at any time the Common Stock shall be listed for trading on any national securities exchange the Company shall, if permitted and required by the rules of such exchange, list and keep listed, so long as the Common Stock shall be so listed on such exchange, all Common Stock issuable upon conversion of the Securities.

Section 12.10. *Cancellation of Converted Securities.*

All Securities surrendered for the purpose of payment, repurchase, conversion or registration of transfer, shall, if surrendered to the Company or any Paying Agent or any Security Registrar, be surrendered to the Trustee and promptly canceled by it, or, if surrendered to the Trustee, shall be promptly canceled by it, and no Securities shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall dispose of canceled Securities in accordance with its customary procedures and shall promptly provide copies of all cancelled certificates to the Company. If the Company shall acquire any of the Securities, such acquisition shall not operate as satisfaction of the debt represented by such Securities unless and until the same are delivered to the Trustee for cancellation.

Section 12.11. *Provision in Case of Effect of Reclassification, Consolidation, Merger or Sale.*

In the event of (i) any Fundamental Change described in clause (2) of the definition of Fundamental Change, (ii) any reclassification of the Common Stock (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a split, subdivision or combination), (iii) a consolidation, binding share exchange, recapitalization, reclassification, merger, combination or other similar event of the Company with another Person or (iv) a sale or conveyance of all or substantially all of the property and assets of the Company to any other Person, in each case as a result of which holders of Common Stock shall be entitled to receive cash, securities or other property with

respect to or in exchange for such Common Stock (any such event described in clauses (i) through (iv) a **Merger Event**), then:

(a) the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture (which shall comply with the Trust Indenture Act as in force at the date of execution of such supplemental indenture if such supplemental indenture is then required to so comply) permitted under Section 9.01(d) providing for the conversion and settlement of the Securities as set forth in this Indenture. Such supplemental indenture shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article and the Trustee may conclusively rely on the determination by the Company of the equivalency of such adjustments. If, in the case of any Merger Event, the Reference Property includes shares of stock or other securities and assets of a company other than the successor or purchasing company, as the case may be, in such change of control, consolidation, binding share exchange, recapitalization, reclassification, merger, combination, sale, transfer or conveyance or Fundamental Change described in clause (2) of the definition of Fundamental Change, then such supplemental indenture shall also be executed by such other company and shall contain such additional provisions to protect the interests of the Holders of the Securities as the Board of Directors shall reasonably consider necessary by reason of the foregoing.

In the event a supplemental indenture is executed pursuant to this Section 12.11, the Company shall promptly file with the Trustee an Officer's Certificate briefly stating the reasons therefore, the kind or amount of cash, securities or property or assets that will constitute the Reference Property after any such Merger Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with, and shall promptly mail notice thereof to all Holders.

If any securities to be provided for the purpose of conversion of Securities hereunder require registration with or approval of any governmental authority under any federal or state law before such securities may be validly issued upon conversion, each supplemental indenture executed pursuant to this Section shall provide that the Company or the successor or the purchasing Person, as the case may be, or if the Reference Property includes shares of stock or other securities and assets of a company other than the successor or purchasing company, as the case may be, then such company, shall use all commercially reasonable efforts, to the extent then permitted by the rules and interpretations of the SEC (or any successor thereto), to secure such registration or approval in connection with the conversion of Securities.

(b) Notwithstanding the provisions of Section 12.03(a) to (b), and subject to the provisions of Section 12.01, at the effective time of such Merger Event, the right to convert each \$1,000 principal amount of Securities shall be changed to a right to convert such Securities by reference to the kind and amount of cash, securities or other property or assets that a holder of a number of shares

of Common Stock would be entitled to receive in respect of each share of Common Stock upon such Merger Event (the **Reference Property**) based on a Conversion Rate calculated as provided in Section 12.01 with references to Common Stock replaced by references to the Reference Property received in such transaction. For purposes of determining the constitution of Reference Property, the type and amount of consideration that a holder of Common Stock would have been entitled to in the case of reclassifications, consolidations, mergers, sales or transfers of assets or other transactions that cause the Common Stock to be converted into the right to receive more than a single type of consideration determined (based in part upon any form of stockholder election) shall be deemed to be the (i) weighted average of the types and amounts of consideration received by the holders of Common Stock that affirmatively make such an election or (ii) if no holders of Common Stock affirmatively make such election, the types and amounts of consideration actually received by such holders. None of the foregoing provisions shall affect any right of a Holder of Securities to convert its Securities in accordance with the provisions of this Article prior to the effective date of the applicable Merger Event.

(c) The Company shall cause notice of the execution of a supplemental indenture required by this Section 12.11 to be provided to each Holder within 20 calendar days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

(d) The above provisions of this Section shall similarly apply to successive Merger Events.

Section 12.12. Responsibility of Trustee for Conversion Provisions.

The Trustee and any Conversion Agent shall not at any time be under any duty or responsibility to any Holder of Securities to determine whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, herein or in any supplemental indenture provided to be employed, in making the same, or whether a supplemental indenture need be entered into. Neither the Trustee nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any Common Stock, or of any other securities or property or cash, which may at any time be issued or delivered upon the conversion of any Securities; and it or they do not make any representation with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to make or calculate any cash payment or to issue, transfer or deliver any shares of Common Stock or share certificates or other securities or property or cash upon the surrender of any Security for the purpose of conversion; and the Trustee and any Conversion Agent shall not be responsible for any failure of the Company to comply with any of the covenants of the Company contained in this Article.

Section 12.13. *Right to Set-off Withholding Taxes.*

The Company may, at its option, set-off withholding taxes due with respect to Securities against payments of cash and Common Stock on the Securities. In the case of any such set-off against Common Stock delivered upon conversion of the Securities, such Common Stock shall be valued based on the arithmetic average of the Last Reported Sale Price of the Common Stock in the 5 Trading Days immediately preceding the conversion.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed as of the day and year first above written.

2. *Shelf Registration.*

(a) The Company shall:

(i) unless the Shelf Registration Statement becomes effective automatically, use its commercially reasonable efforts to cause a Shelf Registration Statement covering the resale of Registrable Securities pursuant to Rule 415 under the Securities Act to be declared effective under the Securities Act no later than the 181st calendar day after the later of the Closing Date and the Option Closing Date; *provided, however*, that no Holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the Prospectus forming a part thereof for resales of Registrable Securities unless such Holder is an Electing Holder;

(ii) subject to the Company's right to suspend the Shelf Registration Statement or the Prospectus as set forth in Section 2(b) hereof, use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective under the Securities Act in order to permit the Prospectus forming a part thereof to be usable by Holders until such time as all of the Securities and shares of Common Stock issuable upon conversion thereof cease to be Registrable Securities (such period being referred to herein as the *Effectiveness Period*);

(iii) after the Effective Time, within 10 Business Days after receipt of the completed Notice and Questionnaire from any Holder that is not then an Electing Holder, together with any other information as may be reasonably requested in writing by the Company from such Holder, the Company shall file such amendments to the Shelf Registration Statement or supplements to the related Prospectus as are reasonably necessary to permit the Holder to deliver the Prospectus to purchasers of Registrable Securities (subject to the Company's right to suspend the use of the Shelf Registration Statement or the Prospectus as set forth in Section 2(b) hereof); *provided, however*, that (A) nothing in this subparagraph shall relieve such Holder of the obligation to return a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(a)(ii) hereof and (B) in no event shall the Company be required to file more than one such amendment or supplement in any 90-day period; and

(iv) if at any time the Securities are convertible into securities other than Common Stock, to cause, or to cause any successor under the Indenture to cause, such securities to be included in the Shelf Registration Statement no later than the later of (A) 180 calendar days following the Closing Date and (B) the date on which the Securities are convertible into such securities;

provided, however, that the Company's obligation to file, have declared effective or maintain effectiveness of the Shelf Registration Statement required by clauses (i) and (ii) above and pay Additional Interest as described in Section 6 below shall be suspended to the extent and during the periods that the Registrable Securities are eligible to be transferred without registration under the Securities Act by a person who is not an Affiliate of the Company (and has not been an Affiliate for the 90 days preceding

such transfer) pursuant to Rule 144 under the Securities Act (or any other similar provision then in force (other than Rule 144A)) without any volume or manner of sale restrictions.

The Company shall be deemed not to have used its commercially reasonable efforts to keep the Shelf Registration Statement effective during the requisite period if the Company voluntarily takes any action that would result in Holders of Registrable Securities covered thereby not being able to offer and sell any of such Registrable Securities during that period, unless such action is (A) required by applicable law and the Company thereafter promptly complies with the requirements of Section 3(j) below or (B) permitted pursuant to Section 2(b) below.

(b) The Company may delay or suspend the use of the Shelf Registration Statement or the use of the Prospectus without incurring any obligation to pay Additional Interest for a period not to exceed 45 calendar days in any six-month period (each, a *Suspension Period*) if the Company shall have determined in good faith that because of valid business reasons (not including avoidance of the Company's obligations hereunder), including the acquisition or divestiture of assets, pending corporate developments, public filings with the Commission and similar events, it is in the best interests of the Company to suspend such use, and prior to suspending such use the Company provides the Holders with written notice of such suspension, which notice need not specify the nature of the event giving rise to such suspension.

(c) The Company agrees that the Company will:

(i) On the day that is one year following the later of the Closing Date and the Option Closing Date, facilitate the removal of any restrictive legends (if any) and use commercially reasonable efforts to cause the Securities to be represented by a CUSIP that represents that a person who is not an Affiliate of the Company (and has not been an Affiliate for the 90 days preceding such transfer) pursuant to Rule 144 under the Securities Act (or any other similar provision then in force (other than Rule 144A)) can resell such Securities without any volume or manner of sale restrictions thereunder; and

(ii) Represent and agree with the Holders that the Company and its Affiliates have not since the Closing Date resold any Securities that have been acquired or reacquired by any of them except pursuant to an effective registration statement under the Securities Act and will not resell any Securities acquired by them except pursuant to an effective Registration Statement under the Securities Act until such time as none of the Securities are Registrable Securities.

3. *Registration Procedures*. In connection with the Shelf Registration Statement, the following provisions shall apply:

(a) (i) Within 10 Business Days of the filing of the Shelf Registration Statement, the Company shall mail the Notice and Questionnaire to the Holders of Registrable Securities. No Holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement as of the Effective Time, and no Holder shall be entitled to use the Prospectus forming a part thereof for resales of Registrable Securities at any time, unless such Holder has returned a completed and signed Notice and Questionnaire to the Company by the deadline for response set forth therein and provided any other information reasonably requested in writing by the Company. Notwithstanding the foregoing, no Affiliate of the Company shall be entitled to be named as a selling securityholder without the Company's consent and will not be entitled to Additional Interest;

(ii) After the Effective Time of the Shelf Registration Statement, the Company shall, upon the request of any Holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such Holder. The Company shall not be required to take any action to name such Holder as a selling securityholder in the Shelf Registration Statement or to enable such Holder to use the Prospectus forming a part thereof for resales of Registrable Securities until such Holder has returned a completed and signed Notice and Questionnaire to the Company, in which case the Company's obligations shall be as set forth in Section 2(a)(iii) above;

(iii) The term "Electing Holder" shall mean any Holder of Registrable Securities (other than any Affiliate of the Company) that has returned a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(a)(i) or 3(a)(ii) hereof; and

(iv) Each Electing Holder agrees to furnish promptly to the Company all information required to be disclosed in order to make information previously furnished to the Company by the Holder not materially misleading and any other information regarding such Holder and the distribution of such Holder's Registrable Securities as the Company may from time to time reasonably request in writing.

(b) Unless such document is available on the Electronic Data Gathering Analysis and Retrieval system of the Commission ("EDGAR") the Company shall furnish to each Electing Holder, prior to the Effective Time, a copy of the Shelf Registration Statement initially filed with the Commission, and shall furnish to such Holders, prior to the filing thereof with the Commission, copies of each amendment thereto and each amendment or supplement, if any, to the Prospectus included therein, and shall use its commercially reasonable efforts to reflect in each such document, at the Effective Time or when so filed with the Commission, as the case may be, such comments as such Holders and their respective counsel reasonably may propose.

(c) The Company shall promptly take such action as may be necessary so that (i) each of the Shelf Registration Statement and any amendment thereto and the Prospectus forming a part thereof and any amendment or supplement thereto (and each report or other document incorporated therein by reference in each case) complies in all material respects with the Securities Act and the Exchange Act and the respective rules and regulations thereunder, (ii) each of the Shelf Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) each of the Prospectus forming a part of the Shelf Registration Statement, and any amendment or supplement to such Prospectus, does not at any time during the Effectiveness Period include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the Company shall not be required to take such action in respect of the Shelf Registration Statement or any amendment thereto or of the Prospectus or any amendment or supplement to the Prospectus during any Suspension Period.

(d) The Company shall promptly (and in any event, within 10 business days) advise each Electing Holder, and shall confirm such advice in writing if so requested by any such Electing Holder:

(i) when a Shelf Registration Statement and any amendment thereto has been filed with the Commission and when a Shelf Registration Statement or any post-effective amendment thereto has become effective;

(ii) of the issuance by the Commission of any stop order suspending the effectiveness of the Shelf Registration Statement or the initiation of any proceedings for such purpose;

(iii) of the receipt by the Company of any notification with respect to the suspension of the qualification of the securities included in the Shelf Registration Statement for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(iv) of the occurrence of any event or the existence of any state of facts that requires the making of any changes in the Shelf Registration Statement or the Prospectus included therein so that, as of such date, such Shelf Registration Statement and Prospectus do not contain an untrue statement of a material fact and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading (which advice shall be accompanied by an instruction to such Holders to suspend the use of the Shelf Registration Statement and the Prospectus until the requisite changes have been made); *provided, however*, that no notice by the Company shall be required pursuant to this clause (iv) in the event that the Company either promptly files a Prospectus supplement to update the Prospectus or a Current Report on Form 8-K or other appropriate report that is incorporated by reference into the Shelf Registration Statement, which, in either case, contains the requisite information that results in such Shelf Registration Statement no longer containing any untrue statement of material fact or omitting to state a material fact necessary to make the statements therein not misleading.

(e) The Company shall use its commercially reasonable efforts to prevent the issuance, and if issued to obtain the withdrawal at the earliest possible time, of any order suspending the effectiveness of the Shelf Registration Statement or, if any such order of suspension is made effective during or results in any Suspension Period, promptly following the end of such Suspension Period.

(f) The Company shall furnish to each Electing Holder, upon written request of such Holder, without charge, at least one copy of the Shelf Registration Statement and all post-effective amendments thereto, and, if such documents are not available on EDGAR and such Electing Holder so requests in writing, all reports, other documents and exhibits that are filed with or incorporated by reference in the Shelf Registration Statement.

(g) The Company shall, during the Effectiveness Period, deliver to each Electing Holder, without charge, as many copies of the Prospectus (including each preliminary Prospectus) included in the Shelf Registration Statement and any amendment or supplement thereto as such Electing Holder may reasonably request in writing; and the Company consents (except during the periods specified in Section 2(b) above or during the continuance of any event or the existence of any state of facts described in Section 3(d)(ii), (iii) or (iv) above) to the use of the Prospectus and any amendment or supplement thereto by each of the Electing Holders in connection with the offering and sale of the Registrable Securities covered by the Prospectus and any amendment or supplement thereto during the Effectiveness Period.

(h) Prior to any offering of Registrable Securities pursuant to the Shelf Registration Statement, the Company shall use its commercially reasonable efforts to (i) register or qualify or cooperate with the Electing Holders and their respective counsel in connection with the registration or qualification of such Registrable Securities for offer and sale under the securities or blue sky laws of such jurisdictions within the United States as any Electing Holder may reasonably request in writing, (ii) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers and sales in such jurisdictions for so long as may be necessary to enable any Electing Holder or underwriter, if any, to complete its distribution of Registrable Securities pursuant to

the Shelf Registration Statement, and (iii) take any and all other actions reasonably necessary or advisable to enable the disposition in such jurisdictions of such Registrable Securities; *provided, however*, that in no event shall the Company be obligated to (A) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not otherwise be required to so qualify but for this Section 3(h) or (B) file any general consent to service of process or take any action which would subject it to taxation in any jurisdiction where it is not as of the date hereof so subject.

(i) Unless any Registrable Securities shall be in book-entry or global certificate only form, the Company shall use its commercially reasonable efforts to cooperate with the Electing Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold pursuant to the Shelf Registration Statement, which certificates, if so required by any securities exchange upon which any Registrable Securities are listed, shall be penned, lithographed or engraved, or produced by any combination of such methods, on steel engraved borders, and which certificates shall be free of any restrictive legends and in such permitted denominations and registered in such names as Electing Holders may request in connection with the sale of Registrable Securities pursuant to the Shelf Registration Statement.

(j) Upon the occurrence of any event or the existence of any state of facts contemplated by Section 3(d)(iv) above, the Company shall prepare a post-effective amendment to any Shelf Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the Company shall not be required to take such action in respect of the Shelf Registration Statement or any amendment thereto or of the Prospectus or any amendment or supplement to the Prospectus during any Suspension Period. If the Company notifies the Electing Holders of the occurrence of any event or the existence of any state of facts contemplated by Section 2(b) or Section 3(d)(iv) above, such Electing Holder shall suspend the use of the Shelf Registration Statement and the Prospectus until the requisite changes to the Prospectus have been made and shall keep confidential any such communication received by it from the Company.

(k) Not later than the Effective Time of the Shelf Registration Statement, the Company shall provide a CUSIP number for the Registrable Securities that are debt securities.

(l) To the extent that the Company is required to file a Shelf Registration Statement, the Company shall use its commercially reasonable efforts to comply with all applicable Rules and Regulations, and to make generally available to its securityholders as soon as practicable, but in any event not later than eighteen months after (i) the effective date (as defined in Rule 158(c) under the Securities Act) of the Shelf Registration Statement, (ii) the effective date of each post-effective amendment to the Shelf Registration Statement, and (iii) the date of each filing by the Company with the Commission of an Annual Report on Form 10-K that is incorporated by reference in the Shelf Registration Statement, an earnings statement of the Company and its subsidiaries complying with Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158).

(m) Prior to the Effective Time, the Company shall use its commercially reasonable efforts to cause the Indenture to be qualified under the Trust Indenture Act; in connection with such qualification, the Company shall cooperate with the Trustee under the Indenture and the Holders (as defined in the Indenture) to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and the Company shall execute, and shall use all

reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner. In the event that any such amendment or modification referred to in this Section 3(m) involves the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(n) The Company shall enter into such customary agreements and take all other appropriate action in order to expedite and facilitate the registration and disposition of the Registrable Securities, and in connection therewith, if an underwriting agreement is entered into, cause the same to contain indemnification provisions and procedures substantially identical to those set forth in Section 5 hereof with respect to all parties to be indemnified pursuant to Section 5 hereof.

(o) The Company shall:

(i) make reasonably available for inspection during normal business hours by the Electing Holders and any attorney, accountant or other agent retained by such Electing Holders all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and (ii) cause the Company's officers, directors and employees to supply all information reasonably requested by such Electing Holders or any such attorney, accountant or agent in connection with the Shelf Registration Statement, in each case, as is customary for similar due diligence examinations; *provided, however*, that such persons shall first agree in writing with the Company that (x) all records, information and documents that are designated in writing by the Company, in good faith, as confidential shall be kept confidential by such Electing Holders and any such attorney, accountant or agent, unless such disclosure is required to be made in connection with a court proceeding or required by law, or such records, information or documents become available to the public generally or through a third party without an accompanying obligation of confidentiality and (y) they shall use such records, information and documents solely for the purposes of exercising rights under this Agreement and they shall not engage in trading any securities of the Company until the Company makes such material non-public information publicly available; and *provided further* that, if the foregoing inspection and information gathering would otherwise disrupt the Company's conduct of its business, such inspection and information gathering shall, to the greatest extent possible, be coordinated on behalf of the Electing Holders and the other parties entitled thereto by one counsel designated by and on behalf of the Electing Holders and other parties.

(p) The Company will use its commercially reasonable efforts to cause the Common Stock issuable upon conversion of the Securities to be listed on the Nasdaq Global Select Market or other stock exchange or trading system on which the Common Stock primarily trades on or prior to the Effective Time of the Shelf Registration Statement hereunder.

(q) The Company shall use its commercially reasonable efforts to take all other steps necessary to effect the registration, offering and sale of the Registrable Securities covered by the Shelf Registration Statement contemplated hereby.

4. *Registration Expenses.* Except as otherwise provided herein, the Company shall bear all fees and expenses incurred in connection with the performance of its obligations under Sections 2 and 3 hereof and shall bear or reimburse the Electing Holders for the reasonable fees and disbursements of a single counsel selected by a plurality of all Electing Holders who own an aggregate of not less than 25% of the Registrable Securities covered by the Shelf Registration Statement to act as counsel therefore in connection therewith. Each Electing Holder shall pay all underwriting discounts and commissions and

transfer taxes, if any, relating to the sale or disposition of such Electing Holder's Registrable Securities pursuant to the Shelf Registration Statement.

5. Indemnification and Contribution.

(a) *Indemnification by the Company.* Upon the registration of the Registrable Securities pursuant to Section 2 hereof, the Company shall indemnify and hold harmless each Electing Holder and each underwriter, selling agent or other securities professional, if any, which facilitates the disposition of Registrable Securities, and each of their respective officers and directors and each person who controls such Electing Holder, underwriter, selling agent or other securities professional within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each such person being sometimes referred to as an *Indemnified Person*) against any losses, claims, damages or liabilities, joint or several, to which such Indemnified Person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Shelf Registration Statement under which such Registrable Securities were registered under the Securities Act, or any Prospectus contained therein or furnished by the Company to any Indemnified Person, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company hereby agrees to reimburse such Indemnified Person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable to any such Indemnified Person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Shelf Registration Statement or Prospectus, or amendment or supplement, in reliance upon and in conformity with written information furnished to the Company by such Indemnified Person expressly for use therein.

(b) *Indemnification by the Electing Holders.* Each Electing Holder agrees, as a consequence of the inclusion of any of such Electing Holder's Registrable Securities in such Shelf Registration Statement, to (i) indemnify and hold harmless the Company, each Electing Holder, and each of their respective directors and officers and each person, if any, who controls the Company or any such Electing Holder within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities to which the Company or such other persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such Shelf Registration Statement or Prospectus, or any amendment or supplement, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Electing Holder expressly for use therein, and (ii) reimburse the Company and such other persons for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) *Notices of Claims, Etc.* Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party under this Section 5, notify such indemnifying

party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under the indemnification provisions of or contemplated by subsection (a) or (b) above. In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party under this Section 5 for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) *Contribution.* If the indemnification provided for in this Section 5 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5(d) were determined by pro rata allocation (even if the Electing Holders or any underwriters, selling agents or other securities professionals or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 5(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Electing Holders and any underwriters, selling agents or other securities professionals in this Section 5(d) to contribute shall be several in proportion to the percentage of principal amount of Registrable Securities registered or underwritten, as the case may be, by them and not joint.

(e) Notwithstanding any other provision of this Section 5, in no event will any (i) Electing Holder be required to undertake liability to any person under this Section 5 for any amounts in excess of the dollar amount of the proceeds to be received by such Holder from the sale of such Holder's

Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) pursuant to any Shelf Registration Statement under which such Registrable Securities are to be registered under the Securities Act and (ii) underwriter, selling agent or other securities professional be required to undertake liability to any person hereunder for any amounts in excess of the discount, commission or other compensation payable to such underwriter, selling agent or other securities professional with respect to the Registrable Securities underwritten by it and distributed to the public.

(f) The obligations of the Company under this Section 5 shall be in addition to any liability which the Company may otherwise have to any Indemnified Person and the obligations of any Indemnified Person under this Section 5 shall be in addition to any liability which such Indemnified Person may otherwise have to the Company. The remedies provided in this Section 5 are not exclusive and shall not limit any rights or remedies which may otherwise be available to an indemnified party at law or in equity.

6. Additional Interest.

(a) Subject to the proviso contained in Section 2(a), if on or prior to the 181st day following the later of the Closing Date and the Option Closing Date, a Shelf Registration Statement is not declared effective by the Commission or if the Prospectus is not available during the Effective Period (each, a Registration Default), the Company shall be required to pay additional interest (Additional Interest) to the Holders (other than Holders that are Affiliates of the Company), from and including the day such Registration Default occurs until, but not including, the day such Shelf Registration Statement is declared effective or the Prospectus becomes available, as applicable, at a rate per annum equal to an additional one-quarter of one percent (0.25%) of the principal amount of Registrable Securities then remaining, from the day of such Registration Default to and including the 90th day following such Registration Default and one-half of one percent (0.50%) thereof from and after the 91st day following such Registration Default until the earlier of (1) the time such Shelf Registration Statement is declared effective or the Prospectus becomes available, as applicable, or (2) the expiration of the Effectiveness Period; *provided, however*, no Additional Interest shall accrue under this Section 6(a) during any Suspension Period

(b) In the event that (i) the Shelf Registration Statement ceases to be effective when it is required to be so effective, (ii) the Company suspends the use of the Prospectus pursuant to Section 2(b), (iii) the Holders are not authorized to use the Prospectus pursuant to Section 3(j) hereof, (iv) the Holders are otherwise prevented or restricted by the Company from effecting sales pursuant to the Shelf Registration Statement in violation of this Agreement or (v) the Company shall fail to comply with its obligations under Section 2(c) (any such event being referred to as an Effective Failure) for more than an aggregate of 45 days, whether or not consecutive, in any six-month period, then the Company shall pay the Additional Interest at a rate per annum equal to an additional one-quarter of one percent (0.25%) of the principal amount of Registrable Securities then remaining, from the day of such Effective Failure, to and including the 90th day following such Effective Failure and one-half of one percent (0.50%) thereof from and after the 91st day following such Effective Failure until the earlier of (1) the time the Shelf Registration Statement again becomes effective or the Holders of Registrable Securities are again able to make sales under the Shelf Registration Statement or the Prospectus becomes available, as applicable, or (2) the expiration of the Effectiveness Period; *provided, however*, no Additional Interest shall accrue under this Section 6(b) (A) with respect to the Registrable Securities of any Holder that is not an Electing Holder or (B) during any Suspension Period

(c) Any amounts to be paid as the Additional Interest pursuant to paragraphs (a) or (b) of this Section 6 shall be paid in cash semi-annually in arrears, with the first semi-annual payment due on the first Interest Payment Date (as defined in the Indenture), as applicable, following the date of such

Registration Default or Effective Failure, as applicable. Such Additional Interest will accrue (1) in respect of the applicable Securities at the rates set forth in paragraphs (a) or (b) of this Section 6, as applicable, on the principal amount of such Securities and (2) in respect of any Common Stock issued upon conversion of the Securities constituting Registrable Securities, at the rates set forth in paragraphs (a) or (b) of this Section 6, as applicable, applied to the Conversion Price (as defined in the Indenture) at that time. No Additional Interest will accrue or shall be paid in respect of Registrable Securities held by Affiliates of the Company.

(d) Except as provided in Section 8(b) hereof, the Additional Interest as set forth in this Section 6 shall be the exclusive monetary remedy available to the Holders of Registrable Securities for such Registration Default or Effective Failure. In no event shall the Company be required to pay Additional Interest in excess of one-half of one percent (0.50%) in the aggregate, regardless of whether one or multiple Registration Defaults or Effective Failures exist.

(e) The Company's obligation to pay Additional Interest pursuant to Sections 6(a) and (b) hereof shall be suspended to the extent and during the periods that the Registrable Securities are eligible to be transferred without registration under the Securities Act by a person who is not an Affiliate of the Company (and has not been an Affiliate for the 90 days preceding such transfer) pursuant to Rule 144 under the Securities Act (or any other similar provision then in force (other than Rule 144A)) without any volume or manner of sale restrictions.

7. *Termination.* The Company's obligations pursuant to Sections 2, 3 and 6 hereof will terminate on the first day that is at least one year following the later of the Closing Date and the Option Closing Date and on which the Securities and the Common Stock issuable upon conversion thereof are eligible to be transferred without registration under the Securities Act by a person who is not an Affiliate of the Company (and has not been an Affiliate for the 90 days preceding such transfer) pursuant to Rule 144 under the Securities Act (or any successor provision thereto (other than Rule 144A)) without any volume or manner of sale restrictions thereunder and the CUSIP number for such securities is no longer a restricted CUSIP that indicates that transfer restrictions apply to the Securities or the Common Stock issuable upon conversion thereof.

8. *Miscellaneous.*

(a) *Other Registration Rights.* The Company may grant registration rights that would permit any person that is a third party the right to piggy-back on any Shelf Registration Statement.

(b) *Specific Performance.* The parties hereto acknowledge that there may be no adequate remedy at law if the Company fails to perform any of its obligations hereunder and that the Initial Purchasers and the Holders from time to time may be irreparably harmed by any such failure, and accordingly agree that the Initial Purchasers and such Holders, in addition to any other remedy to which they may be entitled at law or in equity and without limiting the remedies available to the Electing Holders under Section 6 hereof, may be entitled to compel specific performance of the obligations of the Company under this Registration Rights Agreement in accordance with the terms and conditions of this Registration Rights Agreement, in any court of the United States or any State thereof having jurisdiction.

(c) *Amendments and Waivers.* This Agreement, including this Section 8(c), may be amended, and waivers or consents to departures from the provisions hereof may be given, only by a written instrument duly executed by the Company and the holders of a majority in aggregate principal amount of Registrable Securities then outstanding. Each Holder of Registrable Securities outstanding at the time of any such amendment, waiver or consent or thereafter shall be bound by any amendment,

waiver or consent effected pursuant to this Section 8(c), whether or not any notice, writing or marking indicating such amendment, waiver or consent appears on the Registrable Securities or is delivered to such Holder.

(d) *Notices.* All notices and other communications provided for or permitted hereunder shall be given as provided in the Indenture; *provided*, that the Company may deliver notices and other communications provided for or permitted hereunder to any Electing Holder to its address as set forth in its Notice and Questionnaire.

(e) *Parties in Interest.* The parties to this Agreement intend that all Holders of Registrable Securities shall be entitled to receive the benefits of this Agreement and that any Electing Holder shall be bound by the terms and provisions of this Agreement by reason of such election with respect to the Registrable Securities which are included in a Shelf Registration Statement. All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the respective successors and assigns of the parties hereto and any Holder from time to time of the Registrable Securities to the aforesaid extent. In the event that any transferee of any Holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be entitled to receive the benefits of and, if an Electing Holder, be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement to the aforesaid extent.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(i) *Severability.* In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties hereto shall be enforceable to the fullest extent permitted by law.

(j) *Survival.* The respective indemnities, agreements, representations, warranties and other provisions set forth in this Agreement or made pursuant hereto shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Electing Holder, any director, officer or partner of such Holder, any agent or underwriter, any director, officer or partner of such agent or underwriter, or any controlling person of any of the foregoing, and shall survive the transfer and registration of the Registrable Securities of such Holder.

Please confirm that the foregoing correctly sets forth the agreement between the Company and you.

Very truly yours,

Item 1.01 Entry into a Material Definitive Agreement.

On June 25, 2008, Cricket Communications, Inc. (Cricket), a Delaware corporation and wholly owned subsidiary of Leap Wireless International, Inc., a Delaware corporation (Leap), completed the closing of the sale of \$300,000,000 aggregate principal amount of unsecured 10% Senior Notes due 2015 (the Notes). The Notes are guaranteed on a senior unsecured basis (collectively, the Guarantees) by Leap and certain subsidiary guarantors of Cricket and Leap (such subsidiary guarantors, together with Leap, the Guarantors, and collectively with Cricket, the Company, we or us). The Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act). The Notes were issued by Cricket in a private placement to qualified institutional buyers pursuant to Rule 144A and Regulation S under the Securities Act, pursuant to an Indenture, dated as of June 25, 2008 (the Indenture), by and among Cricket, the Guarantors and Wells Fargo Bank, N.A., as trustee, which governs the terms of the Notes. A copy of the Indenture, which includes the form of Note, is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

We intend to use the net proceeds of this offering, which are estimated to be approximately \$292.6 million after deducting estimated discounts, commissions and offering expenses, for working capital and other general corporate purposes, including the build-out of new markets, expansion of our footprint in our existing markets and the development of our broadband initiative. Pending application of the net proceeds, we will invest the net proceeds in short-term, investment-grade, interest-bearing securities.

A brief description of the terms of the Notes follows:

Interest. The Notes will bear interest at a rate of 10% per year, payable semiannually in arrears in cash on January 15 and July 15 of each year, beginning on January 15, 2009. The Company will make each interest payment to the holders of record of the Notes on the immediately preceding January 1 and July 1. Holders of the Notes will be entitled to additional interest on the Notes under certain circumstances pursuant to the terms of the Registration Rights Agreement (discussed below), which will be paid, if applicable, on the same dates as interest on the Notes.

Maturity. The Notes will mature on July 15, 2014, unless earlier repurchased or converted.

Guarantors. The Notes are guaranteed on a senior unsecured basis by Leap and each of our existing and future domestic subsidiaries that guarantees indebtedness for money borrowed of Leap, Cricket or any subsidiary guarantor.

Ranking. The Notes and the Guarantees are our general senior unsecured obligations, rank equally in right of payment with all of our existing and future unsubordinated unsecured indebtedness, are effectively junior to our existing and future secured obligations, including under our secured credit facility, to the extent of the value of the assets securing such obligations, are effectively junior to future liabilities of our subsidiaries that are not Guarantors and of our designated entities, and are senior in right of payment to any of our future subordinated indebtedness.

Redemption. The Notes may be redeemed, in whole or in part, at any time on or after July 15, 2012, at the redemption prices described in the Indenture, plus accrued and unpaid interest. Prior to July 15, 2012, we may redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof plus the applicable premium, plus accrued and unpaid interest. Prior to July 15, 2011, we may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds from specified equity offerings at a redemption price set forth in the Indenture; however, we may only make these redemptions if at least 65% of the aggregate principal amount of the Notes issued under the Indenture remains outstanding after such redemptions. We are not required to make mandatory redemption or sinking fund payments with respect to the Notes. If a change of control (as defined in the Indenture) occurs, each holder of Notes may require us to repurchase all of such holder's Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest.

Covenants. The Indenture contains covenants limiting our ability to consummate certain asset sales, incur additional debt or retire subordinated indebtedness, declare or pay dividends or distributions with respect to equity interests, redeem or repurchase equity interests, make certain payments or investments, create liens on our property

or assets, enter into transactions with affiliates or merge or consolidate with another company, among other restrictions.

Events of Default. Subject to the terms and conditions of the Indenture, each of the following, among other events, constitutes an event of default under the Indenture: (a) our failure to pay interest, additional interest pursuant to the terms of the Registration Rights Agreement, if any, or principal on the Notes when due; (b) our failure to comply with certain covenants in the Indenture; (c) our default under any mortgage, indenture or similar instrument evidencing indebtedness in excess of \$25.0 million either at maturity or which default results in the acceleration of such indebtedness; (d) our failure to satisfy certain final judgments when due; and (e) certain bankruptcy events. Upon the occurrence of an event of default under the Indenture, the principal and accrued interest under the Notes then outstanding may be declared due and payable.

Securities Laws. The Notes were issued through a private placement to qualified institutional buyers pursuant to Rule 144A and Regulation S under the Securities Act. The Notes have not been registered under the Securities Act, are subject to restrictions on transfer and may only be offered or sold in transactions exempt from, or not subject to, the registration requirements of the Securities Act. This Current Report on Form 8-K does not constitute an offer to the public generally to subscribe for or otherwise acquire the Notes.

In connection with the sale of the Notes, on June 25, 2008, we also entered into a Registration Rights Agreement (the Registration Rights Agreement) with Goldman, Sachs & Co. and Morgan Stanley & Co. Incorporated, as representatives of the Initial Purchasers. Under the Registration Rights Agreement, Cricket has agreed to file an exchange offer registration statement or a shelf registration statement with the Securities and Exchange Commission covering the exchange or resale of the Notes in certain circumstances. The Notes shall be issued in registered, global form without interest coupons and only shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes*. Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (and shall include the Global Note Legend thereon and the Schedule of Exchanges of Interests in the Global Note attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the Schedule of Exchanges of Interests in the Global Note attached thereto). Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee in accordance with instructions given by the Holder thereof as required by Section 2.07 hereof.

(c) *Regulation S Global Notes*. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

(b) Every replacement Note is an additional obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.09. Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section as not outstanding. Except as set forth in Section 2.10 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(b) hereof.

(b) If a Note is replaced pursuant to Section 2.08 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

(c) If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any of the foregoing) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.10. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or the Parent, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or the Parent, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned shall be so disregarded.

Section 2.11. Temporary Notes.

(a) Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

(b) Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.12. Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for

registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of canceled Notes in accordance with its procedures for the disposition of canceled securities in effect as of the date of such disposition (subject to the record retention requirement of the Exchange Act). Certification of the disposition of all canceled Notes shall be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13. Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date, *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall deliver or cause to be delivered to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.14. CUSIP Numbers.

The Company in issuing the Notes may use CUSIP numbers (if then generally in use), and, if so, the Trustee shall use CUSIP numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee of any change in the CUSIP numbers.

**ARTICLE THREE
REDEMPTION AND OFFERS TO
PURCHASE**

Section 3.01. Notices to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it shall furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price.

Section 3.02. Selection of Notes to Be Redeemed.

(a) If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes for redemption as follows (i) if the Notes are listed on any national securities exchange, in compliance with the requirements of such principal national securities exchange, or, (ii) if the Notes are not so listed, on a *pro rata* basis, subject to adjustments so that no Notes of \$2,000 or less will be redeemed in part.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount at maturity thereof to be redeemed. No Notes in amounts of \$2,000 or less shall be redeemed in part. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03. Notice of Redemption.

(a) At least 30 days but not more than 60 days before a redemption date, the Company shall deliver or cause to be delivered, by first class mail or electronic transmission, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price and become due on the date fixed for redemption;
- (vi) that, unless the Company defaults in making such redemption payment, interest, if any, on Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

(b) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided*, however, that the Company shall have delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. The notice, if delivered in the manner provided herein shall be presumed to have been given, whether or not the Holder receives such notice.

Section 3.04. Effect of Notice of Redemption.

Once notice of redemption is delivered in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05. Deposit of Redemption Price.

(a) One Business Day prior to the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest and Additional Interest, if any, on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

(b) If the Company complies with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06. Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Company shall issue and the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered. No Notes in denominations of \$2,000 or less shall be redeemed in part.

Section 3.07. Optional Redemption.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08. Repurchase Offers.

In the event that, pursuant to Section 4.10 or 4.14 hereof, the Company shall be required to commence an offer to all Holders to purchase their respective Notes (a **Repurchase Offer**), it shall follow the procedures specified in such Sections and, to the extent not inconsistent therewith, the procedures specified below.

The Repurchase Offer shall remain open for a period of no less than 30 days and no more than 60 days following its commencement, except to the extent that a longer period is required by applicable law (the **Offer Period**). No later than three Business Days after the termination of the Offer Period (the **Purchase Date**), the Company shall purchase the principal amount of Notes required to be purchased pursuant to Section 4.10 or 4.14 hereof (the **Offer Amount**) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Repurchase Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Company shall send or cause to be sent, by first class mail or electronic transmission, a notice to the Trustee and each of the Holders. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The Repurchase Offer shall be made to all Holders. The notice, which shall govern the terms of the Repurchase Offer, shall state:

(i) that the Repurchase Offer is being made pursuant to this Section 3.08 and Section 4.10 or Section 4.14 hereof, and the length of time the Repurchase Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest and Additional Interest, if any;

(iv) that, unless the Company defaults in making such payment, any Note (or portion thereof) accepted for payment pursuant to the Repurchase Offer shall cease to accrue interest and Additional Interest, if any, after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in principal amounts of \$2,000 or on integral multiples of \$1,000 only;

(vi) that Holders electing to have a Note purchased pursuant to any Repurchase Offer shall be required to surrender the Note, with the form entitled *Option of Holder to Elect Purchase* on the reverse of the Note completed, or transfer by book-entry transfer, to the Company, a depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Company, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate amount of Notes surrendered by Holders exceeds the Offer Amount, the Trustee shall, subject in the case of a Repurchase Offer made pursuant to Section 4.10 to the provisions of Section 4.10, select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000 or an integral multiple in excess thereof, shall be purchased); and

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On the Purchase Date, the Company shall, to the extent lawful, subject in the case of a Repurchase Offer made pursuant to Section 4.10 to the provisions of Section 4.10, accept for payment on a pro rata basis to the extent necessary, the Offer Amount of Notes (or portions thereof) tendered pursuant to the Repurchase Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver to the Trustee an Officers Certificate stating that such Notes (or portions thereof) were accepted for payment by the Company in accordance with the terms of this Section 3.08. The Company, the Depositary or the Paying Agent, as the case may be, shall promptly (but in any case not later than three days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of Notes tendered by such Holder, as the case may be, and accepted by the Company for purchase, and the Company, shall promptly issue a new Note. The Trustee, upon written request from the Company shall authenticate and mail or deliver such new Note to such Holder, in a principal amount at maturity equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the respective Holder thereof. The Company shall publicly announce the results of the Repurchase Offer on the Purchase Date.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Repurchase Offer and shall not be deemed to have breached its obligations under Section 3.08, 4.10 or 4.14 by virtue of such compliance.

Section 3.09. Application of Trust Money.

All money deposited with the Trustee pursuant to Section 11.02 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

ARTICLE FOUR COVENANTS

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. Each of Parent and the Company agrees that it shall not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC shall not accept the Parent's or the Company's filings for any reason, Parent or the Company, as the case may be, shall post the reports referred to in paragraph (a) above on its website within the time periods that would apply if the Parent or the Company were required to file those reports with the SEC (including all applicable extension periods).

(c) If the Parent has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by Section 4.03(a) and 4.03(b) shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of the Parent and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Parent.

(c) The Parent shall, so long as any of the Notes are outstanding, deliver to the Trustee, upon becoming aware of any Default or Event of Default, an Officers Certificate specifying such Default or Event of Default, and in any event, no later than 5 Business Days.

(A) if the Parent, the Company or any Subsidiary Guarantor is the obligor on such Indebtedness, such Indebtedness must be unsecured and expressly

subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of the Parent or a Subsidiary Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Parent, the Company or a Restricted Subsidiary of the Parent and (ii) any sale or other transfer of any such Indebtedness to a Person that is not the Parent, the Company or a Restricted Subsidiary of the Parent, shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Parent, the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (vi);

(vii) the Guarantee by the Parent, the Company or any of the Subsidiary Guarantors of Indebtedness of the Company or a Restricted Subsidiary of the Parent that was permitted to be Incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being Guaranteed is subordinated to or *pari passu* with the Notes or any Note Guarantee, then the Guarantee shall be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(viii) the Incurrence by the Parent, the Company or any of its Restricted Subsidiaries of Hedging Obligations that are Incurred for the purpose of fixing, hedging or swapping interest rate, commodity price or foreign currency exchange rate risk (or to reverse or amend any such agreements previously made for such purposes), and not for speculative purposes, and that do not increase the Indebtedness of the obligor outstanding at any time other than as a result of fluctuations in interest rates, commodity prices or foreign currency exchange rates or by reason of fees, indemnities and compensation payable thereunder;

(ix) the Incurrence by the Parent or any of its Restricted Subsidiaries of Indebtedness arising from agreements providing for indemnification, adjustment of purchase price or similar obligations, or Guarantees or letters of credit, surety bonds or performance bonds securing any obligations of the Parent or any of its Restricted Subsidiaries pursuant to such agreements, in any case Incurred in connection with the disposition of any business, assets or Restricted Subsidiary (other than Guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Restricted Subsidiary for the purpose of financing such acquisition), so long as the amount does not exceed the gross proceeds actually received by the Parent or any Restricted Subsidiary thereof in connection with such disposition;

(x) the Incurrence by the Parent or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, *provided, however*, that such Indebtedness is extinguished promptly after its Incurrence;

(xi) the Incurrence by the Parent or any of its Restricted Subsidiaries of Indebtedness constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business; *provided* that, upon the drawing of such letters of credit or the Incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or Incurrence;

(xii) the Incurrence by the Parent, the Company or any Restricted Subsidiary of Acquired Indebtedness in an aggregate principal amount not to exceed \$200.0 million;

(xiii) the Incurrence by the Parent or the Company of Indebtedness to the extent that the net proceeds thereof are promptly deposited to defease or to satisfy and discharge the Notes; or

(xiv) the Incurrence by the Parent or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate amount at any time outstanding, including all Permitted Refinancing Indebtedness Incurred to refund, refinance or replace any Indebtedness Incurred pursuant to this clause (xiv), not to exceed \$100.0 million.

For purposes of determining compliance with this Section 4.09, in the event that any proposed Indebtedness (including Acquired Indebtedness) meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xiv) of 4.09(b), or is entitled to be Incurred pursuant to 4.09(a), the Parent shall be permitted to divide and classify such item of Indebtedness at the time of its Incurrence in any manner that complies with this Section 4.09 and may later redivide and/or reclassify all or a portion of such item of Indebtedness in any manner that complies with this Section 4.09. Notwithstanding the foregoing, Indebtedness under the Credit Agreement outstanding on October 23, 2006 shall be deemed to have been Incurred on such date in reliance on the exception provided by Section 4.09(b)(i).

(c) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that may be Incurred pursuant to this Section 4.09 shall not be deemed to be exceeded with respect to any outstanding Indebtedness due solely to the result of fluctuations in the exchange rates of currencies.

(d) The Company shall not Incur any Indebtedness that is subordinate in right of payment to any other Indebtedness of the Company unless it is subordinate in right of payment to the Notes to the same extent. The Parent shall not, and shall not permit any Subsidiary Guarantor, to Incur any Indebtedness that is subordinate in right of payment to any other Indebtedness of the Parent or such Subsidiary Guarantor, as the case may be, unless it is subordinate in right of payment to the relevant Note Guarantee to the same extent. For purposes of the foregoing, no Indebtedness shall be deemed to be subordinated in right of payment to any other Indebtedness of the Parent, the Company or any Subsidiary Guarantor, as applicable, solely by reason of any Liens or Guarantees arising or created in respect thereof or by virtue of the fact that the holders of any secured Indebtedness have entered into intercreditor agreements giving one or more of such holders priority over the other holders in the collateral held by them.

Section 4.10. Asset Sales.

(a) The Parent shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) the Parent or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) at least 75% of the consideration therefor received by the Parent or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Replacement Assets or a combination thereof. For purposes of this provision, each of the following shall be deemed to be cash:

(A) any liabilities, as shown on the Parent's or such Restricted Subsidiary's most recent balance sheet, of the Parent or any Restricted Subsidiary (other than contingent liabilities, Indebtedness that is by its terms subordinated to the Notes or any Note Guarantee and liabilities to the extent owed to the Parent or any Affiliate of the Parent) that are assumed by the transferee of any such assets or Equity Interests pursuant to a written novation agreement that releases the Parent or such Restricted Subsidiary from further liability therefor, and

(B) any securities, notes or other obligations received by the Parent or any such Restricted Subsidiary from such transferee that are (within 60 days of receipt and subject to ordinary settlement periods) converted by the Parent or such Restricted Subsidiary into cash (to the extent of the cash received in that conversion).

Notwithstanding the foregoing, the 75% limitation referred to in Section 4.10(a)(ii) shall be deemed satisfied with respect to any Asset Sale in which the cash, Cash Equivalents or Replacement Assets portion of the consideration received therefrom, determined in accordance with the foregoing provision on an after tax basis, is equal to or greater than what the after-tax proceeds would have been had such Asset Sale complied with the aforementioned 75% limitation.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Parent or its Restricted Subsidiaries may apply such Net Proceeds at its option:

(i) to repay, prepay, defease, redeem, purchase or otherwise retire Indebtedness under the Credit Agreement (and to permanently reduce commitments with respect thereto in the case of revolving borrowings); or

(ii) to purchase Replacement Assets (or enter into a binding agreement to purchase such Replacement Assets; *provided* that (x) such purchase is consummated within 180 days after the date that is 365 days after the receipt of such Net Proceeds from such Asset Sale and (y) if such purchase is not consummated within the period set forth in subclause (x), the Net Proceeds not so applied shall be deemed to be Excess Proceeds).

Pending the final application of any such Net Proceeds, the Parent or any of its Restricted Subsidiaries may temporarily reduce revolving credit borrowings or otherwise invest such Net Proceeds in any manner that is not prohibited by this Indenture.

(c) On the 366th day after an Asset Sale (or, in the event that a binding agreement has been entered into as set forth in Section 4.10(b)(ii), the later date of expiration of the 180-day period set forth in such Section 4.10(b)(ii) or such earlier date, if any, as the Parent determines not to apply the Net Proceeds relating to such Asset Sale as set forth in Section 4.10(b) (each such date being referred as an Excess Proceeds Trigger Date), such aggregate amount of Net Proceeds that has not been applied on or before the Excess Proceeds Trigger Date as permitted in Section 4.10(b) (Excess Proceeds) shall be applied by the Company to make an offer (an Asset Sale Offer) to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes or any Note Guarantee containing provisions similar to those set forth in this Indenture with respect to offers to purchase with the proceeds of sales of assets, to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of the principal amount of the Notes and such other *pari passu* Indebtedness plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, and shall be payable in cash.

(d) The Company may defer the Asset Sale Offer until the aggregate unutilized Excess Proceeds accrued in the preceding twelve calendar months equals or exceeds \$15.0 million, at which time the entire unutilized amount of Excess Proceeds (not only the amount in excess of \$15.0 million) shall be applied as provided in Section 4.10(c). If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Parent and its Restricted Subsidiaries may use such Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and such other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other *pari passu* Indebtedness shall be purchased on a pro rata basis based on the principal amount of Notes and such other *pari passu* Indebtedness tendered. Upon completion of each Asset Sale Offer, the Excess Proceeds subject to such Asset Sale shall no longer be deemed to be Excess Proceeds.

(e) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with each repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.08 hereof or this Section 4.10, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under Section 3.08 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11. Transactions with Affiliates.

(a) The Parent shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into, make, amend, renew or extend

any transaction, contract, agreement, understanding, loan, advance or Guarantee with, or for the benefit of, any Affiliate (each, an **Affiliate Transaction**), unless:

(i) such Affiliate Transaction is on terms that are no less favorable to the Parent or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm's-length transaction by the Parent or such Restricted Subsidiary with a Person that is not an Affiliate of the Parent or any of its Restricted Subsidiaries; and

(ii) the Parent delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$5.0 million, a resolution of the Board of Directors set forth in an Officers' Certificate certifying that such Affiliate Transaction or series of related Affiliate Transactions complies with this Section 4.11 and that such Affiliate Transaction or series of related Affiliate Transactions has been approved by a majority of the disinterested members of the Board of Directors of the Parent ; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$15.0 million, an opinion as to the fairness to the Parent or such Restricted Subsidiary of such Affiliate Transaction or series of related Affiliate Transactions from a financial point of view issued by an independent accounting, appraisal or investment banking firm of national standing.

(b) The following items shall not be deemed to be Affiliate Transactions and, therefore, shall not be subject to the provisions of Section 4.11(a):

(i) transactions between or among the Parent and/or its Restricted Subsidiaries;

(ii) payment of reasonable and customary fees to, and reasonable and customary indemnification and similar payments on behalf of, directors of the Parent;

(iii) Permitted Investments and Restricted Payments that are permitted by the provisions of Section 4.07 of this Indenture;

(iv) any sale of Equity Interests (other than Disqualified Stock) of the Parent or receipt of any capital contribution from any Affiliate of the Parent;

(v) any transaction with any of the Parent's Designated Entities pursuant to which the Parent or any of its Restricted Subsidiaries provides or receives any of the following: operational, technical, administrative or other services; goods; intellectual property or any rights therein; co-location rights or other licensed rights; or leased or other real or personal property rights; *provided* that (a) if an Affiliate of the Parent, other than any of its Restricted Subsidiaries, owns any Equity Interests in such Designated Entity, such services, goods or other rights provided to any such Designated Entity shall be provided at prices equal to or greater than the cost to the Parent or such Restricted

Subsidiary of providing such services, goods or other rights, and (b) the Board of Directors of the Company determines in good faith that such transaction is in the best interests of the Company and the Restricted Subsidiaries;

(vi) the provision of, or payment for, services in the ordinary course of business on terms no less favorable to the Parent and its Restricted Subsidiaries, taken as a whole, than those that would be obtained in a comparable transaction with an unrelated Person;

(vii) transactions pursuant to agreements or arrangements in effect on the Issue Date, or any amendment, modification, or supplement thereto or replacement thereof, as long as such agreement or arrangement, as so amended, modified, supplemented or replaced, taken as a whole, is not more disadvantageous to the Parent and its Restricted Subsidiaries than the original agreement or arrangement in existence on the Issue Date;

(viii) any employment, consulting, service or termination agreement, or indemnification arrangements, entered into by the Parent or any of its Restricted Subsidiaries with current or former directors, officers and employees of the Parent or any of its Restricted Subsidiaries and the payment of compensation to current or former directors, officers and employees of the Parent or any of its Restricted Subsidiaries (including amounts paid pursuant to employee benefit plans, employee stock option or similar plans), so long as such agreement, arrangement, plan or payment has been approved by a majority of the disinterested members of the Board of Directors of the Parent;

(ix) issuances, purchases or repurchases of Notes or other Indebtedness of the Parent or its Restricted Subsidiaries or solicitations of amendments, waivers or consents in respect of Notes or such other Indebtedness, if such issuance, purchase, repurchase or solicitation is approved by a majority of the disinterested members of the Board of Directors of the Parent;

(x) payments or prepayments in respect of Indebtedness under the Credit Agreement or solicitations of amendments, waivers or consents in respect of the Indebtedness under the Credit Agreement, if such payment, prepayment or solicitation is on the same terms as those offered to each holder of the Indebtedness under the Credit Agreement that is not an Affiliate of the Parent; and

(xi) reasonable payments made for any financial advisory, financing, underwriting, placement or syndication services approved by the Board of Directors of the Parent in good faith.

Section 4.12. Liens.

The Parent shall not, and shall not permit any of its Restricted Subsidiaries to, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) upon any of their property or assets, now owned or hereafter acquired, unless all payments due under this Indenture and the Notes or Note Guarantees, as applicable, are secured on an equal and ratable basis with the obligations so secured (or, in the

case of Indebtedness subordinated to the Notes or the related Note Guarantees, prior or senior thereto, with the same relative priority as the Notes or the related Note Guarantees shall have with respect to such subordinated Indebtedness) until such time as such obligations are no longer secured by a Lien.

Section 4.13. Business Activities.

The Parent shall not, and shall not permit any Restricted Subsidiary thereof to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Parent and its Restricted Subsidiaries taken as a whole.

Section 4.14. Offer to Repurchase upon a Change of Control.

(a) If a Change of Control occurs, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to an offer by the Company (a **Change of Control Offer**). In the Change of Control Offer, the Company shall offer payment (a **Change of Control Payment**) in cash equal to not less than 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest and Additional Interest, if any, thereon, to the date of repurchase (the **Change of Control Payment Date**, which date shall be no earlier than the date of such Change of Control); *provided, however*, that notwithstanding the occurrence of a Change of Control, the Company shall not be obligated to purchase the Notes pursuant to this Section 4.14 in the event that the Company has exercised its right to redeem all the Notes pursuant to Section 3.07. No later than 30 days following any Change of Control, the Company shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in such notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures described in Section 3.08.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (ii) deposit with the Paying Agent, prior to 11:00 a.m., New York City time, an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (iii) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company.

(c) The Paying Agent shall promptly mail or wire transfer to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided that*

each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(e) Notwithstanding anything to the contrary in this Section 4.14, the Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 and all other provisions of this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(f) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. Notes repurchased by the Company pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and canceled, at the option of the Company. Notes purchased by a third party pursuant to Section 4.14(e) shall have the status of Notes issued and outstanding.

Section 4.15. [INTENTIONALLY OMITTED].

Section 4.16. Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Parent may designate any Restricted Subsidiary of the Parent, other than the Company, to be an Unrestricted Subsidiary, *provided* that:

(i) any Guarantee by the Parent or any Restricted Subsidiary thereof of any Indebtedness of the Subsidiary being so designated shall be deemed to be an Incurrence of Indebtedness by the Parent or such Restricted Subsidiary (or both, if applicable) at the time of such designation, and such Incurrence of Indebtedness would be permitted under Section 4.09;

(ii) the aggregate Fair Market Value of all outstanding Investments owned by the Parent and its Restricted Subsidiaries in the Subsidiary being so designated (including any Guarantee by the Parent or any Restricted Subsidiary thereof of any Indebtedness of such Subsidiary) and any commitments to make any such Investments shall be deemed to be an Investment made as of the time of such designation and that such Investment would be permitted under Section 4.07;

(iii) such Subsidiary does not hold any Liens on any property of the Parent or any Restricted Subsidiary thereof;

(iv) the Subsidiary being so designated:

(A) is not party to any agreement, contract, arrangement or understanding with the Parent or any Restricted Subsidiary of the Parent unless

the terms of any such agreement, contract, arrangement or understanding are no less favorable to the Parent or such Restricted Subsidiary than those that could have been obtained at the time the agreement, contract, arrangement or understanding was entered into from Persons who are not Affiliates of the Parent (other than any such agreement, contract, arrangement or understanding permitted under Section 4.11); and

(B) has not Guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of the Parent or any of its Restricted Subsidiaries, except to the extent such Guarantee or credit support would be released upon such designation; and

(v) no Default or Event of Default would be in existence following such designation.

(b) Any designation of a Subsidiary of the Parent as an Unrestricted Subsidiary shall be evidenced to the Trustee by filing with the Trustee the Board Resolution giving effect to such designation and an Officers Certificate certifying that such designation complied with Section 4.16(a) and is permitted by this Indenture. If, at any time, any Unrestricted Subsidiary would fail to meet any of the requirements described in Sections 4.16(a)(iv), it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness, Investments, or Liens on the property of such Subsidiary shall be deemed to be Incurred or made by a Restricted Subsidiary of the Parent as of such date and, if such Indebtedness, Investments or Liens are not permitted to be Incurred or made as of such date under this Indenture, the Parent shall be in Default under this Indenture.

(c) The Board of Directors of the Parent may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that:

(i) such designation shall be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Parent of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation shall only be permitted if such Indebtedness is permitted under Section 4.09;

(ii) all outstanding Investments owned by such Unrestricted Subsidiary shall be deemed to be made as of the time of such designation and such designation shall only be permitted if such Investments would be permitted under Section 4.07;

(iii) all Liens upon property or assets of such Unrestricted Subsidiary existing at the time of such designation would be permitted under Section 4.12; and

(iv) no Default or Event of Default would be in existence following such designation.

Section 4.17. Payments for Consent.

The Parent shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any

Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.18. Guarantees.

(a) The Parent shall not permit any of its Restricted Subsidiaries, directly or indirectly, to Guarantee or pledge any assets to secure the payment of any other Indebtedness for borrowed money of the Parent, the Company, or any Subsidiary Guarantor unless such Restricted Subsidiary is the Company or a Subsidiary Guarantor or simultaneously executes and delivers to the Trustee an Opinion of Counsel and a supplemental indenture in the form attached hereto as Exhibit F providing for the Guarantee of the payment of the Notes by such Restricted Subsidiary, which Guarantee shall be *pari passu* with or if such other Indebtedness for borrowed money is subordinated to the Notes or any Note Guarantees, senior to, such Subsidiary's Guarantee of such other Indebtedness for borrowed money.

(b) Notwithstanding the preceding paragraph, any Note Guarantee may provide by its terms that it shall be automatically and unconditionally released and discharged under the circumstances described under Section 10.05 hereof.

Section 6.02. Acceleration.

(a) In the case of an Event of Default specified in Section 6.01(a)(viii) or Section 6.01(a)(ix) hereof, with respect to the Parent, the Company, any Subsidiary Guarantor or any Significant Subsidiary of the Parent, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately by notice in writing to the Company specifying the Event of Default.

With respect to periods after July 15, 2012, in the case of any Event of Default occurring by reason of any willful action or inaction taken or not taken by or on behalf of the Parent or the Company with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to Section 3.07(a), an equivalent premium shall also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes. With respect to periods prior to July 15, 2012, if an Event of Default occurs during any time that the Notes are outstanding, by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Parent or the Company with the intention of avoiding the prohibition on redemption of the Notes, then the premium specified in Section 3.07(c) that would have been payable upon redemption at the time

the Event of Default occurs shall also become immediately due and payable to the extent permitted by law upon the acceleration of the Notes.

Section 6.03. Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, interest, and Additional Interest, if any, with respect to, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. Waiver of Past Defaults.

(a) Holders of a majority in principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind and annul a declaration of acceleration pursuant to Section 6.02 hereof, and its consequences, and waive any related existing Default or Event of Default (except a continuing Default or Event of Default in the payment of interest or Additional Interest, if any, or on the principal of the Notes) if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay (x) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses and disbursements and advances of the Trustee, its agents and counsel, (y) all overdue interest and Additional Interest, if any, on all Notes, (z) the principal of and premium, if any, on any Notes that have become due otherwise than by such declaration or occurrence of acceleration and interest and Additional Interest, if any, thereon at the rate prescribed therefor by such Notes, and (iv) to the extent that payment for such interest is lawful, interest upon overdue interest, if any, at the rate prescribed in Section 4.01 hereof,

(ii) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, and

(iii) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

(b) The Company shall deliver to the Trustee an Officers Certificate stating that the requisite percentage of Holders have consented to any such waiver and attaching copies of such consents. In case of any such waiver, the Parent, Company, the Trustee and the Holders shall be restored to their former positions and rights hereunder and under the Notes, respectively. This Section 6.04 and Section 9.02 shall be in lieu of Section 316(a)(1)(B) of the TIA and such Section 316(a)(1)(B) of the TIA is hereby expressly excluded from this Indenture and the Notes, as permitted by the TIA. Upon any such waiver, such Default shall cease to exist, and any Event

of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. Control by Majority.

The Holders of a majority in aggregate principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. Limitation on Suits.

(a) A Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (i) the Holder gives the Trustee written notice of a continuing Event of Default;
- (ii) the Holders of at least 25% in aggregate principal amount of then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and

(v) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

Such limitations do not apply to the right of any Holder of a Note to receive payment of the principal of, premium or Additional Interest, if any, or interest on, such Note or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder.

(b) A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07. Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, interest on, and Additional Interest, if any, with respect to, the Note, on or after the respective due dates expressed in the Note

(including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a)(i) or (a)(ii) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, interest, and Additional Interest, if any, remaining unpaid on the Notes and interest on overdue principal and premium, if any, and, to the extent lawful, interest and Additional Interest, if any, and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09. Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company or any Guarantor (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other securities or property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. Priorities.

(a) If the Trustee collects any money pursuant to this Article, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities Incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, interest and Additional Interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest, and Additional Interest, if any, respectively; and

Third: the balance, if any, to the Company or to such party as a court of competent jurisdiction shall direct.

(b) The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than ten percent in principal amount of the then outstanding Notes.

ARTICLE SEVEN TRUSTEE

Section 7.01. Duties of Trustee. Except to the extent, if any, provided otherwise in the Trust Indenture Act of 1939 (as from time to time in effect):

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements

of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holder of Notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02. Certain Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of such event is sent to the Trustee in accordance with Section 12.02 hereof, and such notice references the Notes.

Section 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with, the Company or any of its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest as described in the Trust Indenture Act of 1939 (as in effect at such time), it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05. Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee shall deliver to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal, premium, interest or Additional Interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06. Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each May 31 beginning with the May 31 following the date hereof, and for so long as Notes remain outstanding, the Trustee shall deliver to the

Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its delivery to the Holders of Notes shall be delivered to the Company and filed with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Notes are listed on any stock exchange or any delisting thereof. Section 7.07. Compensation and Indemnity.

(a) The Company shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder in accordance with a written schedule provided by the Trustee to the Company. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company shall indemnify the Trustee for, and hold it harmless against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.07) and defending itself against any claim (whether asserted by either of the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence, bad faith or willful misconduct. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

(c) The obligations of the Company under this Section 7.07 shall survive the satisfaction and discharge of this Indenture and resignation or removal of the Trustee.

(d) To secure the Company's payment obligations in this Section, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture and resignation or removal of the Trustee.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(viii) and (ix) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee shall comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08. Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign by notifying the Company in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee upon 30 days notice by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(i) the Trustee fails to comply with Section 7.10 hereof;

(ii) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(iii) a custodian or public officer takes charge of the Trustee or its property; or

(iv) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

Section 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act shall be the successor Trustee.

Section 7.10. Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$150.0 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11. Preferential Collection of Claims Against Company.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein. The Trustee hereby waives any right to set-off any claim that it may have against the Company in any capacity (other than as Trustee and Paying Agent) against any of the assets of the Company held by the Trustee; *provided*, however, that if the Trustee is or becomes a lender of any other Indebtedness permitted hereunder to be *pari passu* with the Notes, then such waiver shall not apply to the extent of such Indebtedness.

ARTICLE EIGHT

DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article Eight.

Section 8.02. Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Notes and all obligations of the Guarantors shall be deemed to have been discharged with respect to their obligations under the Note Guarantees on the date the conditions set forth below are satisfied (hereinafter, **Legal Defeasance**). For this purpose, Legal Defeasance means that the Company and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and Note Guarantees, respectively, which shall thereafter be deemed to be outstanding only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have

satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive solely from the trust fund described in Section 8.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of, or interest or premium and Additional Interest, if any, on such Notes when such payments are due, (b) the Company's obligations with respect to such Notes under Article Two concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the Company's obligations under Section 4.02 hereof, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith and (d) this Article Eight. Subject to compliance with this Article Eight, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03. Covenant Defeasance.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from its obligations under the covenants contained in Sections 4.07, 4.08, 4.09 (including the incorporation thereof into Section 5.01(a)(iii)), 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17 and 4.18 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, **Covenant Defeasance**), and the Notes shall thereafter be deemed not outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(iii) through (vii) shall not constitute Events of Default.

Section 8.04. Conditions to Legal or Covenant Defeasance.

(a) The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

(i) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of,

or interest and premium and Additional Interest, if any, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(ii) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(iii) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(iv) no Default or Event of Default shall have occurred and be continuing either: (a) on the date of such deposit; or (b) insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 123rd day after the date of deposit;

(v) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(vi) the Company must have delivered to the Trustee an Opinion of Counsel to the effect that, (1) assuming no intervening bankruptcy of the Company or any Guarantor between the date of deposit and the 123rd day following the deposit and assuming that no Holder is an insider of the Company under applicable bankruptcy law, after the 123rd day following the deposit, the trust funds shall not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally, including Section 547 of the United States Bankruptcy Code and Section 15 of the New York Debtor and Creditor Law and (2) the creation of the defeasance trust does not violate the Investment Company Act of 1940;

(viii) if the Notes are to be redeemed prior to their Stated Maturity, the Company must deliver to the Trustee irrevocable instructions to redeem all of the Notes on the specified redemption date; and

(ix) the Company must deliver to the Trustee an Officers Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05. Deposited Money and Government Securities to Be Held in Trust: Other Miscellaneous Provisions.

(a) Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and Additional Interest, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

(c) Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized independent registered public accounting firm expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06. Repayment to the Company.

Subject to applicable escheat laws, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided*, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified

therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

Section 8.07. Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof and, in the case of a Legal Defeasance, the Guarantors' obligations under their respective Note Guarantees shall be revised and reinstated as though no deposit had occurred pursuant to Section 8.04 hereof, in each case until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided*, however, that, if the Company makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE NINE
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01. Without Consent of Holders of Notes.

(a) Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors, and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder of a Note:

- (i) to cure any ambiguity, defect or inconsistency;
- (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (iii) to provide for the assumption of the Company's or any Guarantor's obligations to Holders of Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Guarantor's assets;
- (iv) to make any change that would provide any additional rights or benefits to the Holders of Notes or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (v) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (vi) to comply with the provisions described under Section 4.18 or Article Ten;
- (vii) to evidence and provide for the acceptance of appointment of a successor Trustee;

(viii) to provide for the issuance of Additional Notes in accordance with this Indenture; or

(ix) to conform the text of this Indenture or the Notes to any provision of the Description of Notes in the Offering Memorandum to the extent such provision in the Description of Notes was intended to be a verbatim recitation of a provision of the Indenture.

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental Indenture, and upon receipt by the Trustee of any documents requested under Section 7.02(b) hereof, the Trustee shall join with the Company in the execution of any amended or supplemental Indenture authorized or permitted by the terms of this Indenture and make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental Indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Section 9.02. With Consent of Holders of Notes.

(a) Except as otherwise provided in this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture or the Notes with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Persons entitled to consent to any indenture supplemental hereto. If a record date is fixed, the Holders on such record date, or its duly designated proxies, and only such Persons, shall be entitled to consent to such supplemental indenture, whether or not such Holders remain Holders after such record date; *provided* that unless such consent shall have become effective by virtue of the requisite percentage having been obtained prior to the date which is 90 days after such record date, any such consent previously given shall automatically and without further action by any Holder be cancelled and of no further effect.

(c) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company in the execution of such amendment or supplement unless such amendment or supplement directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amendment or supplement.

(d) It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

(e) After an amendment, supplement or waiver under this Section becomes effective, the Company shall deliver to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes. However, without the consent of each Holder affected, an amendment or waiver under this Section 9.02 may not:

- (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (ii) reduce the principal of or change the fixed maturity of any Note or alter the provisions, or waive any payment, with respect to the redemption of the Notes;
- (iii) reduce the rate of or change the time for payment of interest on any Note;
- (iv) waive a Default or Event of Default in the payment of principal of, or interest or premium, or Additional Interest, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (v) make any Note payable in money other than U.S. dollars;
- (vi) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium or Additional Interest, if any, on the Notes;
- (vii) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;
- (viii) impair the right to institute suit for the enforcement of any payment on or with respect to the Notes or the Note Guarantees;
- (ix) except as otherwise permitted under Sections 4.18 or Article Ten or Article Five, consent to the assignment or transfer by the Company or any Guarantor of any of their rights or obligations under this Indenture;
- (x) contractually subordinate in right of payment the Notes or any Note Guarantee to any other Indebtedness; or
- (xi) make any change in the preceding amendment and waiver provisions.

Section 9.03. Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall be set forth in a document that complies with the TIA as then in effect.

Section 9.04. Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05. Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06. Trustee to Sign Amendments, Etc.

The Trustee shall sign any amendment or supplement to this Indenture or any Note authorized pursuant to this Article Nine if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment or supplemental Indenture or Note until its Board of Directors approves it. In executing any amendment or supplement or Note, the Trustee shall be entitled to receive and (subject to Section 7.01 hereof) shall be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amendment or supplement is authorized or permitted by this Indenture.

**ARTICLE TEN
NOTE GUARANTEES**

Section 10.01. Guarantee.

(a) Subject to this Article Ten, each of the Guarantors hereby, jointly and severally, and fully and unconditionally, guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of, this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by

acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, and interest and Additional Interest, if any, on the Notes, if lawful (subject in all cases to any applicable grace period provided herein), and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that, to the maximum extent permitted under applicable law, their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Subject to Section 6.06 hereof, each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to any of the Company or the Guarantors, any amount paid by any of them to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article Six hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to such Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Ten, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03. Execution and Delivery of Note Guarantee.

(a) To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form included in Exhibit E shall be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor by its President or one of its Vice Presidents.

(b) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

(c) If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.18 hereof, the Company shall cause such Subsidiaries to execute supplemental indentures to this Indenture and Note Guarantees in accordance with Section 4.18 hereof and this Article Ten, to the extent applicable.

Section 10.04. Guarantors May Consolidate, Etc., on Certain Terms.

(a) A Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person), another Person, other than the Parent, the Company or another Subsidiary Guarantor, unless:

(i) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(ii) either:

(A) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Subsidiary Guarantor) is organized or existing under the laws of the United States, any state thereof or the District of Columbia and assumes all the obligations of that Subsidiary Guarantor under this Indenture, its Note Guarantee and the Registration Rights Agreement pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) such sale or other disposition or consolidation or merger complies with Section 4.10 hereof.

(b) In case of any such consolidation, merger, sale or conveyance governed by Section 10.04(a)(ii)(A), upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by a Subsidiary Guarantor, such successor Person shall succeed to and be substituted for a Subsidiary Guarantor with the same effect as if it had been named herein as a Subsidiary Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Section 10.05. Release of a Subsidiary Guarantor.

(a) Any Subsidiary Guarantor shall be released and relieved of any obligations under its Note Guarantee, (i) in connection with any sale or other disposition of all of the Capital Stock of a Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) a Restricted Subsidiary of the Parent, if the sale of all such Capital Stock of that Subsidiary Guarantor complies with Section 4.10 hereof; (ii) if the Parent properly designates any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary under this Indenture; (iii) upon legal or covenant defeasance or satisfaction and discharge of the Notes as permitted under this Indenture; or (iv) upon release or discharge of the Guarantees securing the Credit Agreement and all other Indebtedness for borrowed money of the Parent, the Company or any other Subsidiary Guarantor (other than the Notes, the Note Guarantees and the Guarantees of the Company's 9.375% senior notes due 2014, provided that such Guarantees will be substantially contemporaneously released), except a discharge or release by or as a result of payment under such Guarantees.

(b) Upon delivery by the Company to the Trustee of an Officers Certificate and an Opinion of Counsel to the effect that one of the foregoing requirements has been satisfied and the conditions to the release of a Guarantor under this Section 10.05 have been met, the

Trustee shall execute any documents reasonably required in order to evidence the release of such Subsidiary Guarantor from its obligations under its Note Guarantee.

(c) Any Subsidiary Guarantor not released from its obligations under its Note Guarantee shall remain liable for the full amount of principal of and interest and Additional Interest, if any, on the Notes and for the other obligations of any Subsidiary Guarantor under this Indenture as provided in this Article Ten.

ARTICLE ELEVEN
SATISFACTION AND DISCHARGE

Section 11.01. Satisfaction and Discharge.

(a) This Indenture shall be discharged and shall cease to be of further effect as to all Notes issued thereunder, when:

(i) either:

(A) all Notes that have been authenticated (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or shall become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Interest, if any, and accrued interest to the date of maturity or redemption;

(ii) no Default or Event of Default shall have occurred and be continuing on the date of any deposit referred to in Section 11.01(a)(i)(B) or shall occur as a result of such deposit and such deposit shall not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

(b) In addition, the Company must deliver an Officers Certificate and an Opinion of Counsel (which opinion may be subject to customary assumptions and exclusions) to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(c) Notwithstanding the above, the Trustee shall pay to the Company from time to time upon its request any cash or Government Securities held by it as provided in this section which, in the opinion of a nationally recognized independent registered public accounting firm expressed in a written certification delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a satisfaction and discharge under this Article Eleven.

Section 11.02. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 11.03 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 11.01 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and Additional Interest, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

Section 11.03. Repayment to the Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium and Additional Interest, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium or Additional Interest, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided*, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times or The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such witness, notary or officer the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) Notwithstanding anything to the contrary contained in this Section 12.14, the principal amount and serial numbers of Notes held by any Holder, and the date of holding the same, shall be proved by the register of the Notes maintained by the Registrar as provided in Section 2.04 hereof.

(d) If the Company shall solicit from the Holders of the Notes any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to a resolution of its Board of Directors, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. Notwithstanding TIA § 316(c), such record date shall be the record date specified in or pursuant to such resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith or the date of the most recent list of

Holders forwarded to the Trustee prior to such solicitation pursuant to Section 2.06 hereof and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of the then outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the then outstanding Notes shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than eleven months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration or transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Note.

(f) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Note may do so itself with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

Section 12.15. Benefit of Indenture.

Nothing, in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto, any Paying Agent, any Registrar and its successors hereunder, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 12.16. Table of Contents, Headings, Etc.

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

[Reverse Side of Note]
CRICKET COMMUNICATIONS, INC.
10% Senior Notes due 2015

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *Interest.* The Company promises to pay interest on the principal amount of this Note at 10% per annum from the date hereof until maturity and shall pay the Additional Interest, if any, payable pursuant to Section 5 of the Registration Rights Agreement referred to below. The Company shall pay interest and Additional Interest, if any, semi-annually in arrears on January 15 and July 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an *Interest Payment Date*). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided* further that the first Interest Payment Date shall be January 15, 2009. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. *Method of Payment.* The Company shall pay interest on the Notes (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the record date immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, premium and Additional Interest, if any, and interest at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest and Additional Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest, premium and Additional Interest, if any, on, all Global Notes and to any Holder of Notes which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *Paying Agent and Registrar.* Initially, the Trustee under the Indenture shall act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. *Indenture*. The Company issued the Notes under an Indenture dated as of June 25, 2008 (*Indenture*) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture pursuant to which this Note is issued provides that an unlimited aggregate principal amount of Additional Notes may be issued thereunder.

5. *Optional Redemption*. (a) Except as set forth in paragraphs (b) and (c) below, the Company shall not have the option to redeem any Notes prior to July 15, 2012. Thereafter, the Company shall have the option to redeem the Notes, in whole or in part, upon not less than 30 nor more than 60 days prior notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest, if any, thereon to the applicable redemption date (subject to the right of Holders on the relevant record date to receive interest due on the related interest payment date), if redeemed during the twelve-month period beginning on July 15 of the years indicated below:

Year	Percentage
2012	105.000%
2013	102.500%
2014 and thereafter	100.000%

(b) At any time prior to July 15, 2011, the Company may (on any one or more occasions) redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) at a redemption price of 110% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided that* (A) at least 65% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Affiliates); and (B) the redemption must occur within 90 days of the date of the closing of such Equity Offering.

(c) In addition, at any time prior to July 15, 2012, the Company may redeem all or part of the Notes upon not less than 30 days nor more than 60 days prior notice at a redemption price equal to the sum of (i) 100% of the principal amount thereof, *plus* (ii) the Applicable Premium as of the date of redemption, *plus* (iii) accrued and unpaid interest and Additional Interest, if any, to the date of redemption.

6. *Repurchase at Option of Holder*. (a) If a Change of Control occurs, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to an offer by the Company (a *Change of Control Offer*). In the Change of Control Offer, the Company shall offer payment (a *Change of Control Payment*) in cash of 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest and Additional Interest, if any, thereon, to the date of repurchase (the *Change of Control Payment*)

Date, which date shall be no earlier than the date of such Change of Control). No later than 30 days following any Change of Control, the Company shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in such notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Parent or its Restricted Subsidiaries may apply such Net Proceeds at its option: (i) to repay, prepay, defease, redeem, purchase or otherwise retire Indebtedness under the Credit Agreement (and to permanently reduce commitments with respect thereto in the case of revolving borrowings); or (ii) to purchase Replacement Assets (or enter into a binding agreement to purchase such Replacement Assets; *provided* that (x) such purchase is consummated within 180 days after the date that is 365 days after the receipt of such Net Proceeds from such Asset Sale and (y) if such purchase is not consummated within the period set forth in subclause (x), the Net Proceeds not so applied shall be deemed to be Excess Proceeds (as defined below)). Pending the final applications of any such Net Proceeds, the Parent or any of its Restricted Subsidiaries may temporarily reduce revolving credit borrowings or otherwise invest such Net Proceeds in any manner that is not prohibited by the Indenture.

On the 366th day after an Asset Sale (or, in the event that a binding agreement has been entered into as set forth in clause (ii) of the preceding paragraph, the later date of expiration of the 180-day period set forth in such clause (ii) or such earlier date, if any, as the Parent determines not to apply the Net Proceeds relating to such Asset Sale set forth in the preceding paragraph (each such date being referred as an *Excess Proceeds Trigger Date*), such aggregate amount of Net Proceeds that has not been applied on or before the Excess Proceeds Trigger Date as permitted in the preceding paragraph (*Excess Proceeds*) will be applied by the Company to make an offer (an *Asset Sale Offer*) to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes or any Note Guarantee containing provisions similar to those set forth in the Indenture with respect to offers to purchase with the proceeds of sales of assets, to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of the principal amount of the Notes and such other *pari passu* Indebtedness plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, and shall be payable in cash.

The Company may defer the Asset Sale Offer until the aggregate unutilized Excess Proceeds accrued in the preceding twelve calendar months equals or exceeds \$15.0 million, at which time the entire unutilized amount of Excess Proceeds (not only the amount in excess of \$15.0 million) will be applied as provided in the preceding paragraph. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Parent and its Restricted Subsidiaries may use such Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and such other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other *pari passu* Indebtedness will be purchased on a pro rata basis based on the principal amount of Notes and such other *pari passu* Indebtedness tendered. Upon completion of each

Asset Sale Offer, the Excess Proceeds subject to such Asset Sale will no longer be deemed to be Excess Proceeds.

7. *Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any Note selected for redemption. Also, the Company is not required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed. Transfer may be restricted as provided in the Indenture.

8. *Persons Deemed Owners.* The registered Holder of a Note shall be treated as its owner for all purposes.

9. *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and any existing default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). Without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented to, among other things, cure any ambiguity, defect or inconsistency, or to make any change that does not adversely affect the legal rights under the Indenture of any such Holder.

10. *Defaults and Remedies.* In the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to the Parent, the Company, any Subsidiary Guarantor or any Significant Subsidiary of the Parent all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately by notice in writing to the Company specifying the Event of Default. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, interest or Additional Interest) if it determines that withholding notice is in their interest. Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind and annul a declaration of acceleration pursuant to Section 6.02 of the Indenture, and its consequences, and waive any related existing Default or Event of Default if certain conditions are satisfied.

With respect to periods after July 15, 2012, in the case of any Event of Default occurring by reason of any willful action or inaction taken or not taken by or on behalf of the Parent or the Company with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to Section 3.07(a) of the Indenture, an equivalent premium shall also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes. With respect to periods prior to July 15, 2012, if an Event of Default occurs during any time that the Notes are outstanding, by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Parent or the Company with the intention of avoiding the prohibition on redemption of the Notes, then the premium specified in Section 3.07(c) of the Indenture that would have been payable upon redemption at the time the Event of Default occurs shall also become immediately due and payable to the extent permitted by law upon the acceleration of the Notes.

11. *Trustee Dealings with Company.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

12. *No Recourse Against Others.* No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

13. *Authentication.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

14. *Additional Rights of Holders of Restricted Global Notes and Restricted Definitive Notes.* In addition to the rights provided to Holders under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement dated as of June 25, 2008, between the Company, the Guarantors and the parties named on the signature pages thereof or, in the case of Additional Notes, Holders of Restricted Global Notes and Restricted Definitive Notes shall have the rights set forth in one or more registration rights agreements, if any, between the Company, the Guarantors and the other parties thereto, relating to rights given by the Company and the Guarantors to the purchasers of Additional Notes (the *Registration Rights Agreement*).

15. *CUSIP Numbers.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

16. *Guarantee.* The Company's obligations under the Notes are fully and unconditionally guaranteed, jointly and severally, by the Guarantors.

17. *Copies of Documents.* The Company shall furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to:

**FORM OF SUPPLEMENTAL INDENTURE
TO BE DELIVERED BY SUBSEQUENT GUARANTORS**

Supplemental Indenture (this *Supplemental Indenture*), dated as of _____, among _____ (the *Guaranteeing Subsidiary*), a subsidiary of Cricket Communications, Inc. (or its permitted successor), a Delaware corporation (the *Company*), and Wells Fargo Bank, N.A. (or its permitted successor), as trustee under the Indenture referred to below (the *Trustee*).

WITNESSETH

WHEREAS, the Company and the other Guarantors party thereto have heretofore executed and delivered to the Trustee an indenture (the *Indenture*), dated as of June 25, 2008 providing for the issuance of 10% Senior Notes due 2015 (the *Notes*);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Company's obligations under the Notes and the Indenture on the terms and conditions set forth herein (the *Note Guarantee*); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guaranteeing Subsidiary and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. Agreement to Guarantee.

(a) In accordance with the terms of Article Ten of the Indenture, the Guaranteeing Subsidiary, along with all other Guarantors, jointly and severally, and fully and unconditionally, guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(i) the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, and interest and Additional Interest, if any, on the Notes, if lawful (subject in all cases to any applicable grace period provided herein), and all other obligations of the Company to the

Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof;

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. The Guaranteeing Subsidiary agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guaranteeing Subsidiary hereby agrees that, to the maximum extent permitted under applicable law, its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance that might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(c) The Guaranteeing Subsidiary, subject to Section 6.06 of the Indenture, hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and the Indenture.

(d) The Guaranteeing Subsidiary agrees that if any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors, or any custodian, trustee, liquidator or other similar official acting in relation to any of the Company or the Guarantors, any amount paid by any of them to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) The Guaranteeing Subsidiary agrees that the Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(f) The Guaranteeing Subsidiary agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six of the Indenture for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article Six of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee.

(g) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of Holders under the Note Guarantee.

(h) The Guaranteeing Subsidiary confirms, pursuant to Section 10.02 of the Indenture, that it is the intention of such Guaranteeing Subsidiary that its Note Guarantee not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to its Note Guarantee and, to effectuate the foregoing intention, hereby irrevocably agrees that the obligations of such Guaranteeing Subsidiary will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guaranteeing Subsidiary that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article Ten of the Indenture, result in the obligations of such Guaranteeing Subsidiary under its Note Guarantee not constituting a fraudulent transfer or conveyance.

3. Execution and Delivery. The Guaranteeing Subsidiary agrees that the Note Guarantees shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

4. Guaranteeing Subsidiary May Consolidate, Etc., on Certain Terms.

(a) A Guarantor may not sell or otherwise dispose of all or substantially all of its assets, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless:

(i) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(ii) either:

(A) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) is a corporation or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia and assumes all the obligations of that Guarantor under the Indenture, its Note Guarantee and the Registration Rights Agreement pursuant to a supplemental indenture reasonably satisfactory to the Trustee; or

(B) such sale or other disposition or consolidation or merger complies with Section 4.10 of the Indenture.

(b) In case of any such consolidation, merger, sale or conveyance governed by Section 4(a) hereof and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and reasonably satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance

of all of the covenants and conditions of the Indenture to be performed by a Guarantor, such successor Person shall succeed to and be substituted for a Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued shall in all respects have the same legal rank and benefit under the Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of the Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

5. Release.

(a) Any Guarantor will be released and relieved of any obligations under its Note Guarantee, (i) in connection with any sale or other disposition of all of the Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) an Affiliate of the Company, if the sale of all such Capital Stock of that Guarantor complies with Section 4.10 of the Indenture; (ii) if the Company properly designates that Guarantor as an Unrestricted Subsidiary under the Indenture or (iii) upon the release or discharge of the Guarantee which resulted in the creation of such Note Guarantee, except a discharge or release by or as a result or payment under such Guarantee. Upon delivery by the Company to the Trustee of an Officers Certificate and an Opinion of Counsel to the effect that one of the foregoing requirements has been satisfied and the conditions to the release of a Guarantor under this Section 5 have been satisfied, the Trustee shall execute any documents reasonably required in order to evidence the release of such Guarantor from its obligations under its Note Guarantee.

(b) Any Guarantor not released from its obligations under its Note Guarantee shall remain liable for the full amount of principal of and interest and Additional Interest, if any, on the Notes and for the other obligations of any Guarantor under the Indenture as provided in Article Ten of the Indenture.

Pursuant to Section 12.07 of the Indenture, no director, officer, employee, incorporator or stockholder of the Guaranteeing Subsidiary shall have any liability for any obligations of such Guaranteeing Subsidiary under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation.

7. NEW YORK LAW TO GOVERN. THE LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS SUPPLEMENTAL INDENTURE.

Shelf Registration shall mean a registration effected pursuant to Section 3 hereof.

Shelf Registration Period has the meaning set forth in Section 3(b) hereof.

Shelf Registration Statement shall mean a shelf registration statement of the Company and the Guarantors pursuant to the provisions of Section 3 hereof which covers some or all of the Securities or Exchange Notes, as applicable, on an appropriate form under Rule 415 under the Act, or any similar rule that may be adopted by the Commission, amendments and supplements to such registration statement, including post-effective amendments, in each case including the Prospectus contained therein, all exhibits thereto and all material incorporated by reference therein.

Trustee shall mean the trustee with respect to the Securities under the Indenture.

Trust Indenture Act shall mean the Trust Indenture Act of 1939, as amended, and the rules and regulations of the Commission promulgated thereunder.

underwriter shall mean any underwriter of Securities in connection with an offering thereof under a Shelf Registration Statement.

2. Registered Exchange Offer. (a) If any of the Securities are not Freely Tradable by the 375th calendar day following the Closing Date, then, unless a Registered Exchange Offer shall not be permissible by applicable law or Commission policy, the Company and the Guarantors shall use their respective reasonable best efforts to (i) prepare and file with the Commission the Exchange Offer Registration Statement with respect to the Registered Exchange Offer, (ii) cause the Exchange Offer Registration Statement to become effective under the Act and commence the Registered Exchange Offer promptly after such effectiveness and (iii) keep the Exchange Offer Registration Statement effective until the closing of the Registered Exchange Offer and (iv) cause the Registered Exchange Offer to be consummated not later than the 375th calendar day following the Closing Date (or, if such 375th day is not a Business Day, the next succeeding Business Day) (the Exchange Date).

(b) Upon the effectiveness of the Exchange Offer Registration Statement, the Company and the Guarantors shall promptly commence the Registered Exchange Offer, it being the objective of such Registered Exchange Offer to enable each Holder electing to exchange Securities for Exchange Notes (assuming that such Holder is not an Affiliate of the Company or any Guarantor, acquires the Exchange Notes in the ordinary course of such Holder's business, has no arrangements with any person to participate in the distribution of the Exchange Notes and

is not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer) to trade such Exchange Notes from and after their receipt without any limitations or restrictions under the Act.

(c) In connection with a Registered Exchange Offer, if any, the Company and the Guarantors shall:

(i) mail or cause to be mailed to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(ii) keep the Registered Exchange Offer open for not less than 20 Business Days after the date notice thereof is mailed to the Holders (or longer if required by applicable law);

(iii) use their respective reasonable best efforts to keep the Exchange Offer Registration Statement continuously effective under the Act, supplemented and amended as required, under the Act to ensure that it is available for sales of Exchange Notes by Exchanging Dealers during the Exchange Offer Registration Period;

(iv) utilize the services of a depository for the Registered Exchange Offer, which may be the Trustee or an Affiliate of the Trustee;

(v) permit Holders to withdraw tendered Securities at any time prior to the close of business, New York time, on the last Business Day on which the Registered Exchange Offer is open;

(vi) prior to effectiveness of the Exchange Offer Registration Statement, if requested by the staff of the Commission, provide a supplemental letter to the Commission (A) stating that the Company and the Guarantors are conducting the Registered Exchange Offer in reliance on the position of the Commission in Exxon Capital Holdings Corporation (pub. avail. May 13, 1988), Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991); and (B) including a representation that the Company and the Guarantors have not entered into any arrangement or understanding with any person to distribute the Exchange Notes to be received in the Registered Exchange Offer and that, to the best of the Company's and the Guarantors' information and belief, each Holder participating in the Registered Exchange Offer is acquiring the Exchange Notes in the ordinary course of business and has no arrangement or understanding with any person to participate in the distribution of the Exchange Notes; and

(vii) comply in all material respects with all applicable laws.

(d) As soon as practicable after the close of a Registered Exchange Offer, if any, the Company and the Guarantors shall:

(i) accept for exchange all Securities properly tendered and not validly withdrawn pursuant to the Registered Exchange Offer on or prior to its expiration;

(ii) deliver or cause to be delivered to the Trustee for cancellation in accordance with Section 4(q) all Securities so accepted for exchange; and

(iii) cause the Trustee promptly to authenticate and deliver to each Holder of Securities a principal amount of Exchange Notes equal to the principal amount of the Securities of such Holder so accepted for exchange.

(e) Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using any Registered Exchange Offer to participate in a distribution of the Exchange Notes (x) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission in Exxon Capital Holdings Corporation (pub. avail. May 13, 1988) and Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993 and similar no-action letters; and (y) must comply with the registration and prospectus delivery requirements of the Act in connection with any secondary resale transaction, which must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K under the Act if the resales are of Exchange Notes obtained by such Holder in exchange for Securities acquired by such Holder directly from the Company, the Guarantors or one of their respective Affiliates. Accordingly, each Holder participating in any Registered Exchange Offer shall be required to represent to the Company and the Guarantors that, at the time of the consummation of the Registered Exchange Offer:

(i) any Exchange Notes received by such Holder will be acquired in the ordinary course of business;

(ii) such Holder will have no arrangement or understanding with any person to participate in the distribution of the Securities or the Exchange Notes within the meaning of the Act; and

(iii) such Holder is not an Affiliate of the Company or any of the Guarantors.

(f) If any Initial Purchaser determines that it is prohibited by law or Commission policy from participating in any Registered Exchange Offer, if any, with respect to the exchange of Securities constituting any portion of an unsold allotment, at the request of such Initial Purchaser, the Company and the Guarantors shall issue and deliver to the person purchasing Securities registered under a Shelf Registration Statement as contemplated by Section 3 hereof from such Initial Purchaser, in exchange for such Securities, a like principal amount of Exchange Notes.

3. Shelf Registration. (a) If (i) due to any change in law or applicable interpretations thereof by the Commission's staff, the Company determines upon advice of its outside counsel that it is not permitted to effect the Registered Exchange Offer as contemplated by Section 2 hereof; (ii) the Notes are not Freely Tradable as of the Exchange Date and a Registered Exchange Offer has not been consummated by the Exchange Date; or (iii) any Holder notifies the Company that (A) it is prohibited by law or Commission policy from participating in the Registered Exchange Offer; (B) it may not resell the Exchange Notes acquired by it in the

Registered Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales; or (C) it is a broker-dealer and owns Securities acquired directly from the Company or an affiliate of the Company, then, if any Notes that are not Freely Tradable are then outstanding, the Company and the Guarantors shall effect a Shelf Registration Statement in accordance with subsection (b) below.

(b) (i) The Company and the Guarantors shall use their respective reasonable best efforts to file with the Commission within 30 days after such filing obligation arises, but in no event earlier than the 375th day after the Closing Date and shall use their respective reasonable best efforts to cause to be declared effective under the Act within 75 days of such filing, pursuant to subsection (a) of this Section 3, a Shelf Registration Statement relating to the offer and sale of the Securities or the Exchange Notes, as applicable, by the Holders thereof from time to time in accordance with the methods of distribution elected by such Holders and set forth in such Shelf Registration Statement; provided, however, that no Holder shall be entitled to have the Securities held by it covered by such Shelf Registration Statement or be entitled to use a Prospectus forming a part thereof unless such Holder agrees in writing to be bound by all of the provisions of this Agreement applicable to such Holder and has returned to the Company a completed and signed selling securityholder questionnaire in reasonable and customary form by the reasonable deadline for responses set forth therein; and provided further, that with respect to Exchange Notes received by an Initial Purchaser in exchange for Securities constituting any portion of an unsold allotment, the Company and the Guarantors may, if permitted by current interpretations by the Commission's staff, file a post-effective amendment to the Exchange Offer Registration Statement containing the information required by Item 507 or 508 of Regulation S-K, as applicable, in satisfaction of their obligations under this subsection with respect thereto, and any such Exchange Offer Registration Statement, as so amended, shall be referred to herein as, and governed by the provisions herein applicable to, a Shelf Registration Statement.

(ii) The Company and the Guarantors shall use their respective reasonable best efforts to keep the Shelf Registration Statement continuously effective, supplemented and amended as required by the Act, in order to permit the Prospectus forming part thereof to be usable by Holders for a period (the Shelf Registration Period) from the date the Shelf Registration Statement is declared effective by the Commission until the first to occur of (A) the second anniversary thereof or (B) the date upon which all the Securities or Exchange Notes, as applicable, covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement, become Freely Tradable or cease to be outstanding.

(iii) Subject to the provisions of Section 4 hereof, the Company and the Guarantors shall cause the Shelf Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement or such amendment or supplement, (A) to comply as to form in all material respects with the applicable requirements of the Act; and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

4. Additional Registration Procedures. In connection with any Shelf Registration Statement and, to the extent applicable, any Exchange Offer Registration Statement, the following provisions shall apply if any Notes that are not Freely Tradable are then outstanding.

(a) The Company and the Guarantors shall:

(i) furnish to the Representatives, not less than five Business Days prior to the filing thereof with the Commission, a copy of any Exchange Offer Registration Statement and any Shelf Registration Statement, and each amendment thereof and each amendment or supplement, if any, to the Prospectus included therein (but excluding all documents incorporated by reference therein after the initial filing) and shall use their respective reasonable best efforts to reflect in each such document, when so filed with the Commission, such comments as the Representatives reasonably propose;

(ii) include the information (as may be revised at the request or requirement of the Commission) substantially in the form set forth in Annex A hereto on the facing page of the Exchange Offer Registration Statement, in Annex B hereto in the forepart of the Exchange Offer Registration Statement in a section setting forth details of the Registered Exchange Offer, in Annex C hereto in the underwriting or plan of distribution section of the Prospectus contained in the Exchange Offer Registration Statement, and in Annex D hereto in the letter of transmittal delivered pursuant to the Registered Exchange Offer;

(iii) if requested by an Initial Purchaser, include the information required by Item 507 or 508 of Regulation S-K, as applicable, in the Prospectus contained in the Exchange Offer Registration Statement; and

(iv) in the case of a Shelf Registration Statement, include the names of the Holders (to the extent provided by such Holders) that propose to sell Securities pursuant to the Shelf Registration Statement as selling security holders; provided, that, the Company shall not be required to include the name of any Holder that has not complied with the requirements set forth in Section 3(b)(i) hereof.

(b) Subject to the following provisions of this Section 4, the Company and the Guarantors shall use their respective reasonable best efforts to ensure that:

(i) any Registration Statement and any amendment thereto and any Prospectus forming a part thereof and any amendment or supplement thereto complies as to form in all material respects with the Act; and

(ii) any Registration Statement and any amendment thereto does not, as of the effective date of the Registration Statement or such amendment, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading.

(c) The Company and the Guarantors shall advise the Representatives, the Holders of Securities covered by any Shelf Registration Statement and any Exchanging Dealer under any Exchange Offer Registration Statement that has provided in writing to the Company or

any Guarantor a telephone or facsimile number and address for notices (a Known Exchanging Dealer), and, if requested by the Representatives or any such Holder or Known Exchanging Dealer, shall confirm such advice in writing (which notice pursuant to clauses (ii)-(v) hereof shall be accompanied by an instruction to suspend the use of the Prospectus until the Company and the Guarantors shall have remedied the basis for such suspension):

(i) when the relevant Registration Statement and any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for any amendment or supplement to the Registration Statement or the Prospectus or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceeding for that purpose;

(iv) of the receipt by the Company or the Guarantors of any notification with respect to the suspension of the qualification of the securities included therein for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(v) at a time when a Prospectus is required to be delivered under the Act, of the happening of any event that requires any change in the Registration Statement or the Prospectus so that, as of such date, they (A) do not contain any untrue statement of a material fact and (B) do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

(d) The Company and the Guarantors shall use their respective reasonable best efforts to prevent the issuance of any order suspending the effectiveness of any Registration Statement or the qualification of the securities therein for sale in any jurisdiction, and if issued to obtain as soon as possible the withdrawal thereof.

(e) The Company and the Guarantors shall furnish to each Holder of Securities covered by any Shelf Registration Statement, without charge, at least one copy of such Shelf Registration Statement and any post-effective amendment thereto, and, if the Holder so requests in writing, all material incorporated therein by reference and all exhibits thereto (including exhibits incorporated by reference therein).

(f) The Company and the Guarantors shall, during the Shelf Registration Period, deliver to each Holder of Securities covered by any Shelf Registration Statement, without charge, as many copies of the Prospectus (including the preliminary Prospectus) included in such Shelf Registration Statement and any amendment or supplement thereto as such Holder may reasonably request. Subject to the provisions of this Section 4, the Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of Securities in connection with the offering and sale of the Securities covered by the Prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement (in each case, if such Holder is properly named in such Prospectus, as amended and

supplemented), except during any suspension period referred to in Section 4(c) above or Section 4(k) below.

(g) The Company and the Guarantors shall furnish to each Exchanging Dealer which so requests, without charge, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto, and, if the Exchanging Dealer so requests in writing, all material incorporated therein by reference and all exhibits thereto (including exhibits incorporated by reference therein).

(h) The Company and the Guarantors shall promptly deliver to each Initial Purchaser, each Exchanging Dealer and each other person required to deliver a Prospectus during the Exchange Offer Registration Period, without charge, as many copies of the Prospectus included in such Exchange Offer Registration Statement and any amendment or supplement thereto as any such person may reasonably request. Subject to the provisions of this Section 4, the Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by any Initial Purchaser, any Exchanging Dealer and any such other person that may be required to deliver a Prospectus following the Registered Exchange Offer in connection with the offering and sale of the Exchange Notes covered by the Prospectus, or any amendment or supplement thereto, included in the Exchange Offer Registration Statement (in each case, if such Initial Purchaser, Exchanging Dealer or other person is properly named in such Prospectus, as amended and supplemented), except during any suspension period referred to in Section 4(c) above or Section 4(k) below.

(i) Prior to the Registered Exchange Offer or any other offering of Securities pursuant to any Registration Statement, the Company and the Guarantors shall arrange, if necessary, for the qualification of the Securities or the Exchange Notes for sale under the laws of such jurisdictions as any Holder shall reasonably request and shall maintain such qualification in effect so long as required; provided that in no event shall the Company or any Guarantor be obligated to qualify to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the Initial Placement, the Registered Exchange Offer or any offering pursuant to a Shelf Registration Statement, in any such jurisdiction where it is not then so subject, or to subject itself to taxation in any jurisdiction where it is not now subject.

(j) The Company and the Guarantors shall cooperate with the Holders of Securities to facilitate the timely preparation and delivery of certificates representing Exchange Notes or Securities to be issued or sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as Holders may request.

(k) (i) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above or subsection (k)(ii) below, the Company and the Guarantors shall promptly (or within the time period provided for by clause (ii) hereof, if applicable) prepare and file a post-effective amendment to the applicable Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that, as thereafter delivered to the Initial Purchasers of the securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact required to be

stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In such circumstances, the Exchange Offer Registration Period and the Shelf Registration Period shall be extended by the number of days from and including the date of the giving of a notice of suspension pursuant to Section 4(c) or Section 4(k)(ii), as applicable, to and including the date when the Initial Purchasers, the Holders of the Securities covered by any Shelf Registration Statement and any Known Exchanging Dealer shall have received such amended or supplemented Prospectus pursuant to this Section or shall have been advised in writing by the Company and the Guarantors that the Prospectus may be used.

(ii) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above, or the occurrence or existence of any pending corporate development or any other material event that, in the reasonable judgment of the Company and the Guarantors, makes it appropriate to suspend the availability of a Registration Statement and the related Prospectus, the Company and the Guarantors shall give notice (without notice of the nature or details of such events) to the Holders of the Securities covered by any Shelf Registration Statement, the Initial Purchasers and any Known Exchanging Dealer, as applicable, that the Registration Statement is suspended and, upon actual receipt of any such notice, each such Holder, Initial Purchaser and Exchanging Dealer, as applicable, agrees not to sell any Registrable Securities pursuant to the Registration Statement until such Holder, Initial Purchaser or Exchanging Dealer, as applicable, shall have received such amended or supplemented Prospectus pursuant to this Section or have been advised in writing by the Company and the Guarantors that the Prospectus may be used. The period during which the availability of the Shelf Registration and any Prospectus is suspended (the Deferral Period) shall not exceed 45 days in any three-month period or 90 days in any twelve-month period.

(l) The Company and the Guarantors shall comply in all material respects with all applicable rules and regulations of the Commission and shall make generally available to its security holders an earnings statement satisfying the provisions of Section 11(a) of the Act as soon as practicable after the effective date of the applicable Registration Statement.

(m) The Company and the Guarantors may require each Holder of Registrable Securities to be sold pursuant to any Registration Statement to furnish to the Company and the Guarantors such information regarding the Holder and the distribution of such securities as the Company and the Guarantors may from time to time reasonably require for inclusion in such Registration Statement, including such information requested or required by the Commission. The Company and the Guarantors may exclude from such Registration Statement the Registrable Securities of any Holder that fails to furnish such information within a reasonable time after receiving such request. Each Holder as to which Registrable Securities are being included in a Registration Statement agrees to furnish to the Company all information with respect to such Holder necessary to make any information previously furnished to the Company by such Holder pursuant to this Section 4(m) or otherwise not materially misleading.

(n) In the case of any Shelf Registration Statement, the Company and the Guarantors shall enter into reasonable and customary agreements (including, if requested, an underwriting agreement in reasonable and customary form) and take all other reasonably appropriate actions in order to expedite or facilitate the registration or the disposition of the Securities, and in connection therewith, if an underwriting agreement is entered into, cause the

same to contain indemnification provisions and procedures no less favorable than those set forth in Section 6 hereof.

(o) In the case of any Shelf Registration Statement, the Company and the Guarantors shall, if requested:

(i) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, make reasonably available for inspection by the Holders of Securities to be registered thereunder, any underwriter participating in any disposition pursuant to such Registration Statement, and any attorney, accountant or other agent retained by the Holders or any such underwriter, at the Company's principal place of business, all relevant financial and other records and pertinent corporate documents of the Company, the Guarantors and their respective subsidiaries reasonably requested by the Holders or any such underwriter, attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; provided, however, that with respect to any attorney engaged by the Holders or any underwriter, the foregoing inspection and information gathering shall be coordinated by one counsel designated by the Holders and one counsel designated by the underwriter or underwriters;

(ii) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, cause the Company's or Guarantors' respective officers, directors, employees, accountants and auditors to supply, at the Company's principal place of business, all relevant information reasonably requested by the Holders or any such underwriter, attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; provided, however, that with respect to any attorney engaged by the Holders or any underwriter, the foregoing inspection and information gathering shall be coordinated by one counsel designated by the Holders and one counsel designated by the underwriter or underwriters;

(iii) in connection with an underwritten offering pursuant to such Shelf Registration Statement, make such representations and warranties to the underwriters, in form, substance and scope as are reasonably and customarily made by issuers to underwriters in primary underwritten offerings and covering matters including, but not limited to, those set forth in the Purchase Agreement;

(iv) in connection with an underwritten offering pursuant to such Shelf Registration Statement, use reasonable best efforts to obtain opinions of counsel to the Company and the Guarantors and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the Managing Underwriters, if any) addressed to the underwriters, covering such matters concerning the Company and the Guarantors as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such underwriters;

(v) in connection with an underwritten public offering pursuant to such Shelf Registration Statement, use reasonable best efforts to obtain comfort letters and

updates thereof from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to the underwriters, in customary form reasonably acceptable to such independent certified public accountants and covering matters of the type customarily covered in comfort letters in connection with primary underwritten offerings; and

(vi) deliver such documents and certificates as may be reasonably requested by the Managing Underwriters, including those to evidence compliance with Section 4(k) and with any customary conditions contained in the underwriting agreement or any other customary agreement entered into by the Company in connection therewith. The actions set forth in clauses (iii), (iv), (v) and (vi) of this paragraph (o) shall be performed at each closing under any underwriting or similar customary agreement as and to the extent required thereunder.

(p) In the case of any Exchange Offer Registration Statement, the Company and the Guarantors shall, if requested by an Initial Purchaser, or by a Broker-Dealer that holds Securities that were acquired as a result of market making or other trading activities:

(i) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, make reasonably available for inspection by the requesting party, and any attorney, accountant or other agent retained by the requesting party, at the Company's principal place of business, all relevant financial and other records, pertinent corporate documents and properties of the Company, the Guarantors and their respective subsidiaries reasonably requested by the requesting party or any such attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; and

(ii) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, cause the Company's and the Guarantors' respective officers, directors, employees, accountants and auditors to supply, at the Company's principal place of business, all relevant information.

(q) If a Registered Exchange Offer is to be consummated, upon delivery of the Securities by Holders to the Company (or to such other person as directed by the Company) in exchange for the Exchange Notes, the Company and the Guarantors shall mark, or caused to be marked, on the Securities so exchanged that such Securities are being cancelled in exchange for the Exchange Notes. In no event shall the Securities be marked as paid or otherwise satisfied.

(r) In the event that any Broker-Dealer shall underwrite any Securities or participate as a member of an underwriting syndicate or selling group or assist in the distribution (within the meaning of the FINRA Rules) thereof, whether as a Holder of such Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect

thereof, or otherwise, the Company and the Guarantors shall provide reasonable assistance to such Broker-Dealer in making filings in accordance with the FINRA Rules (which filings shall be at the expense of such Broker-Dealer).

(s) The Company and the Guarantors shall use their respective reasonable best efforts to take all other steps necessary to effect the registration of the Securities or the Exchange Notes, as the case may be, covered by a Registration Statement.

5. Registration Expenses. The Company and the Guarantors shall bear all expenses incurred in connection with the performance of their obligations, if any, under Sections 2, 3 and 4 hereof (except as set forth in Section 4(r)) and, in the event of any Shelf Registration Statement, will reimburse the Holders for the reasonable fees and disbursements of one firm of counsel (which shall initially be Shearman & Sterling LLP, but which may be another nationally recognized law firm experienced in securities matters designated by the Majority Holders) in connection with the preparation, filing and effectiveness of such Shelf Registration Statement. Notwithstanding the foregoing, the Holders of the Securities or Exchange Notes being registered shall pay all agency fees and commissions and underwriting discounts and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by or on behalf of such Holders (severally or jointly), other than the counsel specifically referred to above.

6. Indemnification and Contribution. (a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless each Holder of Securities or Exchange Notes, as the case may be, covered by any Registration Statement, each Initial Purchaser and, with respect to any Prospectus delivery as contemplated in Section 4(h) hereof, each Exchanging Dealer, the directors, officers, employees, Affiliates and agents of each such Holder, Initial Purchaser or Exchanging Dealer and each person who controls any such Holder, Initial Purchaser or Exchanging Dealer within the meaning of either Section 15 of the Act or Section 20 of the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, or in any preliminary Prospectus or the Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any preliminary Prospectus or the Prospectus, in the light of the circumstances under which they were made) not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company and any Guarantor will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company or any Guarantor by or on behalf of the party claiming indemnification specifically for inclusion therein. This indemnity agreement shall be in addition to any liability that the Company and any Guarantor may otherwise have.

The Company and the Guarantors also, jointly and severally, agree to indemnify as provided in this Section 6(a) or contribute as provided in Section 6(d) hereof to Losses of each underwriter, if any, of Securities or Exchange Notes, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees, Affiliates and agents and each person who controls such underwriter on substantially the same basis as that of the indemnification of the Initial Purchasers and the selling Holders provided in this Section 6(a) and shall, if requested by any Holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 4(n) hereof.

(b) Each Holder of securities covered by a Registration Statement (including each Initial Purchaser as a Holder, in such capacity) severally and not jointly agrees to indemnify and hold harmless the Company and the Guarantors, each of their respective directors, officers, employees, Affiliates and agents and each person who controls the Company or any Guarantor within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and the Guarantors to each such Holder, but only with reference to written information relating to such Holder furnished to the Company or any Guarantor by or on behalf of such Holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability that any such Holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying

party; provided that, in each case, not more than one such separate counsel shall be employed for all indemnified parties. An indemnifying party will not, without the prior written consent of the indemnified parties (such consent not to be unreasonably withheld, conditioned or delayed), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding, and (ii) does not include any statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party. In addition, no indemnified party shall, without the written consent of the indemnifying party (such consent not to be unreasonably withheld, conditioned or delayed), effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party shall have a joint and several obligation to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending any loss, claim, liability, damage or action) (collectively Losses) to which such indemnified party may be subject in such proportion as is appropriate to reflect the relative benefits received by such indemnifying party, on the one hand, and such indemnified party, on the other hand, from the Initial Placement and the Registration Statement which resulted in such Losses; provided, however, that in no case shall any Initial Purchaser be responsible, in the aggregate, for any amount in excess of the purchase discount or commission applicable to such Securities, or in the case of an Exchange Note, as applicable to such Securities, as set forth in the Final Memorandum, nor shall any underwriter be responsible for any amount in excess of the underwriting discount or commission applicable to the securities purchased by such underwriter under the Registration Statement which resulted in such Losses. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the indemnifying party and the indemnified party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of such indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company and the Guarantors shall be deemed to be equal to the total net proceeds from the Initial Placement (before deducting expenses) as set forth in the Final Memorandum. Benefits received by the Initial Purchasers shall be deemed to be equal to the total purchase discounts and commissions as set forth on the cover page of the Final Memorandum, and benefits received by any other Holders shall be deemed to be equal to the value of receiving Securities or Exchange Notes, as applicable, registered under the Act. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth on the cover page of the Prospectus forming a part of the Registration Statement which resulted in such Losses. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information provided by the indemnifying party, on the one hand, or by the indemnified party, on the other hand, the intent of the parties and their relative knowledge, access to information

and opportunity to correct or prevent such untrue statement or omission. The parties agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person who controls a Holder within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of such Holder shall have the same rights to contribution as such Holder, and each person who controls the Company or any Guarantor within the meaning of either the Act or the Exchange Act, each director, officer, employee, Affiliate and agent of either the Company or any Guarantor shall have the same rights to contribution as the Company or any Guarantor, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The provisions of this Section will remain in full force and effect, regardless of any investigation made by or on behalf of any Holder or the Company or any Guarantor or any of the indemnified parties referred to in this Section 6, and will survive the sale by a Holder of securities covered by a Registration Statement.

7. Underwritten Registrations. (a) If any of the Securities or Exchange Notes, as the case may be, covered by any Shelf Registration Statement are to be sold in an underwritten offering, the Managing Underwriters shall be selected by the Majority Holders, such selection to be subject to the Company's prior written approval, not to be unreasonably withheld, conditioned or delayed.

(b) No person may participate in any underwritten offering pursuant to any Shelf Registration Statement, unless such person (i) agrees to sell such person's Securities or Exchange Notes, as the case may be, on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements; and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

8. Registration Defaults and Additional Interest. If the Securities are not Freely Tradable by the Exchange Date and either (a) on or prior to the 75th day after the filing of a Shelf Registration Statement, such Shelf Registration Statement has not been declared effective, (b) on or prior to Exchange Date, the Registered Exchange Offer has not been consummated, or (c) after the Shelf Registration Statement has been declared effective, such Registration Statement thereafter ceases to be effective or usable in connection with resales of Securities or Exchange Notes in accordance with and during the periods specified in this Agreement (other than as permitted pursuant to Section 4(c) or Section 4(k)(ii))(each such event referred to in clauses (a) through (c), (a Registration Default), interest (Additional Interest) will accrue on the principal amount of the Securities and the Exchange Notes (in addition to the stated interest on the Securities and Exchange Notes) from and including the date on which any such Registration Default shall occur to but excluding the date that is the earlier of (i) the date on which all Registration Defaults have been cured or (ii) the date such Securities become Freely Tradable. Additional Interest will accrue at a rate of 0.50% per annum during the 90-day period

immediately following the occurrence of such Registration Default and shall increase by 0.50% per annum at the end of each subsequent 90-day period, but in no event shall such rate exceed 1.50% per annum. If, after the cure of all Registration Defaults then in effect, there is a subsequent Registration Default, the rate of Additional Interest for such subsequent Registration Default shall initially be 0.50% regardless of the rate in effect with respect to any prior Registration Default at the time of cure of such Registration Default.

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Security at the time such Security is exchanged for an Exchange Note shall survive until such time as all such obligations with respect to such Security have been satisfied in full.

9. No Inconsistent Agreements. The Company and the Guarantors have not entered into, and agree not to enter into, any agreement with respect to its securities that is inconsistent with the rights granted to the Holders herein or that otherwise conflicts with the provisions hereof.

10. Amendments and Waivers. The provisions of this Agreement may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given at any time, unless the Company and the Guarantors have obtained the written consent of the Holders of a majority of the aggregate principal amount of the Registrable Securities then outstanding; provided that, with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company and the Guarantors shall obtain the written consent of each such Initial Purchaser against which such amendment, qualification, supplement, waiver or consent is to be effective; provided, further, that no amendment, qualification, supplement, waiver or consent with respect to Section 8 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder; and provided, further, that the provisions of this Section 10 may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company and the Guarantors have obtained the written consent of each Holder. Notwithstanding the foregoing (except the foregoing provisos), a waiver or consent to departure from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Securities or Exchange Notes, as the case may be, are being sold pursuant to a Registration Statement and that does not directly or indirectly affect the rights of other Holders in any material respect may be given by the Majority Holders, determined on the basis of Securities or Exchange Notes, as the case may be, being sold rather than registered under such Registration Statement.

11. Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telex, telecopier or air courier guaranteeing overnight delivery:

(a) if to a Holder, at the most current address given by such holder to the Company in accordance with the provisions of this Section 11, which address initially is, with respect to each Holder, the address of such Holder maintained by the registrar under the Indenture;

- (b) if to the Representatives, initially at the address or addresses set forth in the Purchase Agreement; and
- (c) if to the Company or any Guarantor, initially at its address set forth in the Purchase Agreement.

All such notices and communications shall be deemed to have been duly given when received.

The Initial Purchasers, the Company and the Guarantors by notice to the other parties may designate additional or different addresses for subsequent notices or communications.

12. Remedies. Each Holder, in addition to being entitled to exercise all rights provided to it herein, in the Indenture or in the Purchase Agreement (if an Initial Purchaser) or granted by law, including recovery of liquidated or other damages, will be entitled to specific performance of its rights under this Agreement. The Company and the Guarantors agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive in any action for specific performance the defense that a remedy at law would be adequate.

13. Successors. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their respective successors and assigns, including, without the need for an express assignment or any consent by the Company or any Guarantor thereto, subsequent Holders of Securities and the Exchange Notes, and the indemnified persons referred to in Section 6 hereof. The Company and the Guarantors hereby agree to extend the benefits of this Agreement to any Holder of Securities and the Exchange Notes, and any such Holder may specifically enforce the provisions of this Agreement as if an original party hereto.

14. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

15. Headings. The section headings used herein are for convenience only and shall not affect the construction hereof.

16. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed in the State of New York. The parties hereto each hereby waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating to this Agreement.

17. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by applicable law.

18. Securities Held by the Company, etc. Whenever the consent or approval of Holders of a specified percentage of principal amount of Securities or Exchange Notes is required hereunder, Securities or Exchange Notes, as applicable, held by the Company, the Guarantors or any of their respective Affiliates (other than subsequent Holders of Securities or Exchange Notes if such subsequent Holders are deemed to be Affiliates solely by reason of their holdings of such Securities or Exchange Notes) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for securities where such securities were acquired by such broker-dealer as a result of market-making activities or other trading activities. Cricket has agreed that, starting on the expiration date and ending on the close of business one year after the expiration date, it will make this prospectus available to any broker-dealer for use in connection with any such resale. See Plan of Distribution.

ANNEX C
PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for securities where such securities were acquired as a result of market-making activities or other trading activities. Cricket has agreed that, beginning on the date of consummation of the exchange offer and ending on the close of business one year after the consummation of the exchange offer, it will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. In addition, until ____, ____, all dealers effecting transactions in the exchange notes may be required to deliver a prospectus.

The company will not receive any proceeds from any sale of exchange notes by brokers-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an underwriter within the meaning of the Act and any profit of any such resale of exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Act. The Letter of Transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Act.

For a period of one year after the consummation of the exchange offer, Cricket will promptly send a reasonable number of additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. Cricket has agreed to pay all expenses incident to the exchange offer (including the expenses of one counsel for the holder of the securities) other than commissions or concessions of any brokers or dealers and will indemnify the holders of the securities (including any broker-dealers) against certain liabilities, including liabilities under the Act.
