FIRST BANCSHARES, INC. ANNOUNCES SECOND QUARTER FISCAL 2007 RESULTS

Mountain Grove, Missouri (February 2, 2007) First Bancshares, Inc. (NASDAQ - FstBksh : FBSI), the holding company for First Home Savings Bank ("Bank"), today announced earnings for the second quarter of its fiscal year ending June 30, 2007.

For the quarter ended December 31, 2006, the Company had net income of \$1,000, or less than one cent per share basic, compared to net income of \$160,000, or \$0.10 per share basic for the comparable period in 2005. Net income for the six-month period ended December 31, 2006 was \$73,000, or \$0.05 per share basic, compared to \$118,000, or \$0.08 per share basic for the six month period ended December 31, 2005. The reduction in net income for both the quarter and six-month periods ended December 31, 2006 when compared to the prior year is attributable to a reduction in net interest income, and increases in compensation and benefits expense, occupancy expense and professional fees. These items were partially offset by an increase in non-operating income and a slight decrease in other operating expenses.

Total consolidated assets at December 31, 2006 were \$237.0 million, compared to \$228.4 million at June 30, 2006, representing an increase of \$8.6 million, or 3.7%. Stockholders' equity at December 31, 2006 was \$26.5 million, or 11.2% of assets, compared with \$26.3 million, or 11.5% of assets, at June 30, 2006. Book value per common share increased to \$17.07 at December 31, 2006 from \$16.93 at June 30, 2006. The increase in equity was primarily attributable to the change in accumulated other comprehensive income to a positive \$16,000 from a negative \$208,000. The change in accumulated other comprehensive income relates to the change in the market value of available-for-sale securities.

Net loans increased \$14.8 million, or 10.4%, to \$156.8 million at December 31, 2006 from \$142.0 million at June 30, 2006. Deposits increased \$5.4 million, or 3.0%, to \$184.6 million at December 31, 2006 from \$179.1 million at June 30, 2006.

The Company currently has a stock repurchase plan in place. The plan, authorizing the repurchase of up to 164,336 shares, has been in effect since May 28, 2004. Through December 31, 2006, 94,518 shares had been repurchased under that plan at a cost of \$1,950,000 at an average cost of \$20.63 per share. There were no purchases during the quarter ended December 31, 2006.

First Bancshares, Inc. is the holding company for First Home Savings Bank, a FDIC-insured savings bank chartered by the State of Missouri that conducts business from its home office in Mountain Grove, Missouri and ten full service offices in Marshfield, Ava, Gainesville, Sparta, Springfield, Theodosia, Crane, Galena, Kisse Mill and Rockaway Beach, Missouri.

The Company and its wholly-owned subsidiaries, First Home Savings Bank and SCMG, Inc. may from time to time make written or oral "forward-looking statements," including statements contained in its filings with the Securities and Exchange Commission, in its reports to stockholders, and in other communications by the Company, which are made in good faith by the Company pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995.

These forward-looking statements include statements with respect to the Company's beliefs, expectations, estimates and intentions that are subject to significant risks and uncertainties, and are subject to change based on various factors, some of which are beyond the Company's control. Such statements address the following subjects: future operating results; customer

growth and retention; loan and other product demand; earnings growth and expectations; new products and services; credit quality and adequacy of reserves; technology, and our employees. The following factors, among others, could cause the Company's financial performance to differ materially from the expectations, estimates and intentions expressed in such forward-looking statements: the strength of the United States economy in general and the strength of the local economies in which the Company conducts operations; the effects of, and changes in, trade, monetary, and fiscal policies and laws, including interest rate policies of the Federal Reserve Board; inflation, interest rate, market, and monetary fluctuations; the timely development and acceptance of new products and services of the Company and the perceived overall value of these products and services by users; the impact of changes in financial services' laws and regulations; technological changes; acquisitions; changes in consumer spending and savings habits; and the success of the Company at managing and collecting assets of borrowers in default and managing the risks of the foregoing.

The foregoing list of factors is not exclusive. Additional discussion of factors affecting the Company's business and prospects is contained in the Company's periodic filing with the SEC. The Company does not undertake, and expressly disclaims any intent or obligation, to update any forward-looking statement, whether written or oral, that may be made from time to time by or on behalf of the Company.
