Employment Agreement and Potential Post-Employment Compensation.

Employment Agreement. The Savings Bank entered into an employment agreement with Mr. Katzfey effective January 1, 2007. The agreement has a term of one year and may be renewed by the Board for an additional year each year unless the Savings Bank gives Mr. Katzfey 60 days prior written notice that the agreement will not be extended. The agreement provides for a base salary which may not be reduced. Mr. Katzfey's current base salary under the agreement is \$145,430 and is subject to annual review by the Board. Under the agreement, Mr. Katzfey is eligible to participate in retirement and employee benefit programs available to the Savings Bank's executive officers.

3

In the event of an involuntary termination (other than for cause or after a change of control), the Savings Bank must pay to Mr. Katzfey his salary for a period of six months following the termination, at the rate in effect immediately prior to the date of termination, payable in such manner and at such times as the salary would have been payable to Mr. Katzfey if he had continued to be employed by the Savings Bank. An involuntary termination is defined as: (1) the termination of Mr. Katzfey's employment by the Savings Bank without his consent; (2) a material demotion of Mr. Katzfey; or (3) the failure of the Savings Bank's Board of Directors to elect Mr. Katzfey as President and Chief Executive Officer of the Savings Bank or any action by the Board removing him from that office. If Mr. Katzfey's employment had been terminated as of June 30, 2007 for any of these reasons, he would have been entitled to payments totaling \$72,715.

If Mr. Katzfey's employment terminates by reason of this death, the Savings Bank will pay to his estate or other designee, an amount equal to two months salary together with any other benefits provided under the Savings Bank's insurance or retirement plan. If Mr. Katzfey had died on June 30, 2007, his estate or other designee would have been entitled to a payment of \$25,400.

In the event of Mr. Katzfey's involuntary termination in connection with, or within 12 months before or after, a change in control of the Company or the Savings Bank, the Savings Bank will pay Mr. Katzfey a lump sum in an amount equal to 299% of his "base amount" as defined in Section 280G of the Internal Revenue Code of 1986. If Mr. Katzfey's employment had been terminated in connection with a change in control on June 30, 2007, he would have received a lump sum payment of approximately \$455,700. The agreement contains a provision that if this payment and the value of benefits received or to be received under the agreement, together with any other amounts and the value of benefits received or to be received by Mr. Katzfey, would cause any amount to be nondeductible by the Savings Bank for federal income tax purposes, then the payments and benefits will be reduced to maximize the amounts and value of benefits to be received by Mr. Katzfey without causing any amount to become nondeductible.

Equity Plans. The Company's 2004 Stock Option Plan and 2004 Management Recognition Plan provide for accelerated vesting of awards in the event of a change in control. If a tender offer or exchange offer for the Company's common stock is commenced, or if a change in control occurs, all options granted and not fully exercisable shall become exercisable in full upon the happening of such event. With respect to unvested awards of restricted stock, at the election of a participant that is made within 60 days following such date, the restricted period shall lapse and all shares awarded as restricted stock shall become fully vested in the participant to whom such shares were awarded. If the participant does not make an election within 60 days following such tender offer, exchange offer or change in control, the shares will continue to be vested in accordance with the other provisions of the award. If a tender offer or exchange offer had commenced or a change in control had occurred as of June 30, 2007, the named executive officers would have received the following benefits:

The named executive officers had no restricted stock awards outstanding as of June 30, 2007.

These loans are made in accordance with all applicable federal requirements. At June 30, 2007, loans to directors and executive officers, including immediate family members, totaled \$528,752. These loans (1) were made in the ordinary course of business, (2) were made on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Savings Bank's other customers and (3) did not involve more than the normal risk of collectibility or present other unfavorable features when made.

Mr. Harold F. Glass, one of the Company's directors, is a partner with

Edgar Filing: FIRST BANCSHARES INC /MO/ - Form 10KSB/A

the law firm of Millington, Glass & Love, which serves as legal counsel for the Company, the Savings Bank and its subsidiary. Director Independence

The Company's common stock is listed on the Nasdaq Global Market. In accordance with Nasdaq requirements, at least a majority of the Company's directors must be independent directors.
