### THE PROPOSAL YOU MAY VOTE ON

#### ELECTION OF DIRECTORS

Our Board of Directors currently has four directors, divided into two classes. Three of the directors, class A directors, serve for a three-year term. One director, the class B director, serves for a one-year term. Two class A directors and one class B director are to be elected at this meeting. The class A directors will serve for a term of three years or until their respective successor is elected and qualified and the class B director will serve for a term of one year or until his successor is elected and qualified.

Mr. Howlett, Mr. Seitz and Mr. Raymond have indicated that they will serve if elected. We do not anticipate that any of them will be unable to stand for election. If that occurred, the Board would designate a substitute. If a substitute were designated, proxies voting on the original director candidate would be cast for the substituted candidate.

### Board and Committee Meetings

Our business is managed under the direction of the Board of Directors. The Board delegates the conduct of business to the Company's senior management team.

Our Board usually meets four times a year in regularly scheduled meetings. It may meet more often if necessary. The Board held eight meetings in fiscal 2003. Each director attended all of the meetings. The Chairman usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may also raise other matters at the meetings.

The Board of Directors has no audit committee or compensation committee. The Board of Directors as a whole makes all such determinations and any director who as is an "interested" party in a specific matter abstains from voting on such matter.

In May, 2001, a nominating committee was appointed to select nominees for election as directors. Messrs. Seitz and Jerd are its current members. The nominating committee has the power and duty to make recommendations to the Board of Directors as to suitable nominees for election to the Board of Directors by the stockholders and by the remaining members of the Board of Directors, to fill newly created directorship and to fill any vacancies which shall occur. During

## Edgar Filing: EMTEC INC/NJ - Form DEF 14A

fiscal year 2003 the Nominating Committee held two meetings and both members attended all the meetings.

### Director Compensation

Non-employee directors receive annual compensation of \$10,000. Directors also receive stock options at the discretion of the Board. Non-employee directors receive reimbursement of out-of-pocket expenses incurred for each board meeting or committee meeting attended.
