To Our Shareowners:

You are cordially invited to attend the Annual Meeting of Shareowners of Honeywell, which will be held at 10:30 a.m. on Monday, April 25, 2005 at our headquarters, 101 Columbia Road, Morris Township, New Jersey.

The accompanying notice of meeting and proxy statement describe the matters to be voted on at the meeting. We will also take the opportunity to review our past business results and our outlook for the future.

Among the matters to be considered this year are management proposals to eliminate the classified Board structure and the supermajority voting provisions contained in our Restated Certificate of Incorporation and By-laws. Each of these proposals requires the approval of at least 80% of the outstanding shares of Honeywell Common Stock. Honeywell's Board of Directors unanimously recommends approval of these proposals and urges you to cast your votes "FOR" these proposals.

YOUR VOTE IS IMPORTANT. We encourage you to read the proxy statement and vote your shares as soon as possible. A return envelope for your proxy card is enclosed for convenience. Most shareowners will also have the option of voting via the Internet or by telephone. Specific instructions on how to vote via the Internet or by telephone are included on the proxy card.

A map and directions to Honeywell's headquarters appear at the end of the proxy statement.

Sincerely,

DAVID M. COTE
Chairman and Chief Executive Officer

YOUR VOTE IS IMPORTANT

If you are a shareowner of record or a participant in a Honeywell savings plan, you can vote your shares via the Internet or by telephone by following the instructions on your proxy card. If you hold your shares through a bank or broker, you will be able to vote via the Internet or by telephone if your bank or broker offers these options. If voting by mail, please complete, date and sign your proxy card and return it as soon as possible in the enclosed envelope.

NOTICE OF ANNUAL MEETING OF SHAREOWNERS

The Annual Meeting of Shareowners of Honeywell International Inc. will be held on Monday, April 25, 2005 at 10:30 a.m. local time, at Honeywell's headquarters, 101 Columbia Road, Morris Township, New Jersey to consider and vote on the following matters described in the accompanying proxy statement:

- Election of five directors;
- Appointment of PricewaterhouseCoopers LLP as independent accountants for 2005;
- A proposal to amend the Company's Restated Certificate of Incorporation and By-laws to eliminate the classified Board structure;
- A proposal to amend the Company's Restated Certificate of Incorporation and By-laws to eliminate the supermajority voting provisions contained therein;
- [Five] shareowner proposals described on pages 29 through 37 in the accompanying Proxy Statement; and to transact any other business that may properly come before the meeting.

The Board of Directors has determined that shareowners of record at the close of business on February 25, 2005 are entitled to notice of and to vote at the meeting.

By Order of the Board of Directors,

Thomas F. Larkins
Vice President and Secretary

Honeywell
101 Columbia Road
Morris Township, NJ 07962

PROXY STATEMENT

This Proxy Statement is being provided to shareowners in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareowners to be held on Monday, April 25, 2005.

VOTING PROCEDURES

Your Vote is Very Important

Whether or not you plan to attend the meeting, please take the time to vote your shares as soon as possible. Your prompt voting via the Internet, telephone or mail may save us the expense of a second mailing.

Methods of Voting

- All shareowners may vote by mail.
- Shareowners of record, as well as participants in Honeywell stock funds within Honeywell savings plans, can vote via the Internet or by telephone.
- Shareowners who hold their shares through a bank or broker can vote via the Internet or by telephone if the bank or broker offers these options.

Please see your proxy card for specific voting instructions.

Revoking Your Proxy

Whether you vote by mail, telephone or via the Internet, you may later revoke your proxy by:

- sending a written statement to that effect to the Corporate Secretary of Honeywell;
- submitting a properly signed proxy with a later date;
- voting by telephone or via the Internet at a later time (if initially able to vote in that manner); or
- voting in person at the Annual Meeting (except for shares held in the savings plans).

Vote Required; Abstentions and Broker Non-Votes

The vote of a plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for election as a director. In other words, the five director nominees receiving the most votes will be elected. An abstention, broker non-vote, or direction to withhold authority will result in a nominee receiving fewer votes, but will not be treated as a vote against the nominee.

The affirmative vote of a majority of shares present or represented and entitled to vote on each of Proposals 2, 5, 6, 7, 8 and 9 is required for approval. Abstentions will be counted toward the tabulation of votes present or represented on these proposals and will have the same effect as votes "against" these proposals. New York Stock Exchange rules prohibit brokers from voting on Proposals 5 through 9 without receiving instructions from the beneficial owner of the shares. In the absence of instructions, shares subject to such "broker non-votes" will not be counted as voted or as present or represented on those proposals.

The affirmative vote of at least 80% of the outstanding shares of the Company is required to approve Proposals 3 and 4 to amend the Certificate of Incorporation and the By-laws to eliminate the classified Board structure and the supermajority voting provisions, respectively. New York Stock Exchange rules prohibit brokers from voting on

Proposal 4 without receiving instructions from the beneficial owners of the shares. Because approval is based on a threshold of 80% of all shares outstanding, rather than just those present or represented at the meeting, abstentions, “broker non-votes” and failures to vote or return a proxy will have the same effect as votes against this proposal.

Other Business

The Board knows of no other matters to be presented for shareowner action at the meeting. If other matters are properly brought before the meeting, the persons named as proxies in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Confidential Voting Policy

It is our policy that any proxy, ballot or other voting material that identifies the particular vote of a shareowner and contains the shareowner's request for confidential treatment will be kept confidential, except in the event of a contested proxy solicitation or as may be required by law. We may be informed whether or not a particular shareowner has voted and will have access to any comment written on a proxy, ballot or other material and to the identity of the commenting shareowner. Under the policy, the inspectors of election at any shareowner meeting will be independent parties unaffiliated with Honeywell.

Shares Outstanding

At the close of business on February 25, 2005, there were approximately _____ shares of Honeywell common stock outstanding. Each share outstanding as of the February 25, 2005 record date is entitled to one vote.

ATTENDANCE AT THE ANNUAL MEETING

If you are a shareowner of record who plans to attend the meeting, please mark the appropriate box on your proxy card or follow the instructions provided when you vote via the Internet or by telephone. If your shares are held by a bank, broker or other intermediary and you plan to attend, please send written notification to Honeywell Shareowner Services, P.O. Box 50000, Morris Township, New Jersey 07962, and enclose evidence of your ownership (such as a letter from the bank, broker or intermediary confirming your ownership or a bank or brokerage firm account statement). The names of all those planning to attend will be placed on an admission list held at the registration desk at the entrance to the meeting.

BOARD MEETINGS—COMMITTEES OF THE BOARD

The Board of Directors held seven regular meetings during 2004. The average attendance at meetings of the Board and Board Committees during 2004 was 90%. During this period, all of the directors attended or participated in more than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which each such director served, except for Mr. Stafford and Dr. Sheares. Mr. Stafford fell slightly below the 75% attendance threshold for the first time during his eleven-year tenure as a director. Dr. Sheares was elected to the Board in September 2004, with the understanding that he would be unable to attend meetings during December due to prior scheduling commitments that could not be changed, which accounts for his reduced percentage. Both Mr. Stafford and Dr. Sheares were briefed, both before and after meetings, on matters covered at the Board and committee meetings that they were unable to attend.

The Board currently has the following committees: Audit; Corporate Governance and Responsibility; Management Development and Compensation; and Retirement Plans. Each committee is comprised entirely of independent, non-employee directors (see "Director Independence" on page 5). Membership and principal responsibilities of the Board committees are described below. The charter of each Committee of the Board of Directors is available free of charge on our website, www.honeywell.com, under the heading "Investor Relations" (see "Corporate Governance"—"Board Committees") or by writing to Honeywell, 101 Columbia Road, Morris Township, NJ 07962, c/o Vice President and Secretary.

Audit Committee

The members of the Audit Committee are:

- Russell E. Palmer (Chair)
- Marshall N. Carter
- James J. Howard
- Eric K. Shinseki
- John R. Stafford
- Michael W. Wright

The Audit Committee met nine times in 2004. The primary functions of this Committee are to: appoint (subject to shareowner approval), and be directly responsible for the compensation, retention and oversight of, the firm that will serve as independent accountants to audit our financial statements and to perform services related to the audit (including the resolution of disagreements between management and the independent accountants regarding financial reporting); review the scope and results of the audit with the independent accountants; review with management and the independent accountants, prior to the filing thereof, the annual and interim financial results (including Management's Discussion and Analysis) to be included in Forms 10-K and 10-Q, respectively; consider the adequacy and effectiveness of our internal accounting controls and auditing procedures; review, approve and thereby establish procedures for the receipt, retention and treatment of complaints received by Honeywell regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and consider the accountants' independence and establish policies and procedures for pre-approval of all audit and non-audit services provided to Honeywell by the independent accountants who audit its financial statements. At each meeting, Committee members meet privately with representatives of PricewaterhouseCoopers LLP, our independent accountants, and with Honeywell's Vice President—Corporate Audit. The Board has determined that Mr. Palmer satisfies the “audit committee financial expert” criteria established by the Securities and Exchange Commission and the “accounting or related financial management expertise” criteria established by the New York Stock Exchange. See page 15 for the Audit Committee Report.

Corporate Governance and Responsibility Committee

The members of the Corporate Governance and Responsibility Committee are:

- Bruce Karatz (Chair)
- Gordon Bethune
- Marshall N. Carter
- Jaime Chico Pardo
- Russell E. Palmer
- Ivan G. Seidenberg
- Eric K. Shinseki

The Corporate Governance and Responsibility Committee met three times in 2004. The primary functions of this Committee are to: identify individuals qualified to become Board members, and recommend to the Board the nominees for election to the Board at the next Annual Meeting of Shareowners; review annually and recommend changes to the Corporate Governance Guidelines; lead the Board in its annual review of the performance of the Board and its committees; review policies and make recommendations to the Board concerning the size and composition of the Board, the qualifications and criteria for election to the Board, retirement from the Board, compensation and benefits of non-employee directors, the conduct of business between Honeywell and any person or entity affiliated with a director, and the structure and composition of Board committees; and review Honeywell's policies and programs relating to compliance with its Code of Business Conduct, health, safety and environmental matters, equal employment opportunity and such other matters as may be

brought to the attention of the Committee regarding Honeywell's role as a responsible corporate citizen. See "Identification and Evaluation of Director Candidates" on page 6 and "Director Compensation" on page 13.

Management Development and Compensation Committee

The members of the Management Development and Compensation Committee are:

- John R. Stafford, Chair
- Hans W. Becherer
- Gordon M. Bethune
- Clive R. Hollick
- Bruce Karatz
- Ivan G. Seidenberg
- Bradley T. Sheares

The Management Development and Compensation Committee met five times in 2004. The primary functions of this Committee are to: evaluate and approve executive compensation plans, policies and programs, including review of relevant corporate and individual goals and objectives; evaluate the CEO's performance relative to established goals and objectives and, together with the other independent directors, determine and approve the CEO's compensation level based on this evaluation; review and set the annual salary and other remuneration of all other officers; review the management development program, including executive succession plans; recommend individuals for election as officers; and review or take such other action as may be required in connection with the bonus, stock and other benefit plans of Honeywell and its subsidiaries. See pages 18-20 for the Report of the Management Development and Compensation Committee.

Retirement Plans Committee

The members of the Retirement Plans Committee are:

- Michael W. Wright (Chair)
- Hans W. Becherer
- Jaime Chico Pardo
- Clive R. Hollick
- James J. Howard
- Bradley T. Sheares

The Retirement Plans Committee met three times in 2004. The primary responsibilities of this Committee are to: appoint the trustees for funds of the employee pension benefit plans of Honeywell and certain subsidiaries; review funding strategies; set investment policy for fund assets; and oversee and appoint plan fiduciaries and members of the committees that invest pension fund assets.

DIRECTOR INDEPENDENCE

The Corporate Governance and Responsibility Committee conducts an annual review of the independence of the members of the Board and its committees and reports its findings to the full Board. Thirteen of Honeywell's fourteen directors (including four of the five nominees presently standing for election) are non-employee directors. The Corporate Governance and Responsibility Committee reviewed the commercial relationships (i.e., the purchase and/or sale of products and services) between Honeywell and companies with or by whom the non-employee directors are affiliated or employed. Although the Board has not adopted categorical standards of materiality, none of these relationships was deemed to be material as, in each case, within any of the last three years, the aggregate amount of such purchases and sales was less than one percent of the consolidated gross revenues of any such company in any of the last three completed fiscal years. Responses to

questionnaires completed by the directors did not indicate any other material relationships (e.g., industrial, banking, consulting, legal, accounting, charitable or familial) which would impair the independence of any of the non-employee directors.

Based on the report and recommendation of the Corporate Governance and Responsibility Committee, the Board has determined that each of its non-employee members satisfies the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the current listing standards and rules of the New York Stock Exchange and Securities and Exchange Commission.

The Board holds executive sessions of its non-employee directors on at least a quarterly basis. Members serve as the chairperson, or presiding director, for these executive sessions on a rotating basis (meeting-by-meeting) in accordance with years of service on the Board.

IDENTIFICATION AND EVALUATION OF DIRECTOR CANDIDATES

The Board has determined that its Corporate Governance and Responsibility Committee (the Committee) shall, among other responsibilities, serve as the nominating committee. The Committee is comprised entirely of independent directors under applicable SEC rules and New York Stock Exchange listing standards. The Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available at the Company's website www.honeywell.com, under the heading "Investor Relations" (see "Corporate Governance"—"Board Committees"), or by writing to Honeywell, 101 Columbia Road, Morris Township, New Jersey 07962 c/o Vice President and Corporate Secretary. The Committee is charged with actively seeking individuals qualified to become directors and recommending candidates for all directorships to the full Board of Directors. The Committee continuously considers director candidates in anticipation of upcoming director elections and other potential or expected Board vacancies.

The Committee considers director candidates suggested by members of the Committee, other directors, senior management and shareowners. The Committee has retained, at the expense of the Company, a search firm to identify potential director candidates, and is also authorized to retain other external advisors, including for purposes of performing background reviews of potential candidates. The search firm retained by the Committee has been provided guidance as to the particular experience, skills or other characteristics that the Board is seeking. The Committee has delegated responsibility for day-to-day management and oversight of the search firm engagement to the Chairman of the Board and/or the Company's Senior VP-Human Resources and Communications.

Preliminary interviews of director candidates may be conducted by the Chairman of the Committee or, at his request, any other member of the Committee, the Chairman of the Board and/or a representative of a search firm retained by the Committee. Background material pertaining to director candidates is distributed to the members of the Committee for their review. Director candidates who the Committee determines merit further consideration are interviewed by the Chairman of the Committee and such other Committee members, directors and key senior management personnel as determined by the Chairman of the Committee. The results of these interviews are considered by the Committee in its deliberations.

Director candidates are reviewed by the Committee against the following qualities and skills that are considered desirable for Board membership: their exemplification of the highest standards of personal and professional integrity; their independence from management under applicable securities law, listing standards, and the Company's corporate governance guidelines; their experience and industry background; their potential contribution to the composition, diversity and culture of the Board; their age, educational background and relative skills and characteristics; their ability and willingness to constructively challenge management through active participation in Board and committee meetings and to otherwise devote sufficient time to Board duties; and the needs of the Board and the Company's various constituencies.

In evaluating the needs of the Board, the Committee considers the qualifications of sitting directors and consults with other members of the Board (including as part of the Board's annual self-evaluation), the CEO and other members of senior management. At a minimum, all recommended candidates must

possess the requisite personal and professional integrity, meet any required independence standards, and be willing and able to constructively participate in, and contribute to, Board and committee meetings. Additionally, the Committee conducts regular reviews of current directors whose terms are nearing expiration, but who may be proposed for re-election, in light of the considerations described above and their past contributions to the Board.

Shareowners wishing to recommend a director candidate to the Committee for its consideration should write to the Committee, in care of Vice President and Corporate Secretary, Honeywell, 101 Columbia Road, Morris Township, New Jersey 07962. To receive meaningful consideration, a recommendation should include the candidate's name, biographical data, and a description of his or her qualifications in light of the above criteria. Shareowners wishing to nominate a director should follow the procedures set out under "Director Nominations" on page 38 of this proxy statement.

This year, one director is proposed for nomination to the Board of Directors who has not previously stood for election to the Board by the shareowners, Bradley T. Sheares. Dr. Sheares was identified by a third-party search firm and was elected to the Board, effective September 24, 2004.

The Company did not receive in a timely manner, in accordance with SEC requirements, any recommendation of a director candidate from a shareowner, or group of shareowners, that beneficially owned more than 5% of the Company's Common Stock for at least one year as of the date of recommendation.

PROCESS FOR COMMUNICATING WITH BOARD MEMBERS

Interested parties may communicate directly with the presiding director for an upcoming meeting or the non-employee directors as a group by writing to Honeywell, 101 Columbia Road, Morris Township, New Jersey 07962, c/o Vice President and Corporate Secretary. Communications may also be sent to individual directors at the above address.

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

The Company has no specific policy regarding director attendance at its Annual Meeting of Shareowners. Generally, however, Board and Committee meetings are held immediately preceding and following the Annual Meeting of Shareowners, with directors attending the Annual Meeting. All of the directors attended last year's Annual Meeting of Shareowners.

Proposal No. 1—ELECTION OF DIRECTORS

Honeywell's Board of Directors is divided into three classes that serve staggered three-year terms and are as nearly equal in number as possible. The Board has nominated five candidates for election as directors for a term ending at the 2008 Annual Meeting. **However, if Proposal 3 to amend the Company's Restated Certificate of Incorporation and By-laws to eliminate the classified Board structure (see page 27) is approved by the requisite vote of shareowners, then the terms of all directors, including those elected at the 2005 Annual Meeting, will end at the 2006 Annual Meeting of Shareowners. Thereafter, all directors will be elected for one-year terms.**

All nominees are currently serving as directors. If prior to the Annual Meeting any nominee should become unavailable to serve, the shares represented by a properly signed and returned proxy card or voted by telephone or Internet will be voted for the election of such other person as may be designated by the Board of Directors, or the Board may determine to leave the vacancy temporarily unfilled or reduce the authorized number of directors in accordance with the By-laws.

Directors may serve until the Annual Meeting of Shareowners immediately following their 70th birthday. In accordance with this policy, Mr. Becherer (a member of the class of directors with a term expiring in 2006) will retire at the 2005 Annual Meeting. The Board of Directors, upon the recommendation of the Corporate Governance and Responsibility Committee, has determined to extend the retirement age for Mr. Palmer to 72 to allow for the identification of, and orderly transition to, his successor as "Audit Committee Financial Expert."

Certain information regarding each nominee and each director currently in office is set forth below.

DIRECTOR COMPENSATION

The Corporate Governance and Responsibility Committee reviews and makes recommendations to the Board regarding the form and amount of compensation for non-employee directors. Directors who are employees of Honeywell receive no compensation for service on the Board. Honeywell's director compensation program is designed to enable continued attraction and retention of highly qualified directors by ensuring that director compensation is in line with peer companies competing for director talent, and is designed to address the time, effort, expertise and accountability required of active Board membership. In general, the Corporate Governance and Responsibility Committee and the Board believe that annual compensation for non-employee directors should consist of both a cash component, designed to compensate members for their service on the Board and its Committees, and an equity component, designed to align the interests of directors and shareowners and, by vesting over time, to create an incentive for continued service on the Board.

Each non-employee director receives an annual Board cash retainer of \$60,000. Each also receives a fee of \$2,500 for each Board meeting attended (seven during 2004), an annual retainer of \$10,000 for each Board Committee served (\$15,000 for Audit Committee), and an additional Committee Chair retainer of \$15,000 for the Audit Committee and \$10,000 for all other Board Committees. While no fees are generally paid for attending Committee meetings, a \$1,000 fee is paid for attendance at a Committee meeting, or other extraordinary meeting related to Board business, which occurs apart from a regularly scheduled Board meeting. Non-employee directors are also provided with \$350,000 in business travel accident insurance, and are eligible to elect \$100,000 in term life insurance and medical and dental coverage for themselves and their eligible dependents.

At the commencement of each year, \$60,000 in common stock equivalents is automatically credited to each director's account in the Deferred Compensation Plan for Non-Employee Directors, which amounts are only payable after termination of Board service, and may be paid as either a lump sum or in equal annual installments. Directors may also elect to defer, until a specified calendar year or retirement from the Board, all or any portion of their annual cash retainers and fees that are not automatically deferred, and to have such compensation credited to their account in the Deferred Compensation Plan. Amounts credited either accrue interest (8 percent for 2005) or are valued as if invested in common stock equivalents or one of the other funds available to participants in our savings plan. Amounts deferred in a common stock account earn amounts equivalent to dividends. Upon a change of control, a director will be entitled to a lump-sum payment of all deferred amounts.

Under the Stock Plan for Non-Employee Directors, each new director receives a one-time grant of 3,000 shares of common stock, which are subject to transfer restrictions until the director's service terminates with the consent of a majority of the Board, provided termination occurs at or after age 65. During the restricted period, the director has the right to receive dividends on and the right to vote the shares. At the end of the restricted period, a director is entitled to one-fifth of the shares granted for each year of service (up to five). However, the shares will be forfeited if the director's service terminates (other than for death or disability) prior to the end of the restricted period. The Plan also provides for an annual grant to each director of options to purchase 5,000 shares of common stock at the fair market value on the date of grant, which is the date of the Annual Meeting of Shareowners. Option grants vest in cumulative installments of 40 percent on April 1 of the year following the grant date and an additional 30 percent on April 1 of each of the next two years. These options also become fully vested at the earliest of the director's retirement from the board at or after age 70, death, or disability.

Director stock ownership guidelines have been adopted under which (1) distribution from common stock equivalent accounts (with respect to shares funded on or after the adoption of such guidelines) cannot commence until one-year post retirement, and (2) net gain shares from option exercises are subject to a one-year holding period (restriction lapses upon death or retirement).

Proposal No. 2—APPROVAL OF INDEPENDENT ACCOUNTANTS

The Audit Committee, which is comprised entirely of independent directors, is recommending approval of its appointment of PricewaterhouseCoopers LLP (“PwC”) as independent accountants for Honeywell to audit its consolidated financial statements for 2005 and to perform audit-related services, including review of our quarterly interim financial information and periodic reports and registration statements filed with the Securities and Exchange Commission and consultation in connection with various accounting and financial reporting matters. If the shareowners do not approve, the Audit Committee will reconsider the appointment.

PwC provided audit and other services during 2004 and 2003 as set forth below:

(in millions of \$)	<u>2004</u>	<u>2003</u>	
Audit Fees	25.9	14.2	Annual audit of the Company's consolidated financial statements, quarterly reviews of interim financial statements in the Company's Form10-Q reports, statutory audits of foreign subsidiaries and, in 2004, Sarbanes Oxley Section 404 work.
Audit-Related fees	2.9	9.5	Audit-related services primarily associated with the Company's merger and acquisition activity, audits of stand-alone financial statements of subsidiaries, and, in 2003, services performed in connection with the Company preparing to comply with Section 404 of the Sarbanes-Oxley Act regarding internal control over financial reporting.
Tax Fees	4.6	7.2	Tax compliance services were \$3.4 in 2004 and \$5.8 in 2003, relating primarily to extra-territorial income and international tax compliance. Tax consultation and planning services were \$1.2 in 2004 and \$1.4 in 2003, relating primarily to value-added tax and reorganizations.
All Other Fees	0.1	0.0*	The fee represents primarily licensing fees for electronic workpaper software used by our Corporate Audit Department.
Total Fees	33.5	30.9	

* Approximately \$40,000

Audit, audit-related and tax compliance fees, in the aggregate, comprised 96% and 95% of the total fees paid by Honeywell to PwC in 2004 and 2003, respectively.

In accordance with its Charter, the Audit Committee reviews non-audit services proposed to be provided by PwC to determine whether they would be compatible with maintaining PwC's independence. The Audit Committee has established policies and procedures for the engagement of PwC to provide non-audit services. At its first meeting in each fiscal year, the Audit Committee reviews and approves an annual budget for specific categories of non-audit services (that are detailed as to the particular services) which PwC is to be permitted to provide (those categories do not include any of the prohibited services set forth under the auditor independence provisions of the Sarbanes-Oxley Act of 2002). This review includes an evaluation of the possible impact of the provision of such services by PwC on the firm's independence in performing its audit and audit-related services. On a quarterly basis, the Audit Committee reviews the non-audit services performed by, and amount of fees paid to, PwC, by category in comparison to the pre-approved budget. The engagement of PwC to provide non-audit services that do not fall within a specific category of pre-approved services, or that would result in the total fees payable to PwC in any category exceeding the approved budgeted amount, requires the prior approval of the Audit Committee. Between regularly scheduled meetings of the Audit Committee, the Chair of the Committee may represent the entire Committee for purposes of the review and

approval of any such engagement, and the Chair is required to report on all such interim reviews at the Committee's next regularly scheduled meeting.

Honeywell has been advised by PwC that it will have a representative present at the Annual Meeting who will be available to respond to appropriate questions. The representative will also have the opportunity to make a statement if he or she desires to do so.

The Board of Directors recommends that the shareowners vote FOR the approval of the appointment of PricewaterhouseCoopers LLP as independent accountants.

AUDIT COMMITTEE REPORT

The Audit Committee of the Honeywell International Inc. Board of Directors is comprised of the six directors named below. Each member of the Audit Committee is an independent director as defined by applicable Securities and Exchange Commission (SEC) rules and New York Stock Exchange (NYSE) listing standards. In addition, our Board of Directors has determined that Russell E. Palmer is an “audit committee financial expert” as defined by applicable SEC rules and satisfies the “accounting or related financial management expertise” criteria established by the NYSE. The Audit Committee operates under a written charter adopted by the Board of Directors, which is available free of charge on our website under the heading “Investor Relations” (see “Corporate Governance”—“Board Committees”), or by writing to Honeywell, 101 Columbia Road, Morris Township, New Jersey 07962, c/o Vice President and Corporate Secretary.

Management is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent accountants are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee is responsible for overseeing the conduct of these activities and, subject to shareholder ratification, appointing the Company's independent accountants. As stated above and in the Committee's charter, the Committee's responsibility is one of oversight. The Committee does not provide any expert or special assurance as to Honeywell's financial statements concerning compliance with laws, regulations or generally accepted accounting principles. In performing its oversight function, the Committee relies, without independent verification, on the information provided to it and on representations made by management and the independent accountants.

The Audit Committee reviewed and discussed the Company's consolidated financial statements for the year ended December 31, 2004 with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standard No. 61, *Communication with Audit Committees*. The Committee also reviewed, and discussed with management and PwC, management's report and PwC's report and attestation on internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act.

The Company's independent accountants provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and the Committee discussed with the independent accountants their independence. The Audit Committee concluded that PwC's provision of non-audit services, as described in the preceding section of this proxy statement, to the Company and its affiliates is compatible with PwC's independence.

Based on the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representations of management and the report of the independent accountants, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION
Report of the Management Development and Compensation Committee

The Management Development and Compensation Committee of the Board of Directors (the “Committee”) determines the compensation of Honeywell's executive officers (with respect to the CEO, the Committee recommends compensation for approval by the independent, non-employee directors, including the members of the Committee) and oversees the design and administration of executive compensation programs. The Committee is composed entirely of independent directors.

Executive Compensation Policies and Programs

Honeywell's executive compensation programs are designed to attract and retain highly qualified executives and to motivate them to maximize shareowner returns by achieving aggressive goals. The programs link each executive's compensation directly to Honeywell's performance. A significant portion of each executive's compensation is dependent upon achieving business and financial goals, realizing other individual performance objectives, and upon stock price appreciation.

Each year, the Committee reviews the executive compensation policies with respect to the linkage between executive compensation and the creation of shareowner value, as well as the external competitiveness of the programs. The Committee approves salary actions and determines the amount of annual bonuses and the number and amount of long-term incentive awards for officers. The Committee also determines what changes, if any, are appropriate in the compensation programs of the Company.

The Internal Revenue Code restricts deductibility of annual individual compensation to its top executive officers in excess of \$1 million if certain conditions set forth in the Code are not fully satisfied. Honeywell intends, to the extent practicable, to preserve deductibility under the Internal Revenue Code of compensation paid to its executive officers while maintaining compensation programs that effectively attract and retain exceptional executives in a highly competitive environment and, accordingly, compensation paid under Honeywell's stock plan and incentive compensation plans is generally tax-deductible. However, on occasion it is not possible to satisfy all conditions of the Internal Revenue Code for deductibility and still meet Honeywell's compensation needs, and in such limited situations, certain compensation paid to some executives is
